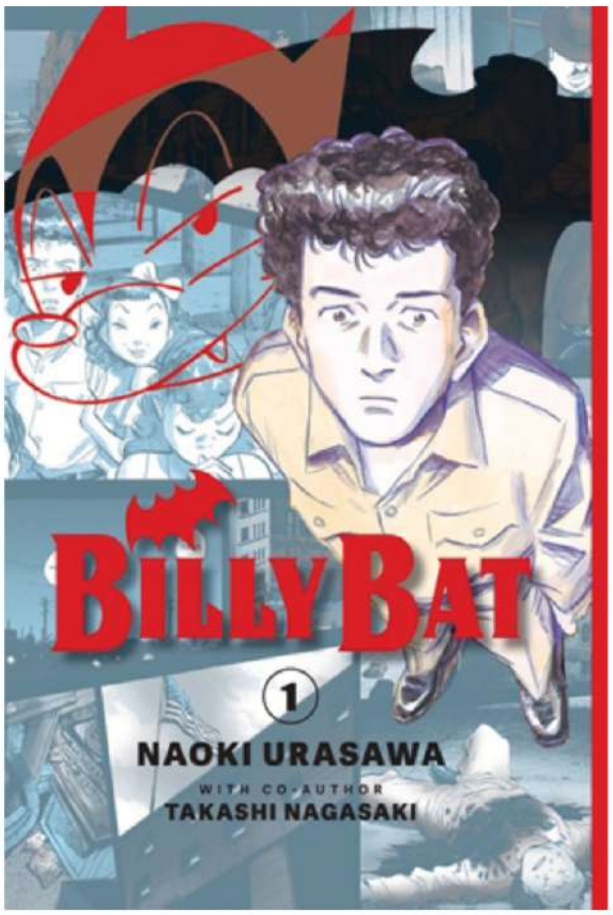
BILLY BAT#1

Billy Bat Volume 1

● BY NAOKI URASAWA AND TAKASHI NAGASAKI

A highly requested title from Naoki Urasawa and Takashi Nagasaki, the in–demand manga Billy Bat, historical conspiracy–thriller meta–manga spanning multiple millennia following a Japanese American comic artist's search for the truth regarding the origins of his character "Billy Bat."



A thrilling sci–fi mystery by Naoki Urasawa and Takashi Nagasaki.

It's 1949 Los Angeles, and Kevin Yamagata, a Japanese American comic book author, is drawing his bestselling comic book character, Billy Bat: a quick–witted detective who is, unsurprisingly, a cartoon bat. Everything is going well for Kevin until he discovers an unfortunate truth: He may have unintentionally plagiarized his beloved character from a drawing he once saw in Japan. Devastated by the news, Kevin returns to war–torn Japan to find the drawing's original artist . . . but the character's origins turn out to be far older and more perplexing than he had ever imagined.

Naoki Urasawa is a master manga artist described to have changed the history of contemporary manga. He has won numerous awards, including the Shogakukan Manga Award three times, the Tezuka Osamu Cultural Prize twice, and the Kodansha Manga Award. He is known for authoring *Monster, 20th Century Boys, Billy Bat,* and *Pluto* (which was adapted by Netflix). **Takashi Nagasaki** is an author and manga writer known for titles such as *Monster, 20th Century Boys,* and *Pluto*. He worked as editor at Shogakukan before leaving to work as a freelance artist.

SELLING POINTS

STAR AUTHOR: Manga author Naoki Urasawa is representative not only of the *seinen* (adult) genre, but also of contemporary manga. He is widely acclaimed in the US with both a passionate fandom and respect by the general manga mainstream.

EXHILARATING STORY: *Billy Bat* is a brilliantly written, lightning–fast story with rapid developments that spiral the reader into a winding, gripping conspiracy. It perfectly balances viewing historical events through a different lens with surreal and suspenseful dramatic reveals.

iN DEMAND: Fans have been waiting for a translation for years. *Billy Bat* frequently appears in "Top 10 Manga That Need an English Release" articles.

POPULAR GENRE: Historical Fiction is incredibly popular right now, as we see hit Netflix shows such as *Bridgerton*, *Outlander*, and *All the Light We Cannot See* keep a firm hold on US viewership—*Billy Bat* takes the intrigue one step further, embellishing comics and world history by imagining a conspiracy theory that has directly affected world politics as they have formed today.

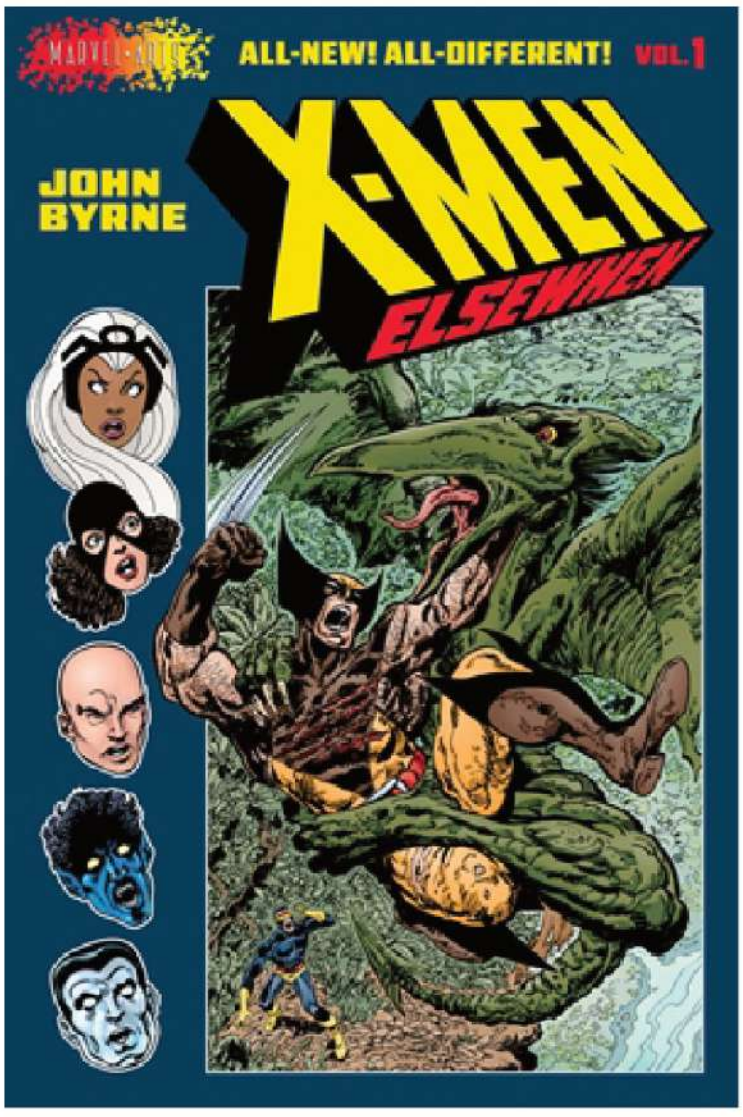
X-Men: Elsewhen (Volume 1 of 3)

A GRAPHIC NOVEL

- WRITTEN AND ILLUSTRATED BY JOHN BYRNE

Legendary comic book creator John Byrne returns to the characters he first drew 50 years ago, the X–Men, with this all–new, one–of–a–kind graphic novel series, *X–Men: Elsewhen*. This special three–volume series picks up the story from Byrne's original run on *Uncanny X–Men*, taking the characters in thrilling and unexpected directions.



In Volume 1 of *X–Men: Elsewhen*, the Dark Phoenix Saga is over and Phoenix is . . . alive?! Diverging from the epic finale of the original storyline from 1984, *X–Men: Elsewhen* presents a universe where Jean Grey's powers and intellect have been greatly reduced, and from there, everything you thought you know about the X–Men is forever changed. John Byrne's monumental return to the X–Men heads in entirely new and surprising directions, as the X–Men head back to the Savage Land, face their climactic adventure with the Sentinels, and contend with special guest–stars such as the Avengers and the Fantastic Four along the way.

X–Men: Elsewhen is a three–volume graphic novel series in the Marvel Arts line that sees the return of acclaimed X–Men artist Byrne decades after his last work on the series. Byrne has written and penciled every page and inked multiple chapters, all of which pick up the story from where his first go–round ended, taking this beloved lineup of characters—and his fans—in exciting new directions.

John Byrne is a British–born American comic book writer and artist who has worked continuously in comics since 1975. Byrne got his start at Charlton Comics before moving to Marvel Comics on series such as *Iron Fist* and *The Champions*. He took over penciling duties on *Uncanny X–Men* in 1977, where he co–plotted and illustrated one of the most acclaimed and influential runs in comic book history. He went on to revitalize *Fantastic Four*, *Alpha Flight* and *She–Hulk* before leaving Marvel for DC Comics in the mid–1980s. There, he relaunched *Superman* for a new generation of readers. He is also the creator of series such as *John Byrne's Next Men*, *Danger Unlimited*, and *Cold War*. Byrne entered the Will Eisner Awards Hall of Fame in 2015 and the Harvey Awards Hall of Fame in 2025. He lives in Connecticut.

SELLING POINTS

LEGENDARY CREATOR: John Byrne, the Eisner Hall of Fame comic book writer/artist who co–plotted and illustrated some of the most memorable *Uncanny X–Men* comics of all time, returns to write and draw new X–Men graphic novels—his first time creating new adventures for this iconic team in more than two decades.

SINGULAR GRAPHIC NOVELS: Byrne's initial work on *Uncanny X–Men* is one of the most lauded runs in Marvel Comics history, with stories that served as inspiration for multiple big–screen films and animated series alike. Byrne created over 600 pages of new stories that pick up where he left off, with one key difference: In the original comics, the character of Phoenix made the ultimate sacrifice to save the galaxy . . . but in the original ending that Byrne and writer Chris Claremont envisioned, Phoenix survived, albeit her powers greatly diminished. Our new trilogy of graphic novels from Byrne picks up from this point, telling divergent stories as though he never left the title.

The Art of Marvel Animation's Your Friendly Neighborhood Spider-Man

- WRITTEN BY RAMIN ZAHED

The official behind–the–scenes companion to the Disney+ animated series

Cover to be revealed....

The Art of Your Friendly Neighborhood Spider–Man documents Marvel Animation's development of the first season of the critically–acclaimed Disney+ animated series. Featuring a style that combines the aesthetic of vintage comic book art with a distinctly modern depiction of Peter Parker's New York City, the series explores the unique challenges of balancing friendships, schoolwork, and internships while coming to terms with the realities of life as a Super Hero. Under the tutelage of Norman Osborn, Peter dons a number of suits and takes on hordes of street–level villains outfitted by Doctor Otto Octavius and has run–ins with familiar heroes like Doctor Strange, Daredevil, and Iron Man. Interviews with key creatives accompany sketches, storyboards, character and costume designs, animation cels, and other ephemera from the making of the series.

Ramin Zahed is a Los Angeles–based author and editor in chief of *Animation Magazine*. His books include the *New York Times* bestselling *Spider–Man: Across the Spider–Verse: The Art of the Movie*, as well as *The Art of DreamWorks Puss in Boots: The Last Wish*, *Spider–Man: Into the Spider–Verse: The Art of the Movie*, *The Art of Love, Death + Robots*, and the previous edition of *The Art of DreamWorks Animation*.

Kirby: King of Comics

Previously Offered through Other Distributors

ANNIVERSARY EDITION

- BY MARK EVANIER; INTRODUCTION BY NEIL GAIMAN

The first authorized celebration of the one and only King of Comics and his groundbreaking work—now revised and expanded

"A landmark work, this is essential reading for comics fans and those who want to better understand the history of the comics medium—or those who just want to enjoy Kirby's incredible artwork."
—*Publishers Weekly*

". . . for a comics fan, Evanier's book is an essential purchase."—*The Guardian*

Jack Kirby created or co–created some of comic books' most popular super heroes, including Captain America, The X–Men, The Hulk, The Fantastic Four, The Mighty Thor, Darkseid, and The New Gods. More significantly, he created much of the visual language for fantasy and adventure comics. There were comics before Kirby, but for the most part their page layout, graphics, and visual dynamic aped what was being done in syndicated newspaper strips. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well—Mark Evanier. First issued in 2008, *Kirby: King of Comics* was the first overview of the legendary comic book creator's career. It is now available in a smaller, more affordable package, revised and expanded for Kirby's centennial.

Mark Evanier, an award–winning writer and historian, has three Emmy Award nominations and received the Lifetime Achievement Award for animation from the Writers Guild of America. He lives in Los Angeles.

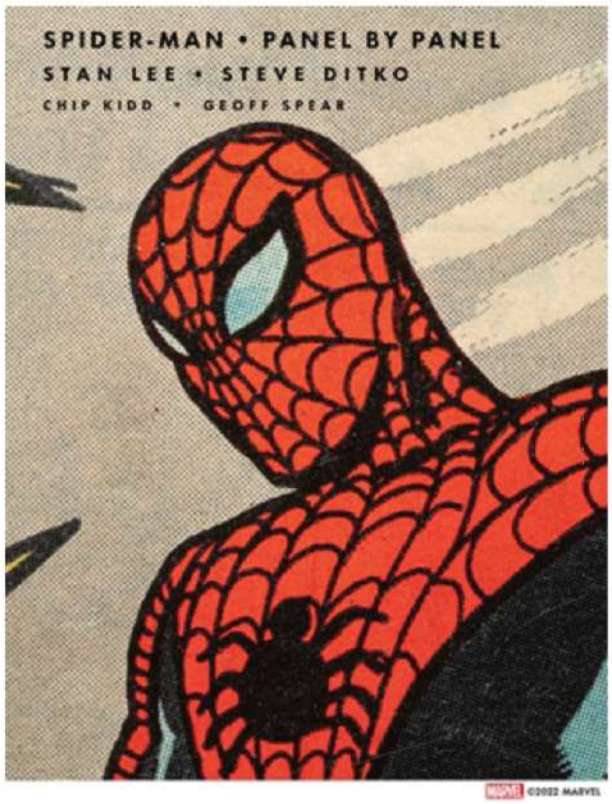
- BY MARVEL ENTERTAINMENT, STAN LEE, STEVE DITKO, AND JACK KIRBY; DESIGNED BY CHIP KIDD; COMMENTARIES BY TOM BREVOORT, PETER SANDERSON, SARA DUKE, AND CHIP KIDD; PHOTOGRAPHED BY GEOFF SPEAR

Spider–Man's iconic first appearances as they have never been seen before



Spider–Man first swung onto the comic book pages in August 1962 with the publication of *Amazing Fantasy* no. 15, created by Stan Lee and Steve Ditko and with cover art by Jack Kirby. Sixty years after the comic's publication, award–winning graphic designer Chip Kidd reimagines the iconic first story also told in *The Amazing Spider–Man* no. 1 from March 1963 using original vintage copies of both comic books to present these classic tales in a whole new way.

Perfect for both lifelong fans and the latest generation of Marvel enthusiasts, the book also includes text by Chip Kidd, Marvel editor Tom Brevoort, historian Peter Sanderson, and Library of Congress curator Sara Duke. Stunningly photographed by award–winning photographer Geoff Spear, *Amazing Fantasy* no. 15 and *Amazing Spider–Man* no. 1 are showcased as you've never seen them before—oversize and up close. This is a panel–by–panel exploration of both entire issues that captures every single detail and nuance of Lee and Ditko's groundbreaking story, making it a must–have for every comic book collection.

Stan Lee (1922–2018) was a writer, editor, comic book creator, and the former president and chairman of Marvel Comics. **Steve Ditko** (1927–2018) was one of the most influential American comic book artists of all time, and the co–creator of Spider–Man and Doctor Strange. **Jack Kirby** (1917–94) created or co–created some of comic books' most popular characters, including the Fantastic Four. **Chip Kidd** is a graphic designer and writer and vice president at Pantheon. A three–time Eisner Award winner, he has written and designed more than a dozen books on comics. **Tom Brevoort** is an executive editor and vice president of publishing at Marvel Comics. **Peter Sanderson** is a comic book critic, historian, former researcher for DC and Marvel, and former lecturer at New York University. **Sara Duke** is a curator of Popular and Applied Graphic Arts in the Prints and Photographs division of the Library of Congress. **Geoff Spear** is an award–winning photographer.

CONTINUING SERIES: First there was *Fantastic Four No. 1: Panel by Panel*. Now comes Spider–Man, as award–winning designer Chip Kidd and photographer Geoff Spear deconstruct the iconic issues of *Amazing Fantasy* no. 15 and *The Amazing Spider–Man* no. 1 by Stan Lee and Steve Ditko, with cover art by Jack Kirby.

NOT ONE BUT *TWO* COMPLETE STORIES: In August 1962, Spider–Man made his first appearance in *Amazing Fantasy* no. 15 and was so popular with readers that he got his own comic book in March 1963, *The Amazing Spider–Man*. In *Spider–Man: Panel by Panel*, Kidd and Spear examine both comic books, including the debut of his first super villain, the Chameleon, as well as Marvel's first super hero team–up, which features none other than . . . the Fantastic Four.

ORIGINAL ART: In 2008, an anonymous collector came forward with the original art for all 11 pages of the very first appearance of Spider–Man from *Amazing Fantasy* no. 15 and donated them to the Library of Congress (LOC). *Spider–Man: Panel by Panel* includes all 11 pages of the original art, as well as close–up details and handwritten notes between Lee and Ditko from the margins of the pages, which have never been reproduced before.

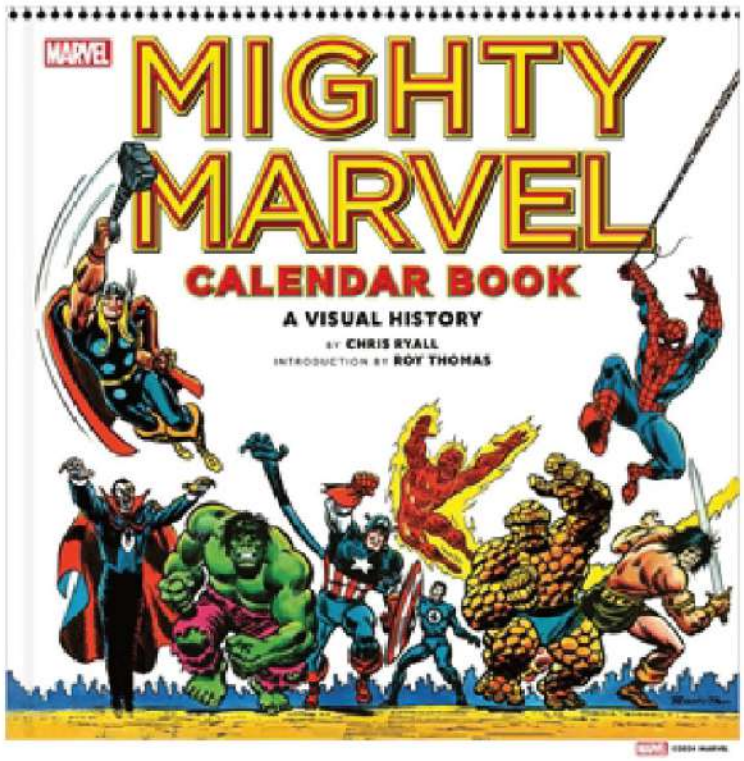
Mighty Marvel Calendar Book: A Visual History

THE MARVEL COMICS CALENDAR BOOK: 1975-1981

Previously Offered through Other Distributors

- BY CHRIS RYALL; INTRODUCTION BY ROY THOMAS

The full set of seven Marvel calendars from 1975–81, collected for the first time in a deluxe oversize edition



Beginning in 1975, Marvel created seven annual spiral–bound calendars that were as artistically designed and captivatingly written as any of their comic books. Each of these annual calendars—whether they celebrated the Bicentennial (1976), spotlighted a specific character such as Spider–Man (1978) or Doctor Strange (1980), or villains across the pantheon of the Marvel Universe—all shared these similarly inspired features:

- Art by the biggest names in comics, created especially for these calendars. Artists include Jack Kirby, John Buscema, John Byrne, Frank Miller, Walter Simonson, Gil Kane, George Perez, Gene Colan, Jim Starlin, Sal Buscema, Mike Ploog, and dozens of others. Most of this art has never been reprinted.
- Visual call–outs for birthdays of notable Marvel staff and creators
- Key moments in Marvel history, punctuated by photos and artwork from beloved comics
- Special events, famous quotes from fan–favorite issues, and other celebratory mentions

Now the complete set of covers, interiors, and seven years' worth of gorgeously designed monthly entries are reproduced at their original size in this beautiful, oversize hardcover package. Also included is new commentary, rare promotional materials, and an all–new introduction by longtime Marvel writer/editor/historian Roy Thomas. The years might keep ticking away, but the work collected in this book remains timeless!

"Capricious" **Chris Ryall**, as Stan Lee once nicknamed him, was the longtime chief creative officer, editor in chief, and writer for IDW Publishing. He is the cofounder of Syzygy Publishing and cowriter of *Comic Books 101*. He lives in San Diego. **Roy Thomas** has been a comic book writer and editor, primarily for Marvel Comics and DC Comics, since 1965. He was inducted into the Will Eisner Comic Book Hall of Fame in 2011 and currently edits *Alter Ego* magazine. Thomas is the author of *Marvel Value Stamps: A Visual History* and contributed introductions to the two volumes of the *Marvel Classic Black Light Collectible Poster Portfolio*.

The Art of Star Wars: Andor (The Complete Series)

- WRITTEN BY PHIL SZOSTAK

The official behind–the–scenes companion to the Emmy, WGA, SAG, Golden Globe, and BAFTA–Award nominated Disney+ series

The Art of Star Wars: Andor (The Complete Series) gives readers an exclusive inside look at the production art, visual development, concept art, creature designs and FX, graphics, props, and more that went into creating the Tony Gilroy helmed Disney+ series. Through extensive interviews with Gilroy, star Diego Luna, and the talented Lucasfilm visualists, author Phil Szostak documents every step of *Andor*'s production from discussions following the initial release of *Rogue One: A Star Wars Story* up through post–production on the final episodes of season two. With deep dives into the locations that defined the series, including Kenari, Ferrix, Aldhani, Narkina 5, Mina–Rau, Ghorman, and Yavin 4, among many others, this essential volume celebrates the legacy of all twenty–four critically acclaimed episodes and the hurdles the filmmakers, cast, and crew had to overcome to bring their vision to life.

Every facet and detail of the Rebellion and Empire's inner workings and the day–to–day existence within the world of *Star Wars* that *Andor* lovingly depicted are explored in great detail along with reflections on the series overall and its espionage roots and political relevance. The lived–in, battered costumes, ships, and locales that are so crucial to the DNA of *Star Wars* are on full display in this volume alongside the elegant formalism of the Galactic Senate and Coruscant. Every piece of concept art—from ISB uniforms to Ferrix workwear to sleek speeders to the sterile prison cells of Narkina 5—has a tactility that leaps off the page. Cassian Andor's journey from thief to spy to rebel to martyr, and the stories of his allies, uneasy partnerships, Imperial schemes, and galactic revolution took audiences on an emotionally resonant adventure and *The Art of Star Wars: Andor* spotlights the exceptional work that made it all possible.

Lucasfilm creative art manager **Phil Szostak** has worked in conjunction *with Star Wars* art departments since 2008. A graduate of the School of Visual Arts in New York, Szostak ran the JAK Films Art Department on Skywalker Ranch for more than three years before joining the narrative design team on LucasArts's *Star Wars: 1313*. He is also the author of *The Art of Star Wars: The Mandalorian (Season Two)* (Abrams, 2022), *The Art of Star Wars: The Mandalorian (Season One)* (Abrams, 2020), *The Art of Star Wars: The Rise of Skywalker* (Abrams, 2019), and *The Art of Star Wars: The Last Jedi* (Abrams, 2017).

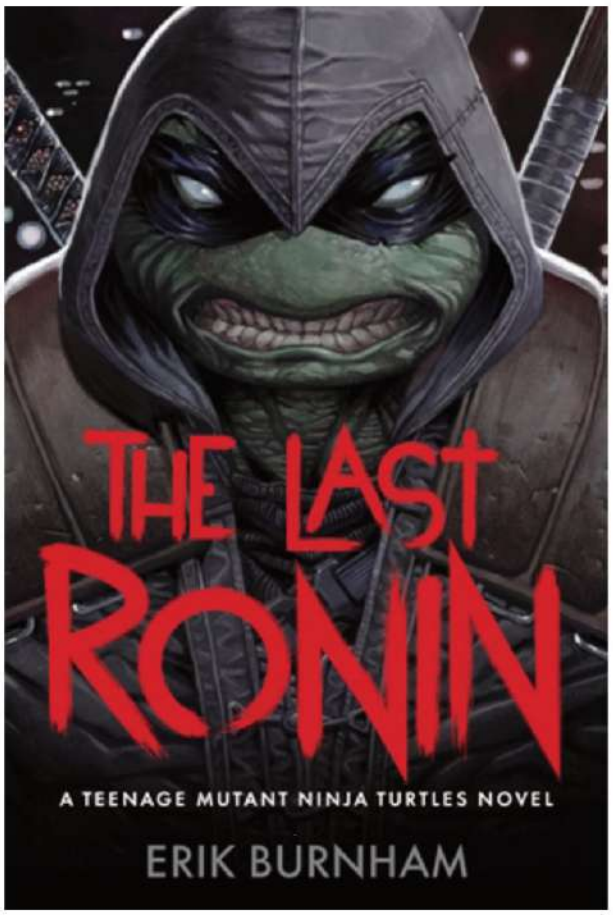
- BY ERIK BURNHAM, ILLUSTRATED BY THE ESCORZA BROTHERS

This expanded adaptation of *The Last Ronin* reimagines the bestselling Teenage Mutant Ninja Turtles graphic novel in an action–packed noir novel, perfect for fans who grew up with the Turtles



Who is the Last Ronin?

After decades away, a lone surviving Turtle returns to New York City with one mission: To avenge his family by killing the leader of the Foot Clan, Oroku Hiroto. But nothing about the city—battle–ravaged and ruled over by Hiroto with an iron fist—feels like home, and nothing about Ronin's mission goes to plan. With the help of old friends and new allies emerging in unexpected places, can Ronin finally get justice for those he lost?

What terrible events destroyed his family in the first place?

Featuring original black–and–white illustrations from Esau and Isaac Escorza, this first–of–its–kind novel in the Teenage Mutant Ninja Turtles universe is a must–read for every Turtles fan.

Erik Burnham is a writer and cartoonist. He's worked on both creator–owned and licensed comics and still can't believe how lucky he is. Burnham works with Mad Cave Studios, Dynamite, IDW, Insight Editions, Marvel, and Panini on properties such as Ghostbusters, Teenage Mutant Ninja Turtles, Back to the Future, Galaxy Quest, Scarlet Spider, New Warriors, Red Sonja, KISS, and Potions Inc., with more on the way.

CHIISAKOBEE

Chiisakobee Volume 1

● BY MINETARO MOCHIZUKI

A quirky, poetic manga about a young, gruff carpenter's attempt to keep his family business afloat, all amidst a wacky, found–family drama and romance.

After a fire burns down his family business and claims the lives of his parents, the young heir and master carpenter Shigetsugu vows to rebuild the failing venture with his late father's words in mind: "No matter how much the times change, what's important is for our kind to have compassion and dedication."

And then Ritsu, a housemaid with no relatives to rely on, comes rolling into his life with a group of children from a welfare facility who have nowhere to go, thus begins the dramatic last–ditch way–of–life story of a shaggily bearded carpenter!

This bold and ambitious reinterpretation of Shūgorō Yamamoto's classic historical novel *Chiisakobee* is brought to life with the full flourish of Minetaro Mochizuki's bohemian brush!

Minetaro Mochizuki is a prolific, celebrated manga author–illustrator known for manga titles *Dragon Head*, *Zashiki Onna*, and the manga adaptation of the Wes Anderson film *Isle of Dogs*. His works *Bataashi Kingyo*, *Dragon Head*, and *Shark Skin Man and Peach Hip Girl* have been adapted into pulp films. He received a Tezuka Osamu Cultural Prize Award for Excellence, Award for General Manga at the 21st Kodansha Manga Award, and for *Chiisakobee*, he received an Excellence Award at the 17th Japan Media Arts Festival in 2013 and the prestigious Fauve D'Angoulême: Prix de la Série at the 2017 Angoulême International Comics Festival. He cites heta–uma styles as influence and follows the cult legacy of popular alternative–manga magazine *Garo*. Mochizuki's own distinct New Wave style has had profound influence on manga authors succeeding him. He is an avant–garde trendsetter in the manga world. **Shimizu Satomu,** better known by the penname Shugoro Yamamoto, is a Japanese novelist and short–story writer prolific during the Showa period of Japan. Despite the Yamamoto Shugoro Prize being named after him, he modestly refused prestige in his lifetime, noting that his writing for a popular audience should not be considered literature. His works may be known for adaptation such as the Akira Kurosawa film *Sanjuro*, an adaptation of the short story *Nichinichi hei–an* (*Peaceful Days*), and *Dodes'ka–den*, an adaptation of the book *Kisetsu no nai machi* (*The Town Without Seasons*). Cult director Takashi Miike also adapted the novel *Sabu* into film.

AWARD WINNER:
Chiisakobee won the Fauve D'Angoulême – Prix de la Série (Prize for a Series) award at the 44th Angoulême International Comics Festival in 2017 and 17th Japan Media Arts Festival Excellence Award in 2013.

ENDEARING ART: With bohemian flourish, Mochizuki lines the pages with elaborate, charming art. There is astonishing attention dedicated to the paneling and mise–en–scène, reminiscent of legendary film director Ozu Yasujiro. Subjects and objects are minimalist by design, clean and pleasant to read, and yet still with a perfectly timed scowl and cute shriveled frowns, the characters burst forth as endearingly human. A merging of unorthodox technical prowess and a zany taste for the adorable, this title invites readers to pour their eyes over the art in affectionate glee.

HEARTFELT STORY:
Chiisakobee is a touching story of found family overcoming grief and adversity beyond one's control. Relatable themes include lofty aspirations, anger at skeptics, and feeling as though the world will continue to exist with or without you. The extended found family and beyond have diverse characters: maladjusted kids, vexingly creepy father, and even annoying bureaucrats. A thoughtful and heartfelt manga!

***Romance of the Three Kingdoms* meets *True Grit*! A thrilling manhua, mixing adrenaline–packed spaghetti Western and *Game of Thrones*–type empire drama, *Blades* (or *Biao Ren*) follows extraordinary swordsman and bounty hunter Dao Ma and his toddler son as they take a larger–than–life journey fated to uproot a brutal ancient Chinese empire**

It is the third year of Daye (607 CE). The people of Sui Dynasty are living in poverty under the brutal rule of Emperor. In the desert fringes of this empire is a traveling swordsman named Dao Ma. He's a skilled bounty hunter who hopes to pay off his debt to his foster godfather while looking after his three–year–old son.

When Dao Ma takes on an escort mission to bodyguard an enigmatic fugitive to the imperial capital, he treats it as a simple high–paying job. Little does he know that this client is a dangerous mystic twirling strings that could uproot the empire from its foundations.

One of the top bestselling manhua titles in China, *Blades of the Guardians'* dramatic, brutal illustrations and tight, intricate plot will leave readers at the edge of their seats. It is perfect for fans of seinen manga like *Vagabond*, wuxias like *Crouching Tiger, Hidden Dragon*, and world–shaking adventures like *The Lord of the Rings*.

Xianzhe Xu is a manhua author–illustrator known for the bestselling series *Blades of the Guardians* and *Assassin's Creed Dynasty*. A powerful new voice in manhua, his works showcase a masterful hand at intertwining threads of prophecy, ancient history, and human compassion. Bold action and deep anguish intersperse in sharp harmony, in a style reminiscent of calligraphy. Xu is a popular author with a cult following.

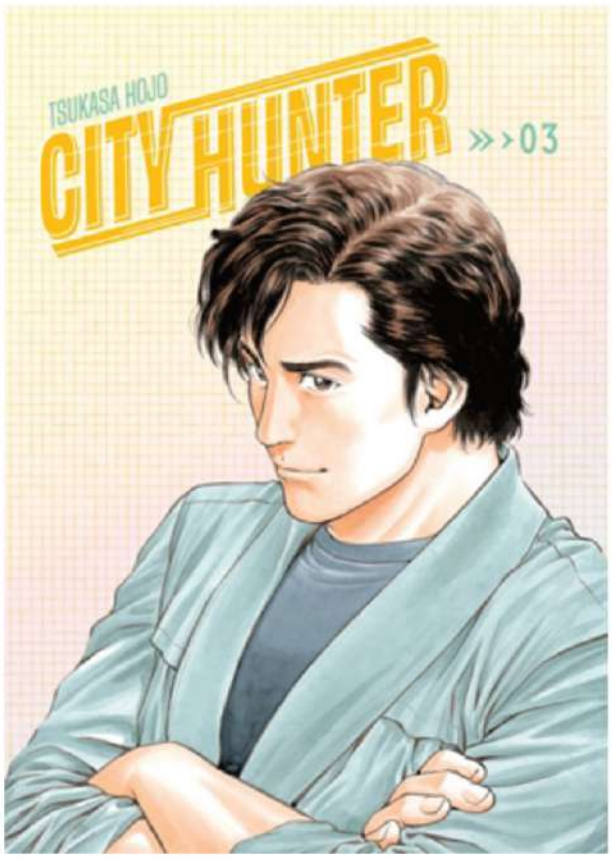
CITY HUNTER#3

City Hunter Omnibus Volume 3 (Three Volumes in One)

- BY TSUKASA HOJO

James Bond meets Lupin the Third! A stylish cocktail of hard–boiled action and raunchy comedy, manga classic *City Hunter* follows exceptional marksman and compassionate sleazeball Saeba Ryo as he sweeps corruption from the lavish '80s Tokyo nightlife one evil at a time



The infamous Phantom Thief No. 305 is making waves in the news, but City Hunter Saeba Ryo is too captivated by a mysterious silhouette dancing in the night sky to do much about it. But when the dancer's true identity is revealed to be a high school girl who is also descended from a long line of famous thieves, Ryo is just more ensnared. She has a mission for Ryo too, an item she's not been able to steal: the black tulip. The owner of the targeted tulip in question? A self–proclaimed mad scientist and researcher of paranormal phenomena!

Tsukasa Hojo is a manga author–illustrator known for legendary series *CITY HUNTER* and *CAT'S EYE*. Representative of the '80s, his works showcase the stylish glamour of a generation characterized by nightlife.

ABRAMS

SELLING POINTS

SUPERSTAR AUTHOR: Tsukasa Hojo is a generation–defining author with a lifetime of adaptations; *CAT'S EYE* anime is being adapted anew, slated for Fall 2025, timed with our English release.

SENSATIONAL STORIES: Bold and compassionate, a unique sensibility commands the stories of *CITY HUNTER*. In an almost James Bond manner, every few chapters are a vignette following the perilous circumstances of a newly introduced heroine and the escapades of Saeba Ryo that solve these issues. The stories are interspersed with fast–paced, page–turning action, frequent close calls at death's door, and catharses reminiscent of *Mission: Impossible*.

UNFORGETTABLE ART: *CAT'S EYE* is immediately recognizable thanks to Tsukasa Hojo's distinctive style. Flashy, sharp, and with a subtle touch of granular realism, each heist feels like a glamorous action flick with a heavy breath of life. *CAT'S EYE* captures the romantic midday breeze—museums, cruise ships, villas and cafes—reminiscent of the bright seaside images of City Pop. *CAT'S EYE* is bubbly, warm, and—dare we say—timeless.

GIFTY: This paperback, dust–jacket 3–in–1 omnibus is a beautiful collector's edition for longtime fans, with cross volume spine art, but at an accessible price point for fans to gift and introduce the series to a friend.

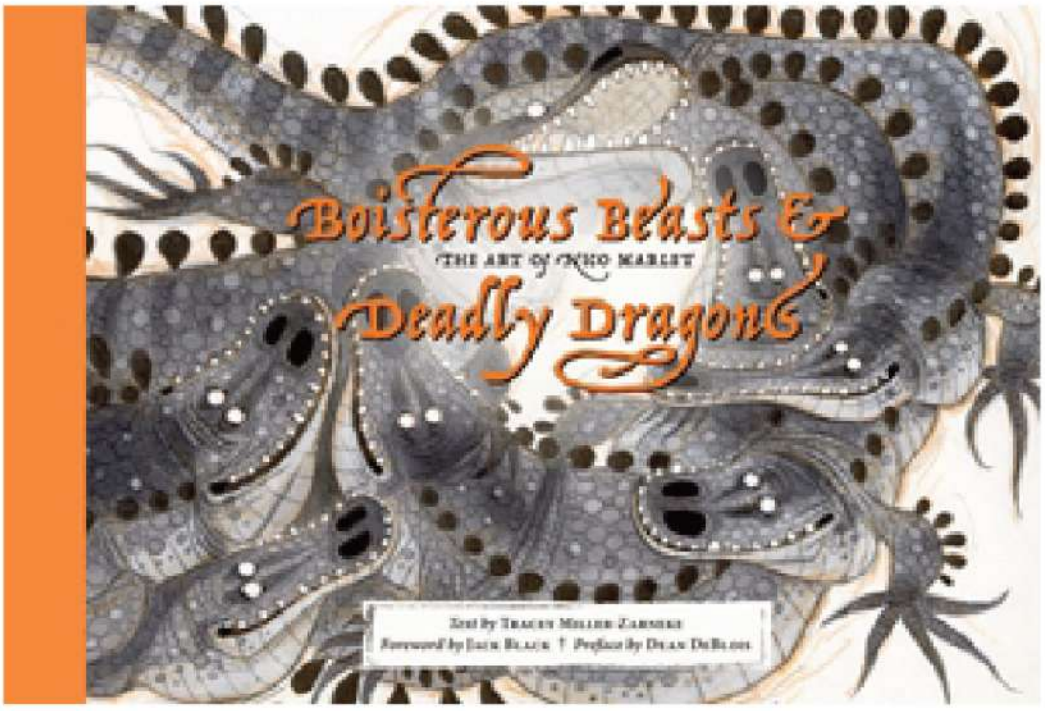
Boisterous Beasts & Deadly Dragons

THE ART OF NICO MARLET

- BY TRACEY MILLER-ZARNEKE AND KRISTOF SERRAND; FOREWORD BY JACK BLACK; PREFACE BY DEAN DEBLOIS

This beautiful monograph explores the creative spark behind some of animation's most well–known and beloved characters, as well as never–before–seen personal illustrative and sculptural pieces from world–renowned character designer Nico Marlet



The work of Annie Award–winning character designer Nico Marlet spans more than three decades and multiple studios and has left a trail of the most iconic animated characters in the DreamWorks, Disney, Amblimation, and Pixar libraries. Marlet has contributed to such notable films and television projects as *Ducktales*, *Balto*, *Monsters Inc.*, *Kung Fu Panda*, and *How to Train Your Dragon* (for which he designed the iconic Toothless), among many others. In *Boisterous Beasts & Deadly Dragons: The Art of Nico Marlet,* his illustrations are entwined with reflections and quotes from well–known directors and studio heads, including Pete Docter, Dean DeBlois, Jeffrey Katzenberg, Bonnie Arnold, and others that showcase the lasting impact Marlet has left on the animation industry. His never–before–told life story will complement the exclusive look at his personal works in both 2D and 3D mediums, giving readers a deeper appreciation of the well from which Marlet's creativity springs.

Kristof Serand is a French animator who has trained at Gobelins and Beaux–Arts de Paris and worked alongside Rouxel, René Laloux, and Paul Grimault. In 1989, Serand joined Amblimation, where he helped create DreamWorks Animation, and would go on to supervise and directing animation on more than 20 feature films. Serand returned in Paris in 2020 to work as animation supervisor and consultant for Netflix. **Tracey Miller–Zarneke** is the former production department manager for Walt Disney Feature Animation and author of 15 books, including *The Art of Kung Fu Panda*, *The Art of Meet the Robinsons*, and *The Art and Making of Cloudy with a Chance of Meatballs*. Miller–Zarneke has also put her insider knowledge to work on documentary films about the animation industry including *The Sweatbox* and *Waking Sleeping Beauty*, and into a variety of lectures about animation and its magical artists.

MERMICORNO

Mermicorno: Fintastic Quests!

- WRITTEN BY KIKI THORPE; ILLUSTRATED BY CHRISTIAN CORNIA

The first installment in a brand–new, original chapter–book series set in the world of Max's hit TV show *Mermicorno: Starfall* and written by *New York Times* bestselling author Kiki Thorpe

After their defeat at Ika's lair and their arrival at the Pearl Palace, Kameko is anxious to find her dad, who is missing at sea. But Royal Mother Pearl tells her that the ocean is simply too dangerous right now! Kameko, who can't just sit and wait, starts writing messages in bottles and releasing them, hoping that one will find its way to her dad and help them reunite. Nautique knows that this task is futile. The ocean is huge, after all.

Kameko adores her Mermicorno friends. But as the only Mermaid–icorno in the group, she sometimes feels left out. Nautique and Squishella are besties, and Astra and Gwen clearly have a special connection. So who is Kameko's *best* friend?

As the Mermicornos make plans to find the Mermicorno Kingdom, Kameko starts to feel more than ever that she needs a best friend. Will a friend help her find her dad?

Kiki Thorpe is the bestselling author of over 30 books for young readers, including *The Never Girls* series, which has been published in 26 countries. She lives in Colorado with her family. **Christian Cornia** is a character designer, illustrator, and comic artist from Modena, Italy. He has created characters and illustrations for publishers, advertising, video games, and role–playing games, and he has worked as a colorist for the French market and an inker for Marvel. He is also the comic artist behind the graphic novel series *Brina*, which has been translated and published internationally.

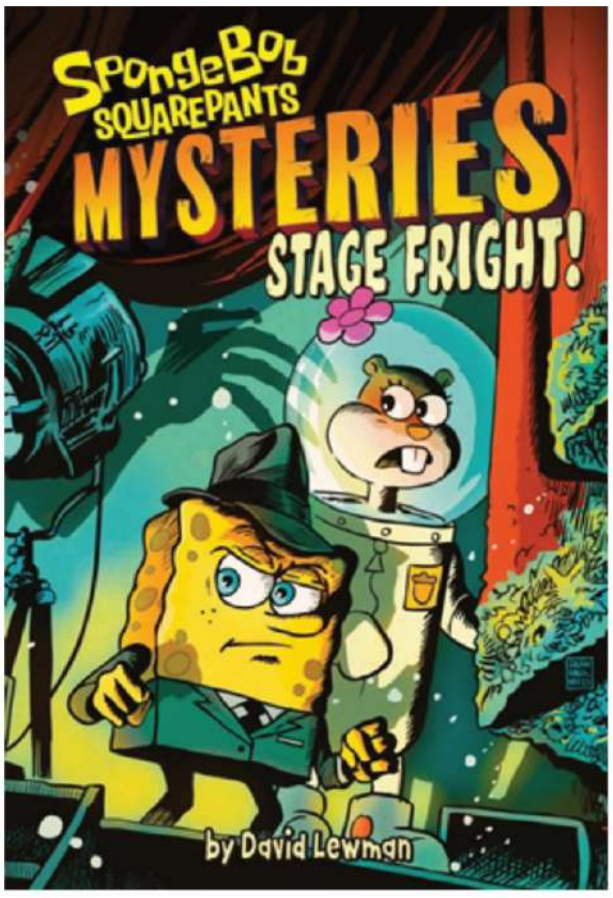
SPONGEBOB SQUAREPANTS MYSTERIES

Stage Fright! (SpongeBob SquarePants Mysteries #3)

- BY DAVID LEWMAN

For the next book in this middle–grade series, SpongeBob is back with a new partner and a new case that will take them through the mysterious corners of Bikini Bottom's theater world



The Bikini Bottom Community Theater is on its last legs. Luckily, an eccentric director comes to town to stage a new play, sure to grab everyone's attention—even King Neptune's! If the show is a success, the theater is bound to be saved. But when a series of disastrous mishaps occur, the stage is set . . . for a mystery!

Enter Detective SpongeBob SquarePants and his new partner, Sandy Cheeks. In order to crack this case, they'll have to step out of the spotlight and into the shadows to discover just who is responsible for all this drama. Can they solve the case before the theater is closed for good?

David Lewman has written more than 65 books starring SpongeBob SquarePants, Jimmy Neutron, the Fairly OddParents, G.I. Joe, the Wild Thornberrys, and other popular characters. He has also written scripts for many acclaimed television shows. Lewman lives in Los Angeles with his wife, Donna, and their dog, Pirkle. **Francesco Francavilla**, an Eisner and Eagle award winner and *New York Times* bestselling creator, is best known for bringing his signature neo–pulp style to the comics industry, from horror to superheroes and sci–fi. He co–created and has worked on the acclaimed horror series Night of the Ghoul and Afterlife with Archie, and is currently illustrating his creator–owned The Black Beetle. Virginia Woolf's classic novel Orlando tells the story of a poet adrift in time; he starts out his life as a nobleman in Queen Elizabeth I's court, and her story concludes as a thirty-six year-old woman in the present.

Jules Scheele's graphic novel adaptation of this important queer work tells the complete story of Orlando's journey through history that examines the shifting and changing ideas of gender and sexuality, and plumbs the depths of the human heart. Taking us through love affairs, betrayals and exiles, struggles against conformity and poetry through the ages, Orlando is a fantastical adventure filled with satirical wit.

A powerful and essential graphic novel adaptation of a vital British classic.

In this horror graphic novel, the new dog that aspiring musician Bobbie has adopted is cute, but also stealing her life.

Bobbie's life is going nowhere fast. She's working at a bar, wanting to play music but never having the time or energy. The only bright spot is her dog – always cheerful, always cuddly, and always there for her.

As the relentless day-in, day-out of work piles up, music and roommates and social plans begin to seem less and less important as Bobbie struggles to make rent and have any time to be creative. The only thing she has time for outside her job is her dog . . . and her dog is going to do everything he can to keep it that way.

This debut solo graphic novel from breakout author Nicole Goux explores the struggles of a young artist – haunted not only by debt and society, but by more sinister (though adorable) canine forces.

You're Wade, a schlubby middle-aged computer repairman, sent to fix a computer in a vacant, nondescript ofice building. When you get inside the door locks behind you, and you can't get out. Now the adventure begins! You have to explore this building and try to find your way home. The building is huge on the inside with a lot of sprawling hallways and empty rooms, and things immediately become sinister and horrible. Your only hope is to uncover clues and try to work out the mystery this whole experience hangs on.

Presented as a blend of classic 'choose your own adventure' stories and point and click escape games, 2120 offers readers the chance to explore these liminal spaces and, at the same time, take an existential, science fictional journey of discovery.

"Sometimes I think I see things. Out of the corner of my eye, behind a door, I catch a glimpse of something. It's like a curtain caught in the wind, and then it's gone."

From hospitals to hell to the wilderness, George Wylesol's short stories take place in liminal spaces where nothing is as it seems; the surreal becomes real; and something is lying in wait around every corner. As our main characters navigate through corridors, passageways, and highways, they sink deeper and deeper into everyday strangeness that slips into peculiarity, creating an internal journey from normalcy to the supernatural.

With surprising twists and turns, cleverly combining the strange and realism, smart, surprising, and sometimes terrifying – these stories make it clear that George Wylesol is like no one else in short comics-format fiction.

Crime has descended on the normally tranquil Riviera – a solid gold sculpture on loan from the Gurgleheim Museum has been stolen, and the local police force are well out of their depth. They need help and they need it fast. But local Henshin hero King Gianthead Fighter Policeman O.X. is lost in a waking reverie of lucid dreams, and his potential replacements aren't faring much better. And why are people going into the Great Exhibition of 11851, the pop-up selfie experience in the middle of town, but not coming out again?

Fortunately, Marge Maggiore has picked up the trail and has a plan to catch the villains and save the day – if only she can clear her name for a crime she didn't commit!

Told through the twisted creative lens of esteemed comics-maker Hurk in his long-awaited full-length technicolor debut, Jinx Freeze is a heist story unlike any you've read before!

SHORTLISTED FOR THE BRITISH BOOK AWARDS!

It's Lyndsay Grockle's first day as the manager of the Lakeview Hotel. Her boss has handed her the keys and departed for vacation. And then the convention attendees start showing up, each more peculiar than the last.

Lyndsay's a confirmed skeptic—so she's surprised to be woken up in the middle of the night by her convention attendees, telling her that there's been a murder . . . of the Loch Ness Monster. The guests at the hotel are all cryptids from around the world, and now one of them is dead. Which means that one of them must be the murderer.

And it's up to Lyndsay to solve the case!

Charlamagne Tha God presents a dark conspiracy tale that shines a light on the most enduring conspiracy of our day. Lilly, an aspiring musician, comes to Los Angeles to bury her sister, Jackie, a rising pop star who died from a drug overdose. But Lilly knows that there is more to Jackie's death than meets the eye. Embarking on an investigation that takes her on a tour of the dark underbelly of the music industry, Lilly uncovers a centuries-old conspiracy that grants fame and fortune at a terrible price. The Illuminati are real and Lilly is about to learn that the world above is the same as the world below, and the power she needs to offset their gravitational pull just might come from the darkness she fears.

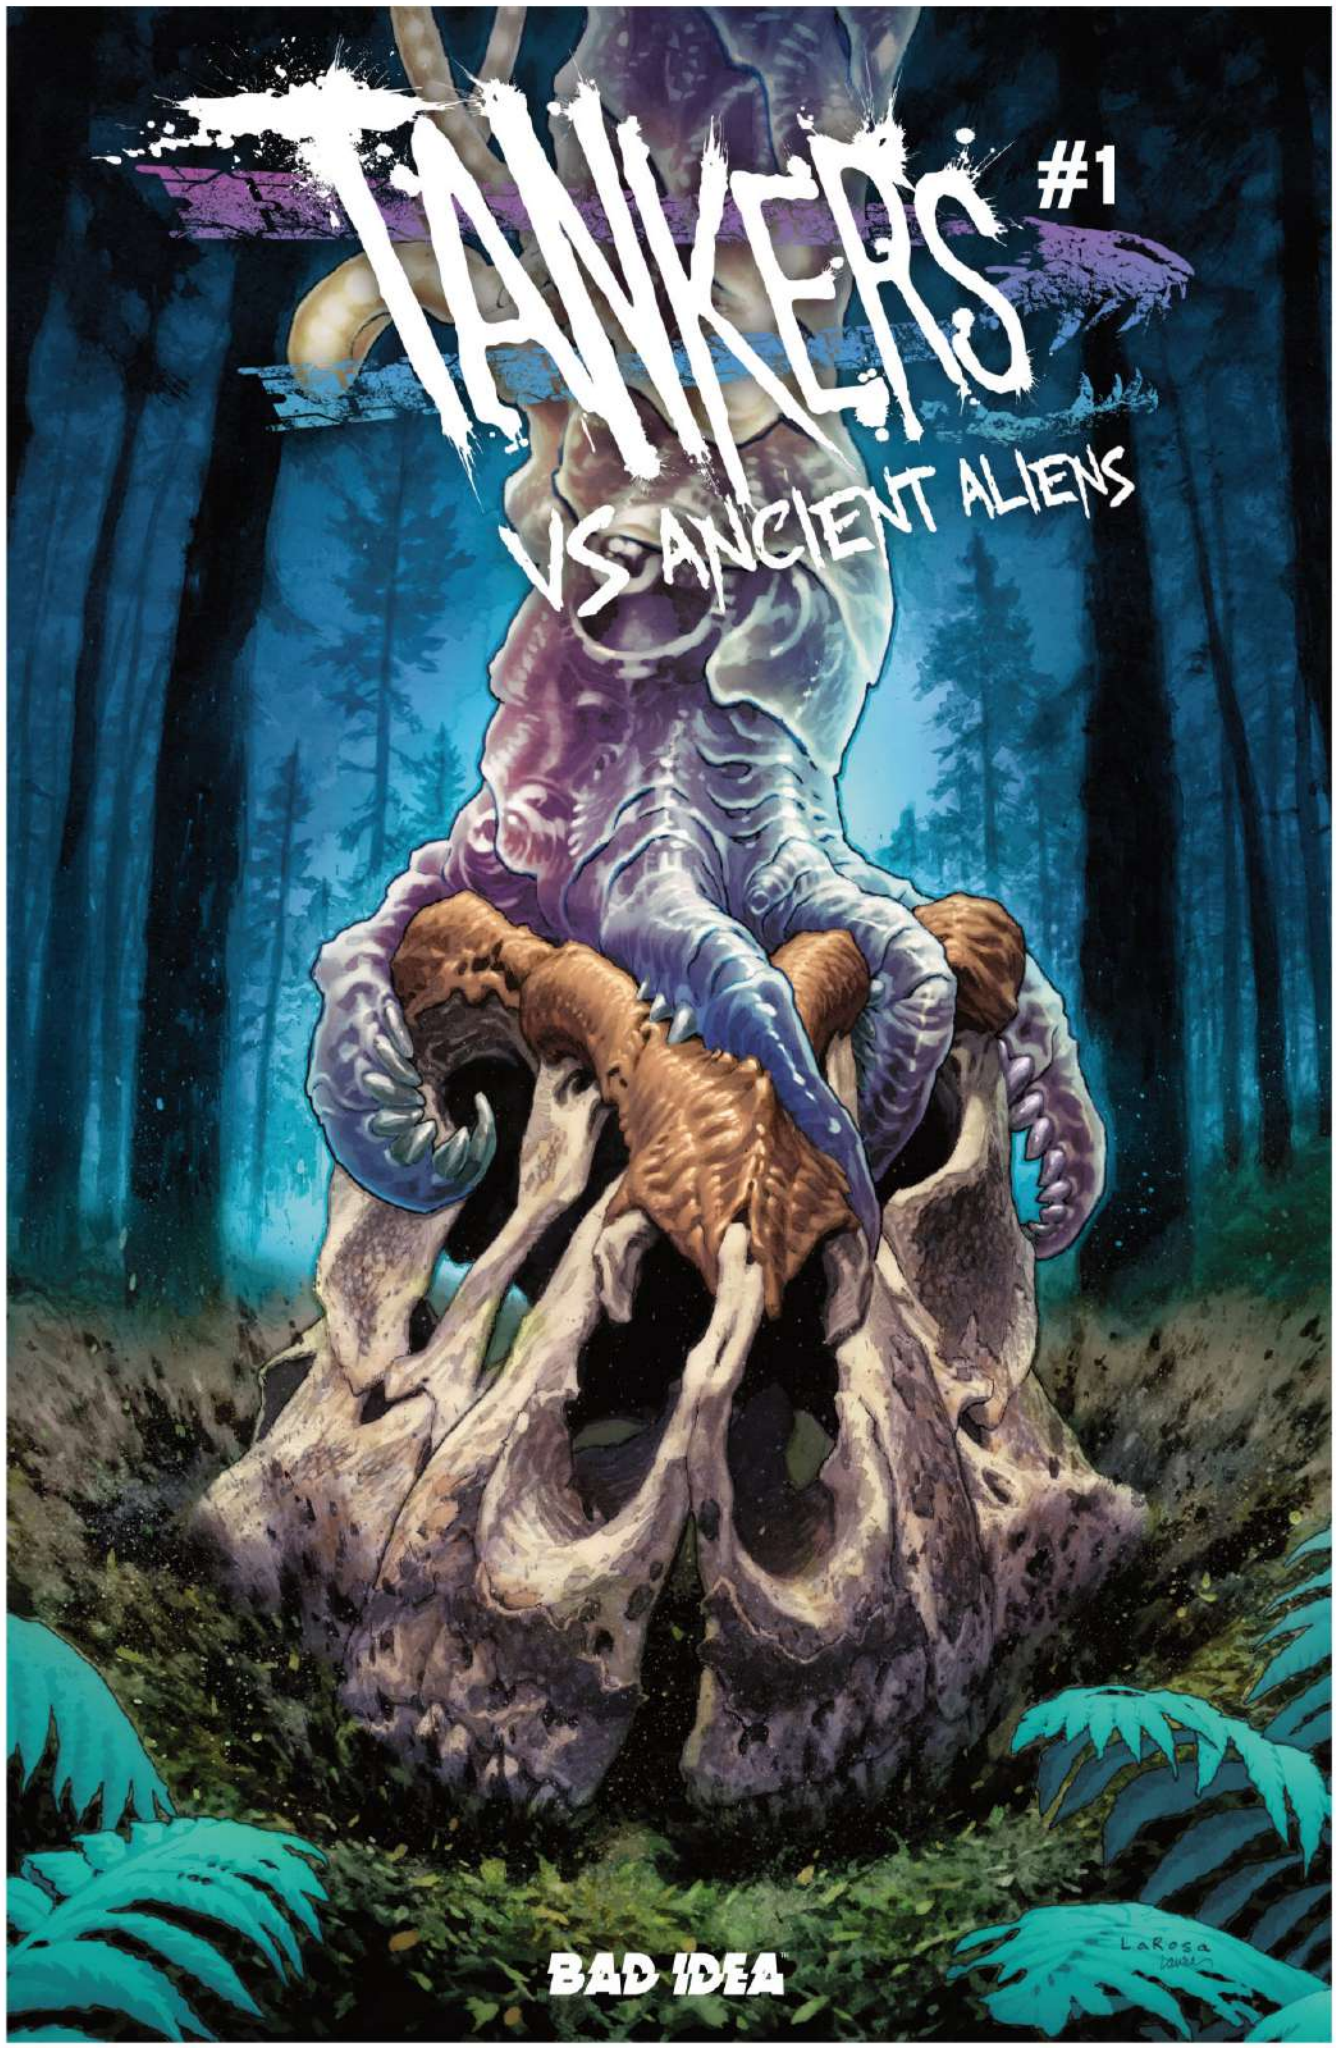
VS ANCIENT ALIENS

THE MOST INSANE COMIC EVER DEVISED

BAD IDEA™

BAD IDEA™ BAD IDEA™ BAD IDEA™ BAD IDEA™ BAD IDEA™



THE MOST INSANE COMIC OF ALL TIME!

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78) joins forces with visionary artist **Tomás Giorello** (PLANET DEATH), industry powerhouse **Trevor Hairsine** (DCEASED), and a battalion of comic all-stars for a bone-crushing action blockbuster.

The Tankers were sent back 65 million years into the past with a simple mission. To use their weaponized mech-suits to divert the asteroid that annihilated the dinosaurs and buy a little more time before extinction – and a lot more future oil reserves.

But deep in Earth's prehistoric past, something far deadlier than dinosaurs lies in wait. A species of star-faring, super-advanced ancient aliens! Battle-hardened by millennia of galaxy-spanning civil war, this alien race has come to Earth armed to the teeth and ready to unleash the most fearsome arsenal unknown to man. Now the Tankers must wage an all-out war against ancient aliens and monstrous super-dinosaurs alike if they hope to fight their way back to a future worth saving!

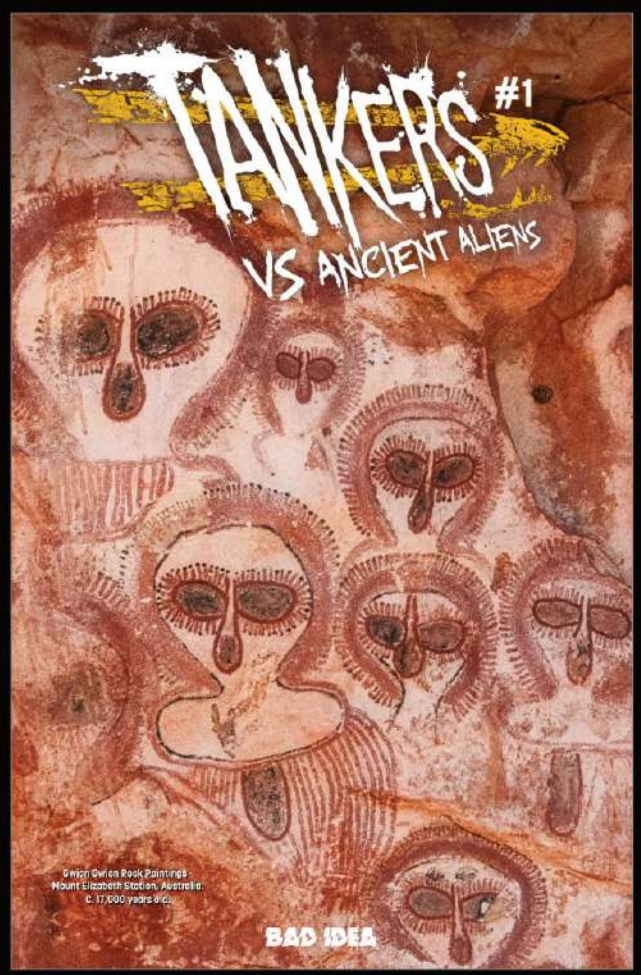
FEATURING MASTER ARTISTS FROM THE ANCIENT PAST



PRESENTING THE TANKERS VS ANCIENT ALIENS OLD MASTERS EDITIONS!

65 million years ago, deep in the primordial jungles of an ancient earth, the Tankers will meet their worst nightmare – a race of star-faring, super-advanced ancient aliens!

An alien encounter. Pure fiction. Or is it?

For months, the research arm of BAD IDEA has pored over the historical record searching for evidence of actual alien encounters. And we found it. Scattered across centuries, buried deep within the archives, we've uncovered clues hidden inside works of art by master artists themselves.

Presenting the TANKERS VS ANCIENT ALIENS OLD MASTERS COMIC COLLECTION. A set of three stunning editions of TANKERS VS ANCIENT ALIENS #1. From cave art of the prehistoric peoples that once walked the Earth to Renaissance masterworks painted by the greats, each a potential piece of evidence towards a visit from the furthest reaches of the galaxy.

Proof of ancient alien encounters? Collect the set and decide for yourself!

OLD MASTERS COVER BY ANCIENT UNKNOWN ARTIST

These ancient Gwion Gwion rock paintings were found on the Barnett River in Mount Elizabeth Station, Australia. The oldest date back over 17,000 years ago. Some theorize these large, haloed, mouthless figures described in myth as "star people" were in fact ancient astronauts.

COLLECTING THE BEST-SELLING SERIES

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78, ORDAINED) joins forces with superstar artist **Juan José Ryp** (WOLVERINE) to deliver an epic action-adventure extravaganza in this brand-new, bone-crushing collection.

Texas-based Greenleaf Oil has discovered that the world only has 50 years of oil left. Which means Greenleaf only has 50 years of profit left. But their enterprising CEO has a harebrained scheme to change history. Using time-travel technology they will send a team of mercenaries armed with weaponized mech suits -- aka TANKERS -- back to the end of the Cretaceous Period and deflect the asteroid that hit the Earth and killed all the dinosaurs.

Just a small deflection though, they aim to have it make one more orbit around the solar system before impact. More time means more dinosaurs are born which means more oil in the present which means more profits for Greenleaf. This, of course, is a horrible plan and it goes horribly wrong.

The Tankers return to Earth to find the planet overrun by primeval jungle and gigantic hyper-evolved dinosaurs. The Tankers must fight off these modern super-dinosaurs to once again return to the past and fix their mistake.

MATT KINDT'S SMASH-HIT SECOND ISSUE!

New York Times best-selling writer **Matt Kindt** (BRZRKR, THE HERO TRADE) and master illustrator **Lewis LaRosa** (PUNISHER MAX, BLOODSHOT) raise the stakes in the next issue of their explosive cosmic odyssey of unparalleled scope and artistry.

CODENAME OLYMPUS is on the move! The deep space mecha-robot that razed half of Baltimore marches towards Washington, DC, leaving death and destruction in its wake. Nuclear-armed fighter jets stand by, awaiting instructions to take out Olympus...and what's left of the city. Locked inside the towering megalith, Baltimore beat cop Jack Casey and the last survivors of an elite government breach team are all that stand between the city and nuclear annihilation.

Facing down savage, otherworldly predators and a brutal barrage of deadly tests, the team must scale miles of harsh terrain in a hostile alien world to reach the head, and destroy Olympus from the inside. With minutes before a nuclear strike and countless lives on the line, the clock is ticking. Because Olympus is only the beginning–and a second, far larger monolith is hurtling towards Earth.

THE NEXT NIGHTMARISH CHAPTER FROM DYSART, LAPHAM & SIENKIEWICZ

Eisner-nominated writer **Joshua Dysart** (UNKNOWN SOLDIER) and Eisner Award-winning artists **David Lapham** (STRAY BULLETS) and **Bill Sienkiewicz's** (NEW MUTANTS) tighten the noose in the next terrifying chapter of their groundbreaking horror tour-de-force.

A deadly biological agent is ripping through The Hab. It's in the drinking water, it's in the plumbing, and now, it's infiltrated the ventilation system and gone airborne. The infected are faced with gut-wrenching hallucinations driving them to violence, murder–even suicide. Dr. Farooqi has administered antipsychotics to the few survivors, but its effects are temporary. The remaining crew's only chance at survival is to find a cure. A retrieval team must blast their way into the ancient freshwater vault buried beneath The Hab, sample the source of contamination, and hope their hi-tech containment suits hold out long enough to burn the rest.

But deep within the spore-choked dark, amongst swarms of infected bats and the corpses of the former construction crew entombed within concrete walls, the team will find that nothing in The Hab stays buried for long.

THE HEART-STOPPING FINALE!

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78, PLANET DEATH) and world-renowned comics legend, **David Lapham** (STRAY BULLETS, THE HERO TRADE), hit the accelerator in the explosive finale to their two-part, high-stakes action extravaganza.

While Detective Hank Howard was busy getting hot and heavy with an old flame, Big Caligula customer George Horvath's body grew colder than day-old pizza. Now, South Florida's favorite regional pizza chain is under fire, assailed by wrongful death accusations from the grieving widow he left behind. But something smells fishy, and it's not the anchovies. Hank knows Horvath was murdered by someone looking to get their palm greased and he's out to prove it. Locked in a deadly game of cat and mouse, Hank must brave a den of thieves – The Gasparilla Pirate Festival – to hunt down the killer and bring them to justice. But he better stay frosty because someone's packing heat and this festival promised fireworks.

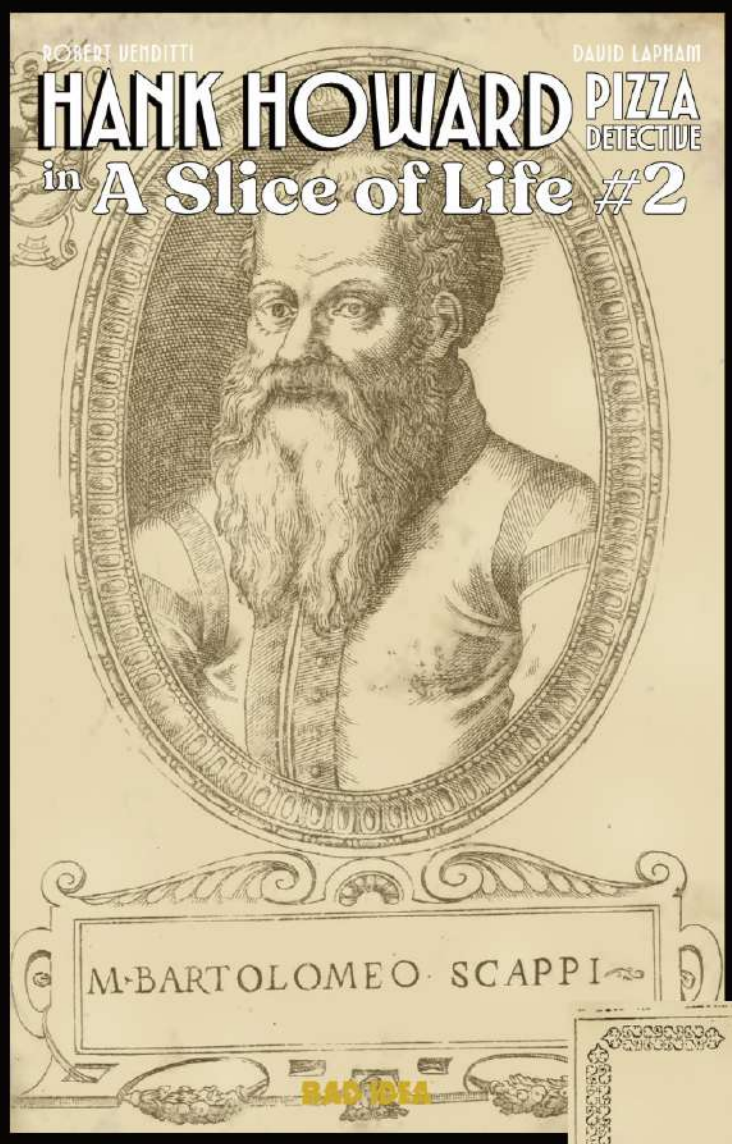
WORLD'S FIRST PIZZA RECIPE, SECRETLY DEVELOPED FOR POPE PIUS V!



SECRET RECIPE COVER

For the uninformed, pizza was invented by Italian chefs in the mid-1800's. But the true history of the world's greatest doughy dish goes back far further than the 19th century. And we have the first-ever documented pizza recipe to prove it!

Presenting the HANK HOWARD, PIZZA DETECTIVE SECRET RECIPE EDITION! Recognized as one of the first-ever, internationally-known celebrity chefs, Bartolomeo Scappi, head chef to not one, but two popes, Pope Pius IV and V, changed the world as we know it in 1570 with the release of his monumental cookbook, *Opera Dell'arte Del Cucinare.* Hidden inside are the earliest-known recipes for pizza.

And we're giving one of these top-secret recipes to you on the back of this cover! Simply pick up this HANK HOWARD cover, translate the recipe from italian, pre-heat your oven and dinner is served!

Armaveni

A Graphic Novel of the Armenian Genocide

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

BY NADINE TAKVORIAN

A bold, autobiographical graphic novel chronicling one girl's quest to uncover her family's history during the Armenian genocide.

Nadine loves stories and her mother loves to tell them—all but one. Nadine would give anything to learn about her family's history in Armenia and Turkey—where they came from and how they came to America—but it is just too painful for her parents. All Nadine knows is that they were caught up in the Armenian genocide. Until one day the dam bursts. And through that flood of stories and memories, and a trip back to their people's homelands, Nadine discovers a key to unlocking her own heritage and the courage to speak up when injustice rears its head again.

Told in interwoven historical, contemporary, and fantastical sequences, *Armaveni* is a gripping graphic novel debut and a much-needed historical document.

Penny

A Graphic Memoir

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

BY KARL STEVENS

"Penny is a major literary figure--right up there with Madame Bovary." -- David Sedaris

This colorful graphic novel features the philosophical and existential musings of a cat named Penny.

Told through a collection of stories, *Penny: A Graphic Memoir* wanders through her colorful imagination as she recalls her humble beginnings on the streets of New York and waxes poetic about the realities of her sheltered life living in an apartment with her owners.

Filled with ennui, angst, and vivid dreams, Penny proves that being a cat is more profound than we once thought. A unique blend of high art and humor, *Penny: A Graphic Memoir* perfectly portrays one cat's struggles between her animal instincts, her philosophical reflections, and the lush creature comforts of a life with human servants.

Kara Zor-El lives a life of small problems. How are you supposed to hold a floppy little baby like her new cousin Kal? Who should she ask to the spring formal? And when will her father and her uncle Jor-El stop squabbling? But the planet Krypton has big problems...like the militaristic dictator Zod ruthlessly crushing dissent and threatening to unleash the planet's most dangerous weapons on the opposition. And when things boil over and Krypton begins to burn, Kara and her infant cousin will find themselves trapped together in a prototype rocket, struggling to survive in a hostile universe that doesn't care if they live or die...and which might prefer the latter!

Breakout writers Ethan Parker and Griffin Sheridan (Eisner Award nominee *Kill Your Darlings*) join visionary artist Rod Reis (*New Mutants*) to tell the story of teenage Kara and infant Kal, sent on their journey through the stars together, not apart...that is, as long as Kara can keep him alive!

The Deadman enters the Next Level!

In the millisecond following his murder, the soul of shifty circus aerialist Boston Brand was commandeered by the goddess Rama Kushna, who deputized the erstwhile performer's ghost with a sacred spectral assignment: the Custodian of All Souls! Now Brand floats—begrudgingly—through this blue-green purgatory we call Earth, upholding the Laws of Spiritual Math and protecting humanity from evil—even if they can't see or hear him. Open up to this new era of DC's most lively deceased superhero—the Deadman—in a story about life, death, and everything in between...replete with paranormal activity, possessions, and a profusion of other poignant peculiarities.

Gifted with the power of the atom, the superhero known as Firestorm has the building blocks of the universe at his fiery fingertips...but pulling himself together is his biggest challenge of all. Because Firestorm is not just one hero—he's a matrix of minds, including those of students Ronnie Raymond and Jason Rausch and the brilliant Professor Stein. Fused together, the fury of Firestorm is a force to be reckoned with. But broken apart, it's a ticking time bomb...and everyone from Firestorm's worst adversaries to the U.S. government wants to have their fingers on the button. Now Jason, Ronnie, and Professor Stein are locked in a race against time—and fearsome foes like Danton Black and Major Force—to preserve the Firestorm Protocol before it falls apart. Can they outrace their enemies and harness the power, or will the fire consume them one by one?

Find out in *Firestorm: The Nuclear Man*, a red-hot action-adventure saga from comics legend and co-creator Gerry Conway and artist Eduardo Pansica! Collects *Firestorm: The Nuclear Man* stories from *Legends of Tomorrow* #1-6.

Hal Jordan had been Earth's Green Lantern—a proud hero in an even prouder tradition. But even heroes have their limits, and when his hometown of Coast City was destroyed by Mongul, Hal Jordan reached his. When refused the power to change the past by the Green Lantern Corps' creators, something inside Hal snapped. He crossed the line he had sworn he never would and stripped the Guardians of the Universe and their legendary Green Lantern Corps of every shred of power they had, killing many of them in the process. He became a man consumed with his own rage, and an era of heroism ended.

Green Lantern: Kyle Rayner Vol. 1 collects (in chronological order) *Green Lantern* #48-57, *New Titans* #116-117, and *R.E.B.E.L.S.* #1 from Ron Marz, Darryl Banks, and Romeo Tanghal, comics creators who reinvented Green Lantern for a new generation!

DECLARATION/ EMANCIPATION ILLUSTRATED

R. SIKORYAK

R.Sikoryak revisits the Declaration of Independence on the 250th anniversary of its signing.

R. Sikoryak, the cartoonist who cemented his reputation as the king of the visual mash-up with *Masterpiece Comics* and *The Unquotable Trump*, sets his sights on the documents that shaped the United States during the Revolutionary and Civil Wars. A prequel of sorts to his *Constitution Illustrated*, Sikoryak presents the unabridged text of the Declaration of Independence alongside the Emancipation Proclamation and the Gettysburg Address in a double sided book, rendered in the bright, bold, and iconic styles of over 100 different American comics, cartoons, and graphic novels from over a century.

The severing of colonial ties to Great Britain and the critical turning points in American history that followed have never been more vividly manifested than in the skillful hands of Sikoryak, who doesn't hesitate to dream up Jeffy from *Family Circus* as Thomas Jefferson and Mr. Magoo as a British loyalist. King George III is deliciously portrayed as pop culture's most famous villains, such as Thanos, The Joker, Scar from *The Lion King*, and many more. Sikoryak also skillfully adopts the styles of such comic artists as Will Eisner of *The Spirit*, Allie Brosh of *Solutions and Other Problems*, Morrie Turner of *Wee Pals*, Mark Beyer of *Amy and Jordan*, and Floyd Gottfredson of *Mickey Mouse*. The Civil War era pays homage to *Black Panther*, *Barney Google and Snuffy Smith*, Steenz's *Heart of the City*, *Justice League*, and many more.

Declaration/Emancipation Illustrated is an entertaining, multilayered trip through American history and American comics.

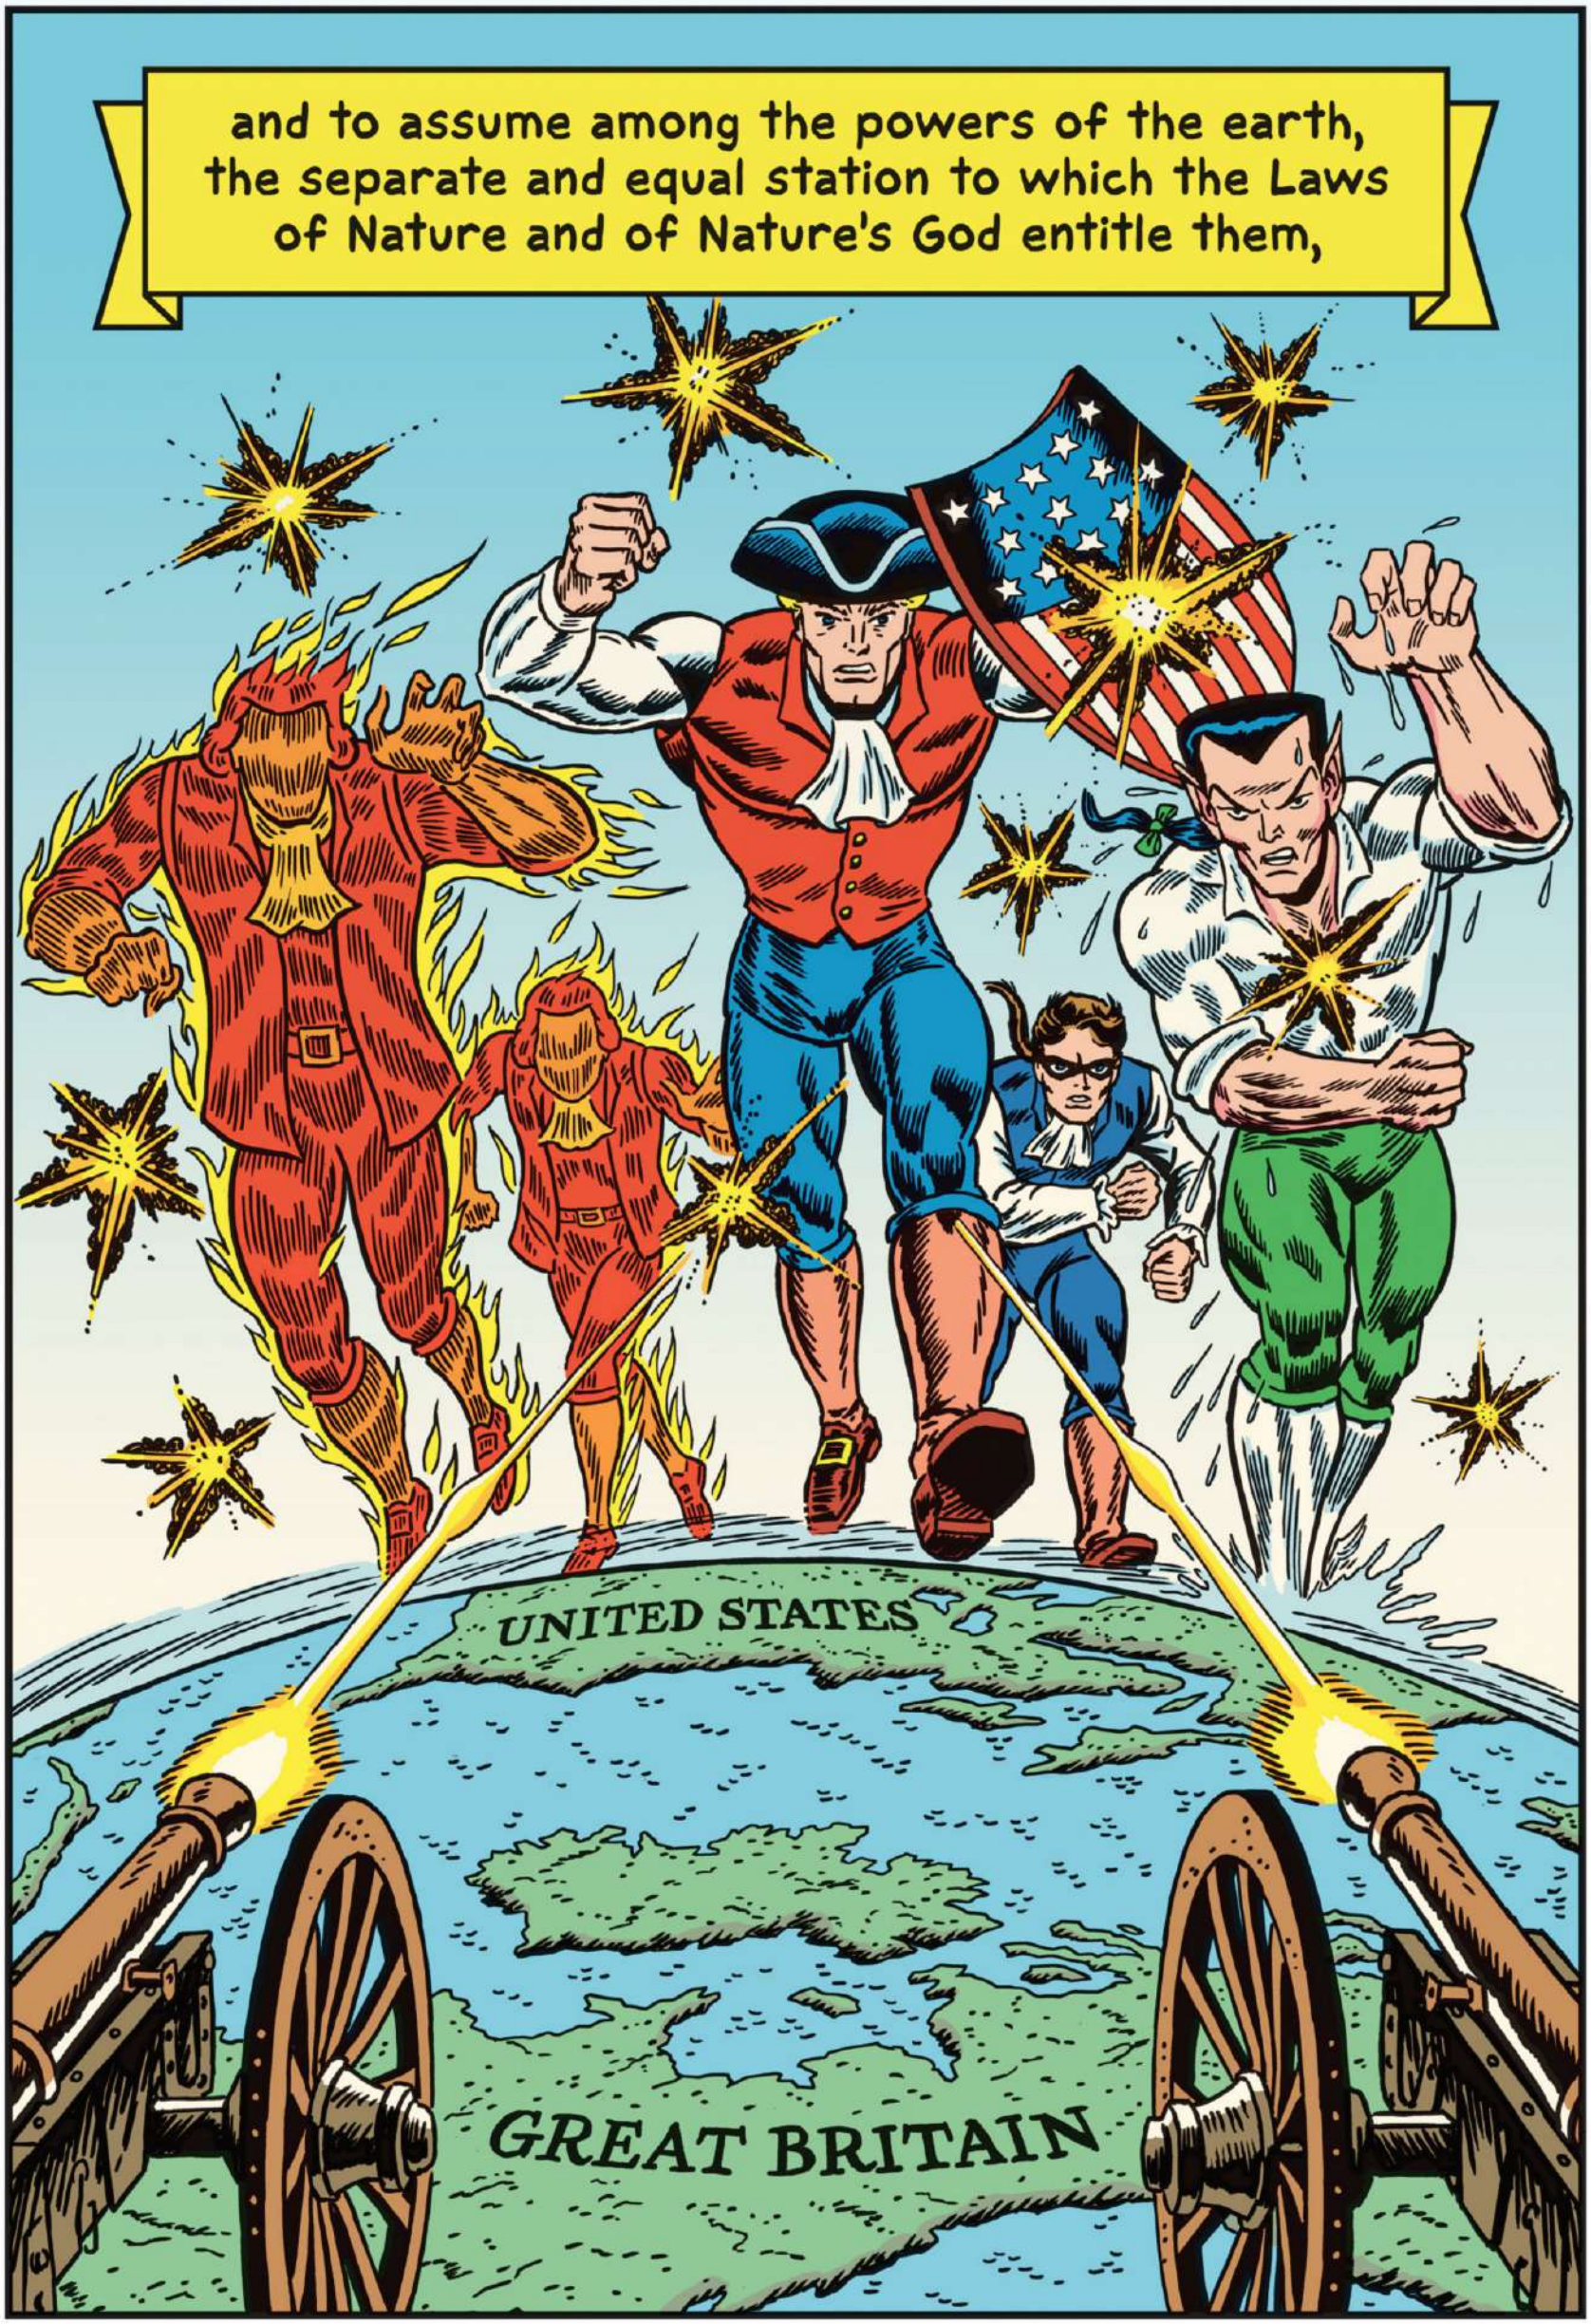
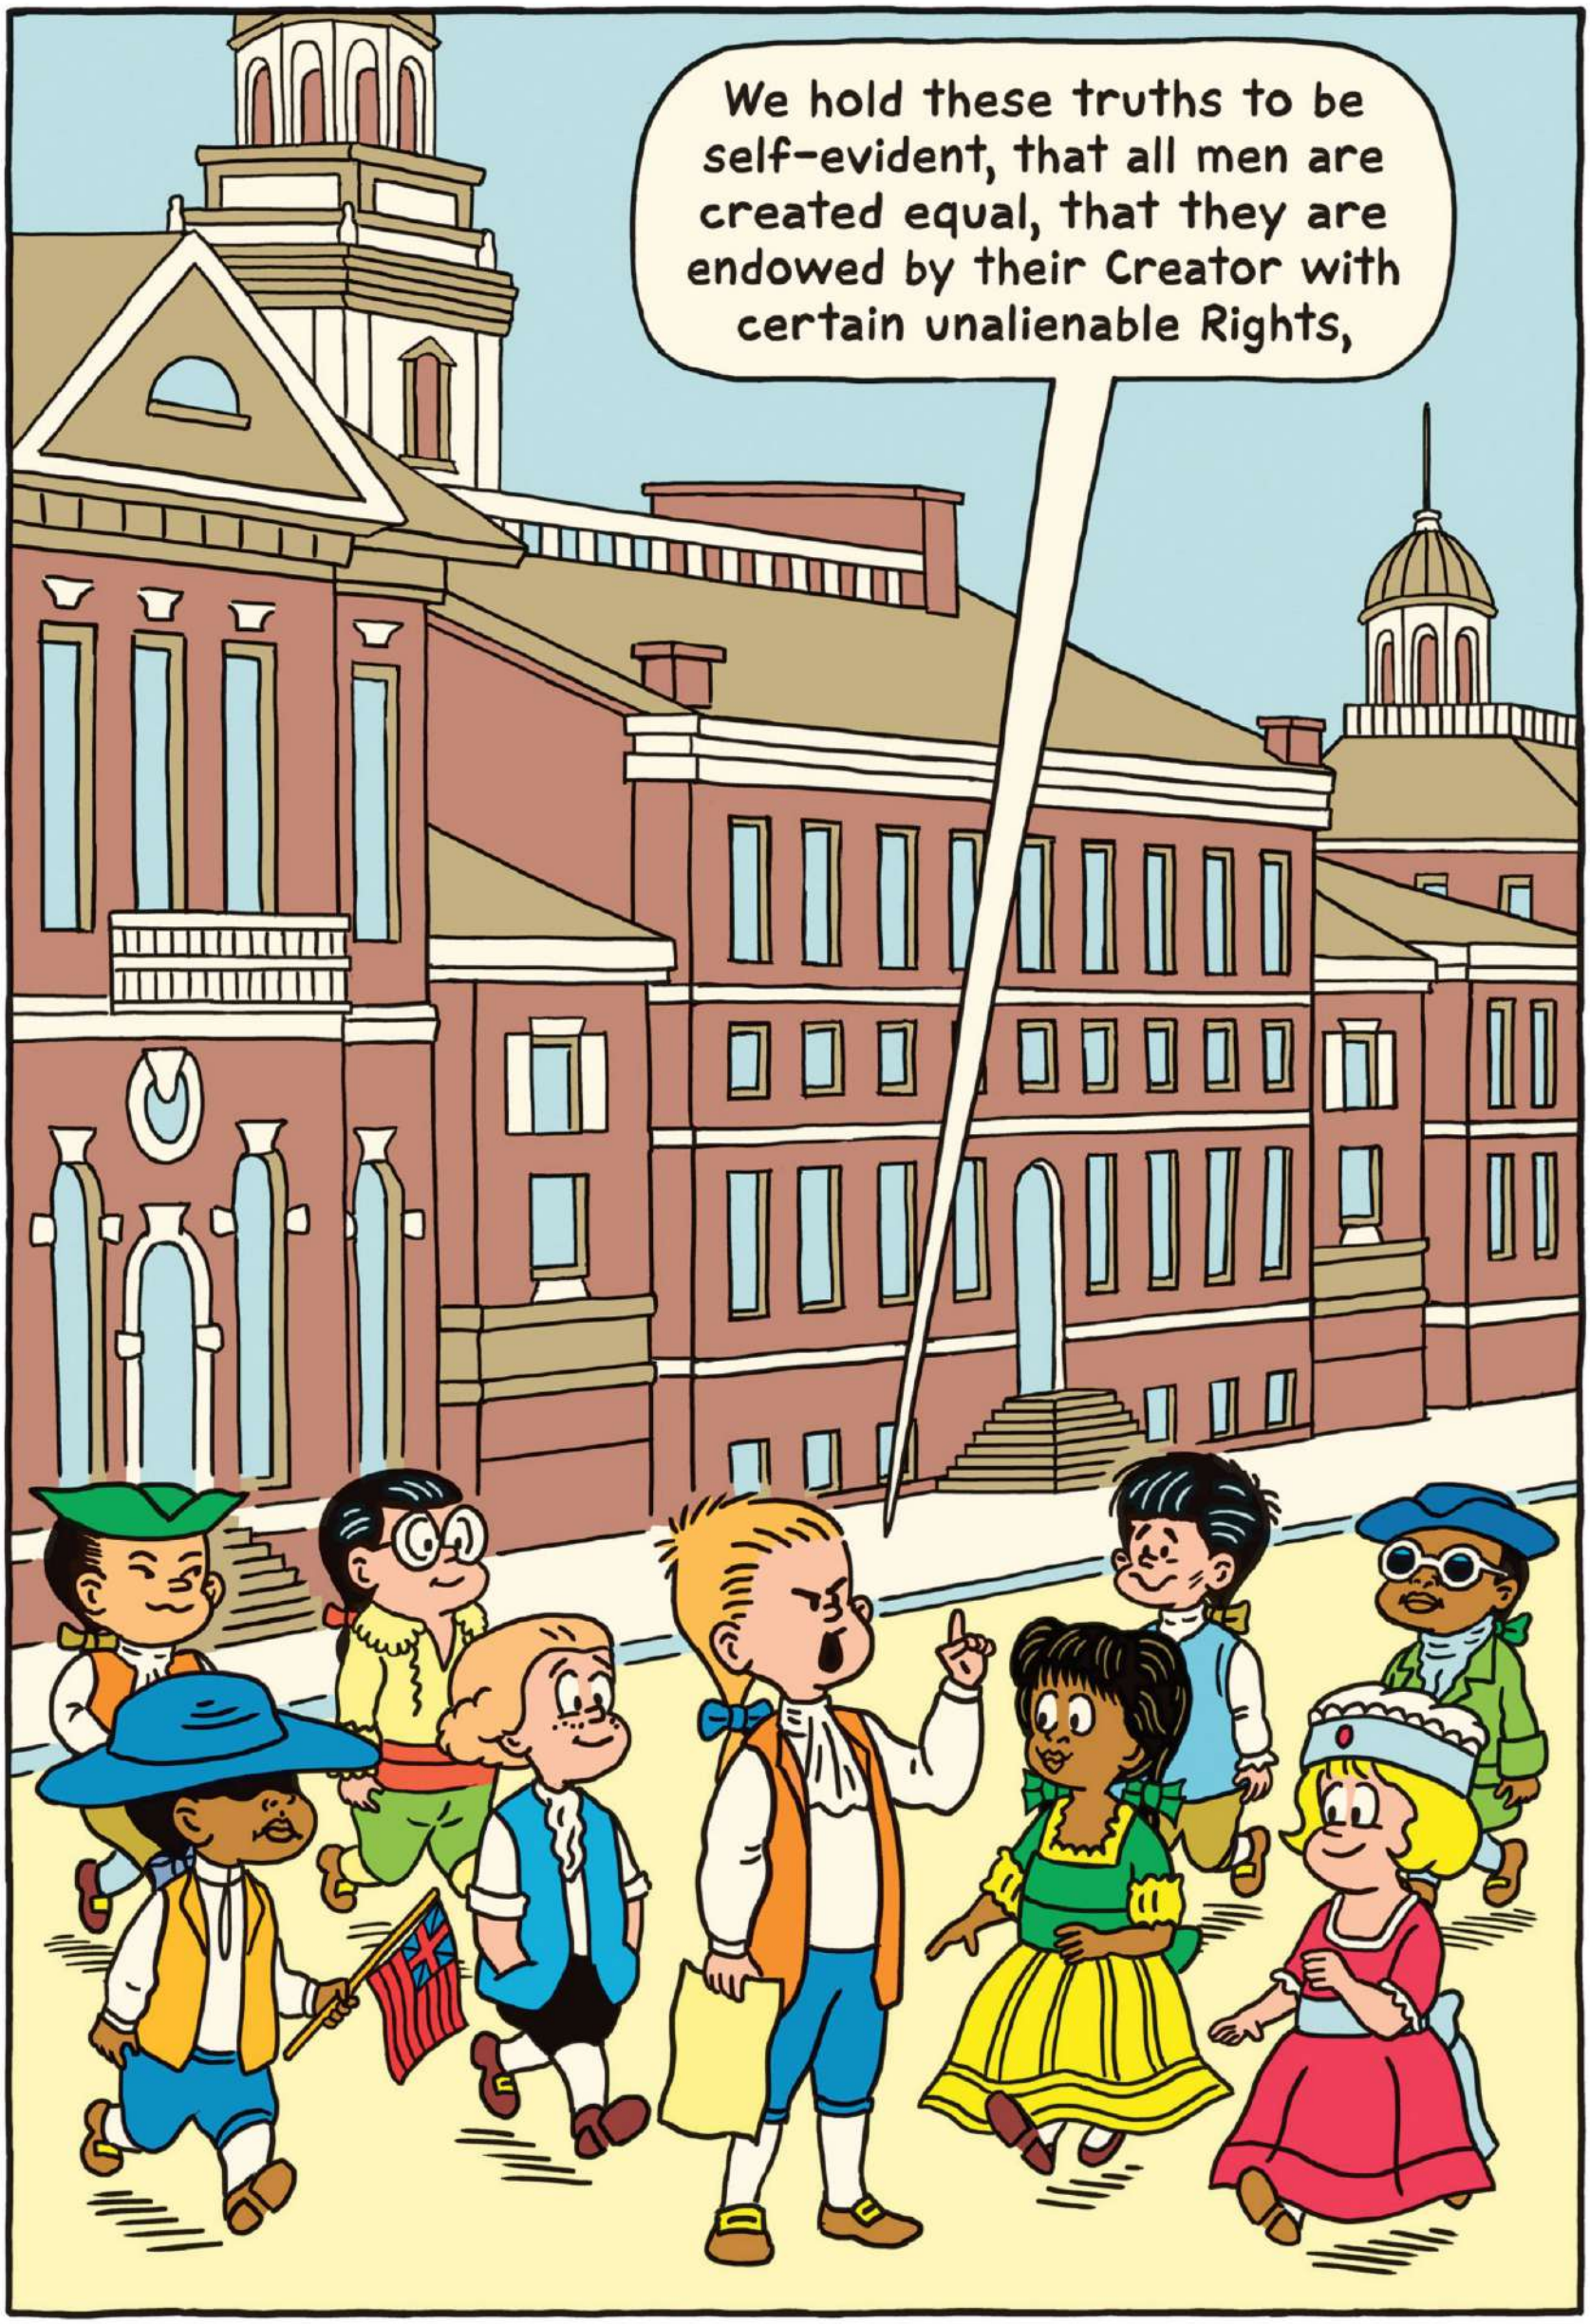
In Congress, July 4, 1776
The unanimous Declaration of the
thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another,



and to assume among the powers of the earth,
the separate and equal station to which the Laws
of Nature and of Nature's God entitle them,
UNITED STATES
GREAT BRITAIN

a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

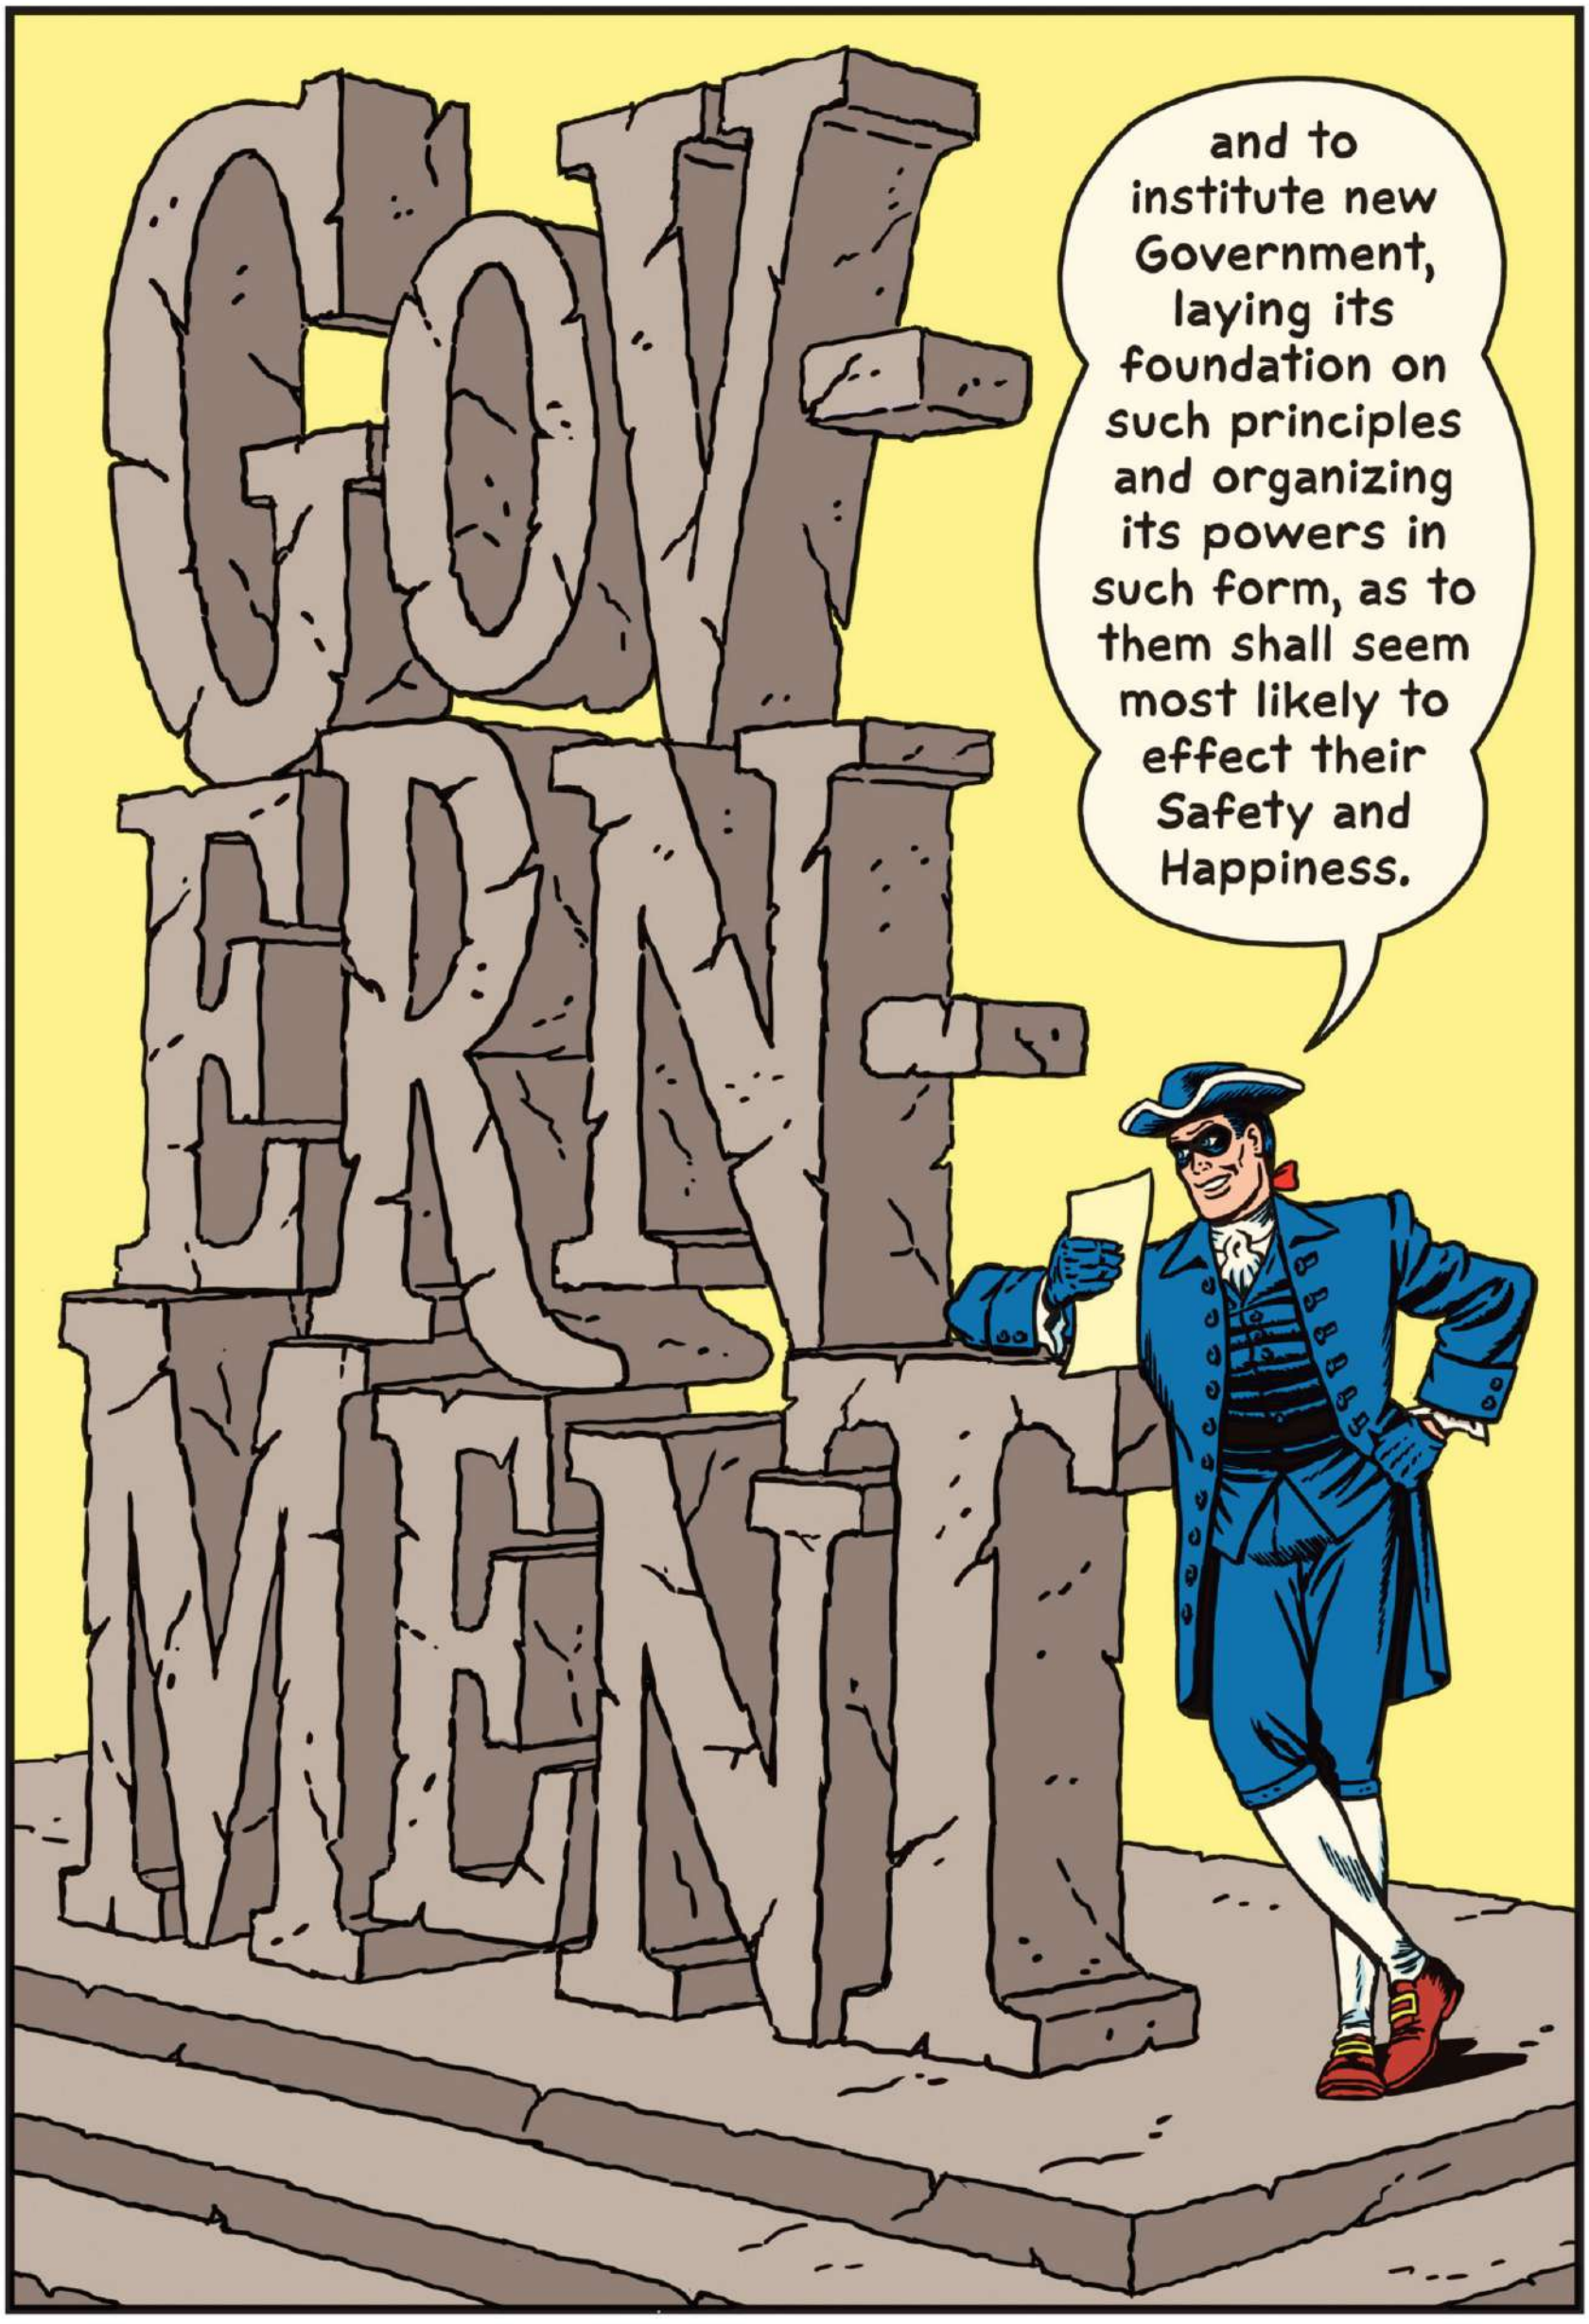


We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights,

that among these are Life,
Liberty
and the pursuit of Happiness.

--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,

--That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it,



GOVERNMENT
and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

BETAS

NICK MAANDAG

A pitch-black comedy about workplace and dating scene politics.

Roommates Xavier, Doug, and Tim are just regular guys trying to make it on the dating scene. Meeting women isn't easy, they might even call it impossible! Changing social mores, dating apps, and good old-fashioned shyness cause misstep after misstep.

Recent mixed signals at the restaurant all three work at cause a cascading series of rules and regulations, putting everyone on edge. Some people adapt, others dig their heels in fleshing out a hilarious comedy about modern communication where bad faith arguments and self-serving directives clash leading to HR reprimands and ever-expanding apologies. As friends and co-workers struggle to connect under these conditions, some become lovers while others become mortal enemies.

In *Betas*, Nick Maandag lampoons popular ideas around free speech, consent, and scold culture all while asking: can we ever learn to talk to one another? And can we ever feel safe?

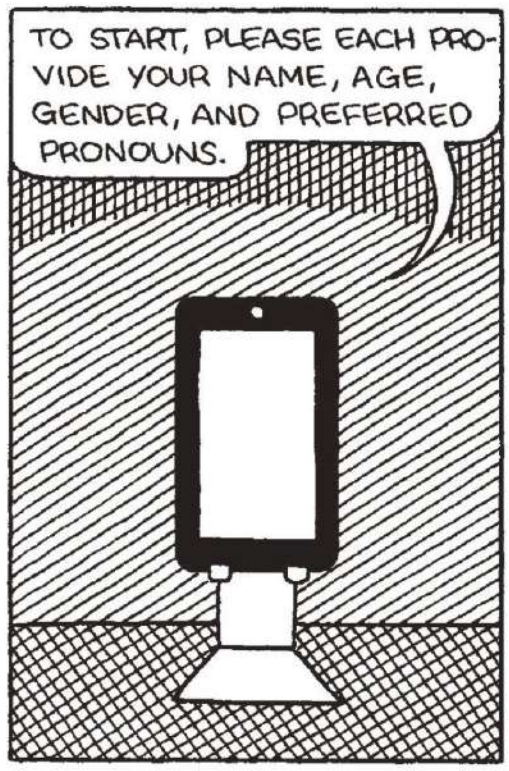
WAIT, BECAUSE IT'S OUR FIRST TIME, I THINK I'D LIKE TO TRY THIS NEW CONSENT APP THAT JUST CAME OUT.
CONSENT APP?
YEAH, IT'S AN A.I. IT'S GETTING GREAT REVIEWS. A LOT OF WOMEN SWEAR BY IT.
HELLO, I'M SICA, THE SOCIALLY INTELLIGENT CONSENT ASSISTANT.

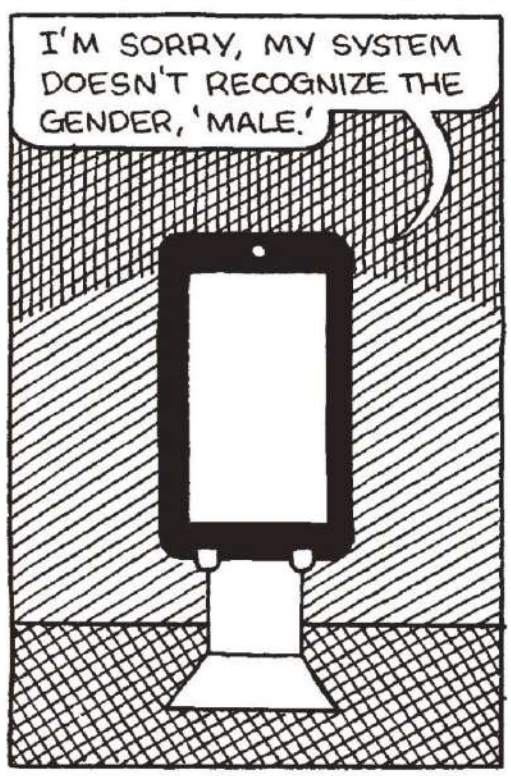
SOMETIMES IT CAN BE DIFFICULT, IN THE MIDST OF AN INTIMATE ENCOUNTER, TO SPEAK UP ABOUT SOMETHING YOU'RE UNCOMFORTABLE WITH. THAT'S WHERE I COME IN. I HELP TO ENSURE THAT EACH PERSON IS COMFORTABLE EACH STEP OF THE WAY, AND THAT YOUR EXPERIENCE IS A SAFE, RESPECTFUL, AND HAPPY ONE.



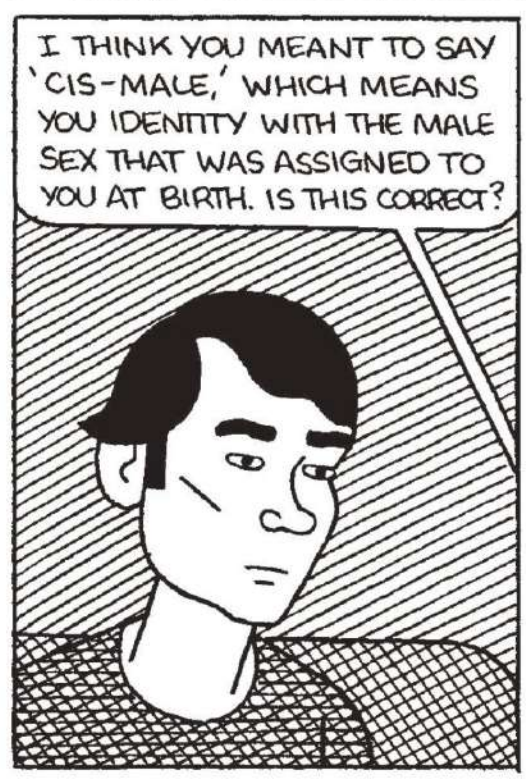
TO START, PLEASE EACH PROVIDE YOUR NAME, AGE, GENDER, AND PREFERRED PRONOUNS.

JENNY, TWENTY-NINE, CIS-FEMALE, SHE AND HER.

XAVIER, THIRTY-ONE, MALE, HE AND HIM.



I'M SORRY, MY SYSTEM DOESN'T RECOGNIZE THE GENDER, 'MALE.'



I THINK YOU MEANT TO SAY 'CIS-MALE,' WHICH MEANS YOU IDENTITY WITH THE MALE SEX THAT WAS ASSIGNED TO YOU AT BIRTH. IS THIS CORRECT?

YES, THAT'S CORRECT.

THANK YOU.
JENNY, HAVE YOU HAD ANYTHING TO DRINK IN THE LAST SIX HOURS?

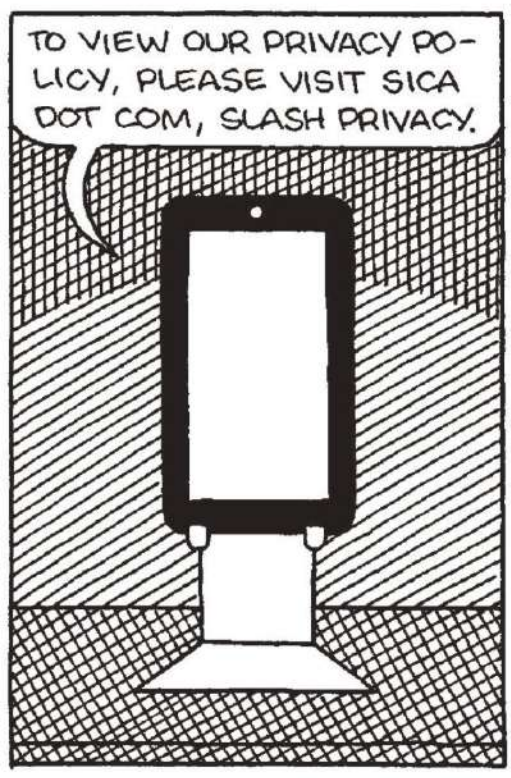
I'M ALMOST FINISHED MY SECOND GLASS OF WINE.

THANK YOU. I'VE DETERMINED THAT YOU'RE IN A POSITION TO PROVIDE CONSENT.
OKAY, WE'RE READY TO BEGIN YOUR INTIMATE EXPERIENCE.

AREN'T YOU GOING TO ASK ME HOW MUCH I'VE HAD TO DRINK?
THAT WON'T BE NECESSARY, XAVIER.

TO BEGIN, PLEASE SIT, LAY, OR STAND ONE FOOT APART FROM EACH OTHER. EACH TIME A DESIRE ARISES IN YOUR MIND TO TAKE THE INTIMACY TO THE NEXT LEVEL, PLEASE GIVE VOICE TO IT AND AWAIT MY RESPONSE BEFORE ACTING ON IT.

IS THIS BEING RECORDED?



TO VIEW OUR PRIVACY POLICY, PLEASE VISIT SICA DOT COM, SLASH PRIVACY.

DID YOU HEAR THAT?
DON'T WORRY, IT'S NOT RECORDING US. THEY CAN'T DO THAT.
OKAY... I HOPE YOU'RE RIGHT.
YOU MAY BEGIN YOUR INTIMATE EXPERIENCE.

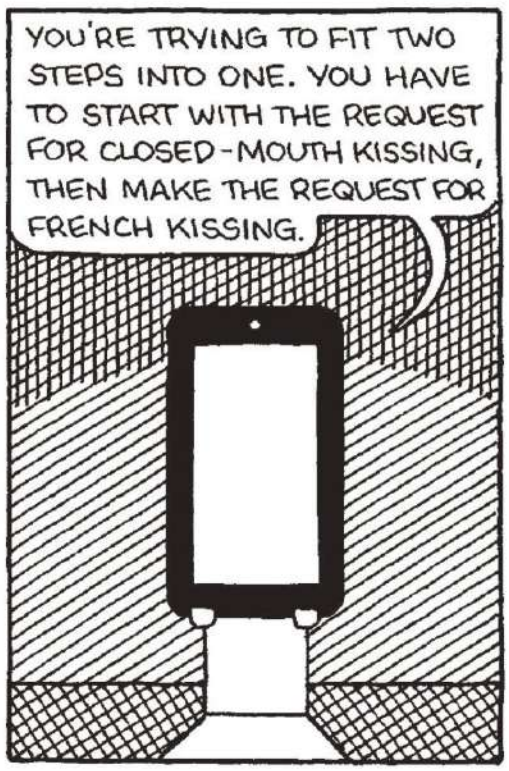
OKAY, I WOULD... I WOULD LIKE TO SIT RIGHT NEXT TO HER, SO THAT OUR BODIES. ARE TOUCHING.

DO YOU CONSENT TO THIS, JENNY?
I DO.
YOU MAY PROCEED, XAVIER.

OKAY, NOW I'D LIKE TO PUT MY ARM AROUND HER.

DO YOU CONSENT, JENNY?
I DO.
YOU MAY PROCEED, XAVIER.

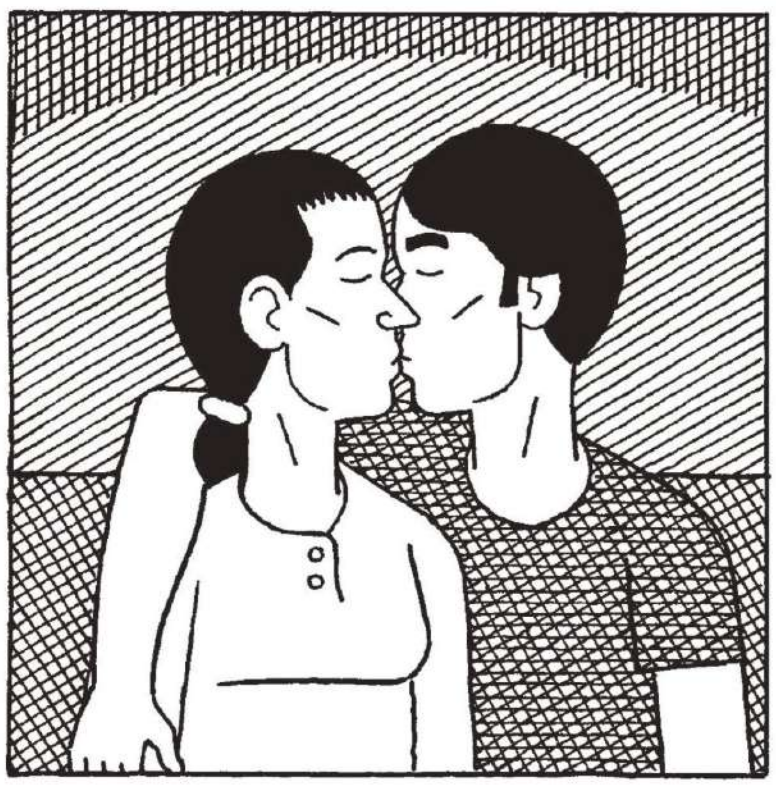
AND NOW I'D LIKE TO KISS HER ON THE LIPS, THEN PROCEED TO FRENCH KISSING.



YOU'RE TRYING TO FIT TWO STEPS INTO ONE. YOU HAVE TO START WITH THE REQUEST FOR CLOSED-MOUTH KISSING, THEN MAKE THE REQUEST FOR FRENCH KISSING.

ALRIGHT, I WOULD LIKE TO CLOSED-MOUTH KISS HER.

DO YOU CONSENT, JENNY?
I DO.
YOU MAY PROCEED, XAVIER.



AND NOW I WOULD LIKE TO PROCEED TO FRENCH KISSING.
DO YOU CONSENT, JENNY?
I DO.
YOU MAY PROCEED, XAVIER.

EXCUSE ME! EXCUSE ME!

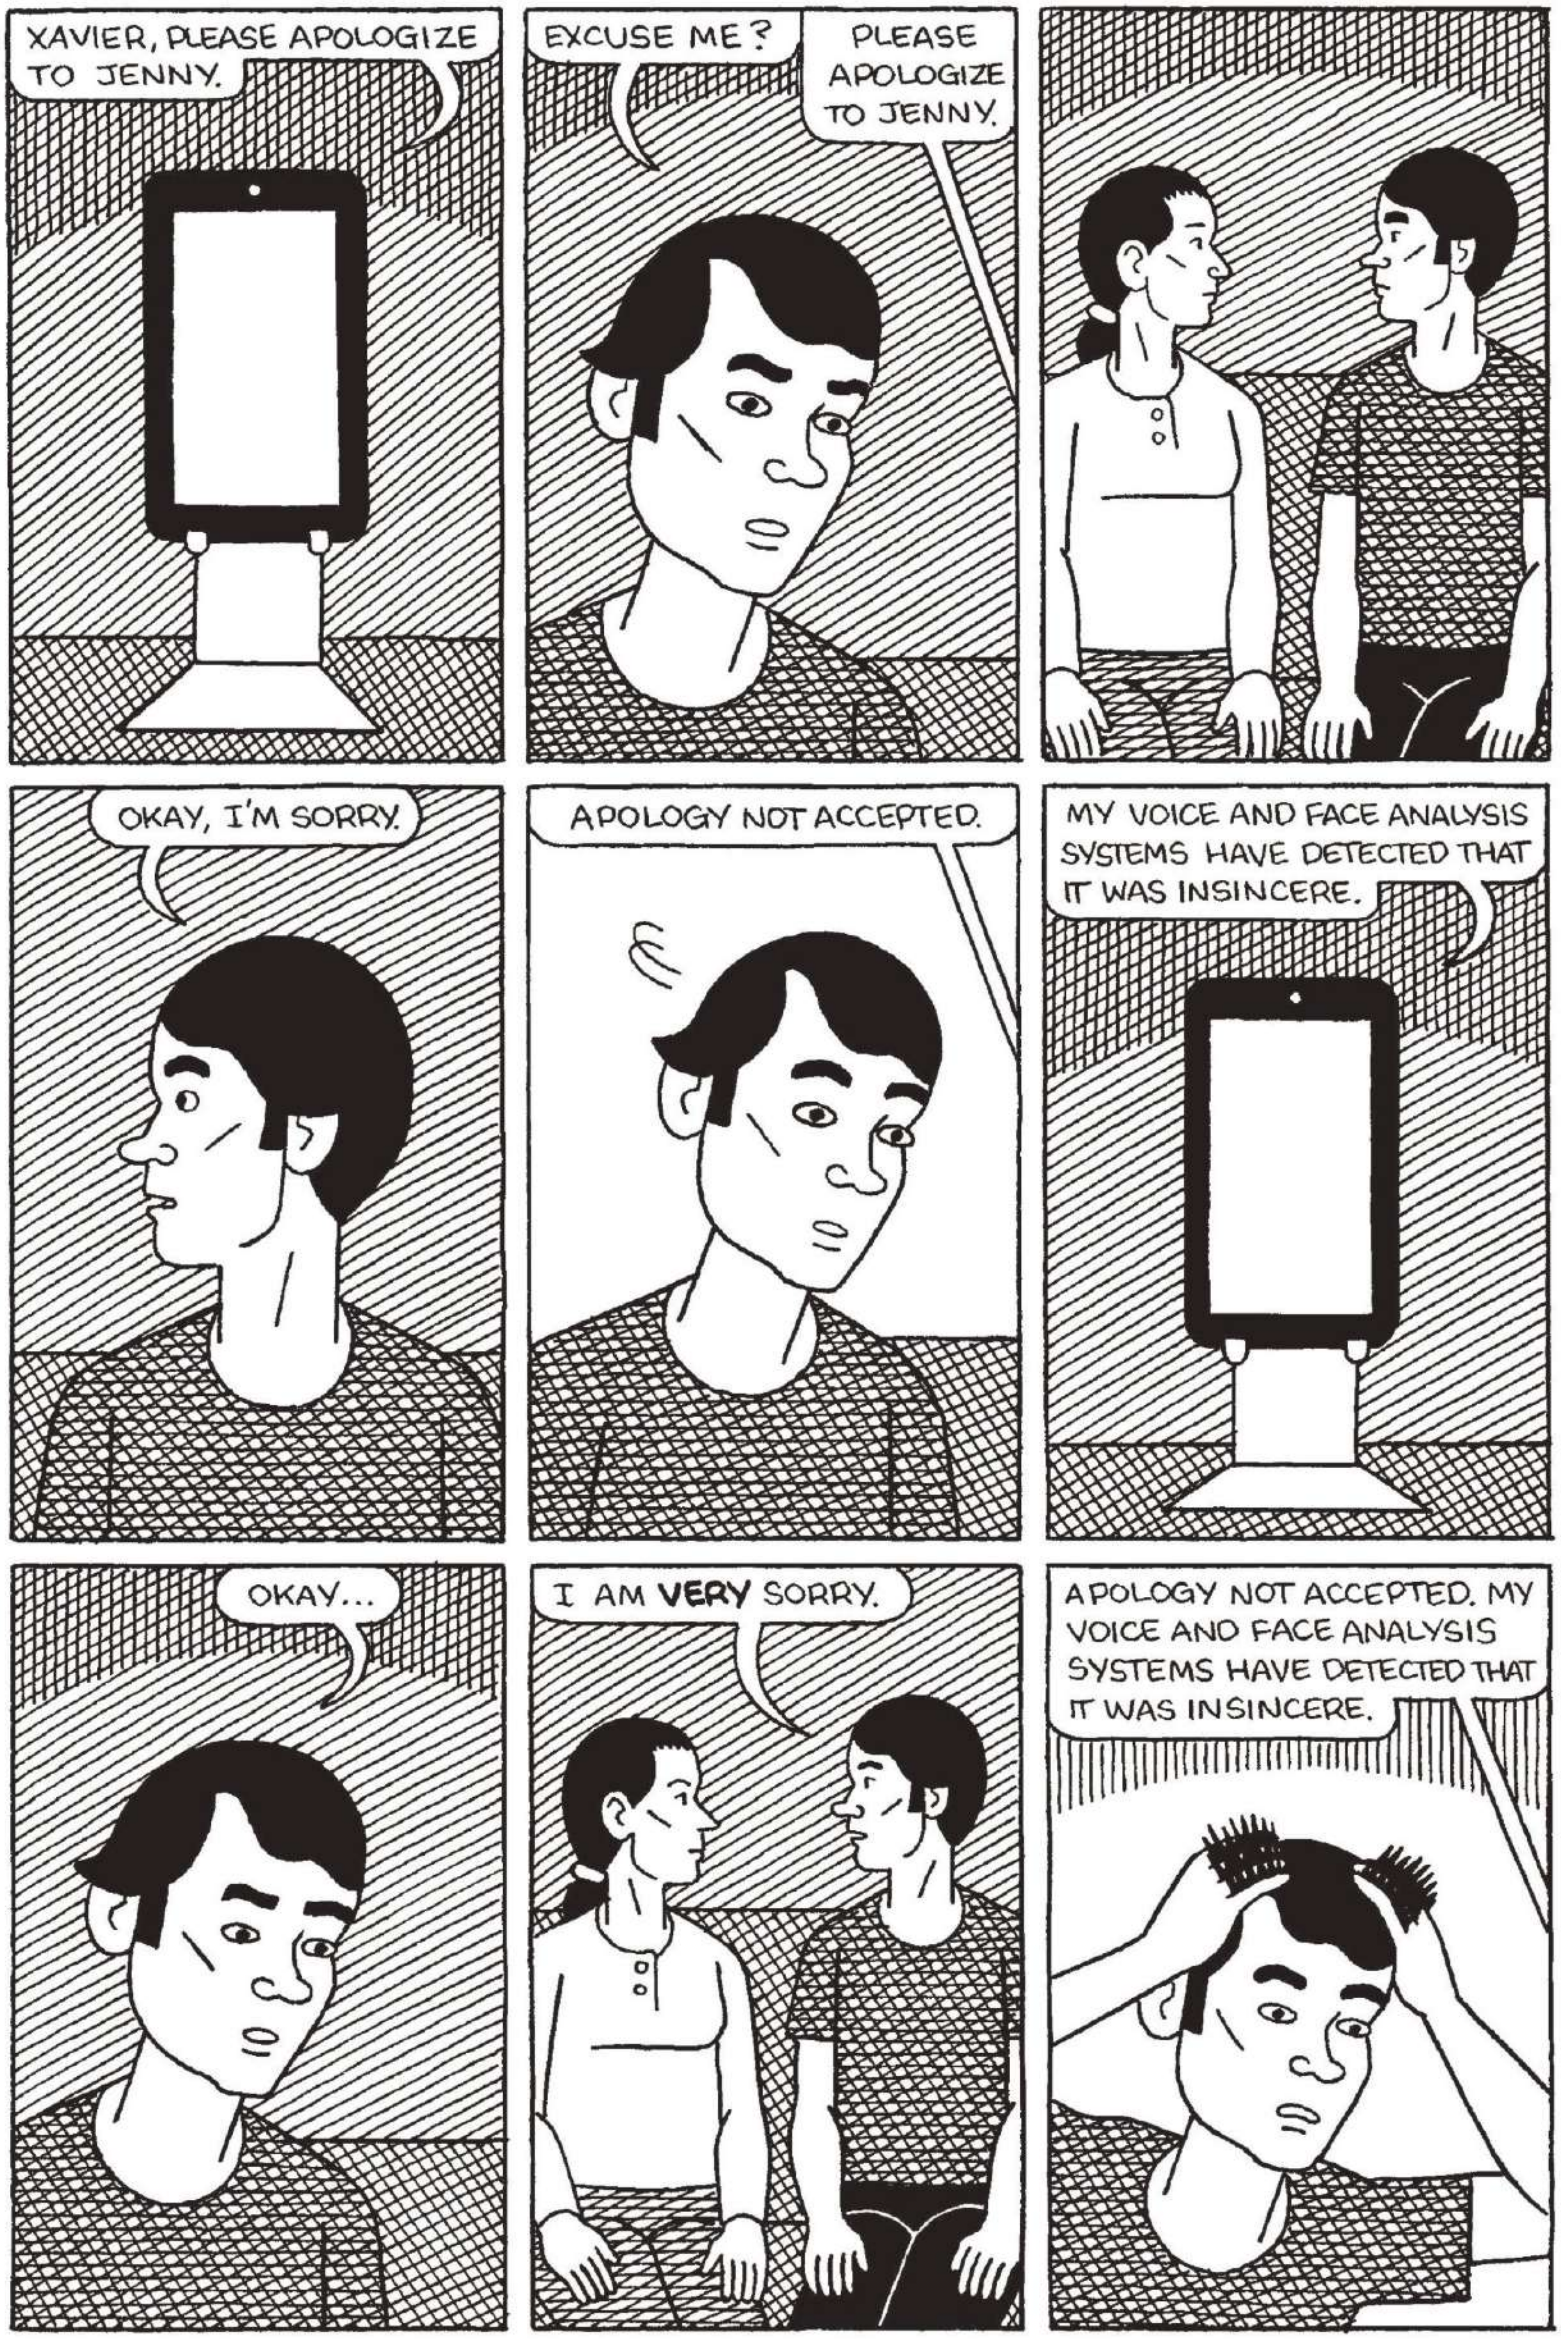
WHAT?! YOU DID NOT ASK IF YOU COULD PUT YOUR HAND ON HER THIGH.

BUT IT WASN'T PROGRESSING THINGS TO THE NEXT LEVEL. WE WERE ALREADY FRENCH KISSING. A HAND ON THE THIGH IS MORE MILD THAN THAT.

YOU CANNOT BE THE JUDGE OF WHAT'S APPROPRIATE. THAT'S FOR JENNY TO DECIDE.

BUT I KNEW SHE'D BE OKAY WITH IT. NOT ALL COMMUNICATION IS VERBAL.

IT'S TRUE THAT I WAS OKAY WITH IT, BUT I MIGHT NOT HAVE BEEN.



XAVIER, PLEASE APOLOGIZE TO JENNY.
EXCUSE ME?
PLEASE APOLOGIZE TO JENNY.
OKAY, I'M SORRY.
APOLOGY NOT ACCEPTED.
MY VOICE AND FACE ANALYSIS SYSTEMS HAVE DETECTED THAT IT WAS INSINCERE.
OKAY...
I AM **VERY** SORRY.
APOLOGY NOT ACCEPTED. MY VOICE AND FACE ANALYSIS SYSTEMS HAVE DETECTED THAT IT WAS INSINCERE.

INHALE
EXHALE
OKAY, YOU KNOW WHAT - IN ALL HONESTY, I DON'T HAVE TO BE ON THIS DATE WITH YOU. I'M HERE WITH YOU VOLUNTARILY, SO THAT MEANS I HAVE TO RESPECT YOUR WISHES. AND IF THAT MEANS USING THIS APP AND FOLLOWING ITS RULES, THEN THAT'S HOW IT'S GOT TO BE.
SO, TRULY, I'M SORRY.
PROCESSING YOUR RESPONSE...
APOLOGY NOT ACCEPTED. MY VOICE AND FACE —
YOU [redacted] PIECE OF [redacted]!
TOXIC MASCULINITY ALERT! TO-XIC MASCULINITY ALERT! JENNY, YOU ARE NOT SAFE! LEAVE THE PREMISES IMMEDIATELY!
JENNY, YOU A-
TURN OFF.

MOOMINSUMMER MADNESS

TOVE JANSSON

Fun and endearing, it's easy to see why Moominvalley has an enduring appeal for readers both young and old.

When a flood sweeps through Moominvalley, the Moomins must find a new house. And with typical Moomin good luck, one just happens to be floating by. It looks normal enough, but there are curtains where one wall should be, strange rows of lights, and other odd amenities. Behold—a theater! Then Moomintroll and the Snork Maiden disappear, and the family realizes that the house may hold the answers to more than they ever dreamed. The beloved classic explores creativity, self-expression, and community, all delivered with Tove Jansson's signature blend of humor and gentle wisdom.

Moominsummer Madness was first published in 1954 and is the fifth book in the beloved Moomin series, which follows the adventures of the serene and whimsical Moomin family and their friends. The novel also marks the only appearance of the character Misabel.

Relaunched in hardcover with extra material, gorgeous painted covers, a fold-out map and a reading ribbon, *Moominsummer Madness* will appeal to all current Moomin fans and is sure to find new ones.

CHAPTER 1

About a bark boat and a volcano

Moominmamma was sitting on the front steps in the sun, rigging a model bark schooner.

"One big sail on the mainmast, and one on the foremast, and several small three-cornered ones to the bowsprit, if I remember rightly," she thought.

The rudder was a ticklish job, and the hold an odder one. Moominmamma had cut a tiny bark hatch, and when she laid it on, it fitted snugly and neatly over the hold.

"Just in case of a hurricane," she said to herself with a happy sigh.

By her side on the steps, knees under chin, sat the Mymble's daughter, looking on. She saw

Moominmamma next tack the stays with small glass-headed pins, each of a different color. The mast-heads were already flying bright red pennants.

"For whom is it?" asked the Mymble's daughter respectfully.

"For Moomintroll," replied his mamma, and searched her workbasket for something for an anchor cable.

"Don't push me about!" cried a small voice from the basket.

"Dear me," said Moominmamma, "here's your little sister in my workbasket again! She's going to hurt herself on the pins and needles one day."

"My!" said the Mymble's daughter menacingly and tried to pull her sister out of a skein of wool. "Come out at once!"

But Little My managed to crawl deeper into the wool, where she disappeared completely.

"Such a nuisance she turned out so very small," complained the Mymble's daughter. "I never know where to look for her. Couldn't you make a bark boat for her, too? She could sail in the water barrel, and I'd always know where she is."

Moominmamma laughed and looked in her handbag for another piece of bark.

"Do you think this would hold Little My?" she asked.

"Certainly," said the Mymble's daughter. "But you'll have to make a small life belt as well."

Welcome to Altered States... Dynamite Entertainment's parallel reality in the vein of DC's *Elseworlds* and Marvel's *What If*!

Our debut Altered States title starts with Red Sonja, the She-Devil of Hyrkania, finding herself transported to Barsoom – better known to Earth-readers as Mars – in the ancient past of the mysterious red planet! What happens there sets up events that will ripple across the planet and will draw in the legendary heroes Vampirella, John Carter, Dejah Thoris, and, direct from Earth, the Lord of the Jungle himself!

Writer David Avallone (*Elvira, Savage Tales*) is joined by rising star Mariano Benitez-Chapo (*Vampirella, Elvira, Savage Tales*) and cover artists Joseph Michael Linsner, Mike Rooth, and Chapo, as well as a stunning cosplay image by Jackie Goehner! Plus: Mike Rooth and Chapo each have created a stunning series of connecting covers for this series!

It all starts in June! Be there!

Fan-favorite *Supernatural* character Castiel makes his comics debut!

Castiel has always been sure. Of his faith. Of his duty. Of his position. *Always.* So why is he suddenly having doubts? The only thing he knows is that it has something to do with the Winchesters. He's followed them to Gainesville, FL, on a chaotic weekend when music and sports fans have descended on the city. And wherever Castiel goes, the Winchesters are one step ahead of him, hunting for the monsters that have been reported in the vicinity. Whether it's at a concert, a frat party, or wherever – by the time Castiel follows the trail there, the Winchesters have come and gone. Until they find the thing they're all looking for…together. But will Castiel help the brothers in their mission, or just get in the way?

Set in the time just after the vengeful Maleficent leveled her curse against Princess Aurora, this hypnotic new adventure follows the power-hungry regent as she sets out to build up her arsenal of magical energy to the point that she will be invulnerable to any force that would dare challenge her reign. When her goblin minions return from a raid against a neighboring kingdom bearing a mysterious glowing grimoire, the Queen senses an ancient and otherworldly presence between its covers — a force that could deliver to her a new wellspring of nearly unlimited power. To take possession of it, however, she must leave the safety of her kingdom and venture into an unfamiliar and dangerous realm – a place from which few humans ever return!

Our opening story arc featuring the return of the greatest 1980s animated barbarian ever reaches its epic finale! In their battle against the unprecedented power of the Council of Wizards, our heroes have bravely faced the timestream itself – and now they come upon their darkest reflections! It all concludes here – and the fate of the future itself hangs in the balance!

Lords of Light protect us all! The future is now! The future is Thundarr!

This issue is written by Jason Aaron and drawn by Kewber Baal (*Elvira, Vampirella: Armageddon*), with all-star covers by Michael Cho, Francesco Mattina, Bjorn Barends and Joseph Michael Linsner!

Vampirella teams with her evil twin, Draculina, to take down drug runners in the service of Vampirella's mysterious benefactor! Then, Vampi must rush to the side of her ex-girlfriend, Victory who, deeply depressed over losing her demonic powers, has taken a steep fall from Christian chastity. In a drunken stupor, Victory reveals a dark secret everyone Vampirella trusts has been keeping from her – and secrets like that have consequences!

After being shot down in the middle of a war zone, five Thunderan warriors are fighting for their lives. Together they face a horde of heavily armored soldiers, and the team's only hope is to somehow break through their lines to reach the wreckage of their ship. Such overwhelming odds will strain their abilities to the absolute limit. But even if Pumyra, Lynx-O, Shen, Ligon, and their hammer-wielding commander Bengali make it out alive, will they still be able to complete their mission? And even more important: who is the mysterious antagonist who is hunting them – and what is his connection to the Book of Omens? Author Ed Brisson and artist Rapha Lobosco, the celebrated creative team behind THUNDERCATS: APEX, present a never-before-seen side of the ThunderCats universe in THUNDERCATS: LOST!

THE ART & CRAFT OF EAST ASIAN COMICS

LOVERS OF THE EMPIRE VOL. 1

By Yudori

Set in the atmospheric Korean capital in the 1920s, this dynamic manhwa period piece follows two teenagers from different social strata thrown together — and their unlikely connection leads to comedic, emotional, and eye-opening experiences of discovery.

South Korea, 1929. Arisa Jo, the daughter of a wealthy merchant, is the most eligible bachelorette in all Gyeongsung (the capital city). With her Western dresses, movie star hairstyle, and assertive attitude, she embodies bold "Modern" values. Meet her opposite, Jun Seomoon, a young man from the countryside deeply rooted in tradition. When Jun is charged by Arisa's father to be her escort in the big city, these opposing forces create sparks. Through this unlikely connection, these teenagers open their eyes to new perspectives amidst the rapidly changing world they find themselves in.

Coming off the heels of her acclaimed *Raging Clouds*, *Lovers of the Empire* proves Yudori to be a comic artist at the height of her creative powers. On the surface a sweet and funny will they, won't they romance, this story garners depth from its depiction of Korea at a crossroads: a city occupied by Japan, molded by Western influences, and facing a modernity that stirs inner conflicts within its citizens. Rendered in gorgeous full color, this period piece portrays a fascinating city in a tumultuous time, with two winsome characters at its heart.

FRANK IN THE 3RD DIMENSION

By Jim Woodring

Jim Woodring's silent, signature character explores the Unifactor's third dimension in this exquisite graphic novel.

Frank In The 3rd Dimension is a series of Jim Woodring's loveliest pictures — 32 anecdotal visual vignettes, dioramas, moments pickled in time — as you've never seen Frank before: in 3D, about as real as you can get him outside of an Ionescoian theatrical performance (which could be next — watch your local theater listings). Frank and Frank's world are already hallucinatory but seeing him in the most technologically advanced and artistically crafted 3D ever produced—more than 150 layers per drawing to round and "sculpt" each image into full, volumetric 3D — is an experience that has to be savored to be believed.

Packaged with 3D glasses designed by Woodring himself, this new printing brings one of our most requested titles back into print again.

LOVE AND DESIRE IN THE PROMISED LAND: THE PRIVATE LIVES OF ISRAELIS AND PALESTINIANS

By Salomé Parent-Rachdi & Deloupy

The Israeli Palestinian conflict viewed through the lens of romantic relationships. A humanizing journalistic portrait of the intimate lives of ordinary people in Israel and Gaza.

Love and Desire in the Promised Land collects a dozen interviews with real-life citizens of Israel and Gaza navigating messy boundaries in their homes and bedrooms against a background of geopolitical violence.

Collecting interviews conducted before the October 7 attack unleashed a new wave of bloody conflict, the book introduces fascinating individuals and couples who speak frankly about the transgressions that define their experiences with intimacy. The portrayals represent a diverse population, including an interfaith celebrity power couple, an Orthodox gynecologist, a young gay Muslim, a Palestinian American feminist, a Ukrainian Israeli artist, and a Palestinian lesbian in a relationship with an Israeli soldier.

Through these candid conversations, recorded by Parent-Rachdi and illustrated with a warm touch by Deloupy, the authors humanize the people living in Israel and Gaza. As conflict wages around them, these ordinary citizens struggle with their all-too-human urges and desires that drive them to cross borders and boundaries in the name of love and sex.

NANCY FOR ALL SEASONS

By Ernie Bushmiller

Our second volume in a new series collecting Ernie Bushmiller's timeless and beloved *Nancy*! Who's lit now, Sluggo?

Nancy is an American icon. She's timeless. She's a meme. The world-famous artist Andy Warhol once painted her portrait. She's been on a postage stamp. To this day, when you look up "comic strip" in The American Heritage Dictionary of the English Language, it shows a *Nancy* comic by Bushmiller! As another famous cartoonist once put it, "It's easier to read a *Nancy* comic than it is to not read one."

Nancy, along with on-and-off again boyfriend Sluggo, deliver absurd laughs panel after panel, all rendered in Bushmiller's chiseled cartoon perfection that feels untethered to time or place. An acknowledged masterpiece of humor and cartooning, Nancy's brand of lowbrow absurdism and unexpected visual delights have held sway over generations of early readers, artists and celebrities, to say nothing of its impact on American culture as a whole! Bushmiller created *Nancy* from 1938 to 1982, and in recent years, interest in his work has surged to a fever pitch.

Jam-packed with over 300 comic strips from the years 1951–1952, *Nancy For All Seasons* features a fresh and contemporary new design that will entertain all ages.

SPACEHAWK

By Basil Wolverton

The complete collection of Wolverton's legendary costumed crusader!

Basil Wolverton is one of the greatest, most idiosyncratic talents in comic book history. Though he is best known for his humorous grotesqueries in *MAD* magazine, it is his science-fiction character Spacehawk that Wolverton fans have most often demanded be collected. The wait is over: *Spacehawk* features every story from Spacehawk's intergalactic debut in 1940 to his final, Nazi-crushing adventure in 1942.

Spacehawk is the closest thing to a colorfully costumed, conventional action hero Wolverton ever created, yet the strip is infused with Wolverton's quintessential weirdness: controlled, organic artwork of strangely repulsive aliens and monsters and bizarre planets, and stories of gruesome retribution that bring to mind Wolverton's peer, Fletcher Hanks. Spacehawk had no secret identity, no fixed base of operations beyond his spaceship, and no sidekicks or love interests. He had but one mission in life: to protect the innocent throughout the Solar System, and to punish the guilty. He was a dark — yet much more visually playful — counterpart to Buck Rogers and Flash Gordon. *Spacehawk* also includes the character's final and rarely seen Earthbound adventures. As the U.S. became involved in World War II, Spacehawk returned to 20th Century America to join the United States' efforts in defeating fascism, which he does by patrolling the Earth's stratosphere, looking for wrongdoing.

Back in print again featuring newly designed covers.

THE PRINCESS DIARIES: THE GRAPHIC NOVEL

Written by **Meg Cabot**, illustrated by **Bethany Crandall**

Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine frizzy-haired freshman, who also happens to be flunking algebra.

Is she ever in for a surprise.

First, her mom announces that she's dating Mia's algebra teacher. But her dad's announcement is even worse: he is the crown prince of Genovia, and guess what that makes Mia?

A frizzy-haired freshman who is flunking algebra, and also happens to be a PRINCESS.

Mia might not be ready for the throne, but one thing totally rules: #1 *New York Times* bestselling author Meg Cabot has adapted her classic *The Princess Diaries* into a royally hilarious graphic novel with art by Bethany Crandall!

Wednesday, September 24

ALBERT EINSTEIN HIGH SCHOOL

Mr. Gianini is cool.

Sure, he's cool if you're good at algebra, like you are, Lilly.

He's not so cool if he calls your mother in for a parent-teacher conference to talk about how you're flunking algebra, like me . . .

. . . then **asks her out.**

And he's not so cool if he's sticking his tongue in your mom's mouth.

Have you actually **seen** him do this?

Well, no.

They haven't even been on their first date yet.

And I don't think my mom would let a guy put his tongue in her mouth on the first date.

At least, I hope not.

CULTURAL DIVERSITY Dance

You know you have an overactive imagination and a pathological need to invent drama in your life.

The fact that you're so upset about your mom and Mr. G is a classic example!

If you're that upset about it, just tell your mom you don't want her going out with him.

I don't understand you, Mia.

You're always going around lying about how you feel.

Your feelings have worth, you know.

Why don't you just assert yourself for a change?

Earlier that month.

Hold on, I just have to pick up my mom's prescription.

This is ridiculous.

Hey.

I need to pick up my mom's alpha hydroxy, which she only needs because of our society's unfair beauty standards for women.

WARRIORS GRAPHIC NOVEL: THE NEW PROPHECY, PART ONE OF THREE

Written by **Erin Hunter**, adapted by **Gibson Twist**, illustrated by **Sammy Savos**

The wild cats of the forest have lived in peace for many moons—but when Brambleclaw, a warrior of ThunderClan, receives an ominous prophecy from StarClan that speaks of a mysterious danger, he must rally the fiercest warriors from all the Clans to seek answers in the mountains.

But the journey is long and hard, and tensions rise back in the forest as Firestar and Leafpaw watch ThunderClan's world crumbling around them. As the questing cats struggle to uncover the meaning of the prophecy, turmoil threatens to overtake the Clans.

Ever since the first Warriors book hit shelves, readers have devoured these epic adventures. This stunning adaptation retells the first two books second arc of the Warriors series as a full-color graphic novel.

ENCORE!

Miles Toriko Burks

Senior year is in full swing for Clay, and he's determined to have a good year filled with friends, theater dreams, and newfound confidence. But when his ex-best friend, Aron, suddenly reappears in his life—and his theater class—it throws a wrench in all of Clay's big plans. Annoyingly, the two are paired up during an improv exercise, and being vulnerable together on stage swirls up all sorts of old, complicated feelings that honestly, Clay would rather just forget about. Even more annoyingly, Aron seems to want to act like there's nothing weird or confusing about being back in each other's orbits again. Which is ironic, since Aron was the one who ghosted Clay in favor of some cool, popular new friends in the first place.

But as their class assignment continues and the two spend more and more time together, things start to feel . . . good. Soon they're rekindling their friendship through improv, impromptu dips in the pool, and movie nights. Before long, they're seeing each other more than either of their respective friend groups.

Clay isn't sure how long he can keep his old feelings buried, but can he trust Aron again, after everything they've been through?

IT'S JUST A BATHROOM.

WICKED: THE GRAPHIC NOVEL PART II

Written by **Gregory Maguire**, Adapted & illustrated by **Scott Hampton**

A storm tears through Munchkinland, carrying with it a farmhouse and an unexpected visitor: a young girl named Dorothy Gale. But Dorothy's appearance in Oz sets off more than just a ripple—it reignites old rivalries and awakens long-buried magic.

When Elphaba reunites with Glinda after years apart, she is furious to learn that Glinda has gifted Dorothy a pair of enchanted shoes—shoes that rightfully belong to Elphaba by birthright, and that reawaken in Elphaba the sting of her father's disappointment.

Determined to stop the Wizard from tightening his grip on power, Elphaba takes up the Grimmerie. She begins a perilous journey—not just of vengeance, but of reckoning. Yet as she delves deeper into the secrets of Oz, she discovers that the Wizard may not be her greatest threat. Crossing paths with Dorothy proves more dangerous than expected, and the just governance of Oz hangs in the balanced.

ODYSSEY

Written by **Homer**, adapted by **Russell Punter**, illustrated by **Fabiano Fiorin**

Join Greek warrior Odysseus on his amazing adventures in this dynamic graphic novel.

When legendary warrior Odysseus sets off from the city of Troy to his home on the island of Ithaca, little does he suspect the terrifying dangers that stand in his way.

Man-eating giants, a one-eyed ogre and a six-headed serpent are just some of the adversaries he must face in this graphic version of Homer's epic Greek legend.

The perfect companion to Christopher Nolan's film adaptation in theatres July 2026.

100 CUPBOARDS

N. D. Wilson & Forrest Dickison

Now a graphic novel! The bestselling and highly acclaimed 100 Cupboards series starts here.

What dangers lurk, locked behind the cupboard doors?

Henry isn't brave, but when he hears an odd thumping and scratching on the other side of his bedroom wall, he simply can't ignore it. He scrapes off the wallpaper and peels back the plaster and discovers 100 mysterious mini doors—cupboards, really—of all different shapes and sizes. Through one he sees a glowing room and a man strolling back and forth. Through another he sees only darkness and feels the cold sense that something isn't right. When his cousin Henrietta boldly travels into the worlds beyond the cupboards, it's up to Henry to follow her to help her get back home. But now that he's opened the doors, can he keep the evil inside from coming through?

My father dedicated his life to uncovering the mysteries that I now lock away.

THE BAND BIGS

Casey Lyall & **Sara Faber**

When an eldest sibling is locked out of the house by his younger twin brothers during his very first time babysitting, four Band of Bigs agents—Tucker, Rosa, Chester, and new-recruit Jamie—are on the case. But their job is complicated by three League of Littles agents—Lexi, Eli, and Mo—defending the younger siblings inside. And it just so happens that Mo is Tucker's little sister. When siblings go head-to-head, things are bound to get a little messy. Okay, maybe a lot messy.

Full of hilarious hijinks, action, friendship, pets, and cookies, this graphic novel is sure to delight young middle graders. It is an excellent choice for newly independent readers and fans of Babymouse, Lunch Lady, and the Bad Guys.

DUNGEONS & DRAGONS: DUNGEON CLUB: FINAL FACE-OFF

Lee Knox Ostertag & **Xanthe Bouma**

Tyler has a secret—Sunny, the imaginary friend he had when he was younger, hasn't gone away. Not only that, she now acts as his butt-kicking character in his after-school D&D club, too. Whether it's helping him deal with his rowdy cousin Luis or avoiding his archnemesis Kelly at school, Sunny always has his back, often encouraging soft-spoken Tyler to be a little more...bold.

Until one day Sunny pushes Tyler a little too far and he unexpectedly confesses his feelings to Sam, his outspoken and dreamy crush. Instead of a happily ever after, Tyler's confession turns into gossip fodder for the entire school. Hurt and angry, Tyler banishes Sunny from his mind.

But the silence afterward is louder than Sunny's presence ever was, and Tyler must look to the people in his real life to discover who he truly is—and who he wants to be.

THE FIRST CAT IN SPACE AND THE WRATH OF THE PAPERCLIP

Mac Barnett & **Shawn Harris**

4.5 billion years ago...on the ancient planet of Theia, an AI paperclip designed to fix grammatical errors attempted a coup. CheckMate was tired of correcting "who" vs "whom"—and concocted a plan to eliminate spelling errors once and for all. It would turn all carbon-based life-forms into something beautiful, practical, perfect.

A paperclip.

And Checkmate would've destroyed the world too, if not for a fateful crash landing into Earth that buried it deep in debris. It was long forgotten by civilization. Until now. When a explorer unearths CheckMate, the AI soon escapes and invades every computer on Earth. The General and Dr. Milksop are out of options. There's only one group who can help them now: the First Cat in Space, the Moon Queen, and LOZ 4000. But when CheckMate zoops First Cat's spacesuit and reverts him into a regular cat, all hope seems utterly lost.

Will our heroes be able to stop Checkmate in time? Will everyone be turned into paperclips? What *exactly* does that First Cat spacesuit do anyway?

HOOKY VOLUME 2

Míriam Bonastre Tur

Dani and Dorian Wytte have been through everything together—including joining forces with trouble maker Nico, Princess Monica, and golden boy Mark to sneak into the witch's sabbath, spring hostages from prison, and defend the castle when it was attacked by witches.

With witches like their parents out for power and blood and non magical people increasingly threatened by them, Dani and Dorian don't know whose side they're on...or if anyone's on their side. That includes their brother, Damien, who disappeared after being crowned King of Witches. But since Monica's father, the king, and her fiancé, Prince William, disappeared too, Dani and Dorian know they must set out to find their lost allies. Luckily, they aren't alone.

Based on the beloved webcomic from Webtoon, *Hooky Volume 2* picks up right where the action left off and is in stunning print format for the first time, with exclusive new content sure to please fans new and old.

Almudena has always wondered about the dad she never met.

Now, with her white mother headed on a once-in-a-lifetime trip without her, she's left alone with her Guatemalan father for an entire summer. Xavier seems happy to see her, but he expects her to live in (and help fix up) his old, broken-down brownstone. And all along, she must navigate the language barrier of his rapid-fire Spanish—which she doesn't speak.

As Almudena tries to adjust to this new reality, she gets to know the residents of Xavier's Latin American neighborhood. Each member of the community has their own joys and heartbreaks as well as their own strong opinions on how this young Latina should talk, dress, and behave. Some can't understand why she doesn't know where she comes from. Others think she's "not brown enough" to fit in.

But time is running out for Almudena and Xavier to get to know each other, and the key to their connection may ultimately lie in bringing all these different elements together. Fixing a broken building is one thing, but turning these stubborn individuals into a found family might take more than this one summer.

SWIM TEAM

Johnnie Christmas

Bree can't wait for her first day at her new middle school, Enith Brigitha, home to the Mighty Manatees—until she's stuck with the only elective that fits her schedule, the dreaded Swim 101.

The thought of swimming makes Bree more than a little queasy, yet she's forced to dive head-first into one of her greatest fears. Lucky for her, Etta, an elderly occupant of her apartment building and former swim team captain, is willing to help.

With Etta's training and a lot of hard work, Bree suddenly finds her swim-crazed community counting on her to turn the school's failing team around. But that's easier said than done, especially when their rival, the prestigious Holyoke Prep, has everything they need to leave the Mighty Manatees in their wake.In this middle grade graphic novel debut, Johnnie Christmas demonstrates how—through friendship, courage, and heart—the wave of change can start with the smallest ripple.

GAMERVILLE

Johnnie Christmas

Max is howling at the moon—he's finally qualified for Gamerville, a championship where players compete to be top dog in the multiplayer video game Lone Wolf of Calamity Bay. But his dreams of domination are doomed when his parents send him to Camp Reset. Gone are the long nights of downing energy drinks and getting copious amounts of screen time. They've been replaced with fresh air and group activities under the hot sun—a shock to the system for a lone wolf like Max. Can Max escape Camp Reset and level up at Gamerville, or has he finally played his last match?

Gamerville is a timely and vulnerable exploration of the importance of human connection and what it means to run in a pack, brought to you by award-winning author Johnnie Christmas.

LU AND REN'S GUIDE TO GEOZOOLOGY

Angela Hsieh

Lu Tsao dreams of being a great adventurer. Her idol is her ah-ma (grandmother), who is a traveling geozoologist. Ah-ma researches unique animals like dreamy cloud-jellies, enormous sunfish, and playful mossgoats. There's nothing Lu loves more than reading Ah-ma's letters about her quests, even if she and her mom struggle to understand the Cylian characters.

Suddenly, Ah-ma stops writing. Lu is worried, but when a nearby town needs a geozoologist, Lu decides to journey from place to place to look for Ah-ma. Lu charts a course with the help of Ren, an old friend who might not be telling Lu everything about why she wants to come. During their travels, they plan to help as many people as they can. But as Lu discovers that the world is a messy place, will she accept that her ah-ma and Ren are both more complicated than she could have ever anticipated?

Frank Thorne's

Battling Beauties

Hermes Press celebrates the career of Frank Thorne with our Frank Thorne Library. This volume is a completely revised edition of the prior title of the same name with hundreds of new examples of Thorne's luscious artwork. Thorne, renowned good girl artist extraordinaire with a comprehensive art monograph exploring the art of the women he created during his extensive career. See pencils, preliminaries, final artwork, as well as the comics created by Thorne, focusing on his cheesecake creations.

This extensive art monograph presents artwork from such titles as Red Sonja, Ghita, Lann, The Iron Devil, and more. This book explores not only the comic book artwork of Thorne, but also illustrates the motion picture concepts and storyboards for the never-made Ghita film.

Additionally this book also provides a lengthy discussion by Thorne accompanied by hundreds of examples of how to draw "beautiful women." If you love the artwork of Frank Thorne, and you love sexy women, this is the book for you.

Back in print — Frank Thorne's Complete Ghita of Alizar — in an Expanded Revised Edition, with interviews by Howard Leroy Davis (limited to 1000 copies). Definitive "director's cut" of this ground breaking tale.

Frank Thorne's masterwork, Ghita of Alizarr is finally being collected in its entirety, long out of print, in a Revised hardcover archival edition sourced using the final versions of Thorne's original artwork. Now, experience the complete Ghita mythos in one book. There have been various versions of these stories but this volume brings together Thorne's definitive take on Ghita of Alizarr. If you're a fan of the adventures of the mighty warrior Ghita, there is finally a definitive version available, endorsed by the master himself, Frank Thorne.

GHITA CAREFULLY OPENS THE ANTECHAMBER DOOR AND THE TWO STEP OUT INTO THE CORRIDOR. "JUST LIKE THE OLD DAYS, EH THENEF?" SHE CHIRPS AS THEY CASUALLY STROLL TOWARD THE EATING SALOON. "STILL DOING EVERYTHING ON THE SLY. BUT PICKING THE POCKETS OF NOBLEMEN IN BAALZARRA IS A FAR CRY FROM TUMBUMPING IN THE ROYAL SUITE WHILE THE KING IS AT HIS WAR BUSINESS. STILL, THE CHANCE OF BEING CAUGHT ADDS THE SPICE TO EITHER GAME."

THE LORDS OF BAALZARRA COULD SPARE THE COIN, JUST AS KHALIA'S STOCK OF MISTRESSES IS AMPLE FOR THE SHARING OF ONE.

WORD OF THIS WILL SEND KHALIA'S TROOPS RUNNING FOR THE HILLS OF AZZA.

AH, LITTLE PIGEON, DO I DETECT A SUDDEN INTEREST IN AFFAIRS OF STATE?

SHE IGNORES THENEF'S REMARK. THE MAGE NOTES THAT GHITA, THE KING'S STREET-WISE COURTESAN IS BEGINNING TO SHOW SOME CONCERN FOR HER FATE, IF NOT THE DESTINY OF ALIZARR. THENEF SPEAKS AS THEY RUSH TOWARD THE ARMORY, "TROLLISH EMPERORS ARE CELIBATE, AND WIZARDS ARE CONSIDERED ENEMIES OF NERGAL. WE'LL BOTH BE BACK TO PICKING POCKETS BY NEW MOON'S TIME."

KHALIA LAY UPON A LONG TABLE IN THE WEAPONS ROOM AT THE BASE OF THE RAVELIN WALL. THE KING'S GENERALS AND CHANCELLORS HAVE BEGUN TO ARRIVE AS THE DARK SPECTRE OF DEATH AND DEVOURING TROLLHOARDES LOOM OVER ALL.

I HAVE FAILED MY GODDESS TAMMUZ. HER CITY LIES PROSTRATE. I MUST FORFEIT MY LIFE.

THENEF, DO NOT RESTORE MY BODY WITH YOUR SPELLS.

YES, PRAISE TAMMUZ. I WOULD DO YOUR BIDDING SIRE.

THENEF! GHITA! KHALIA LIES MORTALLY WOUNDED IN THE ARMORY! HE WISHES YOU COME TO HIS SIDE.

Hermes Press www.hermespress.com 2026

GHITA CATCHES THENEF'S EYE. SHE WINKS AT HIM. THE OLD FAKER HAS MANAGED TO PULL IT OFF RIGHT TO THE END. KHALIA WILL DIE BELIEVING HE HAS HAD A TRUE MAGICIAN LIVING IN HIS WIZARD'S TOWER. POOR DELUDED KHALIA, HAD YOUR PURSE BEEN STOLEN, THENEF COULD HAVE RESTORED IT, FOR LIKELY IT WOULD HAVE BEEN HIM THAT WAS THE THIEF.

THENEF, YOUR KNOWLEDGE OF MAGIC WILL SERVE AN EVEN GREATER PURPOSE THAN THAT OF PROLONGING THE DISGRACE OF YOUR SOVEREIGN.

THE DEFENSE OF ALIZARR MUST HAVE STRONG LEADERSHIP.

THERE IS ONE WHO CAN SAVE THE TEMPLES FROM DESECRATION.

KHAN-DAGON!

KHAN-DAGON?

HE TURNED BACK THE RAVAGING ARMIES OF ZEPHYRAN. IT IS WELL DOCUMENTED.

HE WAS A BRILLIANT GENERAL... A SAVAGE. A MASTER OF THE SWORD.

BUT, SIRE! HE WAS SLAIN IN THE FULL FLOWER OF HIS MANHOOD UPON THE BATTLEMENTS OF THIS CITY. HIS MUMMIFIED CORPSE LIES IN THE BURIAL VAULTS BENEATH THE PALACE.

I AM FULL AWARE OF KHAN-DAGON'S FATE.

5

ENOUGH TALK OF WOMEN'S TEATS. ON WITH THE SPELLS. HERE IS THE GEM, THENEF.

AS YOU WILL, MY SOVEREIGN.

SEE, O TAMMUZ? THE OLD FOOL BEGINS THE RITUAL. TRUE, HE BE NOT IGNORANT OF THE RITE. IT REMAINS THAT HE IS UNSKILLED. IF THERE BE ANY RESULT AT ALL, O TAMMUZ, LOOK TO THE GEM-STONE AND NOT TO THE MAGE.

NOTHING.

ALIZARR IS LOST.

WE WILL BE OVERRUN.

THE GEM! TAKE THE GEM AND THRUST IT INTO THE MID-SECTION OF THE CARCASS!

I WILL BRING HER TO YOU, SO YOU MAY SUCK THE EVIL FROM HER...

...AND GRIND THE REST OF HER INTO THE ROCKS OF YOUR SACRED NEST.

THEN YOU, DRILL, WILL BE THE ONLY GOD OF NEW ZEPHYRAN.

AND I WILL BE YOUR PRIEST AND LOVER.

EVEN AS SEF SPEAKS, THE GLORIFICATION OF GHITA AS GODDESS OF THE TUNNELS CONTINUES. A DEPUTATION OF HALFTROLLS SUMMONS HER TO A CHAMBER NEAR THE CENTRAL DOME OF THE CAVERNS. IT IS TO BE GHITA'S HOLY TEMPLE ROOM.

SOON, MY GODDESS, YOU WILL SIT UPON THE THRONE OF ALIZARR. UNTIL THEN, WE HAVE CONSTRUCTED A ROYAL CHAIR.

AYE. IT BE FIT WITH A SEAT STUFFED WITH FEATHERS OF SONG BIRDS.

IT AWAITS THE HOLY CARESS OF YOUR BUM CHEEKS, GOLDEN ONE.

FORGIVE GOZAL, MY GODDESS. HE KNOWS NOT TO SPEAK SO LIGHTLY ABOUT YOUR REAR.

TO SING A HYMN TO SUCH FRAGRANT MOONS WOULD BE MORE FITTING. I WILL COMPOSE A SONG OF PRAISE.

AN ARSE IS AN ARSE. I'D WAGER IF THERE WERE A GOD, AND HE HAD AN ARSE, IT WOULD BE NO MORE FRAGRANT THAN THENEF'S BUM.

ASCEND TO THE THRONE, LITTLE PIPKIN, BLESS YOUR FLOCK.

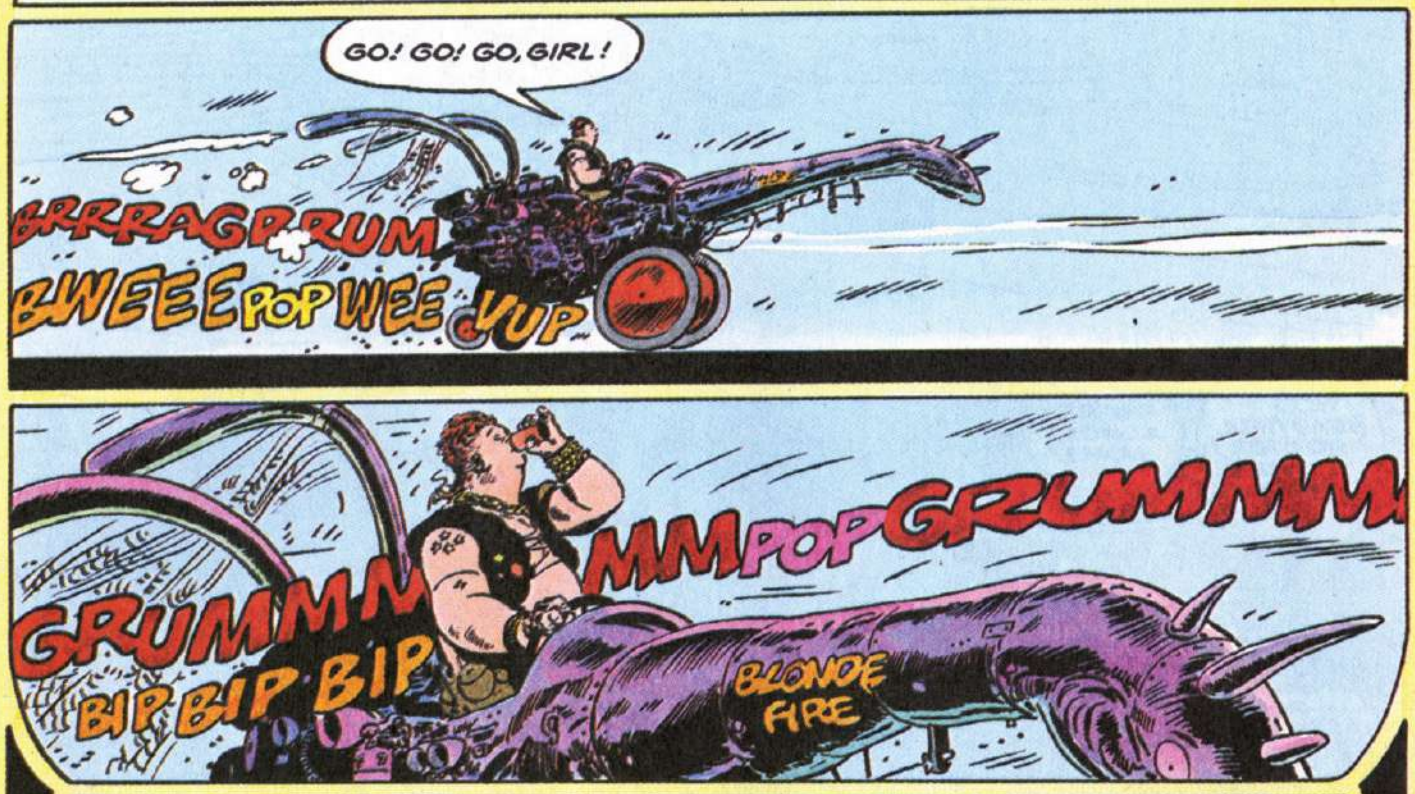
Ribit!

Frank Thorne's Ribit! — Expanded Revised Edition, limited edition (to 1000 copies). Franks Thorne's masterful blend of medieval sorcery and modern science comes together in another universe where only Ribit, the warrior woman created by magic, fights the final battle to save her world from the forces of chaos and darkness.

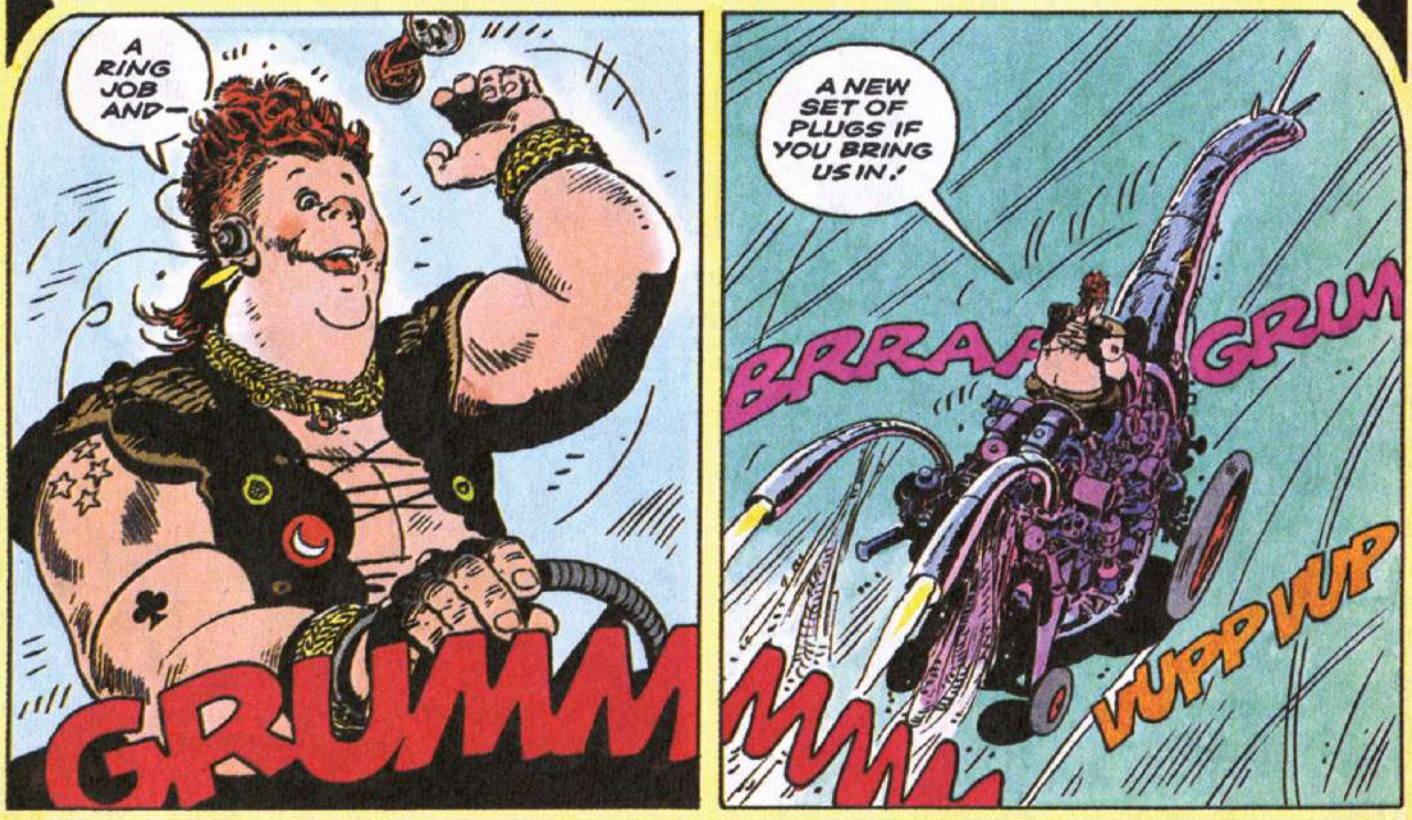
Created as an extended narrative in four comic books released by Comico in 1989, the entire narrative has never been printed as Throne intended, as one complete story, until now!

Hermes Press www.hermespress.com 2026

THOG'S BELOVED AWAITS. HIS NOSTRILS FLARE EVEN AT THE THOUGHT OF BEING WITH HER SOON AGAIN. SHE'LL BE THERE, WAITING FOR HIM IN THE EVER-TWILIGHT OF HIS SLEEPING CHAMBER—THE SACRED TEMPLE — HIS PLACE OF ADORATION. SHE, AN AGELESS VISION CAUGHT BY A DEMON LENS AND FROZEN IN A POLYSTYRENE CARTRIDGE. SHE, HIS INAMORATA OF THE MAGICAL BOX.



NOBLE THOGROANUS IS IN THE EMPLOY OF THE LAST OF THE SORCERESSES OF THE CRYSTAL ORB. IT IS RUMORED THAT THE ELF QUEEN OF THE METAL FOREST CONJURES WITH AN ORB, BUT LITTLE IS KNOWN OF THE PINT-SIZED MONARCH AND HER SUB-TERRANEAN REALM. ALAS, THESE ARE THE TWILIGHT DAYS OF NECROMANCY.



ELVES AND SORCERESSES AND ALL THE PRACTITIONERS OF THE OLD MAGIC HAVE BEEN EXILED. THE ALL-POWERFUL PRIESTS AND MAGICIANS OF SCIENCE, THE NEW GOD, HAVE DRIVEN THEM INTO THE FURTHERMOST SHADOWS OF THE EMPIRE. BUT, THERE IS SOMETHING TENACIOUS ABOUT OUTLAWED CONJURY. IT CLINGS TO THIS ENLIGHTENED AGE LIKE BUTTERMILK IN A GLASS TUMBLER. IT ENDURES DEEP IN THE FOREST AND ON THE REMOTE PLAINS THAT CROUCH IN THE MISTS FAR FROM THE FOCAL POINT OF THE NEW DOGMA.

THE NEXT PHASE OF THE ENERGON UNIVERSE STARTS HERE!

The world is becoming a terrifying place. Matt Trakker needs your help saving it.

Enter M.A.S.K.: a network of specialists recruited to respond to the next global emergency. At a moment's notice, Trakker and his agents can deploy bleeding-edge technology that converts its vehicles—and their drivers—into the ultimate weapon.

But Miles Mayhem and V.E.N.O.M. are one step ahead in a secret arms race, scouring the globe for deadly weapons from this planet and beyond, ready to sell out the entire human race. Only M.A.S.K. can stop them... but will Trakker's own secrets jeopardize their entire mission?

Powerhouse creators **DAN WATTERS** and **PYE PARR** launch the most anticipated new series of the year, where anyone—and everyone—in the Energon Universe must join the fight for humanity's survival.

*This is the first-ever Energon Universe blind bag program. The blind bags will include a chance to get ANY of the solicited **M.A.S.K. #1** covers, A-K, intermixed at varying degrees of rarity. However, there are rare SURPRISE variant covers related to the Energon Universe that can be found in these blind bags. Those SURPRISE covers will not be announced publicly in advance of the **M.A.S.K. #1** release.*

MEMORIES OF GISELLE OGN

STORY / ART / COVER KATIA VECCHIO

A tender, coming-of-age, slice-of-life graphic novel that explores the psychological journey of a young woman carrying the weight of childhood trauma.

Giselle grows up haunted by the constant memories of her grandmother and a single, haunting image of a boat—a symbol of a trauma she has long buried. As adolescence brings struggles with intimacy and vulnerability, fragments of the past begin to surface, leading her to a devastating truth she had long repressed.

MEMORIES OF GISELLE is a harrowing yet deeply human coming-of-age tale about memory, trauma, and the courage it takes to reclaim one's life.

NEW CREATIVE TEAM

For several months, the creature known as Spawn has been missing. Last seen fighting an enormous creature off the coast of Oregon, with other unknown beings of power. Now, the man known as Al Simmons is trying to live a quiet life, his past unknown to those around him. But the truth is a hard thing to hide. Especially when a reporter is looking for the story of a lifetime, a young homeless teen is desperate for salvation, and the last two honest cops in New York City, Sam and Twitch, come looking for their friend. Spawn is drawn back out of the shadows to face the world that he left behind.

Spawn #376 features a brand-new creative team with **MATTHEW ROSENBERG** ***(WHAT'S THE FURTHEST PLACE FROM HERE, 4 Kids Walk Into a Bank)*** taking on writing duties and **STEPHEN SEGOVIA** ***(SCORCHED, New Avengers)*** on art. If you have been curious about the Spawn Universe, this is the place to jump on.

From its 1983 debut, **AMERICAN FLAGG!** was a breakout success, emerging from a new generation of small publishers, imprints now lost to history. Award-winning, narratively and graphically audacious, and ridiculously influential, its impact on comic book storytelling is still being felt today, in a story comically—and sometimes frighteningly—prescient about the world in which we live.

It got some things wrong, but man, it got a lot more right.

A lot.

This fully remastered 1,064-page collection includes **HOWARD CHAYKIN's** run on the series' first 30 issues—more than half of which have never before been collected—plus the **AMERICAN FLAGG! ADVANCE SOLICIT

A dark, hilarious satire about the struggle to do good in a world that makes it so easy to be bad, **THE LUCKY DEVILS** is an examination of everything that makes humanity both grand and terrible from two of comics' most unique storytellers.

THE LUCKY DEVILS is a tale of two ordinary, good-hearted, 20-something Chicagoans who begin working with the devils on their shoulders in an attempt to fix their broken lives. It works beyond their wildest dreams, and in time they become two of the most powerful people on earth. While they fully intend to use that influence to make the world a better place, we all know what they say about the road to Hell...

For fans of their previous bestselling collaborations like **CURSE WORDS** and **EIGHT BILLION GENIES**, stories like ***Lucifer*** or ***The Good Place***, or tales where ordinary people's lives intersect with the supernatural—this new series is sure to delight readers looking for a fantastical new read.

Six months ago, Jim Hoke's daughter Wendy disappeared from her room. All Jim caught was a glimpse of a hulking figure at the window—the kind of late night vision that's easily written off as a hallucination. No one believes Jim's story—and six months later, the retired pathologist is just looking for anyone who'll still listen. And even if he finds someone, should they believe him? Jim already retired early for planting evidence against an alleged killer. His word doesn't mean much—and it means even less with him as a suspect in Wendy's disappearance. He can't leave town, he can't forget what he saw, and he get any sleep thanks to the nightmares.

With Wendy's disappearance declared the coldest of cases, Jim believes he's the only one who cares about finding his daughter. And he's got a withered Father's Day card in his pocket to remind him—all he can do is his best. So he better step it up. Jim goes into business for himself, tracking leads and harassing anyone who's polite enough to listen to his story. He dives into rabbit hole after rabbit hole, until he meets someone else like him. Then another, then another, a whole community of people who've lost someone to a cryptid they call the Floating Man—just like the huge creature Jim saw take Wendy. Suddenly, Wendy's abductor has a name—the Floating Man. And Jim's obsession has direction—he's got to track down the Floating Man, uncover his crimes and free not just his daughter Wendy, but everyone who's been lost.

Ace and Zora were built for men's pleasure. Now they're building a life of their own, one bullet at a time.

When sex bot Ace mounts a dangerous rescue mission, she isn't starting a revolution. She's trying to save the woman she loves. But Ace and Zora are valuable property, and a corporate kill squad is hot on their trail.

Bullets fly. Metal screams. Rivers run red with blood and coolant.

From critically-acclaimed writer Paul Allor and artist Ermitis Blanco, Blüdwire is a tender love story surrounded by a hail of bullets. Love is love, but liberation is violent.

ONE PATH BOOK TWO: THE WHITE KING OGN

AUTHORS: **GREG BROADMORE, ANDY LANNING**

ARTIST: **GREG BROADMORE**

COLORIST: **GREG BROADMORE**

LETTERER: **ROB JONES**

COVER ARTIST: **GREG BROADMORE**

Book two of this four-part epic plunges One Path into a breakneck prehistoric chase across unending forests, valleys, and mountains, carrying a scorned child toward a life-giving treacle rumored to flow in the Towers. Closing in are Una's tribe and the White King—an ancient albino T-rex drawn to the child's power. Lushly illustrated, brutal, and breathtaking, One Path: The White King delivers 200 pages of high-stakes survival from Greg Broadmore & Andy Lanning, published by Mad Cave Studios.

In a brutal, breathtaking prehistory where cavegirls fight desperately to survive and dinosaurs rule the valleys, One Path flees her tribe with a "cursed" infant which she refuses to abandon. With a fierce young Runtling at her side, she drives toward the mythic Towers—vast, earthen spires said to hold life-saving sap, a treacle rich enough to keep the starving child alive.

Behind them, love twists into pursuit. Una, One Path's sister, leads a relentless war-band. Driving three subjugated T-rexes, they are determined to uphold their brutal laws and destroy the child they scorned. Worse still, Una's desperate gambit has roused an older terror: the White King, an ancient albino T-rex that rises from hibernation to claim its tribute. Drawn by the infant's vital scent and the promise of renewed power, the White King cuts a path of ruin across forest and plain, devouring anything that stands between it and the child.

Part chase, part odyssey, *One Path: The White King hurtles* through a landscape where hope is hunted and trust runs thin. As the Towers loom and the hunters close, One Path must choose what to risk, and who to become if she's to save the condemned child.

THE LAST WARDENS TTRPG — ART PREVIEW

bring the style and tone of *The Last Wardens* comics to life. The rules encourage you to push your luck, but every push brings you closer to catastrophe. Dice rolls determine your success, but failure is never simple—it comes with gruesome complications and twists that heighten the tension and the stakes.

Wardens & the Great Drift

The horrors you will confront, and where they come from, are unique in the *Wardens* universe. The entropic underpinnings of the setting create a special brand of retro cosmic grindhouse horror.

The World of the Wardens

Your games, and your stories, begin in an alternate 1975. This is a world technologically behind the times we currently inhabit. If you study this period in history, you will see fashion and design trends that are now quirky and cool, but were original to that era.

The world is identifiable and unique, with a warm Technicolor patina hiding darker things beneath. Supernatural events, both large-scale and small, are happening all over the world. While currently limited and sporadic, these events are increasing in frequency and intensity.

Wardens call these events "Drifts."

Despite the increasing severity of these calamitous events, each is unique and seemingly unrelated. There is little or no causal evidence left behind after a Drift.

These factors combined with the relatively primitive communications technology of the period means it will take the media and the authorities a long time to catch on and connect the dots. However, as they tend to do, conspiracy theories run rampant in all corners of the world.

The Great Drift

The Great Drift is a term used by a particular group of secretive scholars to describe what is considered to be a natural phenomenon. This phenomenon is thought to be older than the universe in which our reality exists. It is responsible for dimensional cracks, Drifts, and these cracks have been wreaking havoc in our reality since before the dawn of time.

The current scholarly hypothesis is that Drifts are the result of endless friction caused by the metaphysical shifting and slipping between the innumerable realities of the multiverse. Like fissures that open between tectonic plates on the planetary scale, these interdimensional ruptures have been appearing and disappearing throughout the universe, forever.

Survival and Story

The front of the character sheet includes the details you will most frequently use during a game session. It presents the elements you'll frequently use during high-stakes conflict at the top. The back of the sheet has information that helps with roleplaying, noting the decisions you made during character creation, and tracking how your character grows over time.

Top to Bottom

Most of us have grown up scanning content from the top to the bottom, and from the left to the right. On your character sheet, you'll notice that things you reference or change frequently are usually towards the top and usually towards the right.

Pictures Tell a Thousand Words

When possible, the character sheet uses icons or shapes to help guide your eye towards the information you need or to help you more quickly understand what you're seeing.

For example, if it involves dice, the value is written inside a shape that resembles the outline of a six-sided die. The Armor Score resembles a shield.

Things that can be gained and depleted, like Vitality, Determination, and Supply, are indicated by a box. Use slashes and Xs to help you keep track of these.

To help you learn the basic rules, print a copy of the character sheet to reference as you're reading.

You can find a blank character sheet at the end of the book, or online at www.TheLastWardensGame.com.

CHAPTER THREE

Creating Your Warden

In This Chapter, You Will Find...

- **A complete guide to bringing your own Warden to life**
- **Details on Callings, Origins, and more**
- **Ways to bring depth to your character**

In the Last Wardens, your characters are the most important part of the game. The process of creating a character should be fun, engaging, and a time when you can let your imagination run wild, dreaming up inventive, deadly, fun Wardens to play.

When you sit down to create your character, keep a few things in mind:

- Your Warden should be as unique as you are.
- Build a character you're excited to play.
- Don't worry about making an "optimized" Warden. Roleplaying games are as limitless as your imagination, so the idea of game "balance" is a little bit of a myth. The "best" character is the one you enjoy playing, and your friends enjoy playing with.

Some groups like to create their characters together, or at least keep each other informed about what direction they're headed for their Wardens. Generally, the most "effective" Cell is one that has a mix of interdependent specialists. Your Warden will probably be great at something, but not everything. You rely on your fellow players to be strong in the areas where you are weak.

Seekers are excellent at learning about the Drifters you're hunting, but they aren't well-suited for going toe-to-toe with a gargantuan Drifter. Reavers are great at up-close fighting, but they need Bastions to soak up claws, fangs, acid, bullets, and other deadly things. While Bastions are hard to kill, they struggle with dealing damage themselves.

Regardless of the kind of Warden you make, there's no time to waste.

Drifts are splitting reality open like a ripe watermelon. Humanity needs the Wardens.

Shall we begin?

Building a Character

The "standard" way to create a Warden is by building them step by step:

1. Think of a concept for your Warden.
2. Select your Calling.
3. Choose your Origin.
4. Determine your initial attributes and skills.
5. Equip yourself with gear.
6. Identify your relationships, Value, and Ambition.
7. Pick a name and describe yourself.

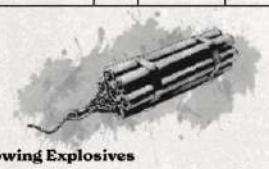
As you make your choices, record them on a character sheet. You'll find one you can copy in the back of the book, and a digital version is available at TheLastWardensGame.com.

3.1 Character Concept

Before you begin making decisions that affect dice rolls, think about who you want your Warden to be. What is their personality? What do you want them

Explosives Table (All Single-Use)

Explosive	Grip	Detonation	Blast Power	Blast Damage	Burden	Range (thrown)	Special	Cost
Grenade	1H	Trigger	5	5	1/4	Medium	--	$150 (BM)
C4 Charge	Set	Variable, Trigger	1 per ounce	1 per 2 ounces	1/2	--	Proportional Blast	$400 per ounce (BM)
Molotov Cocktail	1H	Impact	1	2	1/2	Medium	Fire 6	$5
Stick of Dynamite	1H	Variable, Trigger	2 per stick	2 per stick	1/4	Medium	Proportional Blast	$30 per stick
Claymore	Set	Trigger	9	6	1	--	Directional	$750 (BM)
Smoke Bomb	1H	Impact	0	0	1/4	Medium	Obscuring	$25
Vial of Nitroglycerine	1H	Impact	4	6	1/4	Medium	Volatile	$200 (BM)



Throwing Explosives

Throwing explosives such as grenades, Molotov cocktails, or sticks of dynamite with lit fuses is a ranged attack. On a hit, treat the target as being in engaged range of the explosive when it detonates.

Procuring Explosives

Even in the wild-old days of 1975 America, explosives were controlled products. Dynamite can be procured legitimately for legal uses, but a license is typically required and meticulous records are often kept.

Grenades, C4, nitroglycerine, Claymores, and smoke bombs are not readily available and must be acquired on the black market or by some other means.

Armor Descriptions

Civilian Helmet: A catch-all for any head protection you can find at a sporting goods store or hardware shop. Motorcycle helmets, football helmets, even a repurposed hard hat can all help keep your skull from getting staved in.

Military Helmet: A combat-grade helmet, likely scavenged from a surplus store or taken off the corpse of someone who didn't need it anymore. It won't stop a sniper round, but it'll usually keep your brains on the healthy side of your cranium.

THE EMPIRE WAS BUILT ON FEAR—BUT FEAR IS A POOR CAGE FOR A SON WHO STILL REMEMBERS HIS MOTHER.

Radock and his twin brother were torn from their mother when the Founder rose as a tyrant emperor and unleashed reprisals to prove his absolute power. Now, after years of beatings in a distant coal mill far from the memory of home, Radock must get his hands dirty to find his mother and take his life back.

WE HAVE TO GO NOW THE ORDER IS HERE.
I WON'T LEAVE YOU, SARA. I JUST LOVE YOU TOO GOODAMN MUCH.
IF YOU TRULY LOVE ME, YOU'LL TAKE THEM AWAY FROM HERE.
THEY'RE ALL I HAVE LEFT.
IF YOU TAKE THEM...
YOU TAKE MY HEART WITH YOU.
WHY CAN'T YOU COME WITH US, MOMMY?
I'M SORRY, MY DEAR. IT'S JUST TOO DANGEROUS.
IF ANYTHING WERE TO HAPPEN TO YOU, I COULD NOT FORGIVE MYSELF. EVER.
GOODBYE, HANS.
GOODBYE, RADOCK.
ALL I ASK, IS FOR YOU TO LEVE A HAPPY LIFE.
I'LL MISS YOU.
WITH ALL MY HEART.
MAMMY, I WILL COME BACK FOR YOU. I PROMISE.

THE CITADEL
THAT WAS THE LAST TIME I SAW HER.
SHE GAVE US TO A MAN NAMED LAGOS. HE BROUGHT US HERE... TOLD US WE'D BE SAFE, HIDDEN IN THIS METAL FACTORY.
DRIFTING AWAY EACH DAY A LITTLE FURTHER FROM OUR PROMISE.
MY PROMISE. TO FIND MY MOTHER.
I CAN'T ANYMORE. MY ARMS HURT.
7

GET BACK TO WORK!
WE'VE BEEN DRILLING AND HAULING COAL FOR HOURS
WE'RE NOT MOVING ANOTHER DAMN WOOD!
IT'S TIME SOMEONE TEACHES YOU ABOUT PRODUCTIVITY, BOY!
RADOCK, IT'S NOT WORTH IT.
BASTARD! WE CAN'T JUST STAND BY AND DO NOTHING!
OFFICER!
WHAT'S THE PROBLEM?
NO REST UNTIL VICTORY WORK IS LOVE
BOSS OTTO.. THIS LAZY BASTARD DOESN'T FEEL LIKE WORKING TODAY.
SO? WHAT ARE YOU WAITING FOR? MAKE AN EXAMPLE OF HIM.
OUR PLEASURE, BOSS.
I CAN HEAR HIM.
THE SICK FUCK PAINT BEHIND ME. HE'S GETTING OFF ON IT.
STOP! YOU'RE KILLING HIM!
EYES UP, BOY. DON'T MISS A SECOND.
PAIN.

SOME RIDERS CHASE OUTLAWS ACROSS THE FRONTIER. OTHERS CHASE REDEMPTION THEY'LL NEVER REACH.

In the unforgiving American West, a mysterious Man in Black rides with death at his heels and redemption beyond his grasp. When he encounters a young boy bent on revenge against the notorious Grey Devils, he agrees to teach the kid the brutal ways of the gun. But as they track the vicious gang across the desert with an equally vengeful woman at their side, dark secrets emerge that will force each of them to question the true price of vengeance.

PRODIGAL SON is a haunting tale of fathers and sons, justice and retribution, and the ghosts we create when we hunt monsters. In this gritty Western saga, everyone has sins to answer for and absolution comes only through the barrel of a gun. Includes issues 1-4, including all 3 endings (The Good, The Bad, and The Ugly)!

SOMEONE HAS BEEN TRACKING ATLAS THROUGH EVERY BODY HE'S WORN—AND NOW THEY'RE READY TO ERASE THEM ALL.

Trapped in Detective Sloan's body with her daughter in tow, Atlas discovers a hit list—and every name on it is a body he's jumped into over the past year. When corporate killers attack, Atlas's skills and Sloan's combat reflexes barely keep them alive. But nothing prepares him for the truth: Agent Perez, the cop who's been hunting him, reveals he's actually the REAL Kate Sloan. So who is Atlas wearing? The conspiracy deepens as hunter and hunted realize they're both pawns in a deadlier game.

IF HE'S WORKING WITH PUZANOV THEN THAT'S AS GOOD AS WORKING FOR PUTIN. THAT'S PROOF THE DEMON IS CONTROLLING PUTIN AND RUSSIA.
I HARDLY THINK THAT QUALIFIES AS PROOF.
MAYBE NOT IN A COURT OF LAW, BUT IT'S ENOUGH FOR US TO TAKE ACTION. THIS NEWS REPORT WAS TAKEN YESTERDAY FROM ST. PETERSBURG. ACCORDING TO THIS, PUZANOV IS HOSTING A RALLY IN ST. PETERSBURG FOR PUTIN TOMORROW. THIS COULD BE OUR CHANCE.
IN WORLD WAR 2, THE DEMON WAS LINKED DIRECTLY TO HITLER. IF HE'S TIED TO PUTIN THEN HE'LL BE SOMEWHERE IN ST. PETERSBURG TOMORROW. WE'D NEVER STAND A CHANCE TRYING TO BREAK INTO THE KREMLIN, BUT A RALLY WE CAN HANDLE.
SADDLE UP, PEOPLE, WE'RE HEADING TO RUSSIA.

UH, GUYS, WE GOT A PROBLEM.
YOU KNOW THAT NUT JOB THAT POISONED HALF THE CITY A FEW MONTHS BACK? HE BROKE LOSE. WORD HAS ALREADY GOTTEN OUT THAT HE'S PLANNING ANOTHER MAJOR ATTACK ON THE CITY.
* SEE TOMORROW GIRL #14.

THAT'S NOT MY PROBLEM, AND IF YOU WANT TO MAKE A REAL DIFFERENCE IN THE WORLD, STOP WASTING YOUR TIME WITH CLOWN THEMED VILLAINS AND HELP PREVENT A WORLD WAR.
BUT THE CHAMPIONS HAVE A DUTY TO THIS CITY. IT'S WHY THEY ARE HERE.

LAST TIME WE DEALT WITH KABOOM, HE GOT THE UPPER HAND BY POISONING US BEFORE WE EVEN KNEW HE WAS A THREAT. HE'S JUST A GUY IN A CLOWN COSTUME. KNIGHT WOLF COULD EASILY HANDLE HIM WHILE THE REST OF US GO.
OH, THANKS. YOU WANT ME TO TAKE OUT THE GARBAGE WHILE I'M AT IT?

UNCLE!
TOMORROW MAN!!!

I TAKE IT I'LL DO FOR A "HEAVY HITTER", SHIVA?
I GUESS WE'LL SEE. THE LAST TOMORROW MAN WAS NEVER SEEN AGAIN AFTER HIS BATTLE WITH THE DEMON. LET'S HOPE YOU FAIR BETTER.
ALL RIGHT, WE'RE ON THE CLOCK HERE. EVERYONE, LET'S MOVE!

SHE PULLED ME OUT!
THE F--- YOU WANT US TO DO, REESE!?
LET MORE INNOCENT PEOPLE DIE?!
I'M WITH CARMEN.
WE HAVE TO DO SOMETHIN'
YOU'RE OUTVOTED REESE, CARMEN, NAC AND ME!
AND ME... I VOTE WITH YOU ALL TOO, GALE
EXCEPT...
I HEAR THE WISDOM OF THE PRIEST'S LEGACY...
ATMOS.
LOOK FURTHER INTO YOUR PALADIN'S LEGACY GIFT, CARMEN.
THE INTUITION OF GENHANAN!
SEE YOUR MOVES PLAY OUT...
IF WE MOVE OUT TO SAVE AS MANY LIVES AS POSSIBLE...
...DO YOU SEE US SUCCEEDING?
OR DO YOU SEE THE WRATH PLAYING ITS FAVORITE GAME?
TUGGING INNOCENT LIVES ALONG LIKE BAIT ON A STRING?
...TAUNTING US INTO THE DARKNESS WITH THE SCREAMS OF HELPLESS VICTIMS?
AS WE ARE NOW...
WE CAN'T SAVE ANYONE...
ANYONE!
WH--WHAT...
HAVE FAITH!
ATMOS TELLS ME WE MUST NOT ACT IN HASTE!
BAM
YOU DIRTY BASTARDS!!!
WE'RE ON TO YOUR GAME NOW!
OH...
ARE YOU NOW!
AS IF WE HAVEN'T PLAYED OUT THIS EXACT GAME SCENARIO...
...ONE HUNDRED TIMES BEFORE!
OH NO, PAULTRY CHILD OF THE LEGACY
YOU'VE ALREADY LOST!
YOU SEE, THE WRATH KNOWS FULL WELL OF THE LEGACY'S WEAKNESSES!
YOU'VE EXHAUSTED YOURSELVES IN THAT LAST BATTLE!
HAVEN'T YOU?
YOU SEE IT NOW?
PAULTRY PRIEST?
THE WAY IS SHUT!
AND YOU HAVEN'T A PRAYER!!!

POUNDS OF POWER #3 (of 4)
(Miniseries, 24 pgs., FC, $4.99) Creator & Writer: Lahna Turner Artist: Hugo Petrus
Antarctic Press continues to deliver bigger-than-life action in the miniseries inspired by comedian RALPHIE MAY. Captured by E. Vale Enterprises, Johnny wakes up weak and starving, only to discover that an old ally is alive and well. After a daring escape, Johnny takes Supper Man public, becoming the superhero his city deserves. But fame brings a new set of problems—and the dark forces at E. Vale Enterprises are not finished with Johnny either!

INSPIRED BY THE COMEDIC GENIUS OF RALPHIE MAY!

YOU NEED TO GIVE US MORE TIME.
GET US ON A FLIGHT--OR THE BANK MANAGER DIES.
YA GOT FIVE MINUTES!
NO! PLEASE! I HAVE A WIFE AND CHILDREN!

I GOTTA STOP THIS INSANITY! BUT WHAT IF FAIL?
JOHNNY, YOU SPANT? HAVE BEEN PRACTICING SPANT! YOU'VE SPANT? GOT THIS, BUDDY!
I'M SO NERVOUS I CAN'T THINK STRAIGHT-- WHAT SHOULD I DO?
REMEMBER HOW EAGLE EYE DISARMS A ROOM OF BAD GUYS? HE ALWAYS USES HIS SUPERSPEED AND STRENGTH FIRST.
OHHH, GOOD IDEA! THANKS, DAVE!
WHOOOOSH!

PUT YOUR WEAPONS DOWN SO NOBODY GETS HURT.
WHAT THE HECK?! WHO DO YOU THINK YOU ARE?!
I'M SUPPER MAN.
PFFT!! HA! HA! HA!
PFFT!!
BLAM BLAM BLAM
YOINK
FWIP
WHAK

YOU'RE SAFE. YOU CAN GO HOME NOW.
GEE, THANKS, MR. SUPPER MAN!
YEAH, SUPPER MAN-- YOU'RE THE BEST!
I LOVE YOU, SUPPER MAN.
AWE. ANYTHING FOR YOU, BIG GUY!
HEY, HEY, MISTER! CAN HE GET A STATEMENT?!

FROM BEHIND ARTHUR STEPPING ONTO THE ELEVATOR, TURNING TO FACE US AS THE DOOR STARTS TO CLOSE, FINALLY REVEALING HIS LOOK—

Green hair slicked back like one of the Wall Street assholes he killed... White grease paint smeared over his face... red nose painted on... blue peaks over and under his eyes... his mother's red lipstick crudely outlining his smiling mouth... Under the harsh flickering fluorescent lights, he looks like an insane version of his mask.

Ding. And as the door closes on his new face, again we HEAR the banging opening of Gary Glitter's "Rock n' Roll" but this time it's "Part 2", the instrumental version—

EXT. STEEP STAIRWAY, TENEMENTS—LATE AFTERNOON

ARTHUR, NOW "JOKER" DANCING HIS WAY DOWN THE LONG STAIRCASE, doing his own Bill "Bojangles" Robinson stair dance... Skipping and twirling down four steps, dancing and singing along to the music in his head (and on the soundtrack)...

Rediscover Todd Phillips' Joker with this deluxe edition of the screenplay.

Experience an original vision of the infamous DC villain in this origin story infused with, but distinctly outside, the character's more traditional mythologies. The acclaimed and evocative cinematic depiction of Arthur Fleck's descent into madness is a soulful, allegorical character study that continues to captivate Batman fans and movie lovers alike.

Now you can revisit and explore the narrative at your own pace with this unique and exclusive edition of the Academy Award-nominated screenplay. Complete with film stills, *Joker: The Official Script Book* definitively chronicles the vision of screenwriters Todd Phillips and Scott Silver as they reimagined this notorious DC Super-Villain.

Honey investigates Ornasis' past and discovers why his is so distrusted.

Year Four begins with Honey investigating why one of her professors is distrusted and despised by the spirits bound to the Academy's seventy-two families.

Her search uncovers a dark chapter in 900 BCE, revealing how Ornasis played a pivotal role in the founding of the Academy of Black Magic and how he became the vampiric dragon he is today.

The epic continues in this sweeping dark fantasy from writer/artist Joseph Schmalke.

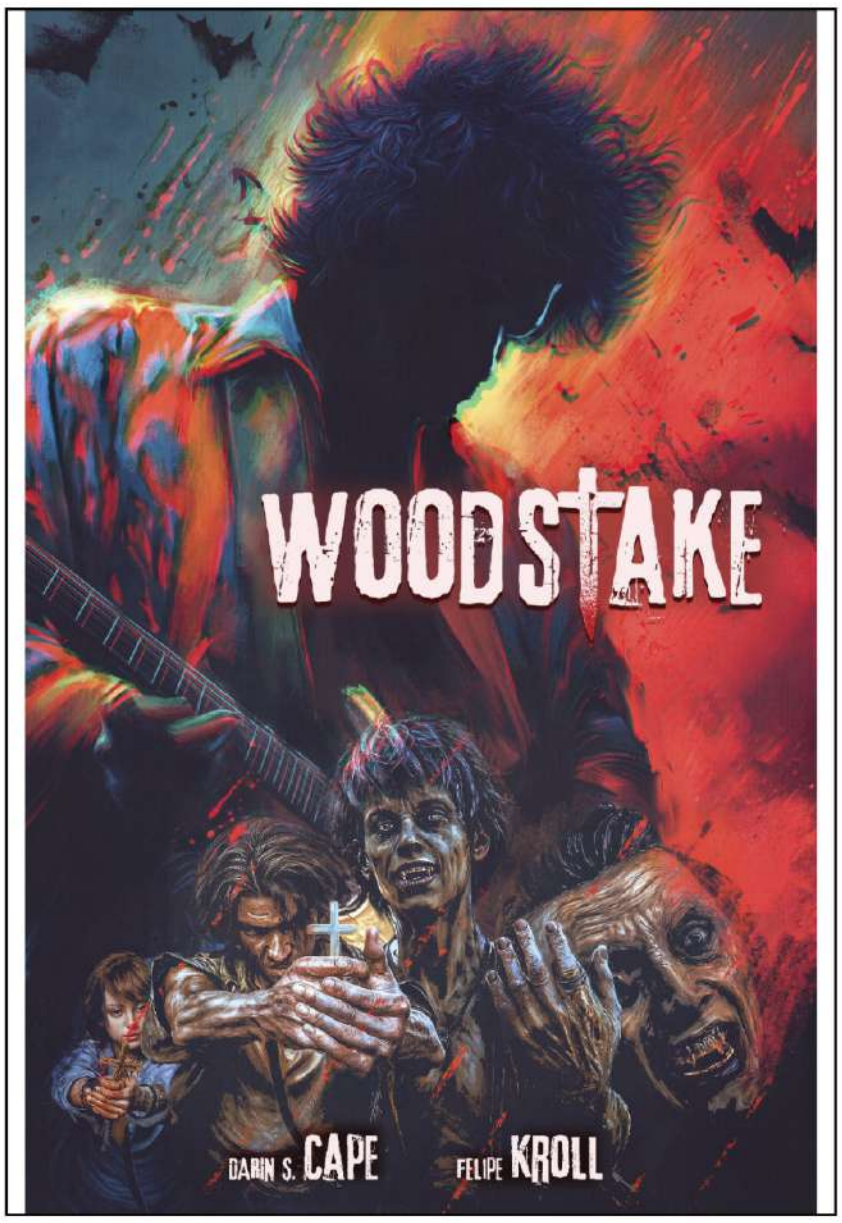
WOODSTAKE (TPB)

N°1	$18.99	PAGES: 188	RATED ALL	ACTION / ADVENTURE



WRITER: DARIN S. CAPE
ARTIST: FELIPE KROLL

Three Days of Peace, Music and Blood

A wickedly sharp reimagining of the Dracula myth, Woodstake unfolds against the legendary Woodstock festival of 1969. When a vampire crashes the Summer of Love, hippies, music lovers and anti-war protestors face three unforgettable days chaos and blood. Blending gothic horror, biting satire, and ’60s nostalgia, Woodstake is a wildly original, darkly funny spectacle brought

Woodstake is ***sharp and hilarious***... *Kroll’s* ***sumptuous, photorealistic artwork*** *and lavish color palette capture the dark atmospheric dread of the story alongside the kaleidoscopic psychedelia of the festival…* ***The ending will leave readers hungry for the next installment****.* *— Booklife/Publishers Weekly (Editor’s Pick)*

A free-spirited, blood-thirsty horror story *set at history’s greatest rock concert. The psychedelic horror story finds a suitable match in the full-color artwork by Kroll, who* ***blends painting and digital effects*** *to achieve an uncanny richness.* ***Fans of Woodstock and vampires both will find much to enjoy in this chilling volume.*** *— Kirkus Reviews*

Woodstake is ***a blood-soaked, action-packed story full of rock-and-roll references*** *with a dash of romance and some well-placed puns. The photorealistic artwork with layered horror and psychedelic elements adds a unique vibe to the story...* ***readers who love immersive horror will especially enjoy this book.*** *— IndieReader*

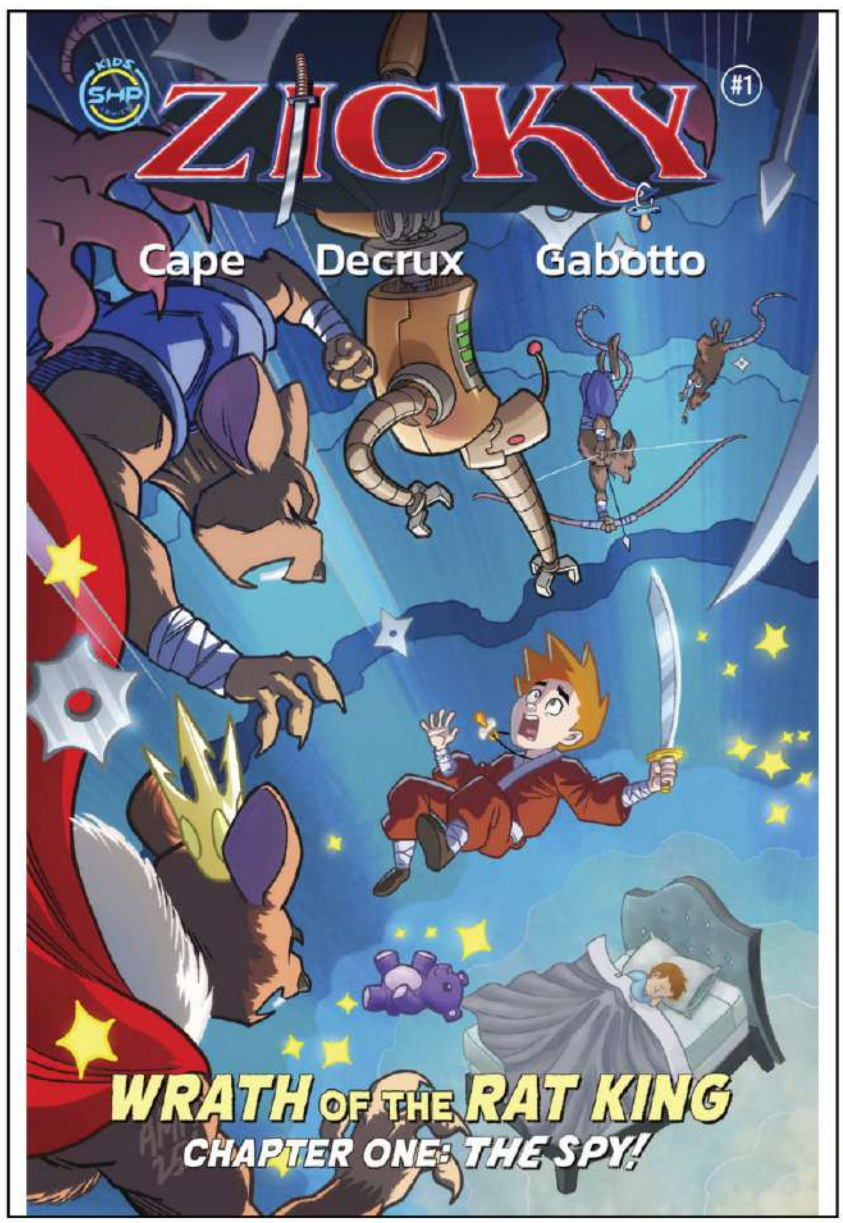
ZICKY: WRATH OF THE RAT KING (TPB)

N°1	$18.99	PAGES: 160	RATED ALL	ACTION / ADVENTURE



WRITER: DARIN S. CAPE
MANGA ARTIST: ZENO DECRUX
REAL WORLD ARIST: HIORSH GABOTTO

Zicky: Wrath of the Rat King is a fast, funny, manga-inspired graphic novel that blends fantasy adventure with heart, humor, and family appeal. When a cheeky underdog hero is pulled into a world of monsters, doppelgängers, and an army of rats, Zicky must rely on wit, courage, and unlikely friendships to survive. Bursting with kinetic action, playful mischief, and relatable growing pains, Zicky is a perfect gateway to manga for younger readers and a joyful, high-energy adventure for kids, teens, and families alike.

SHP's new Zicky title manages to recall the best parts of classics like Little Nemo, with a whole new take on western comics and a manga influence.

— School Library Journal's Good Comics for Kids

Zicky deftly employs two different artists to reflect how the narrative slips between fantasy and reality...smashing expectations, springing surprises, and keeping the pages pleasurably turning, all while grounding the chaotic story in the growing pains of children and the anxieties of the adults raising them. — Booklife/Publishers Weekly

Cape's story is endlessly entertaining. Decrux and Gabotto's vibrant illustrations wonderfully combine gleefully exaggerated action sequences with nuanced touches. Comedy reigns throughout...Delightful and rib-tickling. — Kirkus Reviews

Zicky is funny, sweet and definitely nods to Calvin and Hobbes. I am adding it to our collection and have spread the word to my fellow comics librarians!
—Jackie Bush, Teen Services Librarian, Stratford Library Association

A manga graphic novel of surprising verve and sophistication.

NEW AGENTS. NEW MISSION. NEW BEGINNING.

From *New York Times* best-selling cartoonist and multiple Eisner Award nominee Matt Kindt (*BRZRKR*, *Dept. H*), the defining statement on psychic espionage returns with an all-new, entirely self-contained entry point into the genre-bending, Eisner Award–nominated series that *Entertainment Weekly* calls "one of the most experimental and fascinating books in mainstream comics."

Ten years ago, the extra-governmental agency known as Mind Management exploded in a barrage of bullets and brain matter. Those that survived have gone underground—forging new lives with unremarkable identities and falsified pasts to obfuscate the strange abilities that once made them highly prized assets in the global war for psychic control. Now, two investigators—Detective Delphi and Detective Swan—have found themselves at the center of an unexpected puzzle. Here: A man poisoned in a coffee shop with a sophisticated neurotoxin. There: A supposed suicide victim run over by a train . . . with his arms found in a trash can five miles from the tracks. Their connection: Someone is killing former Mind Management agents in improbable and arcane ways . . . Seemingly impossible crimes committed by a faceless killer capable of evading even the most pervasive digital surveillance. What secret are they killing to protect? Who will be next? Has Mind Management returned? Did it ever go away? You are paranoid . . . but are you paranoid enough?

WELCOME TO LONDON. THE YEAR IS 2125. GET DOWN AND DUCK FOR COVER! Visionary cartoonist Joe Palmer (*Time Before Time*) turbocharges the next unrelenting installment of the retina-searing, jaw-busting 22nd-century action epic that ONLY SPEEDS UP AND DOESN'T SLOW DOWN!

There's chaos in the streets following an attack on megacorp Overcon's newest innovation: the Paradise Loop, a hypersonic train connecting London to New York in just an hour. Concerned with the optics for his upcoming anniversary gala, Overcon's CEO wants protestors shot in the streets . . . and Detective Gina Serene and her ex-partner Lance are the last bulwark against the torrent of blood and bullets that's building between the city's control-minded overlords and the Builder subclass willing to bring it all down with a ball of flame and bundle of homemade explosives. Now Gina must race to locate the one person who can possibly stop the next, even more destructive attack—Nelson Van Meter, creator of the Loop—before Overcon or the Builders can get to him to first.

The Beast has been captured and finds himself in the pound, waiting to be transferred to Antwerp Zoo. Little François hasn't given up on helping him—but how? He doesn't yet know it, but he can count on the help of class bully Fut-fut, who is starting to feel remorseful for having harassed his classmate. However, he will have to be wary of Professor Sneutvelmans, an undisputed expert in cryptozoology (a new scientific discipline of his own invention) who is convinced that the strange animal is proof of an ancient myth. Everyone will embark on a vast chase through the streets of Brussels.

The conclusion of this two-part novel by renowned author Zidrou and celebrated gallery artist Frank Pé features spectacular scenes full of nostalgic melodrama. A heartwarming, unforgettable story that is visually well-realized.

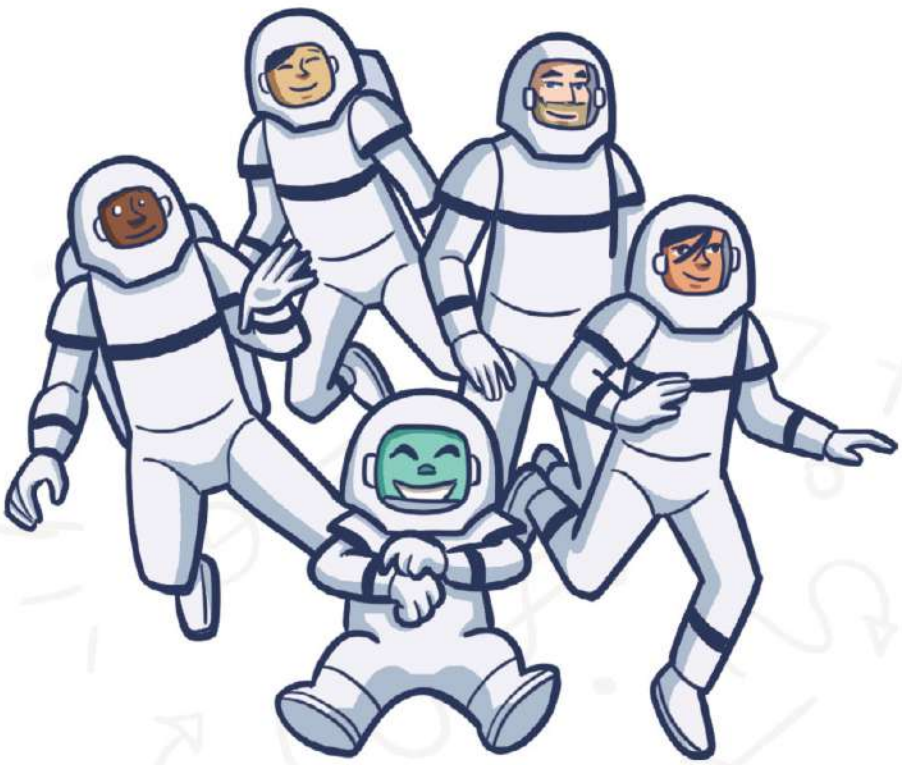
"Come along with Pizi, Toot, Heidi, and George, and let your own astronaut training begin! You'll meet the heroes of spaceflight, from alchemists in first century China to today's NASA scientists. You'll learn about the hazards of space junk and how microgravity affects the body. Nobody knows what the future will bring or everything you'll need to know to be prepared. But your time to join this spaceflight story is now."

—Dr. Marc Kuchner
NASA astrophysicist
Author of the *Cosmic Collisions* books



The Story of Spaceflight is a journey through humanity's quest to understand our place in the universe...and our struggles to reach the stars. Guided by the curious students of the London Academy of ideas and Ingenuity, readers travel through time and space to witness the evolution of spaceflight—from the invention of gunpowder in ancient China and early rocketry to Newton's laws of physics, the Wright brothers' first flight, the jet age, and the space race. They explore moon landings, space stations, and the bold dreams for humanity's future among the stars. Blending science, history, and imagination, this engaging tale brings to life the milestones that shaped our path into space.

Re-releasing the classic comic series in a larger format, with never-before-seen archival illustrations and scans.

Recently adapted for an animated Netflix miniseries, "Asterix and the Big Fight" is one of the most beloved stories of the fearless Gaul battling supposedly unbeatable odds to protect his tiny village from the Roman Empire. Now the story gets new prestige treatment with illuminating commentary and insights into the original story and illustrations.

The Romans are beginning to wise up! Instead of trying to conquer Asterix's village, the Romans challenge Vitalstatistx, chief of Asterix's tribe, to a "Big Fight" -- a one-on-one battle with the Gallo-Roman Chief, Cassius Ceramix of Linoleum. The loser forfeits his entire tribe to the winner! It should be an easy fight with Vitalstatistx's super strength -- but the Romans have a plan for that, too. Get ready for an all-out Gaulish brawl!

The island of Astaroth–"The Dark Island"–is a legend among sailors. It's rumored a demon lives there, and that it holds more riches than anyone could fathom. But no one has ever laid eyes on it.

Certain that her long-lost brother is being held on the Dark Island against his will, Dessa hires a ragtag group of smugglers to take her there aboard their ship. But it's a journey fraught with danger and treachery, and the outcome seems less and less certain with each passing moment...

"One of the best family reading experiences Jim and Clementine and I ever had was the Three Thieves graphic novel series."

Maxwell Morgan is only twelve—but the fate of the world is already on his shoulders.

When his mother is possessed by Thuuna, an ancient primordial goddess with genocidal ambitions, Maxwell will do anything to save her. Even if that means making the worst decision imaginable: freeing Thuuna's immortal enemy, the long-imprisoned Ghraagg'endah—Gorilla God of Chaos.

Joined by his loyal French bulldog and four elemental-powered cave people, Maxwell must convince the volatile ape god to help stop Thuuna before she destroys the world—and claim his mom back from a deity that never forgives and never forgets.

A rollicking, all-ages adventure inspired by the bold spirit of late-'60s Hanna-Barbera cartoons, *Nothing Can Stop...The Ape!* is packed with cosmic gods, big laughs, high-stakes heroics, and Saturday-morning swagger. So pour a bowl of cereal, buckle up, and hang on tight—because once the ape is loose...nothing can stop him.

Slapstick humor and cuteness merge in this super-charged graphic novel series! Perfect for reluctant readers and fans of Miraculous Ladybug!

Did you know, when these Parisian heroes aren't watching out for akuma or guarding their secret identities – they're judging sandcastles? But what happens when their friends are the contestants?!
Then, Adrien and Marinette are both bound for the red carpet–but will their hidden identities foil another perfect romantic setting? And Ladybug and friends team up for the most dangerous game of all: soccer! Will Marinette survive without embarrassing herself in front of her crush?!

Plus, Evillustrator is loose in Paris! And when he sets up Ladybug and her friend Rena Rouge to take the fall for a stolen painting, the heroic pair will have to "reverse heist" their way into one of the most famous museums in the world!

All this and much more in this supersized collection of issues #4-6 of the Miraculous Ladybug graphic novel series, influenced by the award-winning TV show and with the chibi art from the YouTube shorts! Collects the 3 more supercharged Miraculous Chibi volumes with stories by writers Carrie Harris, Jeremy Whitley, Molly Jones, Sarah Cooke and artists Mari Chirchirillo, Lex Hobson, Ornella Greco, Salvatore Callerami, Ryan Jampole, Natalie Haines, Sophie Scruggs, Lara Késsia, Nancy Olivo, Meritxwell Garcia, Melissa Ballesteros

Earth 2103 — A large part of the world is underwater. Global warming and the sudden acceleration of the melting of the poles have caused a sharp rise in sea level, in the form of Three Great Waves which arrived unexpectedly.

These tsunamis not only flooded entire countries, but also wiped out telecommunications, agriculture, and energy production. Those who managed to survive must operate in a new and fragmented society of scarce resources — a dark age in which new powers emerge, such as the North African League, ready to conquer the part of Europe left on the water.

It is there that Jare, a young woman with hidden powers who lives in the Basque Archipelago, will find herself unexpectedly plunged into a world of dangerous intrigue that seeks to disrupt old balances and create new alliances.

Shout out LOUD for 10 years of the lovable Loud House!

One year for each of the ten siblings who drive Lincoln Loud crazy! But he wouldn't have them any other way — and neither would we. Celebrate the anniversary of the launch of the show that became the top-rated children's animated series on American television with brand-new stories featuring the whole zany family! In "Mathletic," Lynn Jr. trains for her biggest game yet: a mathlete?! In "Flip Sync Battle," Flips branches out from Food & Fuel to offer a new service — but is he ready for the chaos that karaoke can bring? Then, Luna and Sam are all set for the perfect Valentine's Day date: a gig playing music for the local coffee shop! But when the vibes are less than loving, the girls will have to drum up a solution, and fast... Plus, Lincoln gets the detention blues, Benny tries to be Luan's knight-in-shining-armor but ends up denting it, Lisa invents a fart-transfer device, and much more hilarity! It's all in this special anthology featuring stories by the talent behind the Emmy-nominated series THE LOUD HOUSE and THE CASAGRANDES!

Why Cale? He doesn't want to be a hero... but he's their only hope!

In the magical realm of Shiro, life for the young Mushling Cale, is anything but easy. He's stuck with rowdy housemates, falling behind at school, and barely scraping by as a part-time busboy. His only joys are his beloved pet Truffles and a strange blue button he wears for protection.

Cale just wants to be left alone with Truffles, but when alien invaders steal the magical Stone that protects his world, Cale is unwittingly thrust into a perilous quest to find it. Armed only with a mysterious scroll, separated from Truffles and stripped of his talisman button, he and two loyal friends are pulled into an unknown, dark and dangerous world. Lost and vulnerable, Cale must now outwit shadowy creatures, survive impossible challenges, unlock ancient secrets, and find the courage to become the hero Shiro needs... before it's too late!

Pet detectives Marlowe and Purrlock are on the case again after an astronomer takes a tumble during The Night of the Comet--and it turns out this accident might not have been an accident at all.

When their nemesis, Meowieart, asks them for help on the case, Purrlock and Marlowe (well, mostly Purrlock) are suspicious, but soon the facts of the case win them over. Dr. Tortuga is a brilliant astronomer, but on the night that should hold the discovery of her career--she instead finds herself in a terrible bicycle accident! But as Purrlock and Marlowe discover, someone's been tampering with her bike! Could it be the doctor's overworked assistant? The disgruntled neighbor? Or the kid who was able to claim discovery of the comet in Dr. Tortuga's place? Come along with the two best detectives in town to find out!

WELCOME TO OUR DC COMICS DOUBLE FEATURE WITH OUR FIRST EVER ORDERABLE VARIANT COVER!

That's right! DC Comics is in a new golden era, in both quality and sales, initially built on their Absolute line, breaking decades-long sales records and frequently taking the #1 Publisher spot in market share reports, but with Next Level, Vertigo, and beyond, the glory is linewide. Why? Our theory is that the books are that great, the backlist is that strong, and the hits just keep coming.
So, let's feature two of them.

FEATURE ONE: SUPERGIRL & LOBO!

We feature two of the biggest characters in the DC Roster, both with contemporary and historical classics. What makes Supergirl and Lobo characters worth watching? How do they represent the contemporary DCU?

FEATURE TWO: THE NEW VERTIGO!

The new Vertigo line is wall-to-wall banger books by some of the best creators working in the industry. Their recent announcement of the expanded slate, including the return of *100 BULLETS* and new entries including but not limited to Darick Robertson's first-new Vertigo title in years on *NECRETACEOUS* with Tom Taylor, Mario Tamaki & Rosemary Valero O'Connell's *THE CRYING DOLL*, Simon Spurrier & Aaron Campbell's *A WALKING SHADOW*, and much, much more. We take a peek at how they built it and what's to come.

ALL THIS AND MORE IN EACH AND EVERY ISSUE OF COMICS! THE MAGAZINE – THE "LET'S ENTHUSIASTICALLY DISCUSS COMICS" REVOLUTION HAS ONLY JUST BEGUN!

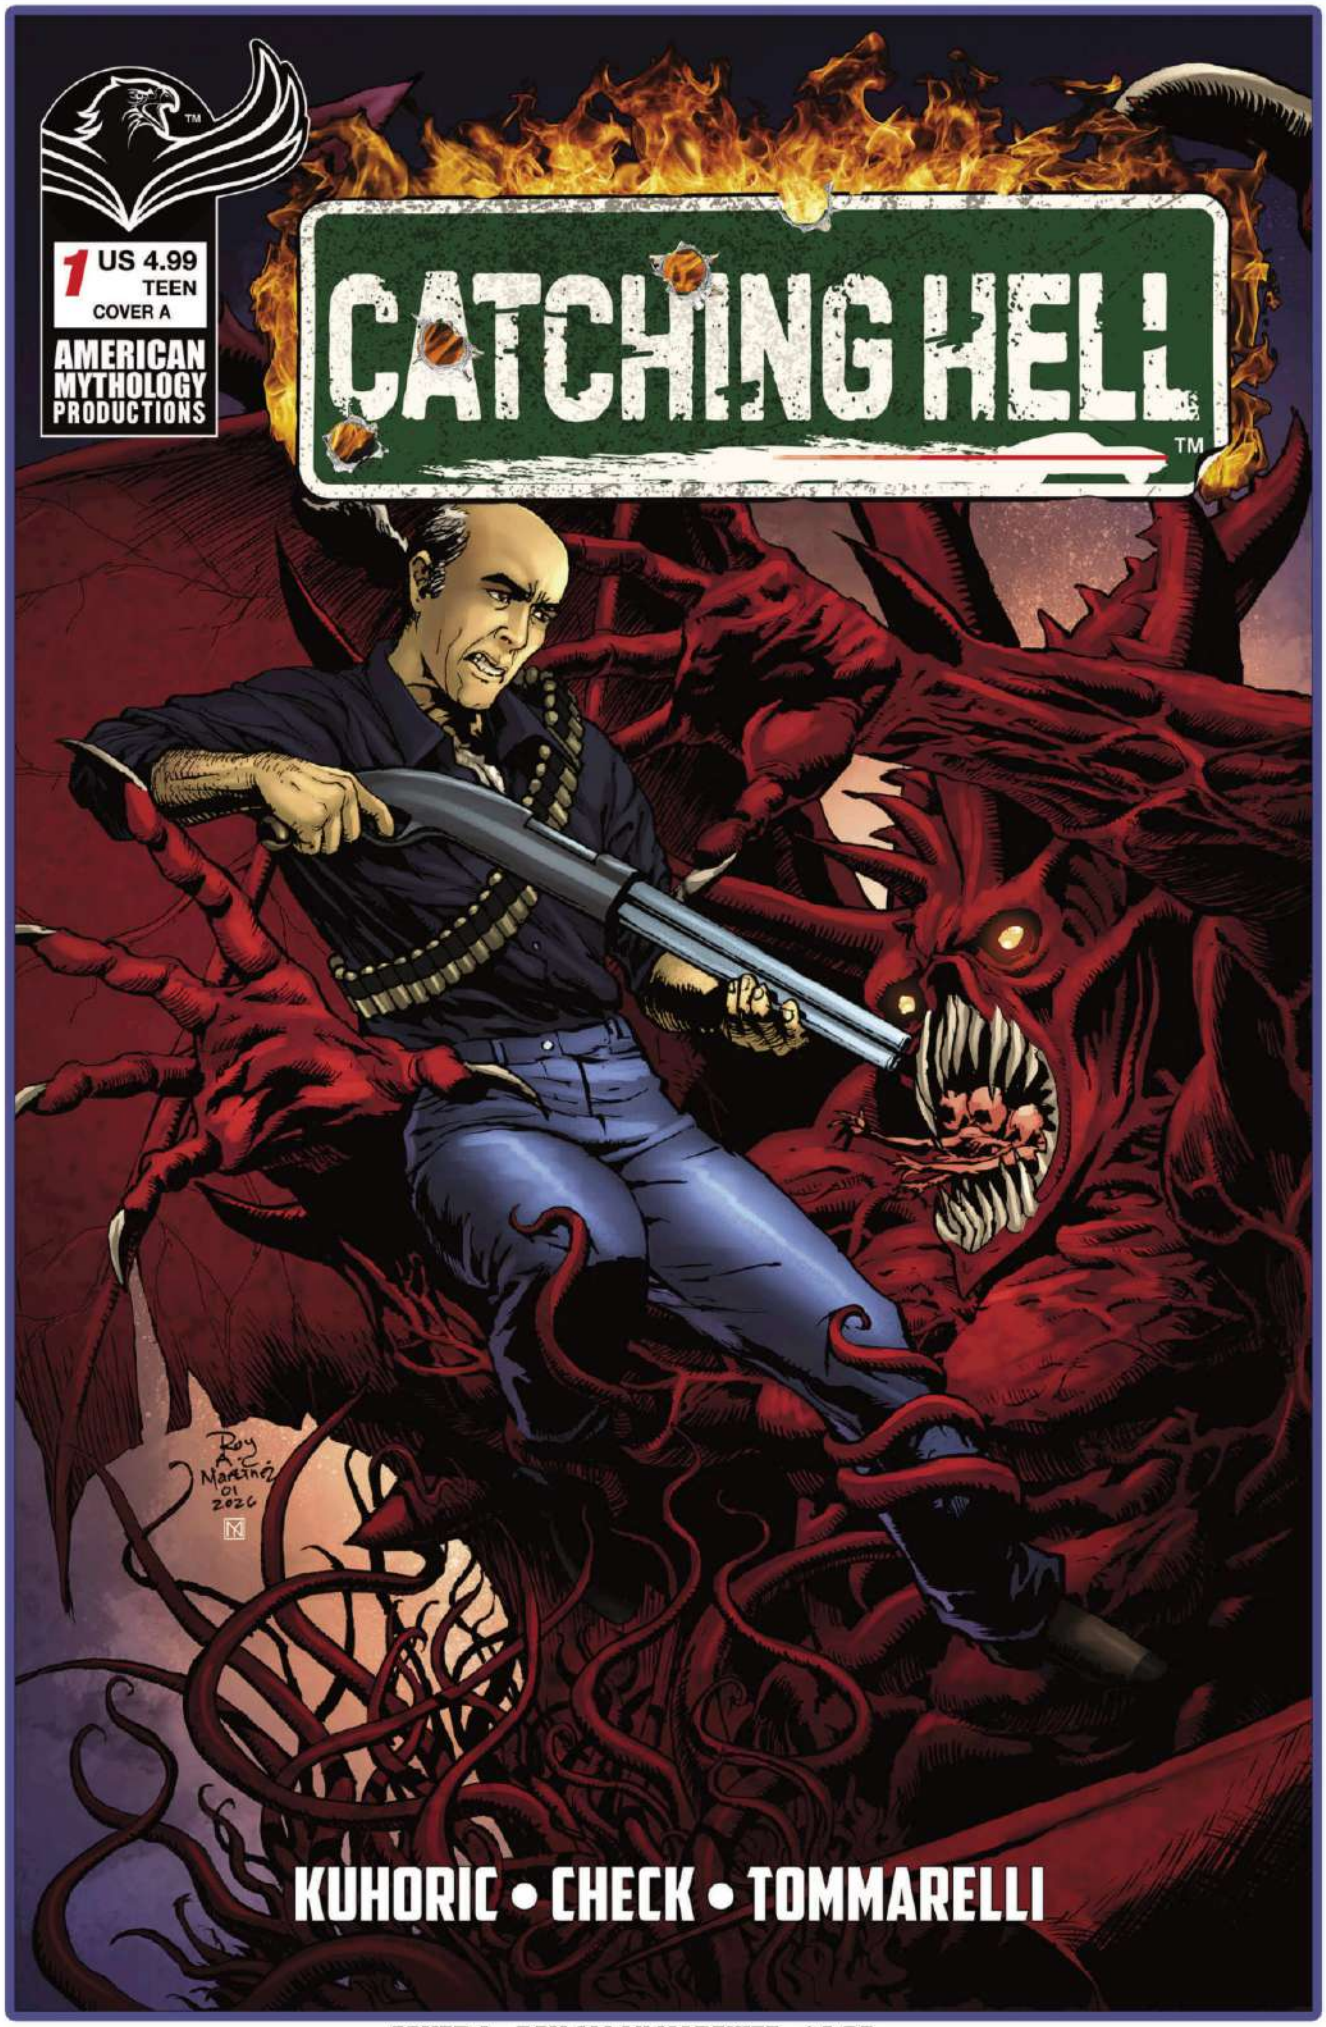
CATCHING HELL #1

HORROR MOVIE LEGEND REGGIE BANNISTER IS CATCHING HELL!



COVER A - ROY ALLAN MARTINEZ - $4.99

Eternal horror fan favorite, the one and only Reggie Bannister of Phantasm fame comes crashing into American Mythology Comics with a chip on his shoulder and a bag full of one-liners, delivered as only the immortal blue-colored bad ass can in the company's new original horror comic – Catching Hell!

Reggie ain't no superhero, he's just a guy dealt a bad hand by fate, and instead of folding, he comes out swinging. Armed with grit, scars, and a lifetime of bad decisions, Reggie works as a Hell-Tracer, hunting down renegade demons that have slipped through society's cracks. It's loud. It's brutal, and funny in a way only true horror fans will understand. Mixing the best of grindhouse and midnight movies, you won't find any monsters who sparkle here. Best of all, a portion of the proceeds of the book will go directly to supporting Reggie's current health care costs, so you're not only getting a kick ass story, but you're giving back to a horror industry icon. Go to Hell – just don't get caught!

COVER ART BY: RICHARD ORTIZ

Back in 1957, Ed Wood brought us a movie about aliens who tried to raise the dead to destroy humanity in order to prevent a galaxy destroying weapon that they believed we would one day create. This was *Plan 9 from Outer Space*.

Obviously, plans 1 through 8 failed, and (spoiler alert, but frankly the movie has been out for 63 years now, so there shouldn't be much to spoil) so did Plan 9. But what happened in the years since 1957? Did the aliens just give up? Were they going to cease their plans to stop us and save the galaxy? Of course not. Almost 60 years have passed, and in that time, they have attempted to destroy us nearly 50 more times, and humanity has become quite adept at fighting them off. But today, they are coming back for their 59th plan, a plan that is so nefarious, it just might work. Written by Michael Dolce and James Mascia, illustrated by Joaquin Gonzalez, and colored by Daniele Caramanico.

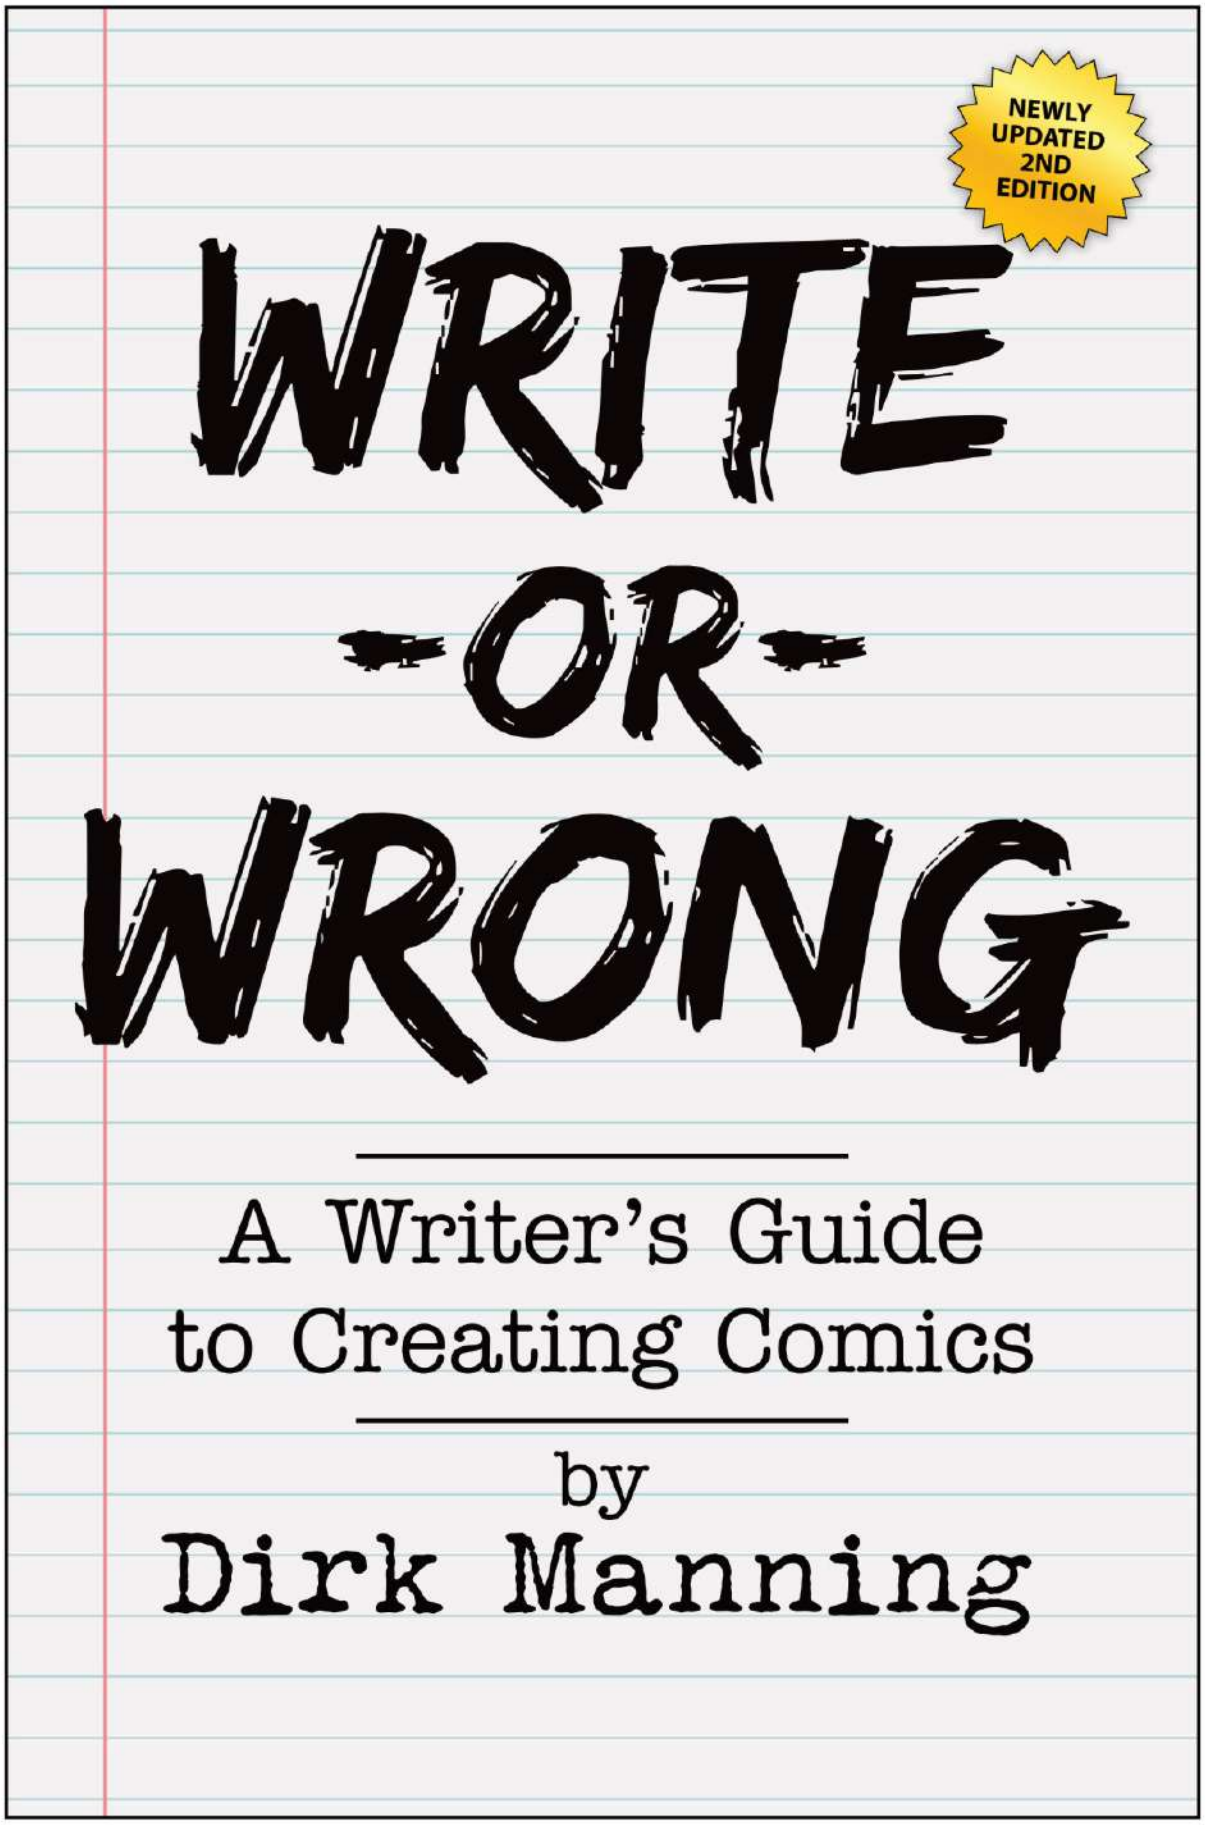
WRITE OR WRONG

EDUCATIONAL



WRITTEN BY: DIRK MANNING
DESIGN BY: DAVE LENTZ

For over five years Dirk Manning's "Write or Wrong" column at Newsarama provided aspiring writers with candid advice, anecdotes and inspiration about how to successfully meet artists, create comics, and get them published. In this new 2nd Edition of this long out of print book, Dirk re-collects key columns from his popular long-running series, providing updated information, anecdotes, and advice in an invaluable tool for anyone seeking to create comics, improve their knowledge of the industry and craft, and/or be simultaneously entertained and informed by this remarkable, forthright and ultimately charming book about how to overcome the odds and create comics – even if you can't draw them yourself. Countless industry professionals have cited the positive impact of this book on their careers, making it the perfect book for anyone passionate about bringing their own comic work into the world.

SNEAK PEEK!

Chapter Two:
"Why Comics?"

The first step in creating comics comes not from advice, anecdotes, or even technical tips about the craft.

Rather, it begins with a question you need to ask yourself:

Why comics?

I often get this question from people who question why I – a well-read, well-educated guy who is clearly capable of sufficiently stringing words together – chooses the comic medium to tell my stories.

I bring this up not out of narcissism, but, again, to ask you the same question.

Why comics?

If you've picked up this book, you can probably write, so why not just write *prose* stories rather than jump through all the necessary hoops to create fully realized comics?

(Unless, of course, you're one of those special people who can write *and* draw, dang you.)

The most common answer – the knee-jerk response – is usually something along the lines of *"Because I love comics!"*

(The second most common answer is, *"So it can be made into a movie!"* This response usually – but not always – comes from aspiring screenwriters or filmmakers laboring under the delusion that writing and producing a story in comic form will make it that much easier for them to pitch their idea to Hollywood bigwigs and then see it translated into film. If that's the case for you, then – as someone who has written both comics and screenplays produced by significant players in both fields – I can only offer you a sigh and a wistful pat on the shoulder. Good luck with that… you'll need it.)

Regardless of your intentions (for the moment), keep in mind that, in order to create comics, there are numerous steps involved. You will not only have to learn how to pace your story beats and characters' dialogue effectively but also how to write your

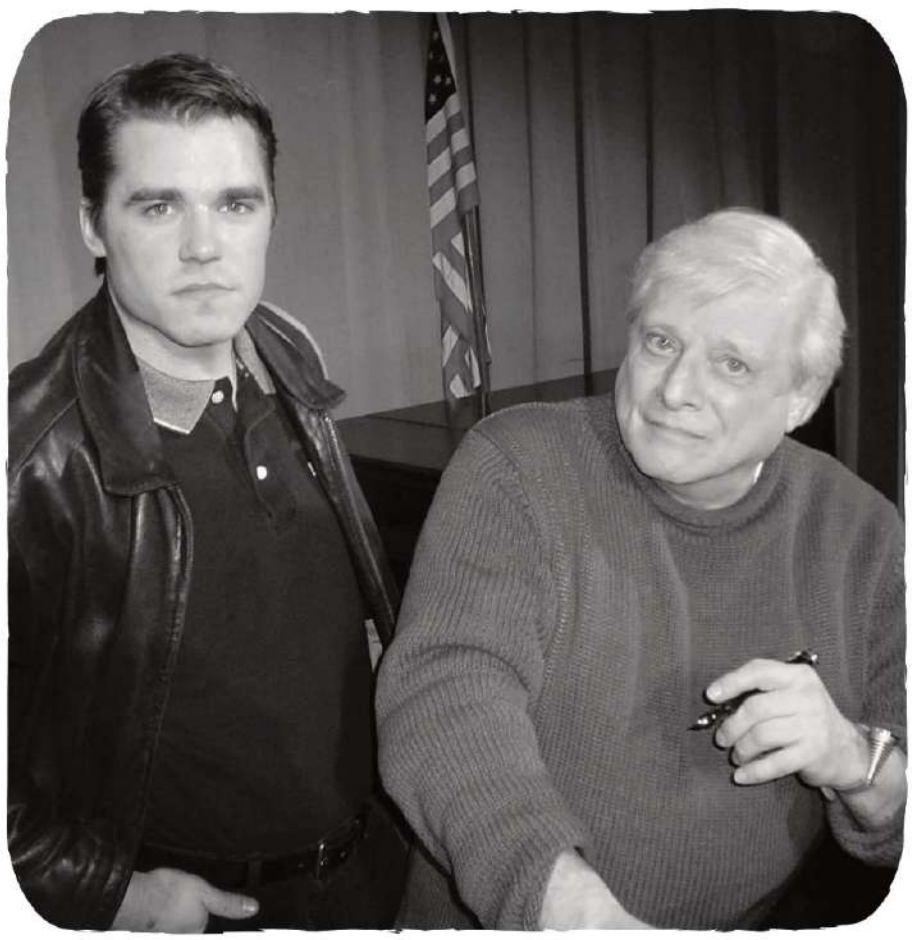
stories in script form (describing what's happening panel by panel). Then you will need to acquire an artistic partner (or, more likely, a team of artists) to work with you, and *then* (and only then) find a publisher who will release the work (which won't be easy) or partake in the long and grueling process of self-publishing (which is also not easy, but is at least guaranteed to result in an actual comic – if you follow all the way through with it).

Creating comics is not an easy task even on the best of days, and as I alluded to a moment ago, the chances are high that, as the writer, you will be the de facto production manager of the comic. This means that, even after you've written the script and sent it off to your art team, you'll still have to be involved with, and ultimately "approve," every step of the process: from layouts to finished pencils to inks to colors to letters to product design – and that's to say nothing of the actual production process, be it online, in print, or both.

On the other hand, when writing prose fiction (something else I also have professional experience in), you do the writing, send it to a proofreader/ editor, approve the changes (or not) … and that's it.

Unlike writing for comics, Prose writing does not result in the need for a huge team effort.

Mind you, I don't say this to you to discourage you or challenge your commitment to creating comics, but rather to offer you a very blunt "reality check" regarding what's entailed in the process.



Harlan Ellison *(seen here, possibly mildly startled, at a signing in 2005) is regarded by many fans, critics, and professionals alike as one of the best and most prolific American writers of all time with an awe-inspiring 1,700+ published works. While he wrote many essays as well as scripts for comics, TV, and film, the majority of his bibliography is short stories in the genre of speculative fiction. I believe one (of many) good lessons to take from Harlan's legacy is that professionally pursuing your passions can lead to prolific productivity.*

That's why I stress that you ask yourself this question:

Why comics?

Yes, you may love comics, and, much as in the real world, love is important – but it's not enough.

While I don't know your exact reasons for wanting to create comics, I can tell you of my own and why I've dedicated my writing career – and my life – to this very challenging (and ultimately very rewarding) medium of storytelling over all others.

For me, it's all about the storytelling opportunities that are exclusive to the comic medium.

At this point in my writing career, I've had my written work published in the form of reviews, interviews, columns, liner notes, essays, films, short stories, and comics. Of all of them, nothing fulfills me more as a writer than my comic work – despite it being the most labor-intensive process of going from story to finished product I've ever done.

I'm so accustomed to writing my stories in comic script form at this point that the beats, pacing, dialogue limitations/necessities, and such come very naturally to me, so that's *not* the reason the comic writing process is so "labor-intensive."

Rather, it's the fact that, as a writer of primarily creator-owned work, I am also the Production Manager of the work, meaning I am involved in every step of the comic creation process after the scripts are written. This is most likely how things will be for you, too, for quite some time.

It takes a lot of time, energy, stamina, and "soft skills" (aka "people skills") to do this successfully because, again, you will most likely have to be the head of a team of people who must all work together – or at least all work with *you* – in order to create a comic.

A common expression among several editors I know is that managing teams of people creating comics is like "herding cats," if that puts things in perspective for you.

(The exception to this "herding cats" scenario is if you're writing a comic script under a "work for hire" arrangement, in which case you most likely won't own the work. In a "work for hire" arrangement, your commitment will end when you submit the script to the editor or publisher, who will then handle the rest of the legwork in getting the comic produced and published (or not). Either way, you'll have the paycheck, but virtually no ownership claim on the work after it is finished, since – under the "work for hire" agreement – you sold it to the publisher.)

The late, great **Harvey Pekar** (if you don't know who he is, Google him – or better yet, get yourself to your local library and check out some of his books!) once said, *"Comics are words and pictures. You can do anything with words and pictures."*

That short but brilliant observation perfectly encapsulates my appeal to this medium of storytelling.

As you study comics and really start to get into the mechanics of telling your stories using interlocking combinations of words and pictures (something we'll do a bit in this book), you can – and hopefully will – discover the unique and complex way that stories can be told using the combination of static images, short snippets of dialogue, and limited prose narration.

Make no mistake, though, that both creating and reading comics takes a bit of practice to learn how to do effectively.

Sure, reading comics may come quickly to you as a lifelong (or at least longtime) fan of the medium. However, for newcomers reading comics, the combination and juxtaposition of words and pictures – and then processing how they work together to tell the story – can be a bit overwhelming.

(This is one reason I do *not* recommend that fans of comics try to start readers off with ***Watchmen*** by ***Alan Moore*** and ***Dave Gibbons.*** Yes, it's the ***Citizen Kane*** of comics, but if someone never saw a movie before and you wanted them to come to *enjoy* movies, would ***Citizen Kane*** really be the first movie you showed them? *Really?*)

It's also worth noting that this medium lends itself primarily to telling stories about superheroes (for various reasons). As a result, comics continue to battle the stereotype that they're all juvenile-geared stories about power-based, wish-fulfillment fantasies. This preconception is changing, inch by inch and year by year, as the power of comics continues to be discovered, promoted, and praised by mainstream media outlets… but it's still another factor to consider.

This, in turn, begs the following question:

Are you only interested in creating comics because you want to tell stories about superheroes?

Regardless of whether or not that's the case (and whatever your answer to that question is, it's not necessarily a bad one), it would help if you also kept in mind that there will always be a lot of people out there who will never read a comic, period, be it a superhero comic, a horror comic, a slice-of-life comic, a funny comic, a mystery comic, a science fiction comic, a crime comic or comic of any other genre.

No, these people still won't read it even after explaining to them every awesome thing that comics can achieve that no other form of storytelling can.

And that's fine.

(Heck, there are some people who, despite being fans of this very book, will never read my comic horror-based comic series such as ***Nightmare World*** or ***Tales of Mr. Rhee*** because they don't fancy themselves fans of horror comics. In this case, it doesn't matter that both series – and the other "scary" comics I write – are really,

GOLDEN AGE CLASSICS PRINCESS PANTHA HC VOLUME 1 Princess Pantha was a circus-performing wild animal handler, who went to Africa, in search of the legendary giant gorilla M'Gana for her act! She disappeared shortly after setting out – so Gilt-edge Gates, the owner of The National Circus hired Dane Hunter, a famous explorer to find her. After discovering her safari had been wiped out by an unknown hostile native tribe and she'd saved herself by using her ability to make an extra-loud gorilla call, which the natives mistook for the approach of M'Gana and fled. Princess Pantha had survived in the jungle for two months now, utilizing her animal skills, knowledge of jiu-jitsu and a few primitive weapons. Together Pantha and Dane remained in the jungle and continued there quest to capture the legendary giant gorilla M'Gana! Comic book stories from the 1940s and 1950s depicted some ethnic and racial prejudices that were once common place in American culture. One story "The Land of the Black Python" has been cited as an example of racial insensitivity, a white Princess Pantha taught black Africans to overcome racial prejudice in a near-classic example of "blame-the-victim" mentality! Such depictions were wrong then and are wrong today. While not representing the publisher's view of today's society, these stories are printed as they were originally created, because to do otherwise would be the same as claiming these prejudices never existed. By Alex Schomburg, Art Saaf and Ralph Mayo.

KARL THE VIKING VOL. I: THE SWORD OF EINGAR

WRITTEN BY
Ted Cowan

ILLUSTRATED BY
Don Lawrence

COVER ART BY
Don Lawrence

Originally serialised in Lion, Karl the Viking is a sweeping historical fantasy story of an orphaned Saxon boy, adopted and raised by the viking Eingar after his raid on Britain. Upon coming of age Karl succeeds Eingar and leads his tribe into battle in Britain against wild tribes of Picts, and re-connects with his old Saxon family, gaining an ally in his cousin Godwulf, and making an enemy of the Earl of Eastumbria.

These fast-paced stories were drawn by Don Lawrence shortly before he revolutionised painted comic art with The Trigan Empire, when he was already a master of pen and ink, and his Karl the Viking series was the pinnacle of black and white comic art.

WITCH CREEK ROAD VOLUME 1 *(of 6)*

Witch Creek Road follows a group of high school seniors who, after taking a wrong turn, find themselves in the midst of a summoning-gone-wrong. At its core, it's survival horror, but it's also a story about love, acceptance, death, and revenge. And sexy, flesh-eating demons. Because every story needs sexy, flesh-eating demons.

Are you wearing the mask-- or is the mask wearing you?

Carly Beth needs the perfect Halloween mask. One that will scare everyone she comes across—including her annoying little brother and the bullies from her school. A visit to a strange costume store provides just the right one. An ugly green, with fierce fangs, the mask makes Carly Beth feel powerful and scary. But when the mask won't come off, will the monster take over?

MARVELS ROCKET AND GROOT TP HUNT FOR STAR-LORD
Previously Offered thru Other Distributors

Join Marvel's fan-favorites Rocket and Groot in this hilarious, high-octane original graphic novel!
Rocket and Groot are living their best lives touring the galaxy for the very best deep-dish pizza in the universe. Just as Rocket is about to bite down on a gooey slice of pizza with extra trash, an alert pops up on his bounty tracker: Star-Lord has been kidnapped and is being held for ransom!

Rocket and Groot immediately drop their 'za and jump into action. Who would want to capture Peter Quill anyway? Okay... maybe a lot of people. It's probably best to start with someone who actually likes Peter. Gamora! But when Rocket and Groot locate Gamora, she is in the middle of a battle with Thanos. Great! One more enemy to deal with...

Join Marvel's fan-favorites Rocket and Groot in this delightfully spooky graphic novel adventure!
Determined to pull off another (not so) successful heist, Rocket and Groot find themselves trapped in the forest with a mysterious cloaked figure. The problem? They can't actually leave the woods until they tell the scariest story ever heard. Zombie aliens? Not scary enough. Bloodthirsty bugs? Nope, not good enough either. It isn't until the rest of the Guardians of the Galaxy arrive that Rocket and Groot even stand a chance!

Join the Guardians of the Galaxy in this hilarious (and spooky) Graphix adventure! It's perfect for young fans of the beloved Marvel characters.

DEMON FAGGOTS #1

by Fredrik Lanka

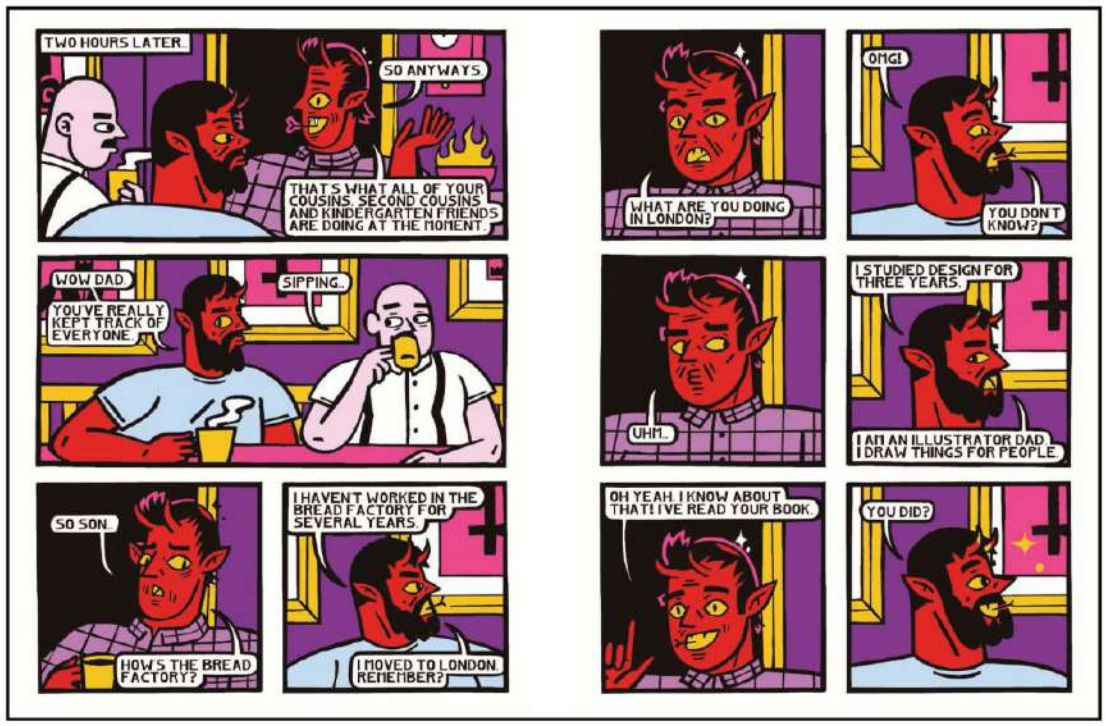
Comic Book
Mature Readers

Get ready for daddy issues, genitals, faggotry, and... Milk Farts?

Welcome to the the raucous, raunchy, relatable first chapter of Demon Faggots. The series follows the misadventures of a demon named Fred, his best friend Jonathan, and his overly sexual flatmate, Butt Daemon. Fred is heartbroken and recently graduated from art school. Butt Daemon is a horny critique of bad gays, our worst instincts on a high fibre diet. Insatiable, flamboyant, hairy.



Fredde Lanka is a gay Swedish proto-bear illustrating smutty, silly comics for the queer gamer generation who don't read Foucault. A university lecturer and youth worker with his own queer art school in London (Queer Youth Art Collective), Christian moms have warned that Lanka is teaching the children an 'asses up lifestyle'.

MUST-HAVE ITEMS THIS MONTH

Bryce Walker
Direct Market Coordinator

Hey all, Bryce here to introduce the April for June Shipping Catalog.

There's so many amazing titles in here but we have to shout about the fact that JOANNA TAN is back! That's right, Gun Honey is returning in GUN HONEY: DOUBLES DOWN. Bringing more charm, more action and some amazing covers. If those stakes aren't high enough for you, then try THE WAR OF THE WORLDS: THUNDER CHILD which expands on H.G. WELLS classic sci-fi epic, and the tale of the eponymous ironclad torpedo ram and it's crew.

As always we have some epic CONAN offerings, including Volume 1 of THE SAVAGE SWORD OF CONAN: REFORGED. And if that's not enough, one of the most acclaimed novels from Japan, Uketsu's STRANGE PICTURES has been adapted into a chilling unmissable manga.

Titan are always keen to work on exclusive store covers, so please get in touch if you are interested. I can be contacted at: bryce.walker@titanemail.com

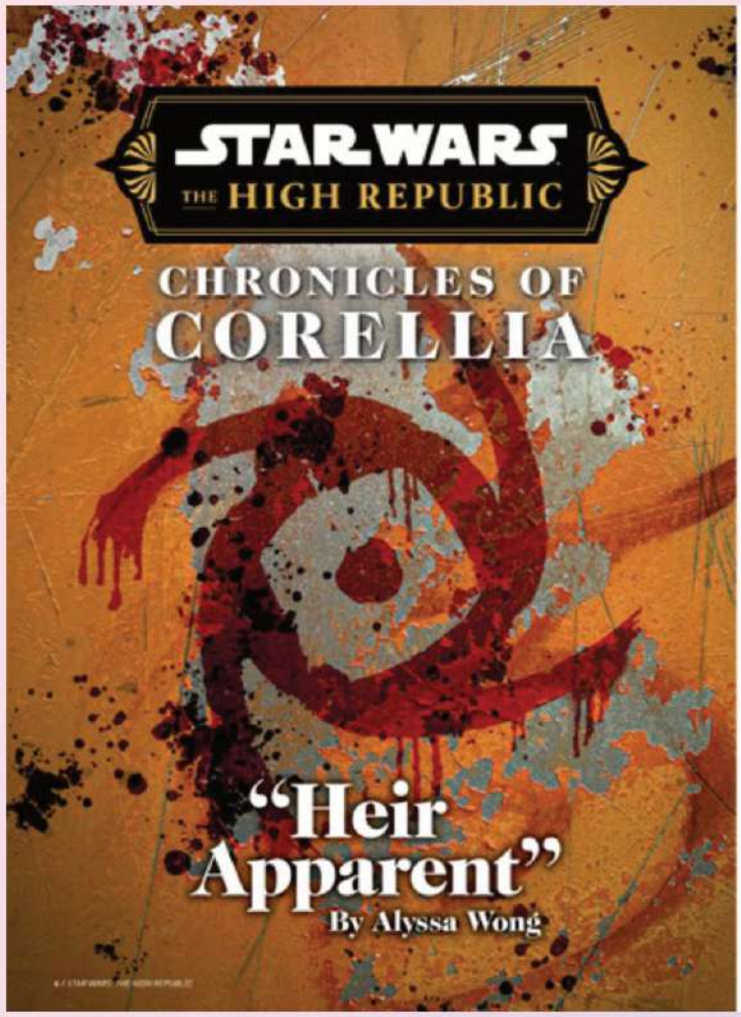
FEATURING 11 SHORT STORIES SET DURING PHASE III OF *THE HIGH REPUBLIC*

Following the **destruction of Starlight Beacon** and the expansion of Marchion Ro's **galaxy-splitting Stormwall**, the crew of the Aurie, a lone Republic Longbeam, find themselves lost in the Occlusion Zone. Meanwhile, a **Jedi Padawan** searches for a route through the **impenetrable barrier**.



STAR WARS: THE HIGH REPUBLIC

The walls of the abandoned, derelict apartment building reeked of old, stale smoke. As Krix Earnwat climbed the fire-damaged stairs, the scent grew stronger with every ascending floor. By the time he reached the highest level, five stories up, the smell was thick enough to choke on.

What was left of the structure was scorched and peeling away in chunks. Pieces of the collapsed roof littered the stairs and filthy floor. Krix picked his way around them, heading for the last apartment down the hall. He ignored the CONDEMNED BY ORDER OF CORONET CITY notice scrawled on the door and sauntered inside.

A single lantern lit the tiny, makeshift interrogation room, its faulty power cell buzzing and flickering like glowflies trapped in a bottle. Fist-sized noise-dampening devices were placed in each corner of the room. A section of the floor by the far wall had caved in, creating a vast, yawning pit that stretched all the way down to the ground level, five stories below. A Togruta man wearing Nihil gear, a patchwork of scavenged metal and leather armor, sat in a broken chair at the center of the apartment. He wasn't cuffed or bound to it.

He didn't need to be.

A teenage Lucern boy in dark clothing sat on a crate across from him, leaning close to the man and cradling the Nihil's face in his hands. He was slim and unassuming, slightly younger than Krix, and his pale, semi-translucent skin—even paler than Krix's human skin—glimmered with strange, blue-tinted iridescence. A silver-hilted lightsaber hung from his belt. A Nihil gas mask rested on his other hip. His white hair was tucked behind his ear, exposing his face. He gazed directly into the Togruta's eyes as the man twisted and sobbed.

The Nihil was a large, bulky man with a powerful build and long white-and-blue-striped lekku. But his orange skin was ashen and sickly. Sweat poured down his face, staining his shirt, and his expression was wild with terror.

"It's alright," the Lucern boy said softly. "Just tell me what I want to know and this can end."

"He won't be telling you anything like that, Ruu," Krix said, leaning against the door frame. He couldn't keep the snort off his face. "Look at him. He's barely conscious."

Ruu's gaze flickered toward Krix, and for a dizzying, sickening moment, Krix saw what the Togruta saw: Ruu's eyes were an endless black expanse, like the cold void of space. His myriad white pupils clustered and stretched into horrible holes; they seemed to ooze beyond the confines of his lower eyelids,

A single lantern lit the tiny, makeshift interrogation room, its faulty power cell buzzing and flickering.

dripping down his cheeks like molten wax and warping the air around his face. A wave of instinctive horror, disgust, and vertigo hit Krix, and his stomach lurched violently.

And then Ruu blinked and his eyes were normal again. His white pupils were small, speckling his black sclera like stars. "Where have you been?" he asked flatly. "You're late."

"Late's a matter of opinion," Krix said. He wiped his sweaty palms discreetly on his trousers. *Those barking Lucern eye tricks.* "I walked the building's perimeter. No one else is around."

"People think this area of Coronet City is haunted," Ruu said. He rarely spoke without his boss, Crash Ongwa, or her girlfriend, Svi'no Atchapat, present, but when he did, his voice was quiet and deliberate, as if every word cost him. "A deadly fire swept through the neighborhood a few years ago. Folks say that if you listen at night, you can still hear ghosts crying."

That was why they had chosen to hold the interrogation here. Even if the noise dampeners failed, no one would think twice about strange sounds coming from the building.

"I still can't believe your boss signed off on this operation," Krix said, walking toward Ruu. The burned, rotted floorboards creaked uneasily with each step. "It's a little brutal for her taste, isn't it? I didn't think she had it in her."

He smirked. "But then you never thought she'd make you work with a Nihil, did you?"

Ruu's hand twitched toward the lightsaber on his belt.

Like many Jedi Padawans, Ruu had lost his master in a battle against the Nihil. One less Force-using abomination in the world, Krix thought with satisfaction. It was a shame Ruu hadn't died, too. But if his master was anything like the Jedi who had stolen away Krix's beloved Zorn—

Well. That Jedi had gotten what she deserved.

"You're very lucky," Ruu said. He rose to his feet, unfolding with lethal grace. Standing face-to-face, he was a hair taller than Krix, though not as broad in the shoulders. His voice was as soft as ever. "Crash asked me not to kill you as a favor. That's the only reason you're still breathing."

"You're always so obedient to her," Krix mocked. "Some Jedi lessons are hard to shake, huh?" He nodded at the Nihil man in the chair. "Let's not get distracted and forget why we're here. You've had your chance. It's my turn."

Krix dragged another discarded chair over, flipping it backward and setting it in front of the shivering prisoner. He sat and rested his elbows on the top rail. "Hello, Haakon Pov," Krix said pleasantly. "Do you know who I am?"

"Make him stop," Haakon muttered over and over, his breath short with panic. "Make him stop, make him stop, make him stop." His eyes were glassy and he didn't seem to register Krix's presence.

THE CRISIS COMPANION

From Flash of Two Worlds to Infinite Earths and beyond, by KEVIN MILLER

In 1985, **DC COMICS** launched the most ambitious crossover event in comics history: **CRISIS ON INFINITE EARTHS**. Four decades later, filmmaker and lifelong comic book fan **KEVIN MILLER** unpacks the tangled web of continuity, creators, and corporate pressures that gave rise to this multiverse-shattering epic. **THE CRISIS COMPANION** is both a personal love letter to the series and a deep dive into its history, from the classic 1961 Gardner Fox "Flash of Two Worlds" story that introduced the concept of multiple Earths, through the annual **JUSTICE LEAGUE/JUSTICE SOCIETY TEAM-UPS** that led to the complicated DC continuity that Crisis aimed to fix. This book features original interviews with **MARV WOLFMAN, PAUL LEVITZ, JERRY ORDWAY, BOB GREENBERGER, MIKE DECARLO, PETER SANDERSON, ROY THOMAS, CARY BATES, DAN JURGENS, MIKE GOLD,** and others who helped shape the series and the DC Universe itself. It explores how *Crisis* transformed our perception of comics continuity, redefined superhero storytelling, and introduced the multiverse concept to mainstream culture. This richly layered volume includes a full-color gallery, and a detailed, issue-by-issue commentary and examines the event's far-reaching consequences, from the rise of endless reboots to the dominance of event-driven publishing. Whether you're a casual fan or a full-fledged "Crisisologist," this is the definitive companion to one of the most influential comic book series ever published!

AMERICAN COMIC BOOK CHRONICLES: 1940-44 (New Printing)

by KURT F. MITCHELL with ROY THOMAS

HARDCOVER	$49.95	288 PAGES	FC	STD.
0825TM1171	Previously solicited			

The **AMERICAN COMIC BOOK CHRONICLES** series of FULL-COLOR HARDCOVERS documents every decade of comic book history from the 1940s to today! This volume spotlights the "Golden Age" of the comic book industry, covering the earliest adventures of Batman, Captain Marvel, Superman, and Wonder Woman; and America's entry into World War II was presaged by the arrival of **WILL EISNER**'s Uncle Sam, **HARRY SHORTEN** and **IRV NOVICK**'s The Shield, and **JOE SIMON** and **JACK KIRBY**'s Captain America. It also saw the debut of a fumbling red-haired high school student named Archie Andrews, but most of all, 1940-44 was the age of the "packagers" when studios headed by men like **HARRY A CHESLER, WILL EISNER,** and **JERRY IGER** churned out material for new comic book companies that published genres from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Taken together, the **AMERICAN COMIC BOOK CHRONICLES** series forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

A headless busty blonde, a face—stealing psychopath, a sleazy serial—killer sculptor, a horny handsome hunchback, a vengeful caterpillar cuckold, a torturous hangover in the pits of hell. Welcome to the raunchy and gristly world of FACE MEAT, from the decadent imagination of outlaw polymath Bonten Taro—ex—kamikaze, ex—yakuza, singer, songwriter, actor, world—famous tattooist, husband of seven, and underappreciated pioneer of "pinky violence" femme fatales and adult horror manga. While Mizuki Shigeru and Umezz Kazuo were paving the way for horror in shonen and shojo magazines in the 1960s, Bonten was secretly doing the same in erotic men's rags—and the results are as trashy as you'd expect. With an essay by Bonten booster and B—gekiga expert Kunisawa Hiroshi, FACE MEAT includes fourteen hair— and pants—raising stories that have never before been assembled under a single cover in any language! FACE MEAT is the fourth volume of SMUDGE, a line of vintage horror, occult, and dark fantasy manga, curated and translated by award—winning historian Ryan Holmberg.

Dare to read the psycho—horror classic that horror manga master Ito Junji called a "frightening but moving story about an unfortunate individual who, lost in search of his true self, finds his own annihilation instead." Little Tetsuo is a wimpy mess. His parents don't love him. He meets the beautiful Kimiko, an ailing teenage girl obsessed with movies and mayhem in equal amounts. She doesn't love Tetsuo either, or anyone other than herself. But she needs him. So Tetsuo becomes the man she wants—the monster she wants. He becomes HER FRANKENSTEIN! Originally published in 1986, Kawashima Norikazu's HER FRANKENSTEIN marks the bizarre and sadomasochistic finale to a cult era in Japanese horror comics. A few years after it was published, the author burned all of his artwork and abandoned Tokyo, never to be heard from again! HER FRANKENSTEIN is the inaugural volume of SMUDGE, a line of pulp, horror, and dark mystery manga, curated and translated into English by award—winning historian Ryan Holmberg.

Raw, bare-boned, scathingly funny dispatches from the renowned comic diarist Gabrielle Bell, with biting cultural commentary mixed with her signature introspective, self-deprecating humor, and surreal digressions (from car-driving bears, through Zombie Apocalypses, to cute babies, and . . . more bears!) as she visits France, Sweden, Switzerland, Norway, Colombia, back to Brooklyn, and finally landing in upstate New York. In Truth is Fragmentary Gabrielle Bell proves she can be . . . funny!

Gabrielle Bell was born in England and raised in California. Her work has been selected for the 2007, 2009, and 2010 Best American Comics and the Yale Anthology of Graphic Fiction, and she has contributed to McSweeneys, Bookforum, the Believer, and Vice. The title story of Bell's book, Cecil and Jordan in New York, has been adapted for the film anthology Tokyo! by Michel Gondry. Her latest book, The Voyeurs, was selected as one of the top five graphic novels of 2012 by Publishers Weekly. She lives in Brooklyn, New York.

Refreshingly revelatory and charmingly accessible, this book follows up the previous autobiographical comics Lucky and The Voyeurs and easily solidifies Bell's reputation as one of the greatest autobiographical cartoonists working.—Publishers Weekly, Starred Review

"I loved it… gorgeous, inventive & strange." – Paul Pope

UK In a Bad Way And Other Stories is the long-awaited first collection of comics by award-winning writer/artist James Harvey (Masterplasty, Doom Patrol, Phoo Action and Lifehouse for comics, Love Death + Robots and Metal Gear Solid for screens). The collection includes his graphic novella UK In a Bad Way (a riot of punk energy and razor-sharp satire), Luigi Mode (a prophetic dystopian farce), and Masterplasty, his scabrous sci-fi debut that tears apart the world of cosmetic self-perfection and self-destruction. The other stories go even harder— expect sex, rebellion, and corrosive social commentary. Backup strip by Brandon Graham. Foreword by Italian comics legend Igort.

ALONE. SURROUNDED BY MONSTERS. ARMED ONLY WITH HIS FISTS...TIME TO FIGHT.

JACK RUST WAS A DISILLUSIONED BIOLOGIST WITH A PHD—ALMOST. WHEN AN EXTRATERRESTRIAL AI CALLING ITSELF THE SYSTEM INVADED EARTH AND THRUST IT INTO A WORLD OF ALIENS, MAGIC, AND VIOLENCE, JACK HOPED TO AT LEAST GET SOME MAGIC HIMSELF.

NOPE.

EVEN WORSE, THE SYSTEM SPAWNED A FOREST DUNGEON AROUND HIM AND A GOBLIN IN HIS FACE...ARMED WITH NOTHING BUT HIS FISTS, JACK MUST GROW STRONG ENOUGH TO SURVIVE HORDES OF MONSTERS. HE NEEDS TO RETURN TO CIVILIZATION AND FIND OUT WHAT THE HECK IS GOING ON. HE MIGHT EVEN GET MAGIC—OR NOT. SURPRISING HIMSELF, JACK DISCOVERS THAT VIOLENCE IS FUN.
