The Art of Star Wars: The Acolyte

- WRITTEN BY KRISTIN BAVER, ILLUSTRATED BY LUCASFILM LTD.

The official behind–the–scenes companion to the Disney+ Star Wars series *The Acolyte*

The Art of Star Wars: The Acolyte showcases the production art, character, and vehicle designs, planets, storyboards, and other breathtaking work created during the production of the hit Disney+ series. Set 100 years before *The Phantom Menace*, in the waning days of the High Republic, *The Acolyte* tells the story of a Jedi Master and their former Padawan as they investigate a sinister threat.

Starring Amandla Stenberg, Lee Jung–jae, Manny Jacinto, Dafne Keen, Jodie Turner–Smith, and Carrie–Ann Moss, this series marks the first time the High Republic will appear in live action. Filled with interviews with key creatives from the series, this book offers a firsthand account of working within this new era.

Kristin Baver is editor in chief of StarWars.com and the author of *Skywalker: A Family at War*. She lives in San Francisco.

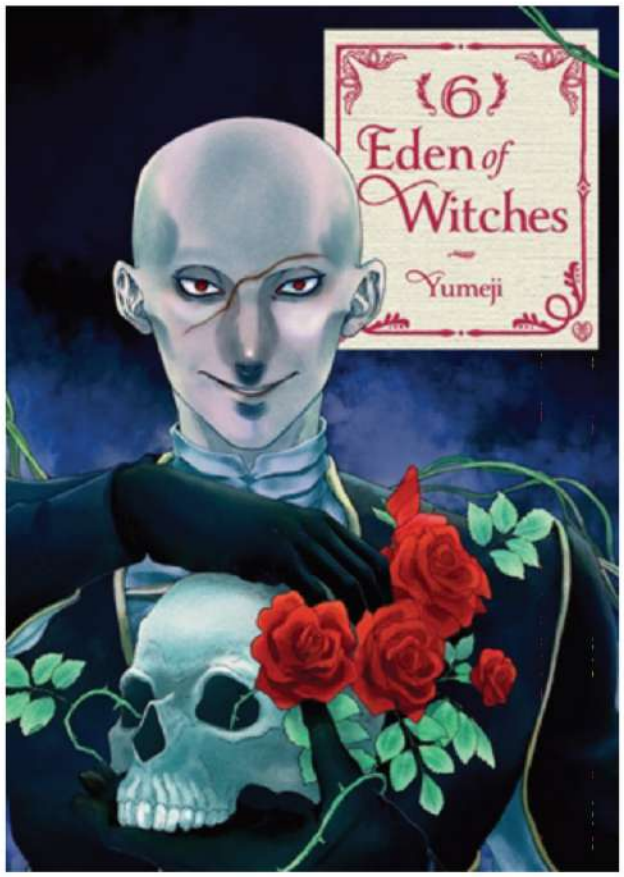
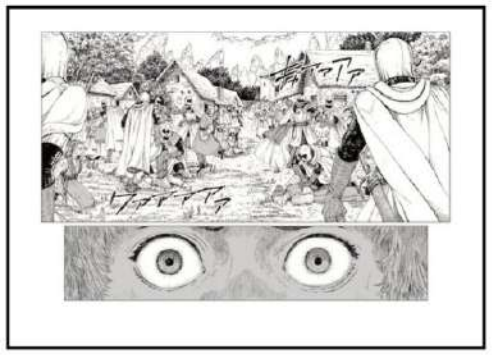
EDEN OF WITCHES#6

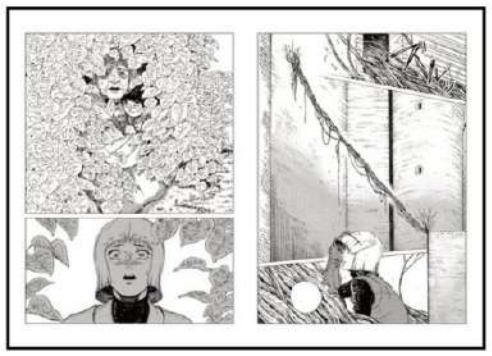
Eden of Witches Volume 6

- WRITTEN AND ILLUSTRATED BY YUMEJI

When a young witch apprentice loses her home and mentor to witch hunts, can she awaken her druid–like powers and flee to safety? Humankind and nature are at odds in this epic Ghibli–esque fantasy manga, perfect for fans of *Princess Mononoke*, *Nausicaä*, and *Witch Hat Atelier!*







In a world devastated by humankind and forsaken by plants and animals, only witches have the power to communicate with nature.

Hoping to reach the castle where Oak is being held, Pili disguises herself as a boy named Roble, eager to join the capital's army. After a tough duel against the formidable Captain Rudbeckia, she proves her bravery and gains entry to the barracks! However, her superior isn't easily fooled. . . .

Indeed, the captain is also a woman, and she has guessed that Roble isn't who he claims to be. . . . She promises not to betray her secret, as long as the recruit poses no threat to the city and its inhabitants. But another trial awaits young Pili—an expedition to hunt down her own kind! Soldier or witch . . . how will Pili be able to resolve this dilemma?

Yumeji is a manga author and illustrator living in Japan. Eden of Witches is her debut series.

SELLING POINTS

POPULAR THEME: Witches and magic are perfect avatars to explore coming of age stories in both Japanese and Western comics. Fans of manga in the United States are especially receptive to this message, with popular anime and manga such as *Kiki's Delivery Service*, *The Ancient Magus Bride*, and *Witch Hat Atelier* having a huge and lasting presence in US pop culture.

INCREDIBLE ART: Yumeji's delicate inks bring the setting to life and are reminiscent of such classic titles as Hayao Miyazaki's *Nausicaä* or Kaoru Mori's *A Bride's Story*. While *Eden of Witches* is her first serialized manga, her illustrations stand out from much of the shojo manga being published in the US today and give the series the visual hallmarks of an instant classic.

TOPICAL SUBJECT: The element of man's conflict with nature is ever more relevant to young readers today, as we reevaluate our impact on the planet as a society. Although *Eden of Witches* is a fantasy, it doesn't shy away from asking what our relationship to nature and our impact on it is, grounding the series subtly despite its fantastical elements.

SCARS#3

Scars Volume 3

- WRITTEN AND ILLUSTRATED BY BRANDON ARIAS

A love story between a boy with a scar and an abused, misgendered classmate who are both victims of bullying but find peace and acceptance in each other—*Scars* is an ardent coming–of–age story about acknowledging differences and finding self–acceptance

Two school kids, Kyonosuke and Akira, live in a little village by the Japanese countryside. An accident as a young child means Kyonosuke recieves a skin graft to his face, leaving him permanently scarred. This disfigurement makes Kyonosuke a target for constant bullying. Akira, his classmate, is trying to come to terms with her gender dysphoria but is beaten by her father for saying she wants to be a girl. When they meet and fall in love, they decide to escape their toxic environment together. But are they strong enough to accept each other, and themselves, for who they are?

A stunning and heartfelt manga trilogy from debut author–illustrator Brandon Arias, *Scars* deftly tackles childhood trauma, bullying, and the issue of growing into one's own identity. This gorgeous, fresh, slice–of–life drama is sure to become a classic alongside such timely and relevant manga titles as *Orange* by Takano Ichigo and *Our Dreams at Dusk* by Yuhki Kamatani.

Brandon Arias is a manga author whose debut series is *Scars*.

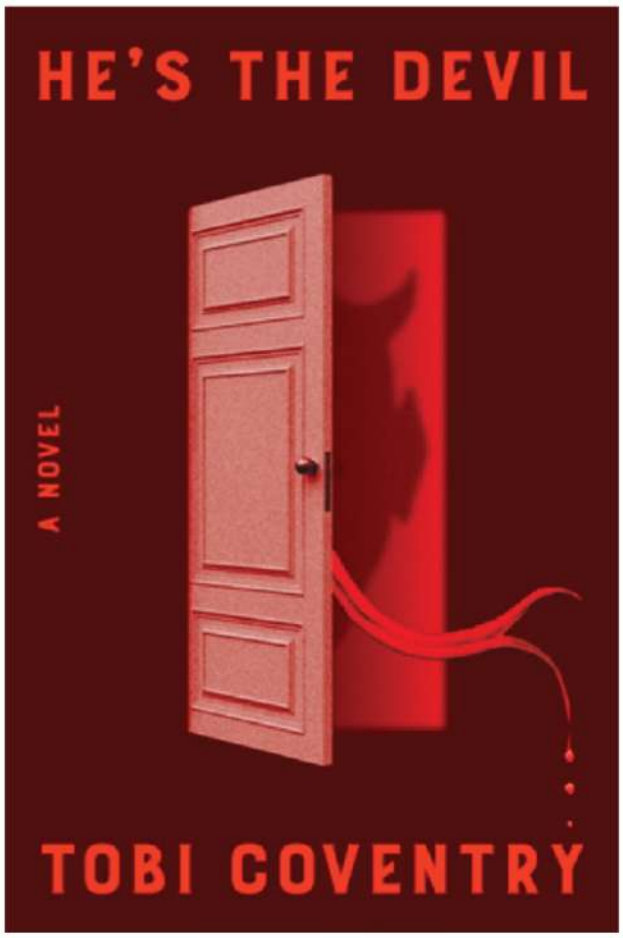
He's the Devil

A NOVEL

- BY TOBI COVENTRY

An exhilarating, darkly comic debut novel about a do–gooder whose world is turned inside out when his new roommate—who might be possessed by the devil—moves in; for fans of *Nightbitch* and *Fleabag*



Simon has always been a good guy, a charmer. He's consistently employee of the month at his bougie restaurant job, neurotically tidy, and generally tries to do right by everyone. And his dark parts? He keeps those well–hidden. But when his best and only friend Josh moves out of their shared apartment, Simon's world starts to fall apart when his new roommate Massimo moves in. Because Massimo has brought something—or someone—with him. He might just turn out to the be the roommate from hell . . .

Strange things start to happen. Weird noises come from Massimo's room, smells of earth and spoiled meat drift through the halls, lights flicker, and Simon's nights fill with disturbing and alluring dreams. Meanwhile, across the city, murders are being committed, bodies torn apart from the inside. Massimo and whatever he's unleashed begin to awaken Simon's wild and exciting and horrifying inner self. Whatever this new friend is could be the end of Simon—or a completely new beginning.

At once a visceral, unhinged, and comic novel about the roommate generation, *He's the Devil* is a tantalizing literary thriller exploring possession and obsession, friendship and betrayal. Tobi Coventry's debut is propulsive, funny, and touching, marking the arrival of a bold new literary imagination.

For the past ten years, **Tobi Coventry** has worked as a book scout for film and television production companies. In 2023, he produced an award–winning short horror film, *Blood Rites*, based on a story by Daisy Johnson. He lives in East Sussex, UK. *He's the Devil* is his debut novel.

SELLING POINTS

TRENDY THEMES: This is for readers of Rachel Yoder, Mona Awad, Jen Beagin, and Kelly Link—fiction that dabbles in the occult. Supernatural is a hot, emerging space in contemporary literary fiction.

SPOOKY TIMING: We will publish in September 2025 to time the novel for Halloween and spooky season media coverage, with many themes to deploy for other media hooks.

CONNECTED AUTHOR: The author is a highly regarded book–to–film scout who knows what translates to wide audience. He also has reliably good connections in the literary world for blurbs, coverage, and buzz.

BUZZY INTERNATIONAL DEBUT: This novel was snapped up at the London Book Fair in a nice pre–empt from 4th Estate in the UK—the venerable literary imprint that is home to writers such as Hilary Mantel, Anthony Doerr, Jonathan Escoffery, Michael Cunningham, and Cristina Henriquez.

The Secret Garden: The Opening Lines

A 500-PIECE JIGSAW PUZZLE

- ILLUSTRATED BY EMILY SUTTON, INSPIRED BY THE WORK OF FRANCES HODGSON BURNETT

A beautiful puzzle celebration of the beloved children's classic

The Secret Garden is the first of a 500–piece jigsaw puzzle series, each centered on the opening lines of a classic novel. In this brand–new illustration, Emily Sutton celebrates the story of Mary Lennox, the unloved orphan whose discovery of a neglected garden behind a locked door changes the lives of everyone around her. Emily Sutton's charming illustration will delight nostalgic puzzlers. At its center are the opening lines of the story, as if hand–written by the author, beautifully bringing words and image together–and making this the ideal gift for any bibliophile or bookshop browser.

Raised in the North Yorkshire countryside, **Emily Sutton** has become a star of contemporary illustration, with clients including the V&A, *The Telegraph*, Bloomsbury, Walker Books, Faber and Faber and Random House. She trained at the Edinburgh College of Art, since when her work has celebrated her childhood obsessions with folk art and Victoriana, and won her a wide audience.

Ren's Pencil

A PICTURE BOOK

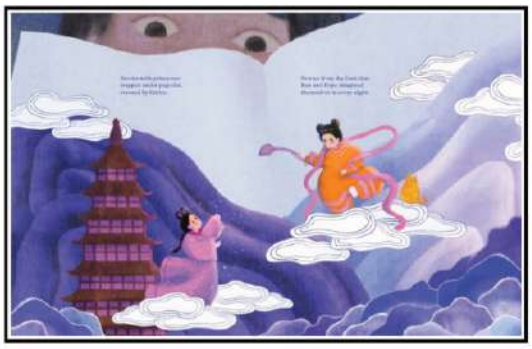
- WRITTEN AND ILLUSTRATED BY BO LU

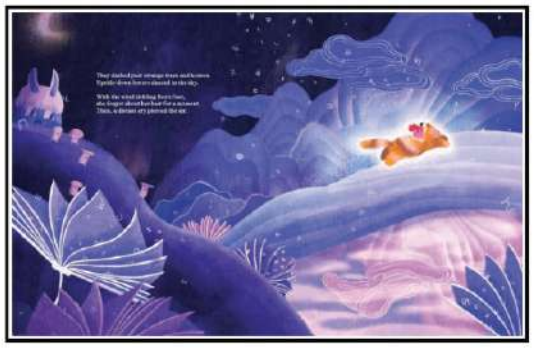
A beautifully illustrated tale of immigration and imagination, about the struggle to fit into a new place, make new friends, and see yourself in new stories—from Bo Lu, Ezra Jack Keats Illustrator Honor–winning creator of *Bao's Doll*

When her family moves to a new country, Ren is heartbroken to leave Popo and her magical stories behind. In her new home, nothing feels familiar—until Ren discovers that, with her pencil, she can bring to life what she can't find the words to say. Through drawing, she bridges the gap between her two worlds and transforms her loneliness into a meaningful connection.

Inspired by the childhood experiences of award–winning author–illustrator Bo Lu, this heartfelt picture book is a celebration of resilience, friendship, and finding a sense of belonging through art and storytelling.

Bo Lu moved from the bustling streets of Taipei to the quiet suburbs of Kansas as a little girl, knowing just three English words: *Apple*, *Banana*, and *so–so*. Before she could express herself in English, her drawings became the bridge between her two worlds. She now lives in San Mateo with her husband and their two daughters. Her debut book, *Bao's Doll*, won an Ezra Jack Keats Illustrator Honor and tells the story of a girl who, after stealing a doll, creates one that ultimately becomes the bridge connecting her and her immigrant mother.





SELLING POINTS

GROWING PROFILE: Lu's debut was praised as "a resonant debut" and "an immigrant story that heals wounds present and past" in trade reviews. Like *Bao's Doll*, this book tackles big feelings and complicated topics beautifully while centering the child reader.

***HAROLD* VIBES:** Ren's pencil allows her to explore her dreams and imagination and express who she is, in a nuanced modern twist on *Harold and the Purple Crayon*.

ASIAN–AMERICAN IMMIGRANT STORY: Ren struggles to settle into life in the United States and longs to return to her old home before making a new friend. These themes can speak to many immigrant children in the US—and are deeply personal for Lu, who struggled with moving from Taipei to Kansas as a young girl. As proven by the massive success of titles like *Eyes that Kiss in the Corners*, books that feature Asian American protagonists and show cultural pride are very much in demand.

AWESOME ILLUSTRATIONS: Lu's illustrations are cool and inviting, seamlessly blending the real and the imaginary through Ren's eyes. Lu's style here takes a touch of inspiration from funky art of the sixties and seventies, like Milton Glaser's posters and Sendak's *In the Night Kitchen*, resulting in a very unique book.

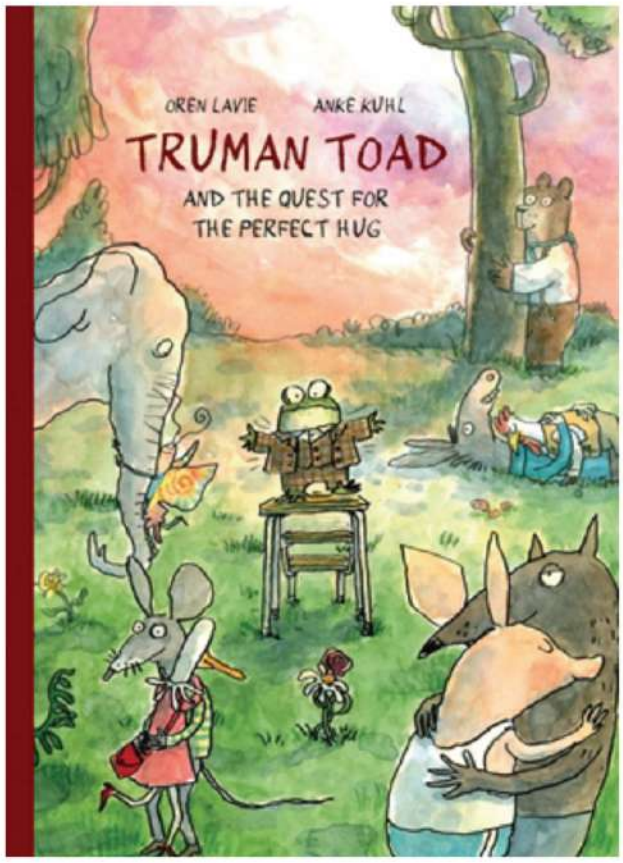
Truman Toad and the Quest for the Perfect Hug

- WRITTEN BY OREN LAVIE; ILLUSTRATED BY ANKE KUHL

A self–important but good–hearted toad, with an ample amount of self–love, discovers his love for others in this entertaining, award–winning picture book originally published in Germany

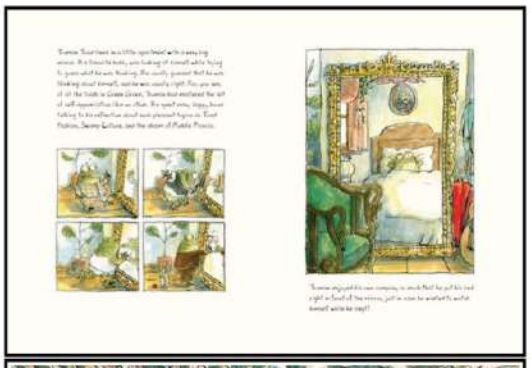


Truman Toad lives in a cozy little apartment, all by himself. In fact, he loves his own company so much that he keeps a giant mirror nearby so that he's never too far from his reflection. After all, who better than himself to spend all his time with!

One day, Truman wakes up from the most wonderful dream about the most wonderful hug—and he's determined to make it come true. The quest for the perfect hug has begun . . . but nothing seems quite perfect enough to Truman: the hugs he gets from his animal friends are too long or too slippery, too soft or too hard, too wild or too gentle. Truman is discouraged. Will he ever find the perfect hug?

Charming, quirky, filled with heart and wholly one of a kind, Oren Lavie's story, coupled with Anke Kuhl's delightfully spirited illustrations, will make readers of all ages laugh—and make them think about letting go, letting others in, and the power of hugs!

Oren Lavie is an award–winning author, musician, and director. His children's books have been translated into over a dozen languages, and in 2023, *Truman Toad and the Perfect Hug*, his third book, was nominated for the prestigious German Youth Literature Award. He has also been nominated for a Grammy Award, and one of his songs was featured in the Disney movie *The Chronicles of Narnia: Prince Caspian*. Oren's debut picture book, *The Bear Who Wasn't There*, published to great acclaim in Germany, and was released in the US through Akashic Book's Black Sheep imprint. *O, The Oprah Magazine* called the book "irresistible" and "playfully existential," and a starred review in *Publishers Weekly* praised "the charm of Lavie's storytelling voice." Oren lives in Tel Aviv, Israel. **Anke Kuhl** is one of Germany's leading children's book illustrators, whose awards include the German Youth Literature Award and the Max and Moritz Prize for best German–language comic for children. She lives with her husband and two children in Frankfurt, Germany.



ENCHANTED LION

SELLING POINTS

A FUNNY AND ENDEARING HERO: Truman Toad is self–centered yet loveable, with a dream and a plan that will have readers laughing all the while rooting for him.

GREAT FOR SEL / PERSONAL GROWTH: Persnickety Truman learns to let others in and embrace chance, finding his perfect hug precisely when things don't go as planned.

THE IMPORTANCE OF HUGS AND COMMUNITY: Highlights the value of being together, in the here and now—with friends and neighbors embracing each other and celebrating their community.

Colin Farrell is putting on the cloth for the action-thriller *Ordained*, a hot package that hit the town in recent weeks.

Farrell is teaming with the Russo Bros.' banner AGBO on *Ordained*, which is based on an upcoming comic book from publisher Bad Idea. Multiple studios and streamers are said to be in the mix for the project, according to sources. *John Wick* scribe Derek Kolstad was announced as writing the script last year and will produce, along with Bad Idea's Dinesh Shamdasani and Benjamin Simpson.

Farrell will star as Father Roy Craig, a priest who performs last rites on a mob boss who miraculously survives — but not before confessing his crimes to the father. Soon after, Father Roy finds himself targeted by hitmen, corrupt cops and gangsters — all sent by the mob boss who wants to silence him. But Father Roy secretly has a violent past that makes him a more dangerous target than anyone imagines. (Luckily for his adversaries, he does follow the commandant Thou Shall Not Kill.)

Avengers: Doomsday filmmakers Joe Russo and Anthony Russo will produce for AGBO, along with the company's Angela Russo-Otstot and Michael Disco. Farrell will also produce, along with sister, Claudine Farrell and their Chapel Place banner.

The news comes ahead of the Dec. 10 release of the comic book, which hails from writer Robert Venditti, illustrator Trevor Hairsine and colorist Dave Stewart.

Farrell is coming off of his Emmy nomination for HBO's *The Penguin* and is expected to reprise the villainous role in Matt Reeves' upcoming *The Batman* sequel. He recently starred in *Ballad of a Small Player* for Netflix and the Sony-released feature *A Big Bold Beautiful Journey*. Coming up, he has season two of his Apple TV+ series *Sugar*, due out next year.

AGBO and the Russos are in post-production on *Avengers: Doomsday*, with additional photography expected to take place in the spring before cameras role on *Avengers: Secret Wars* in the summer. The company recently boarded Lionsgate's *John Rambo* movie, and has Omar Sy set to star in *Mercenary*, a TV series spinoff based on the *Extraction* films.

Farrell is repped by CAA, managers Claudine Farrell and Ilene Feldman, attorney Steve Warren.

THE EXPLOSIVE FINALE!

New York Times best-selling writer **Robert Venditti** and world-renowned comics legend, **David Lapham** (STRAY BULLETS, THE HERO TRADE), crank up the heat in the guns-blazing finale to their two-part, high-stakes action extravaganza.

OUT OF JURISDICTION AND OUT OF TIME! The heat's rising in Hollywood as Detective Hank Howard closes in on the Aussie drug syndicate that left Big Caligula's rising star lying cold on the linoleum. But the bodies are piling up around him and the feds muscling in on his murder case are demanding that he back down...or else. But an explosive showdown with a flamethrower-wielding hitman tells him he's hot on the killer's trail–and he's not backing down. Outgunned, outnumbered, and out of jurisdiction, Hank will need his fists and his wits if he's going to crack the case before he finds himself buried six feet down under!

MATT KINDT RAISES THE STAKES

New York Times bestselling writer **Matt Kindt** (BRZRKR) and visionary artist **Tomás Giorello** (PLANET DEATH) raise the stakes in the penultimate issue of their epic, action-packed sci-fi saga.

The end of the world is here and Saver couldn't stop it from coming. Now, years deep into the wasteland of Earth's doomed future, Saver and his daughter January are still alive and on the run, haunted by the past that Saver couldn't fix and hunted by the people who can't let it go.

Integrity International have spent years chasing Saver down, desperate to drag him back and force him to try and prevent the apocalypse once and for all. And now they finally have him in their sights. But Saver has nothing left to give and everything to lose. He's not going back without a fight.

BACK FOR VALENTINE'S DAY! "This romantic comedy, written by Iolanda Zanfardino and Elisa Romboli, who are a couple, is most assuredly for adults: The story depicts — sometimes with little left to the imagination — the ups and downs of casual sex."

(-The New York Times) Alice, a young writer of children's story books, is hurtled out of her fairytale-like life when she discovers her girlfriend has been cheating on her! Charmingly defiant, she leaves her small forest town and leaps into a new adventure to seek love (and find herself) in the fast life of San Francisco. There, her concept of pure, magical love will be completely overturned--but her biggest challenge won't be reckoning with other people's sexual drive, it'll be getting a grip on her own! From your new favorite writer and artist team of Iolanda Zanfardino and Elisa Romboli, Alice In Leatherland is a comedy about sex and so, inevitably, about every other aspect of life, too. As Iolanda and Elisa describe the book: "Sex is recounted as a way to investigate our relationship with ourselves and others, with our bodies and our place in the world; sexual pleasure as self-affirmation and growth. There is room for Love, too, and bravery. And for many good laughs, that never hurts.

Darth Vader is learning that being a Sith lord and dedicated father to Princess Leia isn't quite so easy...

In this irresistibly funny follow-up to the breakout bestseller *Darth Vader and Son*, Vader—Sith Lord and leader of the Galactic Empire—now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic *Star Wars* moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only a skirted metal bikini, Vader's parenting skills are put hilariously to the test.

DICK TRACY COLLECTION—1942

Writer: **Chester Gould**
Artist: **Chester Gould**
Cover: **Stewart Kenneth Moore**

Introducing Clover Press and The Library of American Comics' new deluxe softcover slipcase series, collecting all of Chester Gould's Dick Tracy newspaper strip. Every volume collects a full year of newspaper strips, from January 1 through December 31. Each book is printed in an 11" x 8.5" landscape format softcover book that slides into a vertically oriented die-cut slipcase!

The year starts off rough for Dick Tracy who is trapped at the bottom of a deep pit thanks to a gangster who is the brother of the notorious B-B Eyes! An understudy tries to shoehorn his way into the spotlight, but his plan doesn't go as expected! Tracy investigates a train wreck that leads him to part time sound effects specialist, part time gangster Tiger Lily! The discovery of a dead police officer throws Tracy right in the path of Pruneface! Another full year of action and excitement! Features a new cover by Stewart Kenneth Moore.

Softcover w/slipcase | 160 pages | B&W | 11" x 8.5" | 978-1-951757-18-2 | $29.99 | Solicited for a March 25, 2026 release.

WHAT'S INSIDE

VERTIGO #1

- Welcome to a brand-new era of Vertigo! The most celebrated horror series in modern comics returns with a new arc of James Tynion IV and Álvaro Martínez Bueno's award-winning series, *The Nice House By The Sea*!
- Deniz Camp (*Absolute Martian Manhunter*) and Stipan Morian unite for a vivid and brutal zombie story with heart (lots of them) in *Bleeding Hearts* #1.
- Kyle Starks and Steve Pugh bring their over-the-top sensibility to *End of Life* #1, the story of a man-child assassin with very grown-up problems!
- What chance does a 1940s private investigator have against the power of a god? Meet Ezra Cain, created by rising stars Chris Condon and Jacob Phillips, in *The Peril of the Brutal Dark* #1!

DC K.O. #12

- The final four are pushed to their limits in *DC K.O.* #4 by Scott Snyder and Javi Fernández!
- The chaos spills out of the DC Universe into worlds beyond in *DC K.O.: Boss Battle*!
- Batman faces off against his son as the events of *DC K.O.: Knightfight* reach a fever pitch! Don't miss *DC K.O.: Knightfight* #4 by Joshua Williamson and Dan Mora!

ACROSS THE DCU #12

- The Gotham City Sirens team up for a brand-new Black Label adventure in *Sirens: Love Hurts* #1 by Tini Howard and Babs Tarr!
- It's Valentine's Day in Midvale! What sort of chaos will that bring for Kara? Find out in *Supergirl* #10 by Sophie Campbell and Joe Quinones!
- Diana grapples with the fallout of her time as Medusa in *Absolute Wonder Woman Annual 2026* #1, with breakout artist Mattia De Iulis!

DC VERTIGO

In 1993, DC launched its Vertigo imprint, a move that represented the medium's shift towards mature readers storytelling and robust genre exploration. While it included beloved series that were previously a part of the main DC line, Vertigo became defined by original concepts far outside of superheroes—many of which still stand as some of the most influential and revered comics of the modern era.

Readers came to know Vertigo as more than a publishing initiative, as a sensibility and aesthetic. Comics that were bizarre and beautiful, transgressive and terrifying, poignant and passionate—*those* were Vertigo comics, and their success reshaped the comics industry itself along the way.

It's with that spirit that we bring you the DC Vertigo of today, previewed in the book you're reading right now. The imprint first returned last fall by adopting the current series that truly embodies its ethos—*The Nice House by the Sea* by James Tynion IV and Álvaro Martínez Bueno—and it now expands with a slate of all-new series from bold and imaginative voices, starting in February of 2026 with *Bleeding Hearts*, *End of Life*, and *The Peril of the Brutal Dark: An Ezra Cain Mystery*.

DC VERTIGO IS BACK.

AND IT'S NOTHING YOU'VE SEEN BEFORE.

Keep an eye out in your local comics shop for the *DC Vertigo: A New Beginning* promotional book, featuring lettered previews of the four launch titles—available as a free handout in January 2026!

The residents of the House on the Lake and the House by the Sea were both told the same thing: that they were the only humans who survived a global apocalypse. But while Walter, the mysterious and seemingly all-powerful alien master of the Lake House, chose to save the people he'd grown fond of, the Sea House was assembled by another of his species, Max—and she chose the most brilliant and competitive humans. They've just learned their only path to survival is to kill every one of the loveable losers in the Lake House...and they know exactly how do it. And what's worse? Someone in the Lake House has agreed to help them...

The Nice House saga has collected multiple Eisner Awards and the prestigious Best New Series prize at the Angoulême International Comics Festival, and now is the time to get on board as the action kicks into high gear and the horrors in its pages grow even more grotesque!

The zombies won—and ten years after the fall of humanity, they're the dominant form of life (or not-life) on Earth. They've developed their own cultural practices, their own language, their own society. Mouse-Pokes-Golf-Ball-Through-Hole-In-Head ("Poke" for short) is a beloved member of his community, and with his brother-in-arm Mush, he's happy to shamble along through the only world he can remember...until the day his heart mysteriously starts beating again. And in a blink, the first humans he sees have stopped looking like food and have started looking like...friends...?

The team behind *20th Century Men*, the bold mission statement that launched writer Deniz Camp and artist Stipan Morian to the next level of the comics industry, has reunited to bring you a world ruled by ruthless kill-or-be-killed logic, pitted against the demands of a single beating, bleeding, emotional heart!

Professional hitman Eddie Stallion has messed up. He's accidentally robbed the Raven, a high-ranking boss of the international cabal of assassins the Menagerie, of which Eddie is a member...or he was.

Now with a price on his head, Eddie chooses to hide in the one place everyone knows he'd never go...the small midwestern town of Pluto, home of his estranged father and known hard-ass George Stallion. Looking for safe harbor, Eddie instead finds his resentful father dying of cancer, old friends looking to collect that bounty, Menagerie assassins who have wandered into town, a cancelled newspaper comic-strip creator turned local crime lord, and oh yeah, his childhood first love, too.

Kyle Starks and Steve Pugh, the team behind *Peacemaker Tries Hard!*, present the story of a man-child assassin with some very grown-up problems. As Eddie grows more attached to the people of Pluto, he'll have to step in to solve those problems the only way a hitman knows how!

New York City, 1941. Ezra Cain is a private investigator with a reputation for taking it on the chin if it means solving a case. But it's his former life as an archaeology student that makes him the only man to track down an artifact that's gone missing from the Museum of Natural History...an ancient anvil said to hold the power of the Greek god Hephaestus. If someone could harness that power, they could bend nations to their will. Science fiction quickly becomes Cain's reality when a shadowy sect calling themselves the Brutal Dark appears in the city wielding resources that defy human logic. Now Ezra is the only thing that stands between them and their plot to overthrow America!

Writer Chris Condon and artist Jacob Phillips, creators of the hit series *That Texas Blood* and *The Enfield Gang Massacre*, introduce us to a private eye whose business is exposing our deepest secrets...but on this job, he'll learn that some mysteries are better off buried!

Introducing Gotham's most eligible bachelorettes...for at least a little while longer! First, there's Catwoman, who's been playing cat and mouse with her two favorite boy toys—Bruce Wayne and the Dark Knight himself, Batman. Next up? Harley Quinn, who's recently single and now committed only to her hot girl era. Of course, there's also Poison Ivy, who just wants to enjoy her solitude...as long as her best friend Harley's there to enjoy it with her. And then there's the new girl, Black Canary, who's engaged to the love of her life, Green Arrow—but the closer they get to the wedding day, the more it feels like they might not be so written in the stars after all.

But these four fabulous women aren't meeting to discuss any of that. At least, not willingly. There's a killer on the loose in Gotham City—a killer of women. And when Black Canary realizes stopping the murders requires more criminal company than she's used to keeping, she finds herself reluctantly teaming up with the infamous Gotham City Sirens for the hunt. Easier said than done when the four of them can barely make it through one lousy brunch...

Fan-favorite writer Tini Howard (*Catwoman*, *Harley Quinn*) teams with superstar artist Babs Tarr (*Batgirl*) to bring you the sexiest and most scintillating DC Black Label series yet!

WONDER WOMAN HISTORIA: THE AMAZONS: ABSOLUTE EDITION

Written by **KELLY SUE DeCONNICK**
Art by **PHIL JIMENEZ, GENE HA, and NICOLA SCOTT**
$100.00 US | 296 pages | 9 9/16" x 12 1/4" | Hardcover |
ON SALE 7/7/26

From writer Kelly Sue DeConnick and artists Phil Jimenez, Gene Ha, and Nicola Scott comes an epic tale of goddesses, gods, rebellion, and retribution.

Millennia ago, the goddesses of Olympus aired their grievances about the faults of man to Zeus, king of gods. When their petitions were ignored, they gathered in secret to create the Amazons: six warrior tribes born from the souls of women who had endured violence. Under the cover of night, the Amazons successfully brought justice against those who harmed women and increased their ranks with those they rescued, leading to the creation of a seventh tribe. But with great victory also came spite from the male gods, and a war the likes of which neither heaven nor earth had seen before.

This is the story of Hippolyta, a slave who became a warrior, a warrior who became a queen, and a queen who became a mother to one of Earth's greatest champions. *Wonder Woman Historia: The Amazons: Absolute Edition* presents the multiple Eisner-winning miniseries in oversize format with a collectible slipcase, a behind-the-scenes look at how this masterpiece was created, and more.

Kara Zor-El is an excellent superhero who is just not appreciated by the people of Metropolis. Summer's coming, and she's ready to visit Argo, a floating city in space where the last survivors of Krypton live. These are her people, and since Clark grew up on Earth, she can teach him a thing or two for once. It's the perfect plan! And it gets even better when Lois invites along Kara's best friend, Natasha.

But when their road trip through space is interrupted by an old friend of Clark's, the family gets diverted to a strange and beautiful planet with a dark secret that only Superman can save them from. Kara's plans get pushed aside. Again. What's a cranky preteen to do? Hang out at the pool, meet a cute boy, and save the day, of course!

AFTER THIS SUMMER, METROPOLIS WILL NEVER BE THE SAME.

Taylor Barzelay is finally living as her authentic self, a purple alien space princess with blue hair and superpowers. With a loving girlfriend, Kat, and an adorable talking corgi that doubles as a bodyguard, Taylor should feel more at home on Earth than ever. So why doesn't she?

As Kat plans for life after high school by visiting colleges in Metropolis, Taylor tags along aimlessly. Between honing her powers, getting her GED, and protecting Nia Nal from her evil aunt, Taylor's been super busy, but she still isn't sure she can claim her identity as the superhero Galaxy.

When the Vane, an alien race that destroyed her home planet, finally arrive on Earth in search of Taylor, her biggest fear becomes reality. If even Superman can't handle this threat, what chance does she have to save the love of her life, her best friend, and the entire world?! Will she cast aside her doubts in time to become the hero she was always destined to be?

The writer of *Galaxy: The Prettiest Star* and the artist of *Bad Dream: A Dreamer Story* team up on a sequel with more romance, more action, and more queer joy!

Superman faces his own worst weakness in a story where Kryptonite reveals more than just physical pain.

From the acclaimed creative team behind *Ice Cream Man*, this DC Black Label event bends genre, tone, and form as Superman is exposed to not only green, red, and black Kryptonite—but new and never-before-seen forms like purple, cobalt, and speckled. Each of the five issues serves as a boundary-pushing meditation on power, identity, and trauma. With Batman at his side and Earth at stake, Superman must confront how the shards of his broken homeworld reveal fault lines in his soul.

Includes *Superman: The Kryptonite Spectrum* #1-5.

Batman: Dark Patterns is a series of four self-contained, street-level mysteries that delve into the early days of Batman's role in Gotham City and his healing presence within its streets.

This grounded, mystery-driven narrative evokes the rich tone and style of beloved classics such as *Batman: Year One*, *Batman: The Long Halloween*, and *Batman: Hush*. Penned by the talented Dan Watters and brought to life through the striking artistry of Hayden Sherman, each three-part story stands alone as a gripping detective case, shedding light on the trauma and resilience of Gotham's citizens and its urban landscape.

The series masterfully underscores Batman's dual identity as a methodical sleuth and a shadowy beacon of hope, skillfully steering clear of cosmic or supernatural distractions. This intentional focus reassures readers of a steadfast commitment to a more authentic, detective-driven experience, highlighting relatable mysteries that brilliantly showcase the Dark Knight as a healer cloaked in darkness.

In the world of comic books, few writers or artists loom as large as the legendary Jack Kirby. By the early 1970s, he'd already spent 30 pioneering years innovating and exploring the comics art form.
After a groundbreaking decade at Marvel, Kirby returned to DC Comics and immediately began crafting some of his best-loved works, most notably his cosmic epic, the Fourth World. For anyone but Jack Kirby, this colossal masterpiece would have been contribution enough to the DC canon, but "the King" spent that same period revitalizing all corners of the DC Universe, from superhero antics to experimental horror to wartime realism, and creating such unforgettable characters as Etrigan the Demon and O.M.A.C. Pulling together more than 1,400 pages of the "other" Kirby comics from the 1970s and 1980s, this volume collects stories from *In the Days of the Mob* #1-2, *Spirit World* #1, *Weird Mystery Tales* #1-3, *The Demon* #1-16, *The Sandman* #1-6, *O.M.A.C.* #1-8, *Our Fighting Forces* #151-162, *Super Powers* (vol. 1) #1-5, *Super Powers* (vol. 2) #1-6, and many more!

THE LEGEND OF KAMUI: VOLUME THREE

SHIRATO SANPEI

Translated by RICHARD RUBINGER with NORIKO RUBINGER

The greatest sword-and-samurai epic of all time continues!

The body count continues to rise in this engrossing, swashbuckling third volume of *The Legend of Kamui*, set in feudal Japan.

Our hero Kamui is fresh off his training and begins to infiltrate the delicate hierarchy oppressing the countryside in order to begin tearing it down, piece by piece. Shōsuke faces off with a new assassin because of what he may—or may not have—witnessed. Ryūnoshin's vendetta befuddles the chief headman as well as his lord. Meanwhile, Kamui's fellow outcast Saesa takes on a more prominent role.

Revolution is in the air, and the sound of clashing swords rages on in Shirato Sanpei's landmark manga epic—the first of its kind. *The Legend of Kamui* was originally serialized between 1964 and 1971 in the legendary alt-manga magazine *GARO*. Its literary and historical merit was recognized long before a complete translation was even available. Now available in full for the very first time, Shirato Sanpei's *The Legend of Kamui* is translated from the Japanese by Richard Rubinger with Noriko Rubinger.

METADOGGOZ

BÉRÉNICE MOTAIS DE NARBONNE

A wise-cracking, dystopian visual feast

Gael Kaldera is a self-styled "junkyard dog" who runs with his crew the Metadoggoz: a squad of teenage dirtbags living in the techno-megalopolis, the Metastation. With no place to crash after losing his friend's guitar, he drops a tab of "metadoggo" at a late night rave with his friends and everything goes sideways. Strobing lights, teeming dance floors and endless skyscrapers form an eerie, futuristic backdrop for this daring, imaginative exploration of race, class, and belonging through the lens of youth culture and science-fiction.

In *Metadoggoz*, Franco-Vietnamese cartoonist Bérénice Motais de Narbonne constructs an uncomfortably familiar dystopia in which Gael and his friends slip in and out of our "real" world in search of something better. Each shepherded by a guiding spirit, they navigate the indignities of daily life: homelessness, mental illness, violence, and yearning.

Translated by Eisner Award winner Montana Kane, *Metadoggoz* reinvents the cyberpunk fairy tale in the vein of *Tank Girl*, *Blade Runner*, and *Love & Rockets*.

HOT OR NOT

JESSICA CAMPBELL

A hilarious send-up of the art world's patriarchy

The history of twentieth century art is filled with men, but one key component has always been missing: Which of these men are boneable? And which are not? Jessica Campbell has created the definitive resource on this very important subject in a hilarious rundown of male artist hotness and notness.

From its cheeky scratch-off cover and curator's statement, MFA docent Campbell introduces the masters of the fine art world with an irreverent overview of their practice, only to quickly get to the point on the next page with a HOT or a NOT. Would Campbell kick Cy Twombly out of bed? Probably not. How about Paul Gauguin? Most definitely.

A silly but stinging rebuttal of male chauvinism, Jessica Campbell's *Hot Or Not* is a delightful, cheeky exclamation of female desire and utter lack thereof.

HELLO AND WELCOME TO THE MUSEUM OF ART.

I'M YOUR DOCENT, JESSICA CAMPBELL, MFA.

WITHIN THESE HALLOWED HALLS,

WE SHALL, TOGETHER, DISCOVER WORKS OF IMMENSE BEAUTY

AS WELL AS SOME STINKERS.

BUT MOST IMPORTANTLY, WHO MADE THESE MASTERPIECES?

GENIUSES?

YOU!

YES?

CORRECT!
INNOVATORS?

YES!

CORRECT!
WHAT ELSE?

HMMM...

AH! WERE THEY ALL MEN?
CORRECT!

BUT THE TRUE QUESTIE IS...WERE THEY HOT?

WE...WE DON'T KNOW...

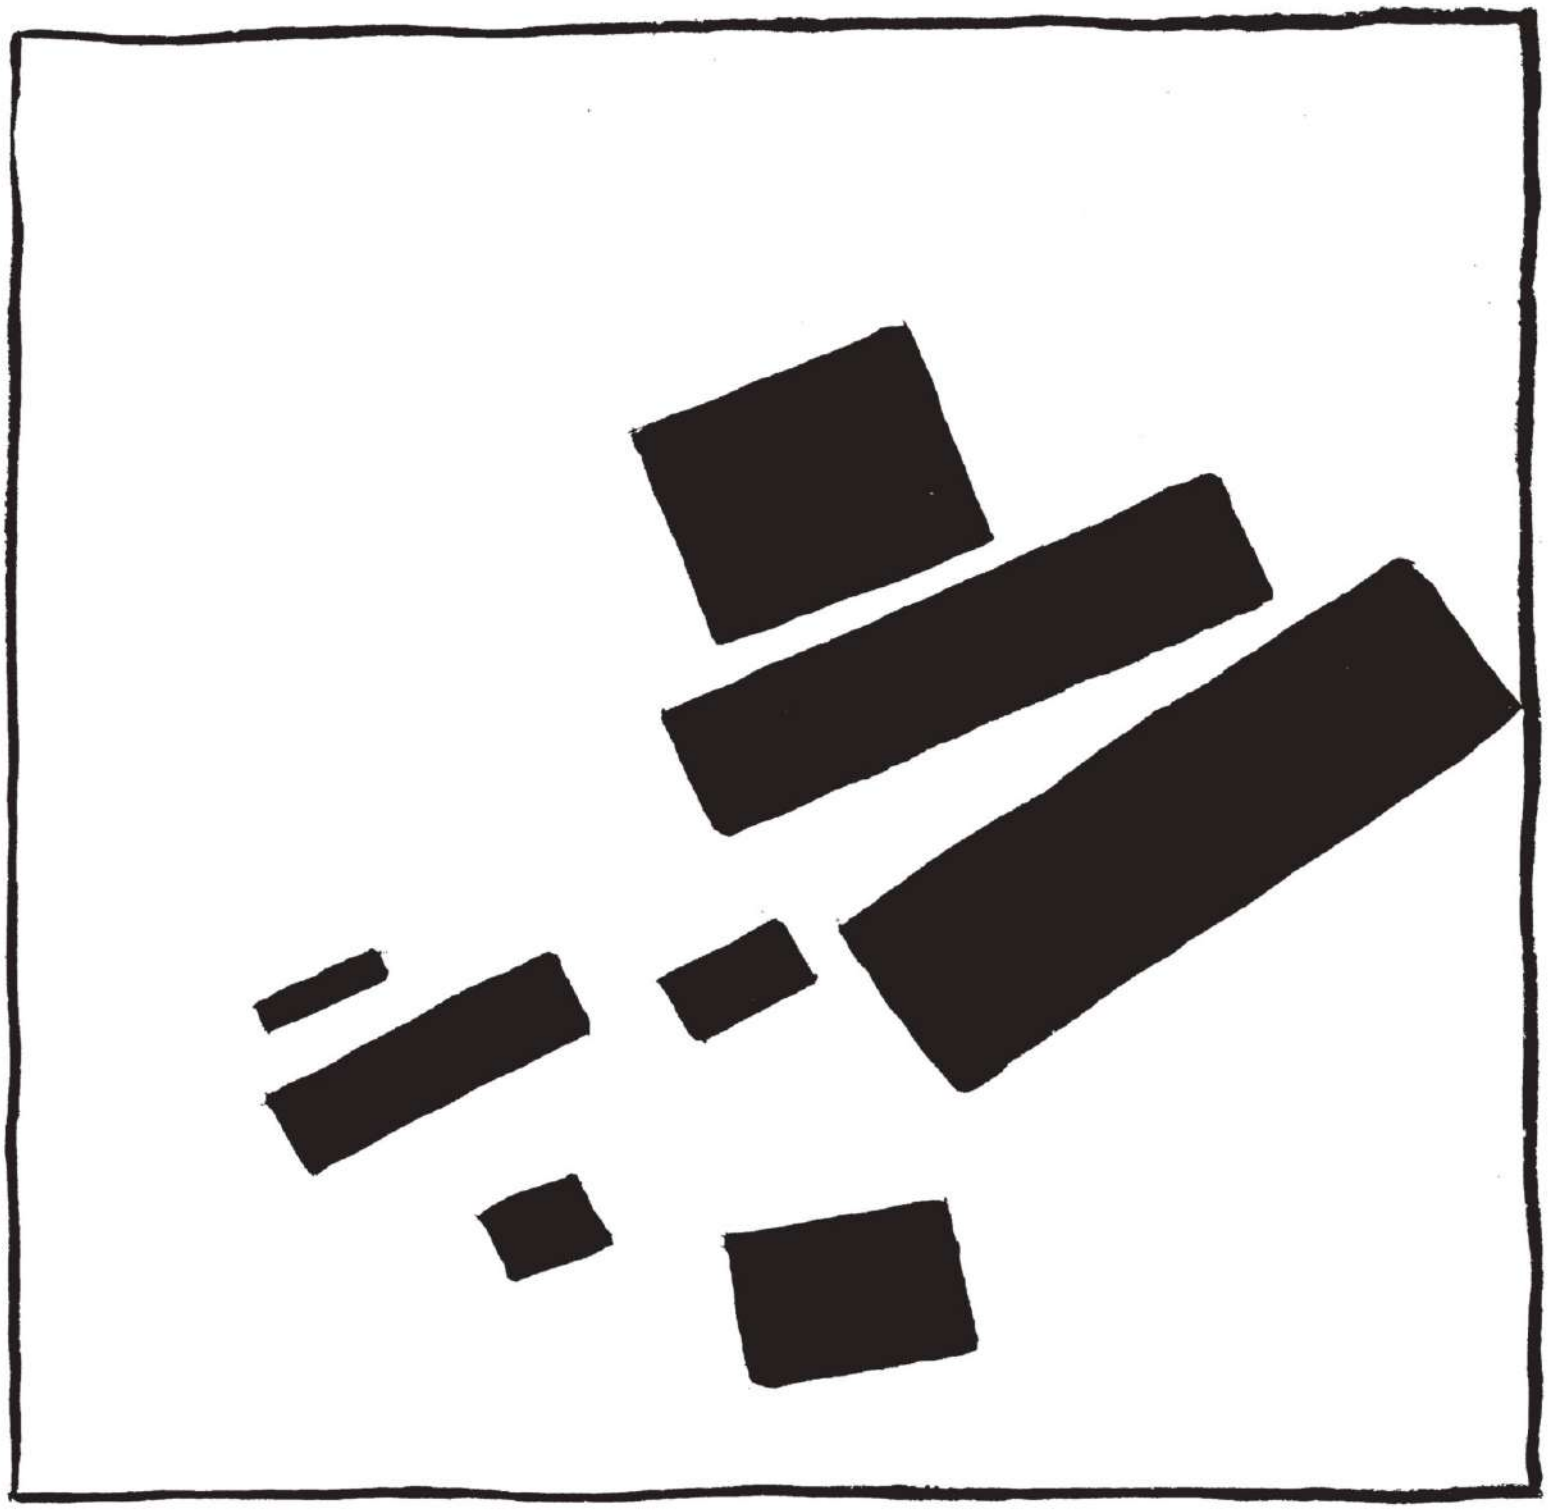
THEN JOIN ME, MES FRÈRES, ON A MAGICAL TOUR OF THE HOTTIES AND THE NOTTIES THAT TIME FORGOT.

PHILIP GUSTON

ALL RIGHT, CANADA, IMMA CALL IN A PINCH HITTER. THAT'S RIGHT, A SEXY LITTLE CANADIAN-BORN AMERICAN BY THE NAME OF PHIL GUSTON. FILL ME UP WITH A GUST OF SEX WIND, PHIL!

HOT

IT'S HARD TO BELIEVE THAT THIS SUPERMODEL MADE THOSE EFF-ED UP PAINTINGS, BUT DUDE HAD SOME B-A-G-G-A-G-E.



MALEVICH

THESE ARE THE PAINTINGS OF A BROODING, COMPLICATED SEX MAN.

WITH ENOUGH GRAVITAS.

NOT

DID YOU KNOW THAT IN ORDER TO GET A TEMPORARY, MINIMUM WAGE JOB SCRIBBLING ON THE WALL PER LEWITT'S INSTRUCTIONS YOU NEED AN 80 K USD MASTER'S DEGREE?

BALTHUS

OK, SO DUDE'S CLEARLY A PERV, BUT DOES A PERV AN UGGO MAKE? I SUSPECT IT MAY NOT.

HOT

MON DIEU! THIS FACE MAKES ME WISH I WAS A CHILD AGAIN! ALSO, A TIME TRAVELER. SO I COULD BONE BALTHUS, I MEAN.

MODIGLIANI

MODIGLIANI HAS BEEN IN EVERY COLLEGE CO-EDS BEDROOM SINCE THE DAWN OF POSTERS, BUT ONLY "AS A FRIEND," AND NO ONE ENDS UP IN CONSISTENT FRIEND ZONE PURGATORY BY BEING HANDSOME!

HOT

NEVER MIND! PAINT ME LIKE ONE OF YOUR MANGLED ITALIAN GIRLS, AMEDEO.

ANIMAN

ANOUK RICARD

Pet therapist by day, animal-morphing pet detective by night—fear not, Animan's on the case!

Inspired by the 1980s TV series Manimal, award-winning cartoonist Anouk Ricard pairs her unique brand of absurd storytelling and impeccable comedic timing to deliver the riotously funny adventures of Animan, superhero pet detective.

A radioactive mosquito bite as a baby gives Francis the superpower of morphing into any animal at will. Learning to keep his powers secret from an early age, Francis takes up pet therapy as his day job, the perfect cover for his secret identity as Animan.

Francis uses his fantastical gift to treat his animal patients, go undercover to solve murders, and battle it out with his nemesis, Objecto, a man capable of transforming into any and every possible object. And to top it all off, in his free time Francis is an avid watercolorist, who enjoys drawing landscapes and risqué portraits of his frog girlfriend, Fabienne.

Winner of the 2025 Grand Prix at the Angoulême International Comics Festival, veteran cartoonist Ricard delivers a fresh take on the superhero genre, imbued with her signature slapstick sensibility, preposterous scenarios, and off-the-wall punchlines.

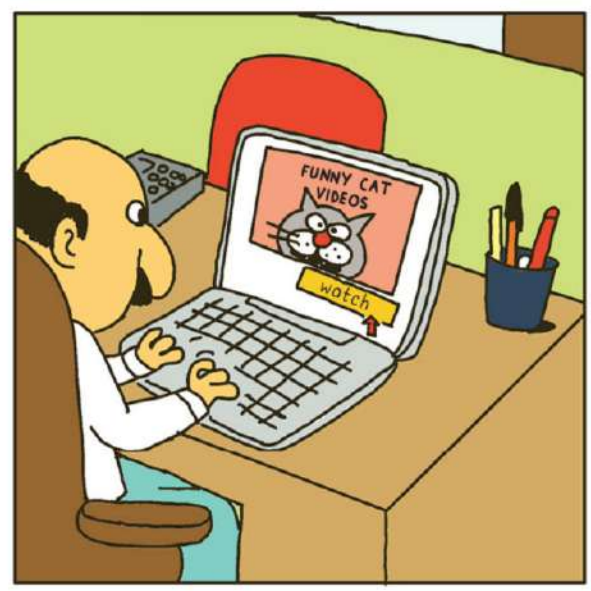
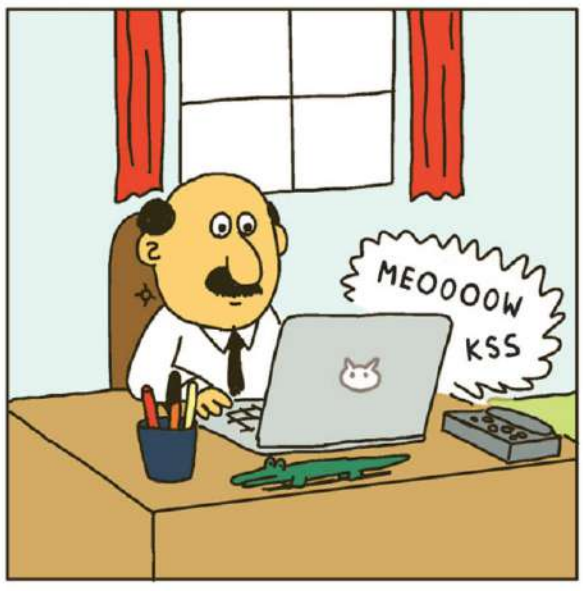
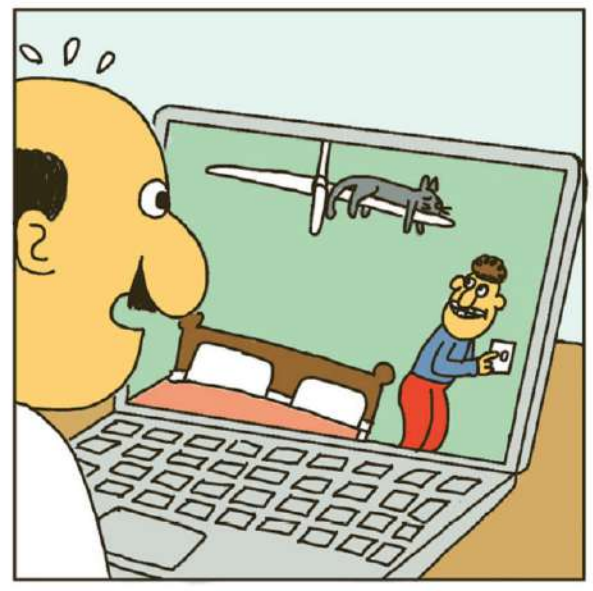
WORK







That probably explains your dog's behavior.
Well, Dicky? Where's my hello kiss?

There it is!
Good boy!
Wow, he's nuts about you.

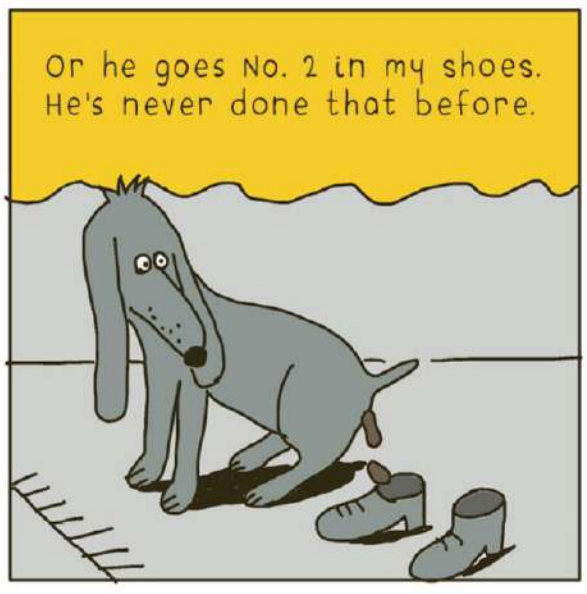
Hee, hee!
Slurp Slurp

HA! HA!

Um...Okay, that's enough, Dicky.
ARF!

So, tell me about your dog's strange behavior.
For starters, he has no appetite.

He drops his kibble bites outside my husband's office.



Or he goes No. 2 in my shoes. He's never done that before.

This loss has deeply affected him.
It was his dog, you know.

I'll try to dig deeper. Can you leave us alone?
Sure.

Please have a seat. I'll be back shortly.
Okay.

It's just us now, buddy!
Hold on a sec.
Yap!

Okay, Dicky, start talking.

Argh, don't call me Dicky, please, I hate that name!*

*In barking lingo.

That's right, I forgot. What was the name you picked, again?

Super Hot Prince of Dogs.

That's a little long. How about I just call you Prince?

Fine, we'll go with that.

Okay, so. You're sad because your human died, is that it?

Not just that.

ARF ARF WIFF WOOF

I did all that so she'd bring me here.

Wow, Okay.

My human's wife murdered him, I'm sure of it!

What?

She has a lover. They poisoned him for the inheritance.

Oh, crap.

I watched him suffer.

Drink your tea, honey.

O-Okay.

Cut it out, Dicky! You'll spill it!

Dicky! Get over here!

I couldn't save him.

Sorry, Prince.

They made it look like a heart attack.
I'm so sorry, madam.
It was so sudden...
You poor thing, that's terrible!
Will you help me expose the truth?
Sure, I'm game, but where will you live if the wife goes to prison?
You could adopt me.
Uh, no. But I'll help you find a nice family.
Great! Thanks, Animan!
You can come back in now, Mrs. Minard.
Ah! It's about time!
Dicky is just a little depressed. We'll put him on medication.
I have to be honest. I don't really want to keep Dicky. Can you recommend anyone?
Oh, I see. I'll ask around. But you'll have to complete the treatment first.
Yes, of course!
I'd also like to go to your house, to examine him in his home environment.
Okay, I guess. But how much is all this going to cost?
It's not very expensive, don't worry.
Fine, but only if you take him off my hands after.
Goodbye, Mrs. Minard!
Goodbye.

Enjoying your little feast?
Meh. This one's got a bitter aftertaste.
Hmm...Interesting. Where do you think that aftertaste comes from?
Potassium Chloride.
Great! Thanks for the info. I gotta bounce!
So soon?! Won't you have a little nibble with us?
Yikes! No thanks. Fabienne's waiting for me. Rain check!

There's a certain man — name's Ash, you may have heard of him — who is doomed to battle against the forces of evil, over and over again, whether he likes it or not. No matter where he goes, the cycle of violence always repeats itself — until the day that he arrives in the picturesque town of Riverdale.

This supernaturally wholesome community seems to break the curse that has plagued Ash ever since he first encountered its otherworldly evil all those years ago. Or rather, the curse *was* broken — until an over-curious teenager named Archie finds a copy of the *Necronomicon Ex Mortis* and reads a portion of it aloud, summoning the horrifying Deadites once again!

Now Ash and the good townsfolk of Riverdale must hold back the undead hordes long enough for Archie to undo what he's unwittingly done. Otherwise, an Army of Darkness will roll over Riverdale and destroy everything and everyone in its path — and that's just not going to happen on Ashley J. Williams's watch!

Fresh-faced author ERIK BURNHAM (*Teenage Mutant Ninja Turtles, Ghostbusters*) joins wide-eyed artist BILL GALVAN (*Archie, Guardians of the Galaxy*) for a long night's journey into mayhem with *Archie X Army of Darkness* #1!

Featuring clean-cut covers from GALVAN, ROBERT HACK, LAURA BRAGA, CRAIG CERMAK, and STUART SAYGER, this premier issue also boasts a special **PREMIUM MYSTERY BLIND BAG** that contains **three limited editions of the issue** selected randomly from a range of variant covers exclusive to this offering — including two original covers by GALVAN and FRANCESCO FRANCAVILLA, as well as multiple line art variants and colored blanks. **Please Note: The number of Blind Bags is limited, and allocations may occur.**

ARMY OF DARKNESS: THE BOARD GAME

FC | Horror/Humor | $49.99 | Teen+ | 2/4/26

From the powerhouse designers at Lynnvander Studios comes a game that will take you to Hell and back — if you've got the guts to play it!

In this cooperative tower defense board game for 1 to 4 players (5 with the expansion), Ash Williams and his allies lead the defense of Lord Arthur's castle. Each round, players frantically program actions in a real-time planning phase. Then they take turns resolving those cards to move around the castle, use its artillery and other rooms, and fight to keep the Deadites at bay.

If they can survive long enough against the Army of Darkness, Evil Ash himself shows up — and if the players can defeat him before the undead steal the *Necronomicon*, then the battle will be won!

CORE GAME INCLUDES:

- 40 character standees
- 6 custom dice
- 95 cards and 47 tokens
- 4 playable character boards

After setting out on a solo mission to explore the wilds of Third Earth, Panthro finds himself caught in the middle of an ancient battle between two rival warlords. Trapped in an endless cycle of violence, the feuding parties have been at each other's throats for longer than anyone can remember — but as Panthro discovers, their enmity has been made all the more bitter because of what they used to mean to each other.

Faced with an escalating conflict that could endanger the ThunderCats' adopted home, Panthro must find a way to unravel a tangled web of old wounds and raw emotions and ignite a spark of reconciliation between the star-crossed commanders — before the bloodshed expands to cover all of Third Earth!

ED BRISSON, the irresistible author of *ThunderCats: Lost* and *Apex*, teams up with hot-blooded artist ELTON THOMASI (*Lost Dimension*, *Animosity*) for an epic 40-page tale of pride and passion — featuring ardently obsessive covers from NICOLETTA BALDARI, SEBASTIAN PIRIZ, and ZULEMA SCOTTO LAVINA, as well as a classic piece of ANIMATION ART and a special **PREMIUM MYSTERY BLIND BAG!**

The World's Richest Duck didn't accumulate his uncountable kajillions by being anyone's fool — and no one is more foolish than a fool in love! So when February 14th rolls around and the unsolicited cards and presents from charlatans and two-timers start piling up on his desk, Scrooge McDuck has multiple levels of precautions in place to neutralize all of their nefarious schemes.

One age-old adversary, however, has forged a plan to bypass all of the McDuck Money Bin's famed defenses and secure the ultimate prize: Uncle Scrooge's precious Number One Dime! The indefatigable Magica De Spell just needs to get close enough to Scrooge to cloud his mind with the rare Forget-Me-Do flower. But when the single-minded sorceress is caught in the same memory-fogging spell as her quarry, all bets are off — and romance is suddenly in the air! Having forgotten their long history of enmity, could these rival ducks turn into cooing love birds?

Find out in the rose-colored pages of the *DuckTales Valentine's Day Special 2026*, written by *Stitch* co-authors CONNOR RATLIFF and JAMES III and lovingly illustrated by LIBERO ERMETTI! This heartfelt 40-page one-shot also features a Cupid's quiver's worth of covers from ERMETTI, NICOLETTA BALDARI, CIRO CANGIALOSI, and STEFANO PORCU!

It's time to cue the music; it's time to dim the lights! It's time to get things started as the Muppets return tonight!

The show is about to begin at the famous Muppet Theatre, and the regular pre-curtain chaos has the troupe's stalwart MC, Kermit the Frog, coming apart at the seams. In an attempt to de-stress, he settles down to read a few pages of a favorite old detective novel — only to get kayoed by an errant brick to the bean, leaving him laid out backstage as his co-stars try to coax him back to consciousness.

But unbeknownst to them, Kermit has taken up the hard-boiled mantle of his fictional hero to walk the darkened streets of Dreamland, righting wrongs and cracking cases under the concealing cover of night. Flip Minnow, P.I., has no time for song and dance — not if he's going to solve the baffling mystery of the Snoozing Sleuth!

Legendary cartooning talent and *Muppets* comics veteran ROGER LANGRIDGE bellies up the drawing table once more for an all-new tale of crime and *pun*-ishment with *The Muppets Noir* #1 — featuring clue-filled cover art from both the author and guest artist DECLAN SHALVEY, as well as an appropriately enigmatic **DELUXE MYSTERY BLIND BAG**! The Blind Bag contains **two limited editions of the issue** selected randomly from a range of variant covers exclusive to this offering — including a new original cover, colored blanks, and more! **Please Note: The number of Blind Bags is limited, and allocations may occur.**

Sam and Dean Winchester know a thing or two about love and loss. After all, they've abandoned any pretense of a normal life and hit the road to hunt down the entity that took the lives of two of their loved ones. So if anyone can understand the kind of heartache that would cause a person to turn to demonic forces in order to bring someone back from the dead, it's the brothers Winchester.

But just because something is understandable doesn't make it advisable — and it certainly doesn't make it safe! In fact, you can pretty much count on things going wrong in unexpectedly spectacular ways when you meddle with the fundamental forces of mortality. In this case, trying to command a minor minion of the underworld has resulted in the summoning of an ancient and uncontrollable goddess of desire. The rampage that ensues embodies the true power of love — and only Sam and Dean can stop it!

Acclaimed comics and prose author PREETI CHHIBBER (*Marvel's Avengers Assembly, Spider-Man's Social Dilemma*) joins forces with hopelessly romantic artist PASQUALE QUALANO for this special 40-page love letter from the Winchester Brothers' early years — featuring unrequited cover art from QUALANO, CAT STAGGS, DAVE ACOSTA, and MEGHAN HETRICK, as well as a special **PREMIUM MYSTERY OF LOVE BLIND BAG**!

Writer SHERRI L. SMITH and artist GABRIELE BAGNOLI take readers back beneath the waves for an all-new tale of tentacled treachery!

Years before she would meet a young mermaid named Ariel, the formidable Ursula presided over a vast underwater kingdom as one of the Seven Sea Witches. Along with Capricia, Scylla, Charybdis, Melusine, Tiamat, and Vodyanoy, together the septet ruled the world's oceans with impunity.

So when one of Ursula's royal sisters is suddenly found broken and stripped of all her powers, Ursula takes it as an attack upon their collective authority, and sets out to find and punish the culprit — knowing that, among all the denizens of the deep, only one would dare to challenge the Sea Witches' reign!

Featuring a shimmering school of covers by MIRKA ANDOLFO, JAE LEE & JUNE CHUNG, ROBERT QUINN, SHATOKI SHIKI, and FRANCESCA CARITÀ, *Disney Villains: Ursula* #1 plumbs the hidden depths of one of Disney's most beloved baddies!

With Darkwing's magical *amour* Morgana Macawber now in Demona's clutches, it's a race against time for the Terror That Flaps in the Night to locate the two sorceresses before Morgana is coerced into revealing the location of the sinister spell book known as the *Quackronomicon* — and thus handing Demona the keys to world domination!

But DW won't get far without Elisa and Goliath's help — and the head of the Manhattan Clan is down for the count until sunset. With half a day of downtime to contend with, can this unlikely trio of heroes crack the case before Morgana cracks under Demona's interrogation? And while we're on the subject, what have Launchpad and Gosalyn been doing all this time?

The answers to these and many more burning questions will be revealed in the portent-filled pages of *Gargoyles/Darkwing Duck* #2 — crafted by tandem authors GREG WEISMAN and TAD STONES and artist CIRO CANGIALOSI, and enriched by hand-carved covers from STONES, CANGIALOSI, CLAYTON HENRY, and IVAN BIGARELLA!

GARGOYLES: CLASSIC YEARS TRADE PAPERBACK

FC | 272 pages | Fantasy | $35.00 | Teen | 2/25/25

writers: Martin Pasko, Mort Todd
artists: Amanda Conner, Alberto Saichann, Grant Miehm
cover: Joe Madureira, Jimmy Palmiotti

When the animated show *Gargoyles* burst onto TV screens in the mid-1990s, it immediately gained a devoted following that clamored for more tales about the stony guardians of the night. In 1995, Marvel answered that call with a new series that featured the first comics work of young artist named AMANDA CONNER — and the rest is history! (Or perhaps we should say, *legend*!)

In this title's action-packed story, workers at a construction site are threatened by a fearsome creature who looks like a Gargoyle, but may be something much deadlier. It's up to Goliath and his fellow Manhattan Clan members, along with NYPD Detective Elisa Maza, to get to the bottom of the mystery — and keep more people from getting hurt.

Written by acclaimed comics scribes MARTIN PASKO and MORT TODD, this first *Gargoyles* comic book series has never been reprinted in its entirety — until now! Collecting all eleven issues of the original Marvel Comics run, *Gargoyles: Classic Years* is the first release in a planned three-volume series from Dynamite and Disney that will present each of the long-out-of-print *Gargoyles* comics titles from the 1990s and early 2000s in beautiful new editions. Featuring a stunning covers from JOE MADUREIRA and JIMMY PALMIOTTI, this debut volume kicks off the series with a bang — don't miss out!

MORE THAN 250 PAGES OF AGELESS ADVENTURES — AVAILABLE IN A SINGLE VOLUME FOR THE FIRST TIME EVER!

Dynamite's first-ever ongoing comic book series set in the world of the beloved film *Tim Burton's The Nightmare Before Christmas* continues with its second seasonal issue this February!

Dr. Finkelstein's newest creation, the deceptively adorable Shiver, has been spirited away by Lock, Shock, and Barrel, much to Sally's consternation. But things are about to go from bad to worse for this newest resident of Halloween Town when Shiver stumbles into Oogie Boogie's lair — and unknowingly consumes a breakfast belonging to three of his hungry ghouls!

Luckily for Shiver, Lock, Shock, and Barrel aren't about to lose their new friend over such a trivial misunderstanding — not when they're due at Christmas Town for the snowy realm's first-ever Halloween. And it's a good thing, too, because when the famed trio of tricksters confront the horrifying adorableness of Christmas Town's take on their signature celebration, they'll need all the help that they can get to set things right!

Jolly old elves TORUNN GRØNBEKK and EDU MENNA summon the holiday spirits in *Tim Burton's The Nightmare Before Christmas: The Shiver of Christmas Town #2* — accompanied by costumed covers from JAE LEE & JUNE CHUNG, SOO LEE, and ALAN QUAH, as well as a special selection from the Disney Library!

Jack and Sally seem like the perfect couple — but all is not well in Halloween Town!

After escaping from Dr. Finkelstein and marrying her true love, Jack, Sally has become the realm's official Pumpkin Queen. But as much as she adores her skeletal husband, the spotlight of popular attention and the weight of her many new royal obligations have left Sally wondering if she might have actually just traded one form of captivity for another. To make matters worse, when Sally and Zero discover a hidden doorway leading to the previously unknown Dream Town, the resulting cascade of calamities threatens not only her new position as Pumpkin Queen, but also the very foundations of her world!

To save her beloved home, Sally will have to summon all the strength she has within her seams — or else the future could become a nightmare without Halloween!

Featuring the timeless characters from *Tim Burton's The Nightmare Before Christmas*, this all-new graphic novel is adapted by acclaimed author LIZ MARSHAM (*Disney Princess: Ariel and the Sea Wolf*) and illustrated by ALESSIO PETILLO and ISMAEL CANALES, and features hauntingly beautiful cover art by comics legend JILL THOMPSON!

In his never-ending quest to discover new avenues for his evil schemes, Dr. Jumba realizes that there's a huge reservoir of untapped potential all around him in the world's oceans — if only its inhabitants could communicate with us "Dry Landers." Animated by this inspiration, the bad doctor quickly creates a submersible machine that grants all marine dwellers the power of speech — only to have it hijacked by the irrepressible Experiment 626!

As Stitch rides the Basic Underwater Translator into the briny deep, a thousand new conversations bloom in his wake (including some disconcerting discussions among disparate dolphin factions). And while Jumba and Pleakley race to recapture his rogue invention, this chatty new life aquatic is about to make its presence known — both above and below the surface!

Amphibious authors CONNOR RATLIFF and JAMES III join artist GRETA XELLA for the ultimate undersea adventure in *Stitch #7* — featuring fully submersible covers by EDWIN GALMON, JAE LEE & JUNE CHUNG, CIRO CANGIALOSI, and GEORGE KAMBADAIS!

The Greek gods don't really get why Hercules chose a mortal life over joining them on Mt. Olympus, but since he proved his mettle as a hero many times over, they're happy to enlist his help with divine missions in the earthly realm — like when Aphrodite brings an artist's sculpture to life, and Herc has to restrain the newly conscious artwork from destroying everything in its path!

After reining in the rogue statue, Hercules returns to explain the situation to Aphrodite — only to find her temple empty and abandoned. Is the goddess of love simply pouting, or is something more sinister afoot? If you know anything about classical mythology, you know it's going to be the latter!

The immortal team of Emmy Award-winning writer ELLIOTT KALAN and artist GEORGE KAMBADAIS bring these legends of antiquity to hilarious new life in *Hercules Vol. 1: The Monster Hunter*, collecting issues #1-6 of the epic series, and featuring a complete cover gallery of vase-worthy artwork from the finest artisans of the land!

Deep in the frozen wilderness of the Arctic Circle, a lonely satellite relay station is manned by a single research scientist. For years, the facility's profound isolation has guaranteed the integrity of its top-secret operations — but all of that is about to change.

Materializing out of the blinding snow, an intruder walks through every security measure the base can throw at it. As she watches the unstoppable figure approach, the lone researcher is faced with a stark choice: risk the station's security in a last-ditch defense, or improvise a more permanent — and lethal — solution?

The Terminator artist LUKE SPARROW reunites with authors DECLAN SHALVEY and RORY MCCONVILLE to finish their countdown to Judgement Day in *The Terminator: Metal* #5 — featuring concussive contributions from steely-eyed cover artists SHALVEY, BOB LAYTON, SEBASTIAN PIRIZ, and REESE HANNIGAN!

The plans to kill Sarah Connor and her son John have failed, but the genocidal Skynet isn't out of options yet. There are still a few more avenues into the past that will allow it to destroy the human resistance that is poised to smash its processors into silicon shrapnel — it just needs to expand its theater of operations.

Opening a new front in the war, Terminators are dispatched across the globe and throughout time to target current resistance fighters, their ancestors, and anyone else unlucky enough to be in the strike zones. And while none of these secondary assignments are as straightforward as the missions of the first T-800 and T-1000, time is literally on the machines' side. When all of history becomes a war zone, nowhere — and no*when* — is safe!

Written by DECLAN SHALVEY and illustrated by LUKE SPARROW, DAVID O'SULLIVAN, LORENZO RE, and JOE MULVEY, *The Terminator Vol. 1: Out of Time* collects issues #1-5 of the acclaimed new series, and also includes the complete backup story "Buried Alive" by writer SAL CRIVELLI and artist COLIN CRAKER as well as a comprehensive cover gallery!

Derrick Chew (K-RI/Virgin)
Lucio Parrillo (L-RI/Virgin)

A brand-new story arc begins here! When Vampirella rejects the romantic overtures of Chaos the Mad God, the spurned immortal reacts… *poorly*. The result? Our favorite Vampiri is sent hurtling through space and time, winding up stranded in the waning days of the American Old West. But wherever (or *when*ever) she finds herself, the Daughter of Drakulon is nothing if not resourceful — something that a gang of predatory cowboy vampires is about to discover first-hand!

The legendary Vampi creative team of writer CHRISTOPHER PRIEST and artist ERGÜN GÜNDÜZ reunite for a tale of the good, the bad, and the undead in *Vampirella* #11 — featuring slyly celebratory covers from LUCIO PARRILLO, DERRICK CHEW, JOSEPH MICHAEL LINSNER, ELIAS CHATZOUDIS, and cosplay by RACHEL HOLLON!

Vampirella's daughter Lilith, now working for the Reality Corporation, has received her first assignment: investigating an anomaly in one of the many threads of the Fabric, where one world's Vampirella has gone eerily silent. Upon reaching this troubled reality, Lilith discovers a world overrun by the spawn of Chaos, and finds a Vampirella beaten and broken. Now Lilith must save this world from a monstrous evil, but to do so she'll have to find a way to restore Vampirella as the unstoppable warrior of Order she was before!

The acclaimed writing team of TOM SNIEGOSKI and JEANNINE ACHESON (*Vampiverse*, *Pantha*) reunites with artist DANIEL MAINE (*Vampiverse*, *Chastity*) for an exciting addition to the Expanded Vampirella Universe! Collects all five issues of the series, together with a complete cover gallery!

The OG Dracula, Vlad the Impaler, is back, and he's raiding the Multiverse of Movies to build a monster army and conquer the world. There's only one woman can stop him — Vampirella. But it turns out she's busy in her own books, so it's up to Elvira, Mistress of the Dark and bane of Vlad's existence, to stop his evil plan!

Following hot on the spiky heels of *Elvira in Horrorland*, *Elvira in Monsterland* features more movie monster mayhem than a full moon at Forry Ackerman's house — all courtesy of the supernaturally talented team of author DAVID AVALLONE and artist KEWBER BAAL! Collects issues #1-5.

THE TREASURE OF A LIFETIME — SURROUNDED BY THE DEAD!

RED SONJA: EMPIRE OF THE DAMNED TRADE PAPERBACK

FC | 128 pages | Sword & Sorcery | $19.99 | Teen+ | 2/4/26

writer: Steve Niles
artist: Alessandro Amoruso
cover: Joshua Middleton

After landing in jail following a night of drunken revelry, Red Sonja hears an outlandish story from a fellow inmate. Deep in the mountains lies a dead city in a valley with no name. Abandoned and forgotten, its fields and streets are littered with the bones of two armies, all destroyed by a curse from a warlock who has long since vanished, along with his vast treasure — untold riches just waiting to be taken.

At least that is the legend. But Sonja's cellmate Morgo has more than a diverting tale — he's also got a map that says this legend could well be reality. All they need to do is break out of lockup and hit the road — which may be easier said than done!

Written by horror legend STEVE NILES (*30 Days of Night*) with stunning art by ALESSANDRO AMORUSO, *Red Sonja: Empire of the Damned* collects all five issues of the acclaimed miniseries, together with a complete cover gallery!

Ever since she took the throne of Sogoria, Sonja's journey has been leading to something greater still. Her small kingdom threw off the shackles of an empire only to see terrorism, revolt, and finally the brutality of Thulsa Doom. Now, following a costly attack on the Emoran Empire, Queen Sonja's people are starved and near desperation, and their ruler is openly targeted for assassination. Her new enemy is within her walls, wears no flag, and knows no mercy. There is only one way that this can end — in fire and blood!

This second paperback compendium of the epic *Queen Sonja* series delivers a whopping 504 pages of the She-Devil with a Sword's adventures from issues #16-35, encompassing three complete story arcs in one amazing omnibus!

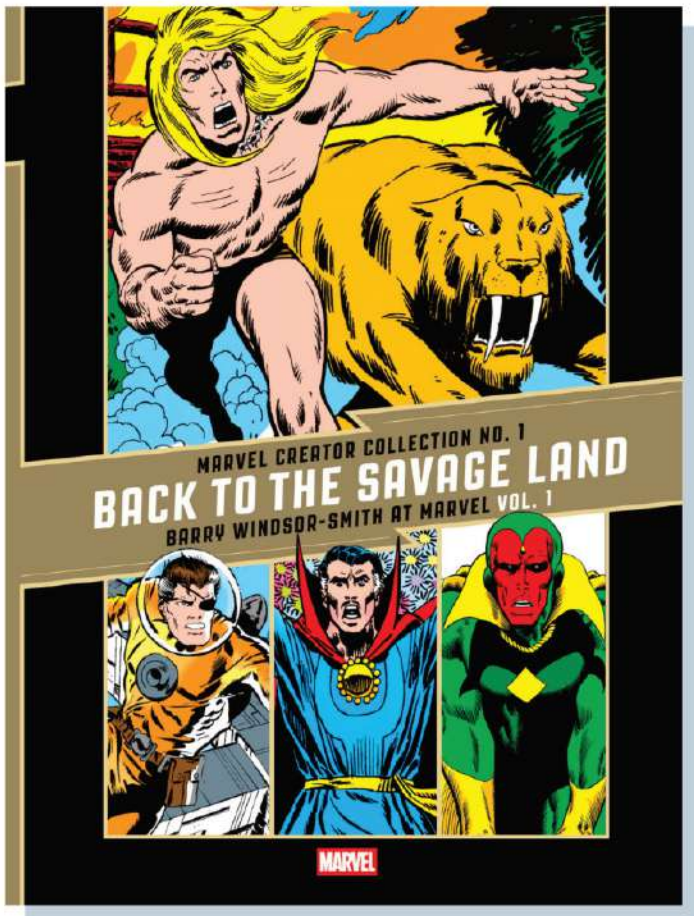
FANTAGRAPHICS
50TH ANNIVERSARY

NEW RELEASES
FEBRUARY



THE MARVEL CREATOR COLLECTION NO. 1: "BACK TO THE SAVAGE LAND" BARRY WINDSOR–SMITH AT MARVEL VOL. 1

By Barry Windsor–Smith

This first of a three-volume series collecting the legendary Barry Windsor-Smith's work at Marvel features his early work on *X-Men*, *The Avengers*, *Doctor Strange*, and *Iron Man*, as well as his amazing run on Ka-Zar in *Astonishing Tales*, and much more.

From the moment Marvel brought him to the U.S. in 1969, Windsor-Smith was a creative force to be reckoned with. A passionate devotee of Jack Kirby, Windsor-Smith's earliest drawing at Marvel reflected that influence, but he quickly developed his own unique, eye-opening style, combining intricately detailed realism with the dreamlike lushness of art nouveau and late-1960s psychedelia.

This volume focuses on the earliest of his work, including memorable storylines on *The Avengers*, *Iron Man*, *Doctor Strange*, and individual stories for *Chamber of Darkness*, *Tower of Shadows*, and *Nick Fury, Agent of S.H.I.E.L.D.* All new benchmarks of comics art, culminating in what may be the highlight of this period: Windsor-Smith's collaboration with writer Gerry Conway on an epic tale of civil war in Ka-Zar's Savage Land. Future volumes will trace Windsor-Smith's career through such milestones as *Machine Man* and *Weapon X*.

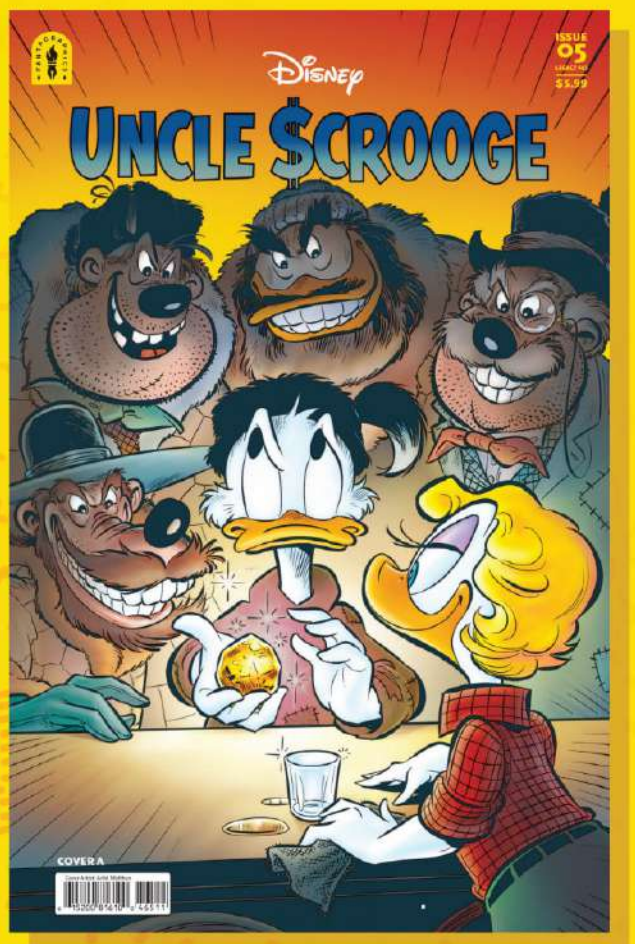
CLASSIC DISNEY COMIC BOOKS REVIVE CLASSIC DUCKBURG CO-STARS!

How well do you know Duckburg? Climb our extended family tree this month — with Scrooge McDuck's infamous old flame **Glittering Goldie O'Gilt** and that crafty Klondike con man, **Soapy Slick**, starring in two new Uncle Scrooge adventures! Then Donald's and Scrooge's rolling underground foes, the **Terra-Firmians of Terry Fermy**, have a family feud that Donald must solve — or wreck Duckburg trying!



UNCLE SCROOGE #465: FIRST AIDERS OF DAWSON

Written by Carlo Panaro, Knut Nærum, Thad Komorowski, and Joe Torcivia; Drawn by Daniela Vetro and Arild Midthun

Grab your pickaxe for two untold tales of Scrooge McDuck's Gold Rush adventures! In "First Aiders of Dawson," Klondike "ice queen" Glittering Goldie is mining Scrooge's gold claim at White Agony Creek when she takes a mortal blow... or does she? And when Scrooge, sinister Soapy Slick, and the Mounties all try to help or hinder her, just how much gold may change hands? Next, in "Klondike Calculations," a trained bear seems to be robbing the Blackjack Saloon blind! Can Scrooge tame the savage thief before things get hairy?

CRAZY FOR YOU

By Paul Theroux & Steve Lafler

In this double feature of love and obsession, two short stories by the acclaimed novelist and travel writer Paul Theroux are adapted into comics in a feat of vision only veteran cartoonist Steve Lafler could accomplish.

Money, women, power, and rebelling against the golden years. These are some of the perilous and alluring patterns that weave their way through *Crazy for You*. In this double feature of love and obsession, two short stories by the acclaimed writer Paul Theroux are adapted by veteran cartoonist Steve Lafler. "Minor Watt" is a high society satire lampooning the perverse relationship between art and the art market — and what happens when the joy of owning is outstripped by the thrill of destroying. "Siamese Nights" is a tale of infidelity, infatuation, and exoticism, blending into an intoxicating, midlife crisis siren song. Little choices and self-betrayals build until a quiet leitmotif rolls into a shattering crescendo.

Lafler's bold and expressive style effortlessly captures the pulp exuberance adorning Theroux's stories and the profound vulnerability underlying his characters. Crazy for You will stop you in your tracks right before it bowls you over.

BUTCH #1 A HATE COMIC

By Peter Bagge

What's this? A *HATE* one-shot starring Buddy Bradley's younger — and much more f*#ked-up — brother? Yes, please! Picking up where 2024's *Hate Revisited!* left off, Butch faces possible prison time stemming from an incident while squatting on his nephew's rural property. When he becomes a cause célèbre to far-right media and an invited guest of the next "Ameri-Con", it sends him on a path towards an unexpected spiritual awakening...

HATE #1 "FACSIMILE EDITION"

By Peter Bagge

To celebrate Fantagraphics' 50th anniversary in 2026, we are proud to bring back this era-defining classic: the comic that made Buddy Bradley a Gen-X slacker antihero! *The Seattle Weekly* once wrote, "20 years from now, when people wonder what it was like to be young in 1990s Seattle, the best record we'll have is *Hate*." This legendary comic, introducing Buddy Bradley and his loser roommates Stinky and George, remains a defining icon of grunge-era alternative culture, and a riotous look at aimless youth.

UNDERCITY

By Monte Schulz

In an uncannily prescient novel eerily relevant to our contemporary political moment, *Undercity* unfolds across 16 interconnected vignettes, as author Monte Schulz charts the lives of two dozen characters desperately trying to survive and retain their humanity in a civil order that has tumbled into totalitarianism.

Once there was a republic of boundless wonder and achievement whose bright horizon had gone dark, soiled by a populace it imagined as undisciplined, unhealthy, feebleminded, and whose very existence stained and subverted a great society. A solution appeared in the furious logic of Biological Dominion that named the ineffectual and weak, the criminally deformed and unwell, as the root cause of this decline. Now, imagine laws conceived in the high halls of government to rid this society of millions deemed infected by a curious disease supposedly responsible for that poverty of health and morality. Next, imagine those millions considered to be unfit and unworthy for daily life loaded onto freight trains and ushered away to perish in distant woods and fields. Imagine more thousands chased into the vast underground of labyrinthine caves and dark catacombs beneath vibrant city streets and lovely city parks to wither away and die.

Undercity collects the voices of brave survivors, of those who've refused to submit to the indignities of eugenical persecution, the horror of gas chambers, and relentless warfare in rural provinces. Some of these stories demonstrate the moral disaster of eugenics, while others tell of courage and love and that indomitable magic of the human spirit that refuses to be silenced in the face of unspeakable crimes. Perhaps Undercity is a warning to us, as well, that what we might think is unimaginable needs only apathy and inattention to arise.

THE THIEF

I am Fiora Piña and I do not live in the dark. I am not a stinking rat. I sell down here in the tunnels what I steal because if I did so up above in the streets I could be arrested and gassed. That's what they do when we refuse to admire their laws and rules. Starving to death is a rule to be avoided. Being taken by law to Moxley and raped by the Trinité jailers is also to be avoided. Believe me on this. I speak from experience. That noxious breath on my face as they traded me back and forth on those filthy cots is not easily forgotten. Best not to be arrested. Steal from above, trade down below. The undercity has rules, too, but ours are not so strict unless we hurt somebody else. Unless there is blood or broken bones. Hearts are broken down here, that is true. If nobody's heart were broken, nobody cried or was afraid, then why would we be here? Who wants to live in these crowded caves? For enough credits, it's worthy of a few hours a day. Most of us can tolerate that. Some tolerate too much and live so far beneath the sunny streets that it's impossible for them to leave.

I am Fiora Piña and I want to be loved. We girls are anxious for love. Some men and boys are, too. Men more than boys because they tire more easily of toys and adventure and choose sex over running up and down and kicking balls about. Men also need to be taken care of. Hardly any of them can cook or mend trousers. They can't sew buttons or wash a stain out of their undershorts. Boys can't either, but they don't care to and most of them have mothers or nurses to do that for them. We girls are supremely independent. Just last week after supper I was fooling myself with a boy named Komitz who asked me how many babies I had. We were cuddling in a cellar stoop on Puznya Street behind the fruit markets where the rotten food is sold to those who can't afford fresh. We were familiar with each other but hadn't asked any of the critical questions that need asking before becoming in love.

I told him, "If I had a baby, I wouldn't play with you because I'd have more valuable time."

He said, "I got lots of valuable time and I ain't got a baby, but I ain't a girl, neither. I got a job that keeps me all day long and it's important, too."

"What sort of job?" I asked, suspicious because Komitz only has one eye and that one doesn't work so well. He can't tell a dog from a cat unless one of them barks.

"It's a secret I ain't allowed to share on threat of getting my arm chopped off."

"Does it pay much?"

"Six potatoes and a cup of Filo once a week."

"That's rich."

"They say so."

"Who says so?"

"Searby and Behr. They had the same job before me. Now they push wheelbarrows at the Moulthrop Docks and don't earn half that and work twice as long. It ain't worth it just to see the sun now and again."

"That's how come I'm independent and don't have a baby," I told him. "I go where I want and do what I choose and nobody's giving me instruction I don't need."

"Well, aren't you just Queen of the Fairies?"

"Would you love me and give me a baby if I was?"

"Do we get a motor to ride around in?"

"Maybe, depending on who our baby best resembles, you or me."

"What's the difference?"

"You're kind of ugly and we won't get far with a baby who takes on your face. Life doesn't follow that street. Nobody lets ugly people drive a motor. Doesn't reflect well on any of us. Sorry but that's a true fact."

I let Komitz down easy by avoiding him in the Quaerenda Catacombs and up on Trask Street where I heard he had another girl on his sheet of crushes. She was a thief, too, but not as good as me. I was told she'd been arrested twice already and raped at Moxley by everyone with a noodle and a gaggle of old ladies who got tired of their own ugly faces. I didn't feel sorry for her. A girl's got to show some smarts in this world if she wants to get on with her life and do some big things. I made a lot of friends in the undercity who look out for me if I promise to cut them in on valuable merchandise and other doodads

QUEEN OF COSMOS COMIX TRILOGY

By Barbara "Willy" Mendes

Barbara "Willy" Mendes' masterpiece of hallucinogenic storytelling, *Queen of Cosmos Comix Trilogy*, collected for the first time in a single volume.

In *Queen of Cosmos Comix Trilogy*, underground cartoonist, fine artist, and muralist Barbara "Willy" Mendes chronicles women creators' psychedelic journey through Biblical tableaux, modern life, and into a fantastical, interstellar future, weaving in her own intimate stories of being an artist, mother, and grandmother, especially in the never-before-published third volume. Inspired by Jewish mysticism, Mendes presents a creation myth shaped by feminine cosmic consciousness, with new, immersive worlds — and a radical reimagining of this one.

Includes an illuminating and entertaining interview with Mendes, as well as the 3rd never-before-published chapter of the trilogy.

LOST MARVELS NO. 1: TOWER OF SHADOWS

By Neal Adams, Jim Steranko, Barry Windsor-Smith

The never-collected horror anthology series featuring stories by Jim Steranko, Neal Adams, Barry Windsor-Smith, Stan Lee, John Buscema, and other Silver Age masters.

In 1969, with its revolutionary superhero line well established, Marvel took a chance on the kind of supernatural, EC-style anthology series that had been banned since the formation of the Comics Code in the 1950s. *Tower of Shadows* featured a staggering array of artists and writers, including Neal Adams, Jim Steranko, Barry Windsor-Smith, John Buscema, Gene Colan, Wally Wood, Stan Lee, Roy Thomas, John Romita, Johnny Craig, Marie Severin, Gerry Conway, and Bernie Wrightson, to name a few. Freed from the conventions of the superhero adventure, these creators brought their storytelling skills to a more quietly sinister genre, producing atmospheric gems of twisted suspense and sardonic horror.

Not only do these nine issues feature Marvel's best creators working at their peak, but *Tower of Shadows* is one of the lost, never-collected Marvels. In the first of a new series of Lost Marvels, Fantagraphics and Marvel join forces to introduce these pages to a new generation of readers and restore this series to its rightful place in comics history. This gorgeous volume brings every *Tower of Shadows* story and cover to life in vivid color and features background and analysis by comics journalist Michael Dean.

WALT DISNEY'S MICKEY MOUSE AND THE AMAZING LOST OCEAN

By Denis-Pierre Filippi & Silvio Camboni

The mind-bending creative duo of Denis-Pierre Filippi and Silvio Camboni (*Gregory and the Gargoyles*) throw Mickey, Goofy, and Peg Leg Pete into a steampunk comics adventure of world-changing proportions!

In a parallel reality — in a dystopian future — scavengers rule the Earth: pals like Mickey and Goofy are salvaging rare fuel from the seafloor, and rogues like Peg Leg Pete are fighting to get it first! One day the realm is rocked by the arrival of a strange stone cube with untold powers. Brilliant Dr. Einmug wants it, but so does Pete's genius cousin Portis. Can Mickey control the cube before it makes the ocean itself fly to the sky... and our heroes' world next?

The European writer/artist team of Denis-Pierre Filippi and Silvio Camboni present an incredible new Mickey Mouse graphic novel — at once reflecting the Golden Age of comics past, and presenting awesome steampunk sights like no Disney fan has seen before

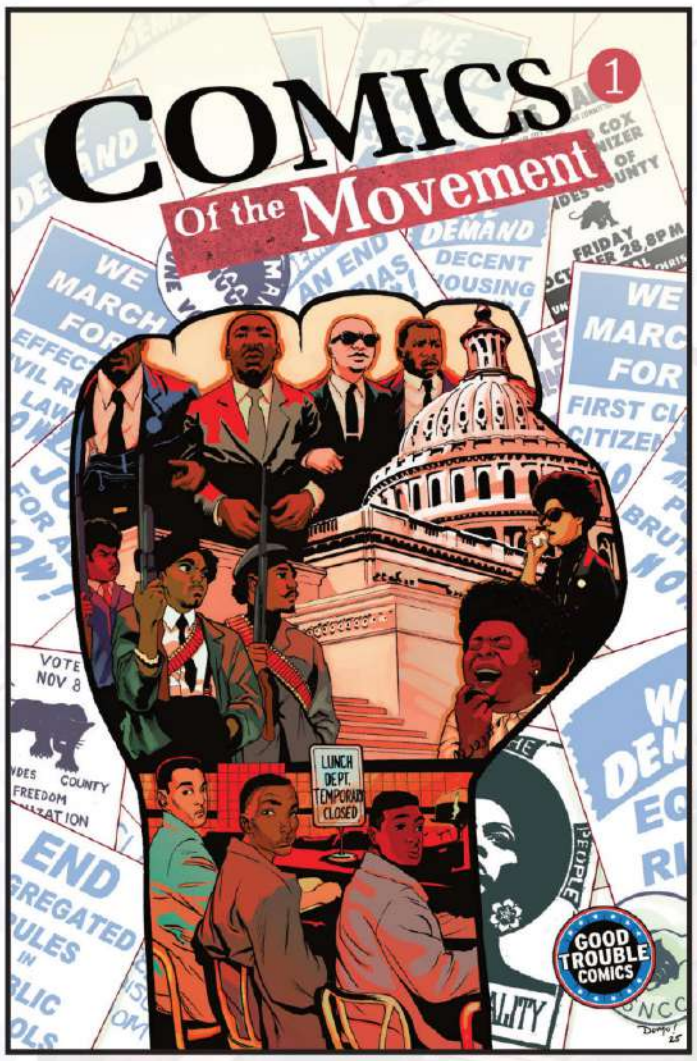
Comics of the Movement #1



Reintroducing classic as well as forgotten comics published during the social movements of the fifties, sixties, and seventies, ***Comics of the Movement (COTM)*** connects modern readers to the comics which inspired and educated past generations. With historical context, interviews with surviving creators, and original research, ***COTM*** provides the history of civic responsibilities, social struggles, and tactics of organizing and protest for students of today. In just the first issue, the Lowndes County Freedom Organization (LCFO) comics from the Spring of 1966 are reprinted for the very first time and are paired with the classic 1957 comic ***Martin Luther King and the Montgomery Story (MLKMS)*** from the Fellowship of Reconciliation. These pieces provide a broad look at the comics used during the southern Civil Rights Movement, ***MLKMS*** being the first comic used to inspire the student movement, along with the student-produced LCFO comics, which feature comics' first Black Panther—predating both the Marvel character and the founding of the Black Panther party.

Survey of the great painted cover artist featuring over 300 examples of his work; ISBN 978-1-61345-288-2.

What made many of the great adventure comics of the 1960s so attractive were their fantastic painted covers by artist George Wilson. Wilson also turned in hundreds of painted covers for paperback books that range from The Phantom and Flash Gordon to romance, adventure and war titles, all illustrated in the extensive survey of his work. Unlike the majority of comic book covers of the era, Wilson's covers harkened back to the era of pulp magazines and were spectacularly eye-catching. He turned in efforts for literally hundreds of comics titles — this important monograph on the artist provides examples of every genre he worked in. Presented are cover paintings scanned from the original artwork from Classics Illustrated, The Twilight Zone, Ripley's Believe It or Not, Doctor Solar, Magnus Robot Fighter, Turok, Son of Stone, Star Trek, Korak, Son of Tarzan, Mighty Samson, Brothers of the Spear, Boris Karloff Tales of Mystery, Space Family Robinson, Dark Shadows, and The Occult Files of Doctor Spektre to name but a few.
This new art book focuses on over 300 examples of his cover art accompanied by an introduction by famed artist Joe Jusko, an exhaustive essay by Anthony Taylor and the only interview Wilson ever gave. This is the ultimate, definitive art book about one of the most important cover artists of the Silver and Bronze ages. While most comic books sported covers that were created in pen and ink and then colored for publication, Dell Comics and its break-away competition Gold Key featured painted and photo covers. One of the most distinguished practitioners of painted comic book covers was George Wilson.

This long-deserved book finally presents over 300 examples of his mastery of the medium.

Hermes Press presents an original graphic novel adding a new chapter to the classic vampire/gothic romance universe of Dark Shadows — The Curse of Dark Shadows with a spell-binding script by Craig Hurd-Mckinney and artwork by Jok. This 176 page color graphic novel presents a tale of drama and suspense: Carolyn Stoddard-Hawkes made a deathbed promise to her mother. But, in order for Carolyn to complete that promise, she must rely on the one person in the world she doesn't want to see: vampire Barnabas Collins. His return home after an extended period away sets in motion a chain of events that will change the Collins family forever. Can Carolyn and her cousin David survive the newly-awakened Curse of Dark Shadows, or will Barnabas be the end of the family line?

Also included are documentary content with art and supplemental materials.

—John Logan, Playwright Screenwriter and Creator of PENNY DREADFUL after reading this new chapter in the Dark Shadows saga observed: "If you, like me, long for more adventures at Collinwood and with your Dark Shadows friends, look no further. CURSE OF DARK SHADOWS is modern, sexy, scary and, most of all, thoroughly Dark Shadows."

ISBN 978-1-61345-294-3; A prequel to the newspaper strip On the Fastrack; $19.99; New and complete OGN for ages 12 years old and upward.

A prequel to the popular Dethany character from the hit newspaper strip On the Fastrack. When Dethany Dendrobia, the cheerful 12-year-old Goth, joins the neighborhood swim team, she assumes she is just helping out friends who need an extra person to qualify for meets. Outdoor sports are definitely beyond her comfort zone, but Dethany relishes the opportunity to spend the summer with her best buds before they move up to 8th grade--and before her family is transferred to a new town. However, not long after her first meet, mysterious incidents begin happening at the pool, and Dethany is the prime suspect. As she and her friends fight to clear her name, they uncover evidence that leads to stakes more important than a simple relay race.
This coming-of-age graphic novel features the normal milestones of puberty set against a dastardly plot of local intrigue. Dive in!

"DETANY AND THE PHANTOM OF THE SWIM TEAM is delightful, imaginative, and takes problem-solving to fun new levels. You'll love tween Dethany and her quirky and determined circle of friends." —Terri Libenson Emmie & Friends

ISBN 978-1-61345-2302-5; contains five complete Phantom stories; supplemental material and essay.

Referred to by comic strip historian Maurice Horn as the "granddaddy of all costumed superheroes," The Phantom was created in 1936 by Lee Falk. The strip hit the funny pages of newspapers well before the Dark Knight or Superman made their first appearances and has been acknowledged as an influence on every "masked man of mystery" since. The Phantom set the standard for action, adventure, intrigue, and romance in adventure comic strips and comic books — it has frequently been copied but never equaled.

This exciting 34th volume continues the SY BARRY YEARS! Reprinted in all its black and white glory, journey with Hermes Press as we bring you five complete continuities drawn by Sy himself which continue the adventures of The Phantom, Diana, and his two children: "The Death Threat,"The Master of Eden," "Attack of the Witchmen," "The Valley of the Elephants," and "Zima the Rogue Elephant" Also included is a comprehensive essay and documentary materials.

FIVE GEARS IN REVERSE: A CRIMINAL BOOK HC

STORY ED BRUBAKER
ART SEAN PHILLIPS
COVER SEAN PHILLIPS

ADVANCE SOLICIT

A brand new CRIMINAL graphic novel featuring the legendary RICKY LAWLESS and the crazy tale of how he and MALLORY fell in love in the midst of a crime spree.

In one of the wildest, most action-packed books that Brubaker and Phillips have ever done, we delve deep into the life of one of CRIMINAL's most complex and tragic characters, Ricky Lawless as he tries to pay off a deep debt to a mobster, while things just keep going from bad to worse.

FIVE GEARS IN REVERSE will have long-time CRIMINAL fans cheering the return of RICKY LAWLESS and new readers will find it a perfect jumping-on-point for the greatest crime comic series of the 21st century.

"Brubaker and Phillips don't hit a wrong note."

"You had me at magic talking eyeball shield. Brett Bean creates a fantasy world like no other! Don't be a dork, buy ***D'orc***!"
—**ROBERT KIRKMAN**

Armed with nothing but a magical yet ambitiously violent shield, a lonely orphan stumbles headfirst into Sunderaine's never-ending war between the Light and Dark. Elves vs. Orcs. Wizards vs. Common Sense. Dragons vs. Literally Everyone. And caught dead-center? D'ORC.

With a wholly inconvenient doomsday prophecy, the half dwarf, half orc—all D'ORC—is fated to end the world. Soon, every human, elf, goblin, dwarf, Snargletooth, Necroid, Ice Giant, Trauma Llama, and at least three other unpronounceable magical creatures, will know his name and want him dead. There will also be a chicken.

Join fan-favorite artist **BRETT BEAN (*I Hate Fairyland*, *Dungeon Crawler Carl The Crocodile*)**, colorist **JEAN-FRANÇOIS BEAULIEU** (***I Hate Fairyland***), and letterer **NATE PIEKOS** (*Minor Threats*) for a hilarious high-fantasy romp perfect for fans of *Conan*, *Lord Of The Rings*, and of course, **GERT's** deadpan humor.

Daniel Upton and Edward Derby have been best friends almost their entire lives, right up to the point Daniel shoots Edward dead in the Arkham Sanitorium—a crime Daniel swears he didn't commit, despite all the evidence. What happened on that fateful day in Arkham? What is the truth behind this seemingly mindless act of violence? Witness the beginning of this doomed relationship and Edward's slow descent into a horrifying world beyond his control.

From award-winning writer Simon Birks (ANTARCTICA, Sinners, Gone, The Shadow Over Innsmouth) with artist Willi Roberts (ANTARCTICA, The Dark, Clodagh, The Blood Below, Remothered) comes a chilling tale based on HP Lovecraft's terrifying story.

COVER JASON SHAWN ALEXANDER, GODFARR

The no-holds-barred action of 300 meets Birdman's magical realism in this new series that presents a self-portrait of an Iranian expat and his ode to Miller, Kirby, and all comics Americana.

The lives of a struggling but madly ambitious Iranian playwright (Hafez Bashee) and an Arab serpent-king from 611 A.D (Zahhak) who once was given the power to halt death itself in its tracks become reticulated around a non-zero sum game.

Epic action and magical mythology clash when Zahhak—a fearsome legend infamous for his stark depiction of tyrants—proposes to Hafez to toss out the death-dealingly unpromising myth's 7th C conclusion. Instead, Hafez must retell it with a Kirby exodus for Zahhak, to give his tale a Miller reboot in the comic industry. Hafez must also deal with the risk of deportation to Iran and going home to a past and a looming persecution he does not want to face.

A dreamy and haunting collection of standalone tales where perception unravels, identity fractures, and reality bends—delivered with visionary style by Dustin Weaver.

A twisted town in the Old West sacrifices one of its own every twelve hours at the demand of a demonic gun. A man finds his mind is trapped in the brain of an insect, and believes the normal world he sees is a delusion. An abandoned roadside motel is home to an entity that has captured the imagination of a passing comic book artist and is drawing him back.

The Juniper Lodge is a self-contained collection of five stories from the pages of Dustin Weaver's anthology series PAKLIS. Unpredictable, idiosyncratic, and original, each story explores themes of perception, memory, and identity while expertly moving between genres with a dynamic style.

The psychological and surreal become alluring through Weaver's engaging characters and vivid worlds, while never failing to get under the skin.

Immortal. Mercenary. Kind of a tool. Meet Simon Pure, the newest UNNAMED hero, created by comic all-stars Geoff Johns and Bryan Hitch, now collected in a deluxe hardcover edition featuring exclusive extras.

A British soldier and all-around rogue, Pure's led quite an exciting life. Or lives, really. After a failed assassination of General George Washington at the Battle of Trenton in 1776, Simon stumbled upon hooded figures performing a bizarre ritual that accidentally gave him immortality.

Since that fateful day, Simon has died and returned countless times over, rubbing elbows (and sometimes fists) with history's most renowned figures, including his nemesis Benedict Arnold, Albert Einstein, real-life serial killers the Bloody Benders, American icon Johnny Appleseed, Wild West sharpshooter Annie Oakley, and many more. But none of those encounters prepare him for The Northerner—a mysterious time-traveler who needs Simon's help to prevent the Confederacy from winning the Civil War. That is, if the two can find a way to work together instead of killing one another.

This volume closes out with a trip to Washington, D.C., as Simon encounters a haunting in the White House in a prelude to the FIRST GHOST miniseries.

From critically acclaimed creator Stjepan Šejic (Death Vigil, Ravine, Aphrodite IX, Witchblade) comes Sunstone, a love story like no other. Now presented in a 6x9 edition featuring all-new cover art by Stjepan Šejic.

Lisa's tastes were always...unique. Longing to be restrained, without restraint. Lisa always felt like something was missing from her love life—until she met Ally. Ally was implacably ordinary—successful job, nice house, an average childhood—except for her preference for bedroom domination.

Originally posted online as a webcomic, this book collects the first volume of the often erotic, always amusing, and surprisingly heartfelt Sunstone.

ADVANCE SOLICIT

Eisner Award-winning, bestselling author James Tynion IV and acclaimed artist DANI unravel the horrific origins of an iconic monster with their haunting take on THE INVISIBLE MAN.

WITNESS THE RISE OF A HORROR ICON!

Jack Griffin has always been invisible to the people around him—at least in his own mind. But when an experimental breakthrough presents a path to make his dreams of invisibility a reality, no one—not even the woman he loves—will stand in his way.

Witness Griffin's legendary descent into madness as his humanity fades away, and the monster inside is revealed, leaving only...THE INVISIBLE MAN!

The horror dream team of James Tynion IV (Something Is Killing the Children) and DANI (The Low, Low Woods) reveal their vision of the origins of one of the most horrific monsters to grace the screen in UNIVERSAL MONSTERS: THE INVISIBLE MAN.

Collects Universal Monsters: The Invisible Man #1-4.

VALE OF TEARS
Issue 2 (of 4)

Written by Steve Kilbey and Nicol Madunic (adapted for comics by Jason Franks), illustrated and colored by Keith Donald.

At the behest of the goddess Ishtar, Hannibal arrives at the court of Antiochus the Great, who is struggling to pay the taxes he owes to the Romans. Perhaps this is an opportunity for Hannibal to have his revenge on his old foes, but first he must prove himself to the decadent king.

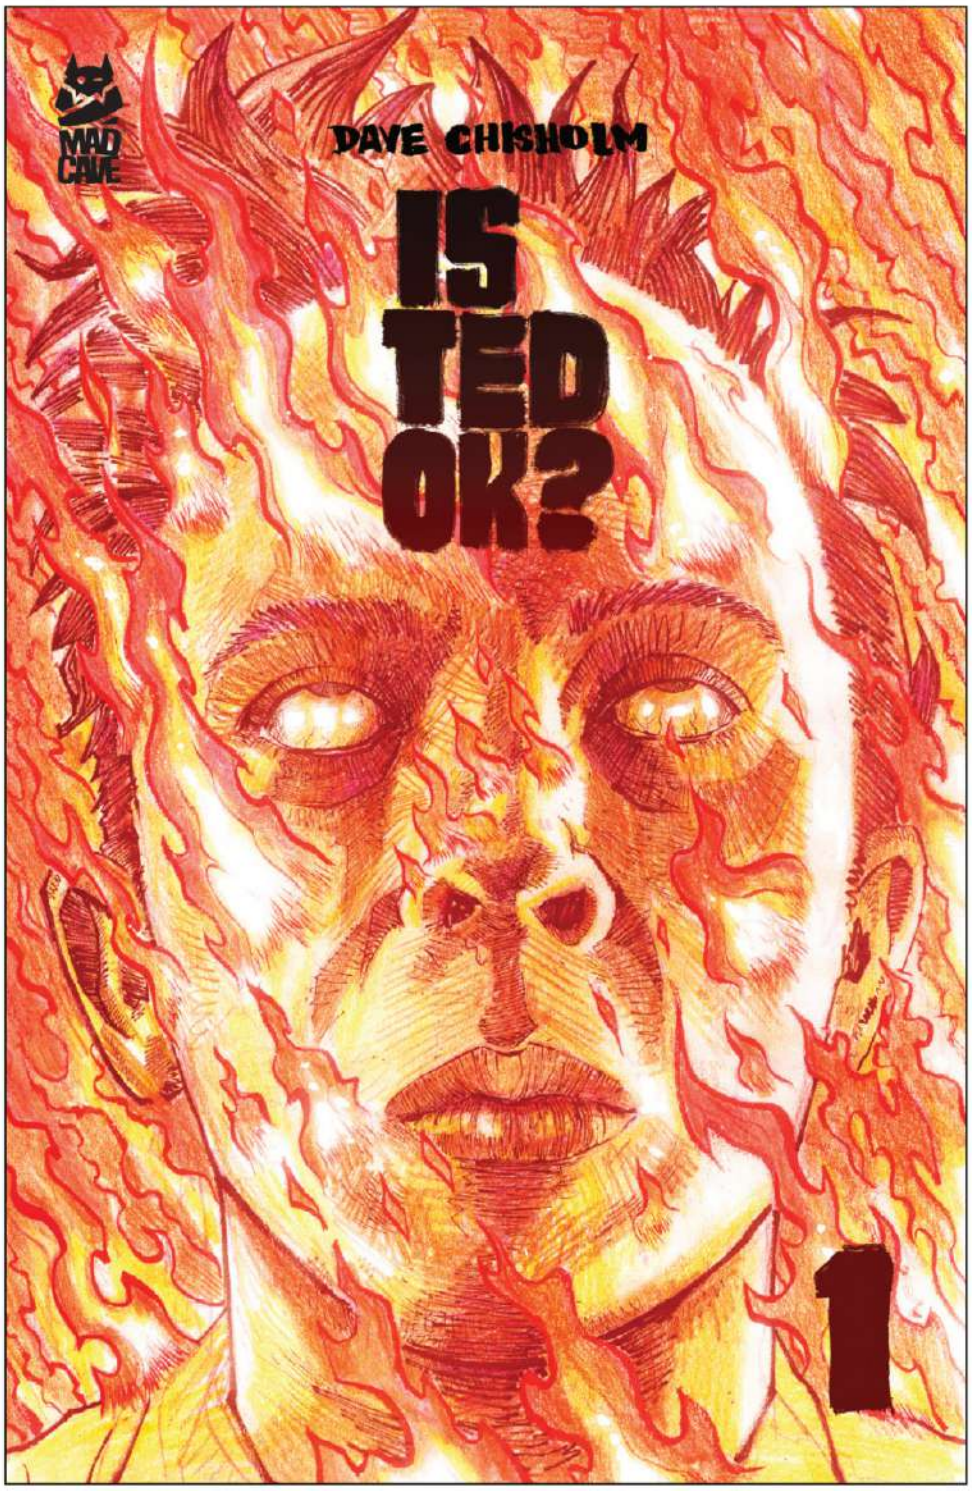
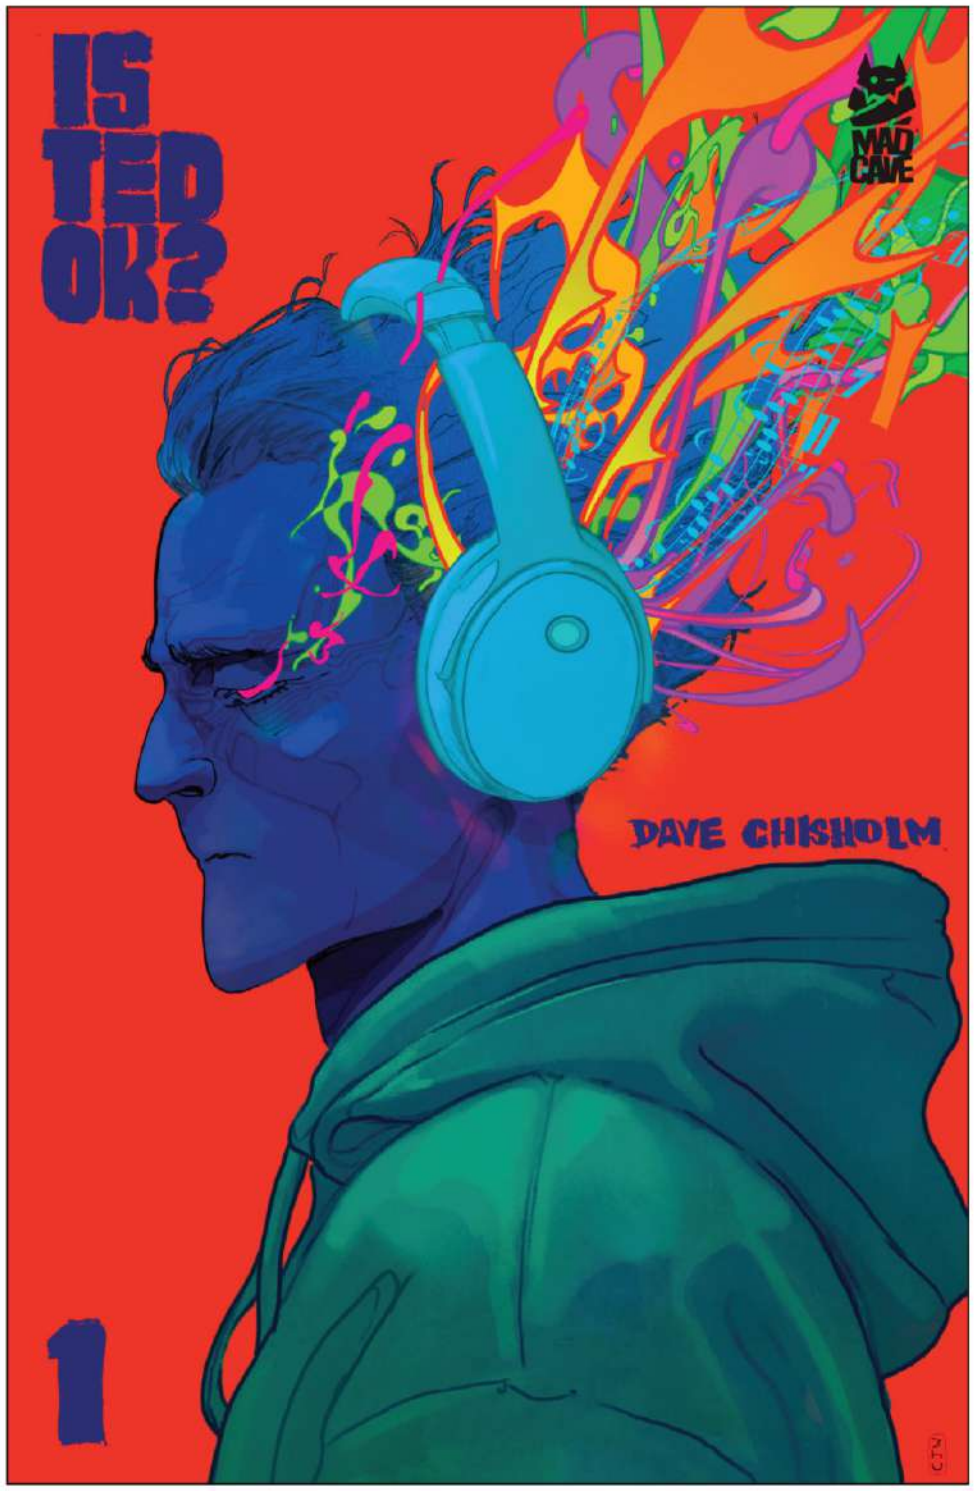
AUTHOR: **DAVE CHISHOLM**
ARTIST: **DAVE CHISHOLM**
COLORIST: **DAVE CHISHOLM**
LETTERER: **DAVE CHISHOLM**



COVER A: **DAVE CHISHOLM**



COVER B: **CHRISTIAN WARD**

This is a story about Ted and Sarah. Ted, isolated and paranoid, works for a mega-corporation owned by the world's only trillionaire. He suffers from night terrors, obsessively draws the same mysterious figures again and again, all while listening to one track of music on repeat–oh, and the only "person" he ever talks to is a stray cat. His humanity is hanging by a thread. Sarah is a new arrival to the city, fighting her own demons, and her job is to remotely spy on Ted to ensure he doesn't hurt anyone...or himself. When Ted's mental state begins to crack, Sarah compassionately intervenes to help, and things go catastrophically wrong. IS TED OK? mashes up the paranoid existentialism of SEVERANCE with the cosmic sci-fi of AKIRA while exploring what happens when the act of help goes horribly wrong.

From creator Dave Chisholm (SPECTRUM, MILES DAVIS & THE SEARCH FOR THE SOUND), Is Ted OK? is a spectacularly unpredictable yarn–each successive issue shatters the scope of the previous, all without losing its core: a search for human connection in an oppressive, paranoid world.

FLASH GORDON: CLASSIC COLLECTION VOL. 6 HC

AUTHOR: **DAN BARRY**
ARTIST: **DAN BARRY**

From the very depths of the ocean floor to self-imposed exile in outer space... From the post-apocalyptic world of New York City in the far-flung future to enslavement in an intergalactic space circus... Science fiction's most enduring icon, Flash Gordon, is back to continue his never-ending battle against intergalactic evil!

'The Lost Continent' reprints all of Dan Barry's daily strips from October 26, 1953 to July 9, 1956, restored from the original tearsheets, and includes a feature on Flash Gordon written by newspaper comic strip expert, Rick Norwood.

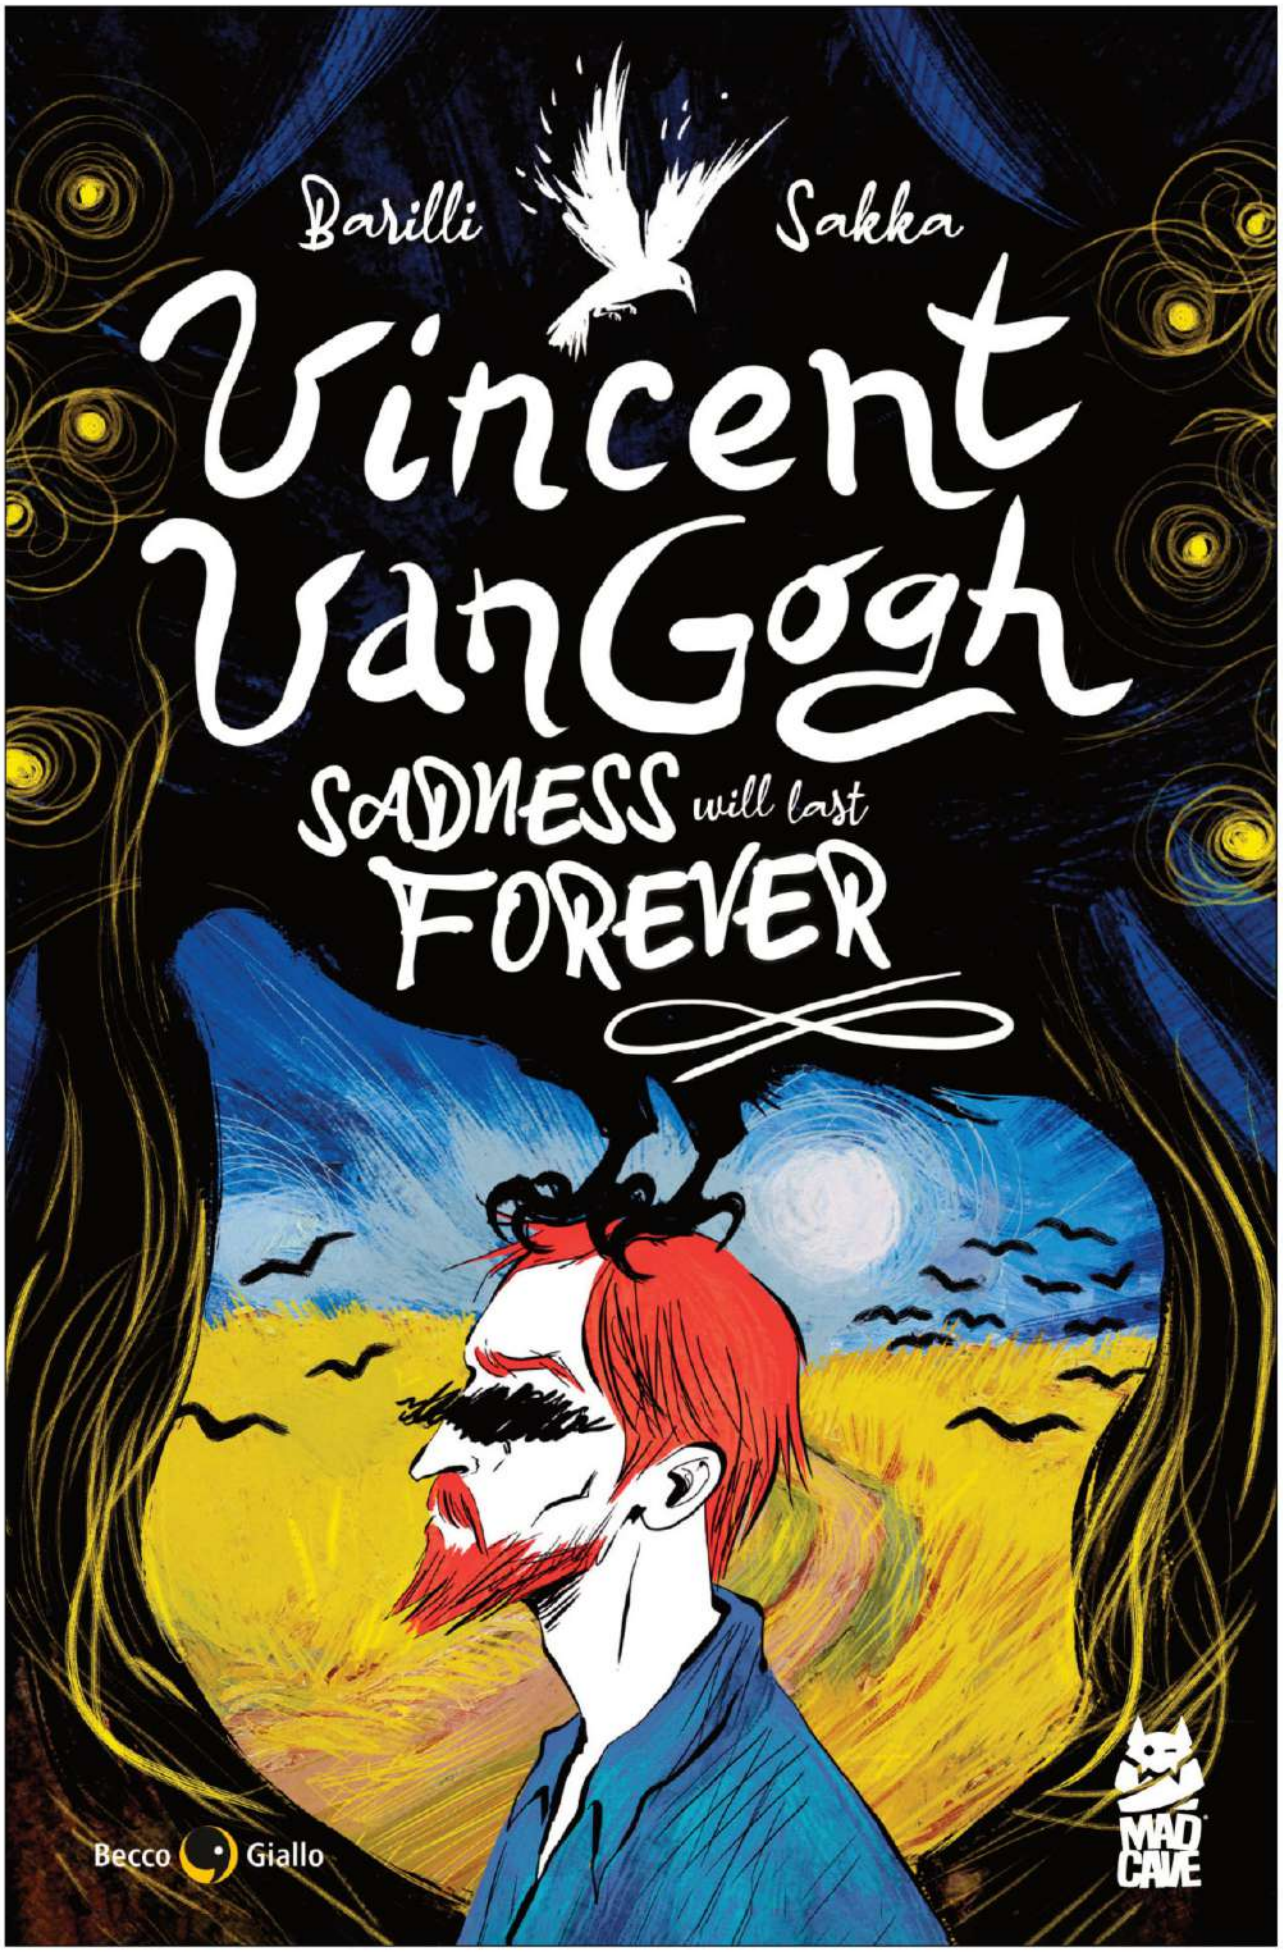
VINCENT VAN GOGH: SADNESS WILL LAST FOREVER TPB



AUTHOR: **FRANCESCO BARILLI**
ARTIST: **SAKKA**
COVER ARTIST: **SAKKA**

A gorgeously rendered, emotional exploration of the life and death of one of the most famously tormented painters in human history.

Through an emotional dialogue between Vincent and his own madness, the artist revisits the most significant loves and losses of his short life. From his tender and tumultuous relationship with his brother Theo, to the famous quarrel with Gauguin that resulted in the self-mutilation of his ear, to the extreme act of self-harm that led to his death, Vincent Van Gogh channeled an extraordinary light as bright today as it was upon his death in 1890. Now in print for the first time in English, Van Gogh: Sadness is Forever casts its own light onto the darkest shadows of the painter's life and inspirations.

THE DISAVOWED #4

Writer: JOSH BLAYLOCK Artists: POP MHAN and STEVE KURTH

Matthew Howzer finds himself at the center of a conspiracy he never wanted any part of, allying with the outlaw urban legends known only as “The Disavowed”, dealing with the consequences of a world that his late father helped create. Meanwhile The Disavowed call upon an old friend for help - a truly ‘glammorous’ ‘80s pop star with a secret life of service to the same clandestine powers that be that they used to serve.

In 1930s Veracruz Mexico, along the Gulf Coast, lie Olmec ruins, all but hidden to anyone from the outside world. Locals make money guiding academics and scholars through the region. But there is one name that is spoken in hushed tones, one name guides stay away from, they call him “El Excavador”.

The Boy doesn’t listen to whispers, he hasn’t seen that no one returns from guiding The American in the hat. No, The Boy doesn’t know the man with the eyes of the devil. But, The Boy knows he needs money for his sick grandma, and The Boy KNOWS where the ruins are.

What begins as guide and treasure hunter, turns into cat and mouse.

A cybernetic escort unveils a horrible truth!

On the run from the Chambers Corporation's brutal private police after murdering her final client, Julie Bennings finds refuge among the Corsairs — a terrorist organization planning to destroy the megacorp's interdimensional world gates.

While uncovering the truth about the Craw virus and how it was unleashed, Julie finds herself at the center of a vast conspiracy that could topple Chambers Corp... if it doesn't kill her first.

A cyberpunk noir story with eldritch horror, written and created by Joseph Schmalke (We Don't Kill Spiders, the Electric Black, and Seven Years in Darkness) with stunning artwork by co-creator J.K. Woodward (Star Trek, X-Men Origins, and Heavy Metal).

BAD BOSSES, CRAZY COWORKERS, AND SEX ROBOTS. WHAT COULD GO WRONG?

Issue #3: Samantha's Decision

Samantha is reeling from Paul's betrayal, but she has to keep smiling and act like nothing's wrong while quietly planning her next move. When a runaway robot tears through the office creating chaos, an unlikely hero steps in to save the day. As deadlines loom and tempers flare, professional rivalries and personal secrets intertwine. EroTech becomes a darkly funny exploration of how ambition, lust, and control collide in the modern workplace.

All this, plus a second installment of "AI Joe", the new feature from indie comics legend, Dean Haspiel!

Join Samantha Jenkins, new Silicon Valley CEO,and her team of misfit engineers and out-of-touch managers to release the new Model SEX- 6000 on time. The only problem is the robot doesn't know when to quit.

JOHN MUIR: TO THE HEART OF SOLITUDE

Previously offered

After a near-blinding accident in 1867, John Muir abandoned his old life to pursue his dream of exploring the wild, trekking on foot from Indiana to Florida. His journeys, including a pioneering trek along the Sierra Nevada Trail, inspired him to found the Sierra Club, help create the first national parks, and become one of America's earliest and most influential environmentalists.

Based on Glitch Productions' global animation phenomenon created by Liam Vickers and now streaming on Prime Video, it's three cheers for "destroy all humans" as all-star creators Wyatt Kennedy (*Nights*, *Marvel Voices*) and Jo Mi-Gyeong (*Eve*, *The Dark Crystal: Age of Resistance*) unleash the record-setting comics adaptation of the series that you have watched 330 million times: *MURDER DRONES*!

In the far future on the desolate exoplanet designated Copper 9, the humans are long gone but the robotic worker drones they created to mine the planet's resources are still hard at work. Together, they have managed to forge their own makeshift society . . . or so they thought until a previously unknown kind of robot—the dreaded "Murder Drones"—are activated by a long-forgotten human-scripted protocol to disassemble any worker that deviates from its original programming. But when a rebellious young worker drone named Uzi forms an unlikely alliance with two disassembly drones—Serial Designations N and V—can they, together, uncover the secrets of their origins . . . and stop the spread of the unsettling mechanical virus known as the Absolute Solver?

Robots, violence, teen angst, mad science, love, loss, doors, hormones, and chaos! What more could you ask for? A pen, perhaps? It's a clicky pen! (Ask your kids. They'll get it!)

LOVE IS PAIN . . . AND WE MEAN IT LITERALLY THIS TIME!

Did your heart ever break so hard that it felt like Cupid himself had plunged his sharp little arrow into your ribcage, only to leave a sucking chest wound for all the world to see? No?! Well, are you free on the second Wednesday in February?!

In the unrelenting tradition of EC Comics, here's one for all of you lovesick lunatics, rancid romantics, and forlorn fatalities as Oni Press proudly presents our next 56-page, coffin-shaped bouquet of brutality in *TORTURED HEARTS* #1—a giant-sized special full of soft whispers and death rattles from hot-blooded writers Jordie Bellaire (*Redlands*), Tini Howard (*Excalibur*) & Blake Howard (*Vampire: The Masquerade*), Ann Nocenti (*Daredevil*), and Amy Roy (EC's *Epitaphs from the Abyss*), alongside candy-coated artists Sebastián Cabrol (*Hulk: Maestro*), Fabiana Mascolo (*Cyberpunk 2077*), Dan McDaid (EC's *Outlaw Showdown*) and Arjuna Susini (*Lamentation*)!

Plus: Another newly restored and authentically remastered classic from the EC vaults by the legendary William M. Gaines, Al Feldstein, and Reed Crandall!

Hey, loverboy, we've all had "the blues" . . . Pick up *TORTURED HEARTS* #1 to shake them off before they turn black and start to smell bad!

From Oni Press and SpectreVision, the year's most ambitious experiment in comics storytelling culminates in our unmissable final chapter . . . uniting *HIGH STRANGENESS* architect Daniel Noah with multiple Eisner Award winner Christian Ward (*Batman: City of Madness*) and Ringo Award winner Dave Chisholm (*Plague House*)!

Welcome to the ultimate terminus of the unknown, where our four chapters, our four tragic fates, and the innumerable threads of our perplexing cosmic existence have all found themselves gathered together. Do fate or free will bind the eerie ultra-terrestrial phenomena that our brains recognize as UFOs, ghosts, cryptids, and other nonhuman intelligences? Are they distinct entities unto themselves . . . or are they all expressions of some higher order? More pressing still: Where do they come from? And where are we going?

Welcome to the final chapter, travelers . . . where all will be revealed.

A HERO OUT OF HELL! The new year's most spectacular, eye-popping indie horror hit returns with an all-new chapter from retro-powered cartoonist Nick Cagnetti (*Pink Lemonade*) and co-creator Daniel Ziegler (*Elodie*)!

As the deceased musician Erik Leroux journeys through an eerie underworld realm alongside the enigmatic Elizabeth, the truth of his forgotten past begins to unfold—one page at a time. But in the land of the living, danger brews as a vengeful witch named Helena and her arcane pet rabbit, Haruspex, mark Erik for destruction. But what dark grudge binds her to a man who no longer walks among the living? And how does it all tie back to Erik's long-lost love—the mysterious Katrina? Ghosts, grief, and grim revelations collide in this twisted tale of love, memory, and the shadows from the past!

In the tradition of Jack Kirby's *THE DEMON*, Mike Allred's *MADMAN*, and Todd McFarlane's *SPAWN*, meet the next great addition to the canon of horror heroes as Cagnetti and Ziegler unleash an outrageously otherworldly comic book saga for the ages!

It's an intergalactic battle royale between the universe's smartest man and its saddest gang of bench-warming superheroes!

The Vindicators (newly dubbed the Vind-RICK-ators) have managed to track down Rick Sanchez, but he's not going quietly as the galactic search for Rick hits its chaotic fever pitch. Rick's foes pull out every stop to corner the madman and TRY to bring him in to pay for his crimes against EXISTENCE! But Rick has a few tricks up his lab coat. Will the cosmic super-genius finally be forced to face the consequences of his terrible actions, or have the Vindicators, led by Morty, fallen into one of his most elaborate traps yet?

THE END is almost certainly nigh as cosmic annihilators Daniel Kibblesmith (*Loki*) and Jarrett Williams (*Speed Force*) count down to the end of Rick and Morty's epic 10-year run at Oni Press!

From master storyteller Rodney Barnes (*Batman: Full Moon*, *Killadelphia*) and otherworldly artist collaborator Elia Bonetti (*Death of Wolverine: The Logan Legacy*), this long-buried tale of suspense and sorrow based on true events from an infamous asylum with a tortured past is about to come raging back to life . . .

Staring deeply into the mouth of madness, Detective Mike Simms must confront his family's secret past to unlock the dreadful secrets which lie buried in the long-condemned halls of the abandoned Crownsville mental institution. The spirits of the past demand retribution for the sins visited upon them in their waking life, and only the souls of the living can offer peace to the torment of the damned . . . and they don't care how they get it!

Can Mike and his partner unlock the secret to freeing these tormented spirits or will the halls of Crownsville once again run red with the blood of the innocent?

WRITER MIRTES SANTANA ARTIST/COVER GUILHERME PETRECA

Meet Violeta! Violeta is a thirteen-year-old skateboarder and podcaster. But most importantly? She's a PUNK! Oh, and a superhero, too. Superhero + punk = SUPERPUNK. That's Violeta!

After discovering her grandfather's old cassette player, Violeta decides to play a cassette tape backward. (Why? It's pure punk rebellion, duh!) What she didn't know was this rebellious act would grant her magical powers! Aaaaand . . . unleash monsters. A LOT of them. Violeta will need to use all her new superpowers to protect her home of Hollow Hills from the strange creatures and send them back to wherever they came from. Luckily, she's joined by Alan, Violeta's faithful sidekick and fellow podcaster. Together, they'll have to find a way to put these monsters back in their place. But between homework, podcasting, and skateboarding, Violeta has a tough time managing it all. When a horde of monsters descend on her school, will this superpunk be able to save the day?

Multi-award-winning comic book artist Guilherme Petraca and TV writer Mirtes Santana bring you *Superpunk*, a radical adventure story about the need to rebel and act out to protect the people and things you love.

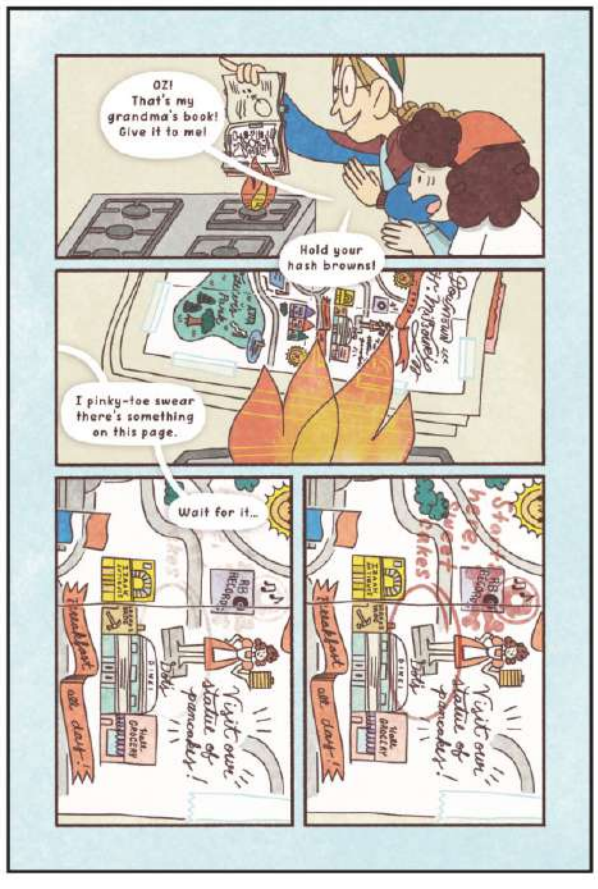
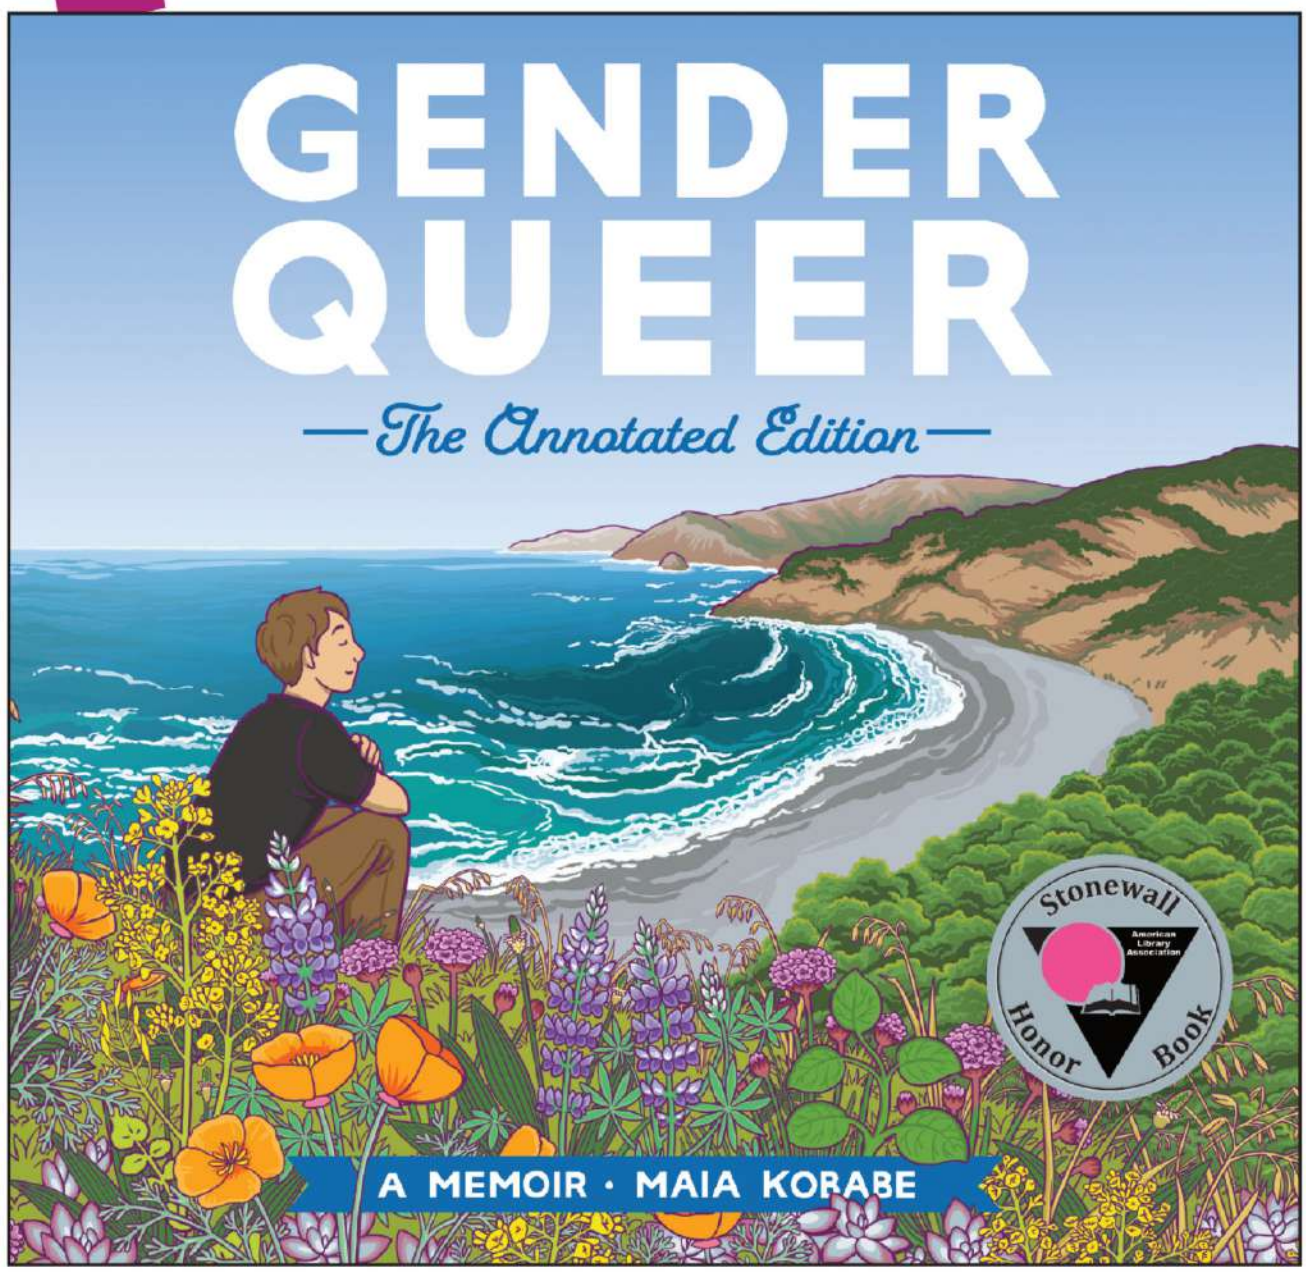
WRITER STEPHANIE YOUNG ARTIST/COVER ALLYSON LASSITER

Join Maple and Margaret Sanford in *The Pancake Trap* as they learn that differences can be strengths, change can reveal who we truly are, and that love is thicker than batter.

Maple and Margaret Sanford might be sisters, but they couldn't be more different. Ten-year-old Maple is a pancake-obsessed griddle cook determined to save their grandma's failing restaurant, Dot's Diner. Margaret is a college-bound beauty queen who can't wait for their mom to sell the run-down restaurant. On the last day before Dot's Diner will be sold to the town's multimillionaire mogul, the girls are thrown into a dangerous food-themed treasure hunt, looking for gold left by runaway outlaw Crispy Cruller. Joined by a trusty friend, helpful robot drone, and adorable pup, Maple and Margaret will dive deep into the twisted caves and caverns underneath their town facing one syrup-sticky flapjack trap after another. With nothing more than their grandma's cookbook clues to guide them, will the Sanford Sisters be able to put their differences aside, find the loot, and save Dot's Diner before it's too late?

From the creators of *Star Beasts*, Stephanie Young and Allyson Lassiter's newest adventure is stacked full of fun foodie hijinks and features ten pancake recipes to make at home.





GENDER QUEER: THE ANNOTATED EDITION HC

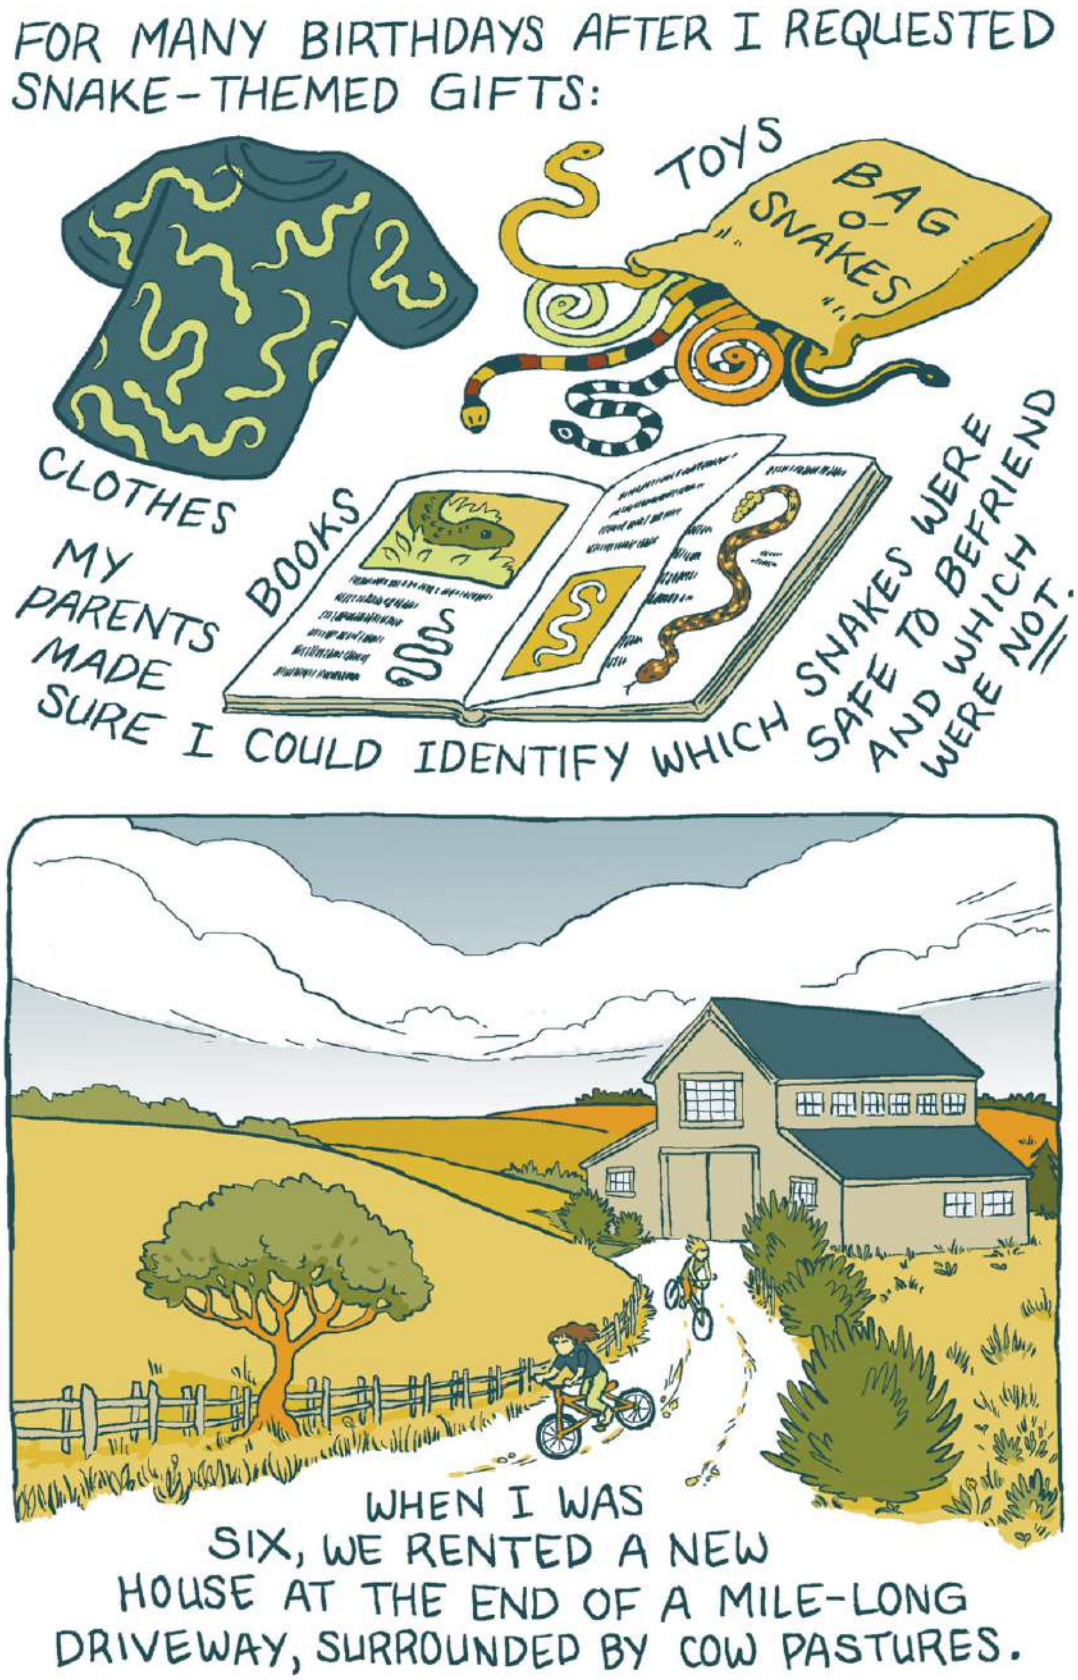
HARDCOVER	$49.99	280 PAGES	FC	8.25" × 8"	ADVANCE SOLICIT	IN STORES MAY 20

WRITER/ARTIST/COVER MAIA KOBABE

Dig deeper into one of the most banned books in America with this annotated edition of Maia Kobabe's seminal autobiographical work.

In 2014, Maia Kobabe—who uses e/em/eir pronouns—thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Then e created *Gender Queer.* Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fan fiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to eir family what it means to be nonbinary and asexual, *Gender Queer* is more than a personal story: It is a useful and touching guide on gender identity—what it means and how to think about it—for advocates, friends, and humans everywhere.

This special annotated edition calls on voices from academic and creative communities to further shed light on Kobabe's work—exploring the technicalities of comic creation, the history of the LGBTQIA+ community, and highlighting personal anecdotes from a host of writers and artists discussing their own experiences growing up queer. Featuring commentary from designer and animator Phoebe Kobabe (*The ABCs of Identities*), cartoonist Ashley R. Guillory (*Queers at the Table*), Dr. Sandra Cox (professor of English at Southwest Missouri State University), Matthew Noe (Lead Collection & Knowledge Management Librarian at Harvard Medical School), author Hal Schrieve (*Fawn's Blood*), and many more, this beautiful hardcover edition promises to be a wonderful educational tool for years to come.



ON PAGE 15, Kobabe bisects the page between visual mimesis on the bottom half of the page, showing the idyllic farmhouse where e and eir sister played as small children, and includes a narrative that **bleeds** from the panel, which is bordered only on three sides, into the gutter at the bottom of the page. This set of formal choices is used to note when the diegetic and mimetic discourses are harmonious—what readers are shown and told are the same narrative.

One way that autographic comics operate, however, is through producing tension between narrative registers, as is the case with the top half of this page. The diegetic narrating voice of adult Maia-the-narrator tells readers that the "snake-themed gifts" that Kobabe has drawn were not given in a single moment but over "many birthdays." This discourse is not contained inside a bordered panel, unlike the snapshot of a particular moment in the bottom panel **ON PAGE 15**, which demonstrates how space and time are communicated through the **visual grammar** of comics. Readers can find mimetic evidence that Maia has been teaching eir young pupils about space-time in comics **ON PAGE 233** of the epilogue to *Gender Queer*.

The **sequencing** of panels, and the use of the **gutters** between them, are as important to attend to as the images contained within panel borders. Comic theorists debate the meaning of sequencing choices. For example, in *Understanding Comics*, Scott McCloud even goes so far as to enumerate six distinct types of transitions and to count the frequency with which they occur in some of his favorite comics. In his The System of Comics, Belgian comics theorist Thierry Groensteen has suggested that choices about sequencing and guttering are perhaps as significant as the use of contrast and color in narrative sequential art. Regardless of how readers decide to interpret the movement between paneled images and their arrangement on any given page of *Gender Queer*, noting what details are communicated visually or through dialogue, and which are presented in reflective narrative text, can be a useful cue for interpretation. Here, for instance, the use of snakes as a phallic metaphor, which is traditional in Western art and literature, may be intentional foreshadowing of the autoandrophilia Kobabe discusses as part of eir journey toward accepting eir nonbinary and asexual identity later in the book **ON PAGE 60**. The snakes on this page and the grass phallus from **PAGE 60** are also almost certainly part of a larger natural motif that is employed throughout *Gender Queer* to reframe gender-nonconforming people and nonreproductive kinship structures as normative and natural in many of the **nonmimetic illustrations** (pictures that do not illustrate the story but rather offer a visual interpretation of the feelings the mimetic narration conveys) in the text.

The global sensation of the *Planet of the Apes* comes to tabletop in this official role-playing game!

The Role-Playing Game of the Planet of the Apes will challenge every idea you have ever had about a role-playing game. You will be thrust onto a planet where humans are the lowest order of living things and the superior beings are apes. It's the evolutionary process—but in reverse.

Become an intellectual chimpanzee who seeks to better apekind through science and exploration. Choose an orangutan statesape whose weapons are philosophical debate, political savvy, and the power of the Sacred Scrolls themselves. Perhaps a gorilla soldier is more your style—honor-bound to protect Ape City and lead aggressive expansions into new territories. What else, if not an ape? Be a time-lost astronaut struggling to grasp a world gone insane. Become a mute tribal human forced to scavenge for resources as you are hunted by murderous gorillas on horseback. The rules even allow you to play mutant survivors who use the power of their minds to turn their enemies against each other.

Built on the official Magnetic Variant (D6MV) of the classic D6 System role-playing game rules created by West End Games, *The Role-Playing Game of the Planet of the Apes* is easy to learn yet full of challenges to master. With settings and lore written by sci-fi novelist Andrew E.C. Gaska, this core rulebook contains all you need to role-play in this upside-down world where apes evolved from humans:

- Detailed histories and lore from *Planet of the Apes*
- 24 character classes to choose from
- Optional Stun and Encumbrance Rules
- SRP Defenses create fast-paced combat
- Extraordinary Abilities give your PCs an edge
- Quirks and Expectations help define character motivations
- Statistics for the mutated monstrosities that lurk in the Forbidden Zone
- Plus a host of new Gear and Weaponry will help turn this upside-down world right
- Compatible with all Magnetic Press Play's West End Games D6 products

An encyclopedic sourcebook for the classic *Planet of the Apes* franchise for use to expand the adventures in the official role-playing game!

Bring the cinematic thrills and shocking twists of the five original *Planet of the Apes* movies to your tabletop game. Now you can interact with the apes and humans that have come directly from the silver screen—Caesar, Taylor, Zira, Hasslein, and, of course, Dr. Zaius—every iconic character is gamified for campaign use with biographies and statistics. This sourcebook showcases a detailed chronology of the distinctly different timeline that arose out of choices made by both human and ape alike.

The ANSA Files are filled with reference resources of the larger-than-life personalities, weapons, and settings from the classic films and novelizations—*The Planet of the Apes*, *Beneath the Planet of the Apes*, *Escape from the Planet of the Apes*, *Conquest of the Planet of the Apes*, and *Battle of the Planet of Apes*—plus linking material from the novels *Conspiracy of the Planet of the Apes* and *Death of the Planet of the Apes*! With more than five times the adventure in one place, this sourcebook lets you experience the span of the *POTA* universe like never before . . .

Believing he has Dessa, Topper and Fisk cornered in a remote monastery, Captain Drake recalls his early days as a knight in the service of King Roderick. The idealistic young Drake quickly learns that the rest of the King's Dragons do not share his sense of duty, preferring to take orders from the mysterious palace chamberlain, Maarten Greyfalcon.

In tracking down a stolen letter for the king, the young Drake is drawn into a web of intrigue that includes a plot against the throne and cryptic clues involving Geyfalcon and Dessa. Does the key to capturing the three thieves lie in Drake's own dark past? Could this spell the end of Dessa's quest to find her long-lost twin brother?

What happens when you hire a Ninja to steal a secret formula? What happens when that formula is held in a top secret state of the art high security science lab? What happens when that ninja accidentally gets splashed with the secret formula? Well... all of those questions are probably related and answer the question: Where did that giant Kaiju monster suddenly come from?

The life of a Ninja isn't easy, with all the stealth sneaking, high kicks, and the other Ninjaery things that need to be done. Now throw in a secret formula that turns you into a big city destroying monster and suddenly you're not so stealthy any more. The job gets even more difficult when you have not one, but two super smart mad scientist after you because they think you stole their formula and send hordes of robots, the air force, and other never before seen science experiments after you. It may no longer be just a job for a Ninja, but it definitely is for a NINJA KAIJU!

It's an exciting time to be back home, with preparations for the Spring Festival underway. The whole household is buzzing with activity as we sweep away the past year's bad luck and prime for the new year's good fortune.

I'm happy to see Mother and Father and Grandma again after being away, but I must confess I miss feeling like a part of something bigger than me.

I miss the open skies, the excitement of the actions, waking at dawn with a sense of purpose...

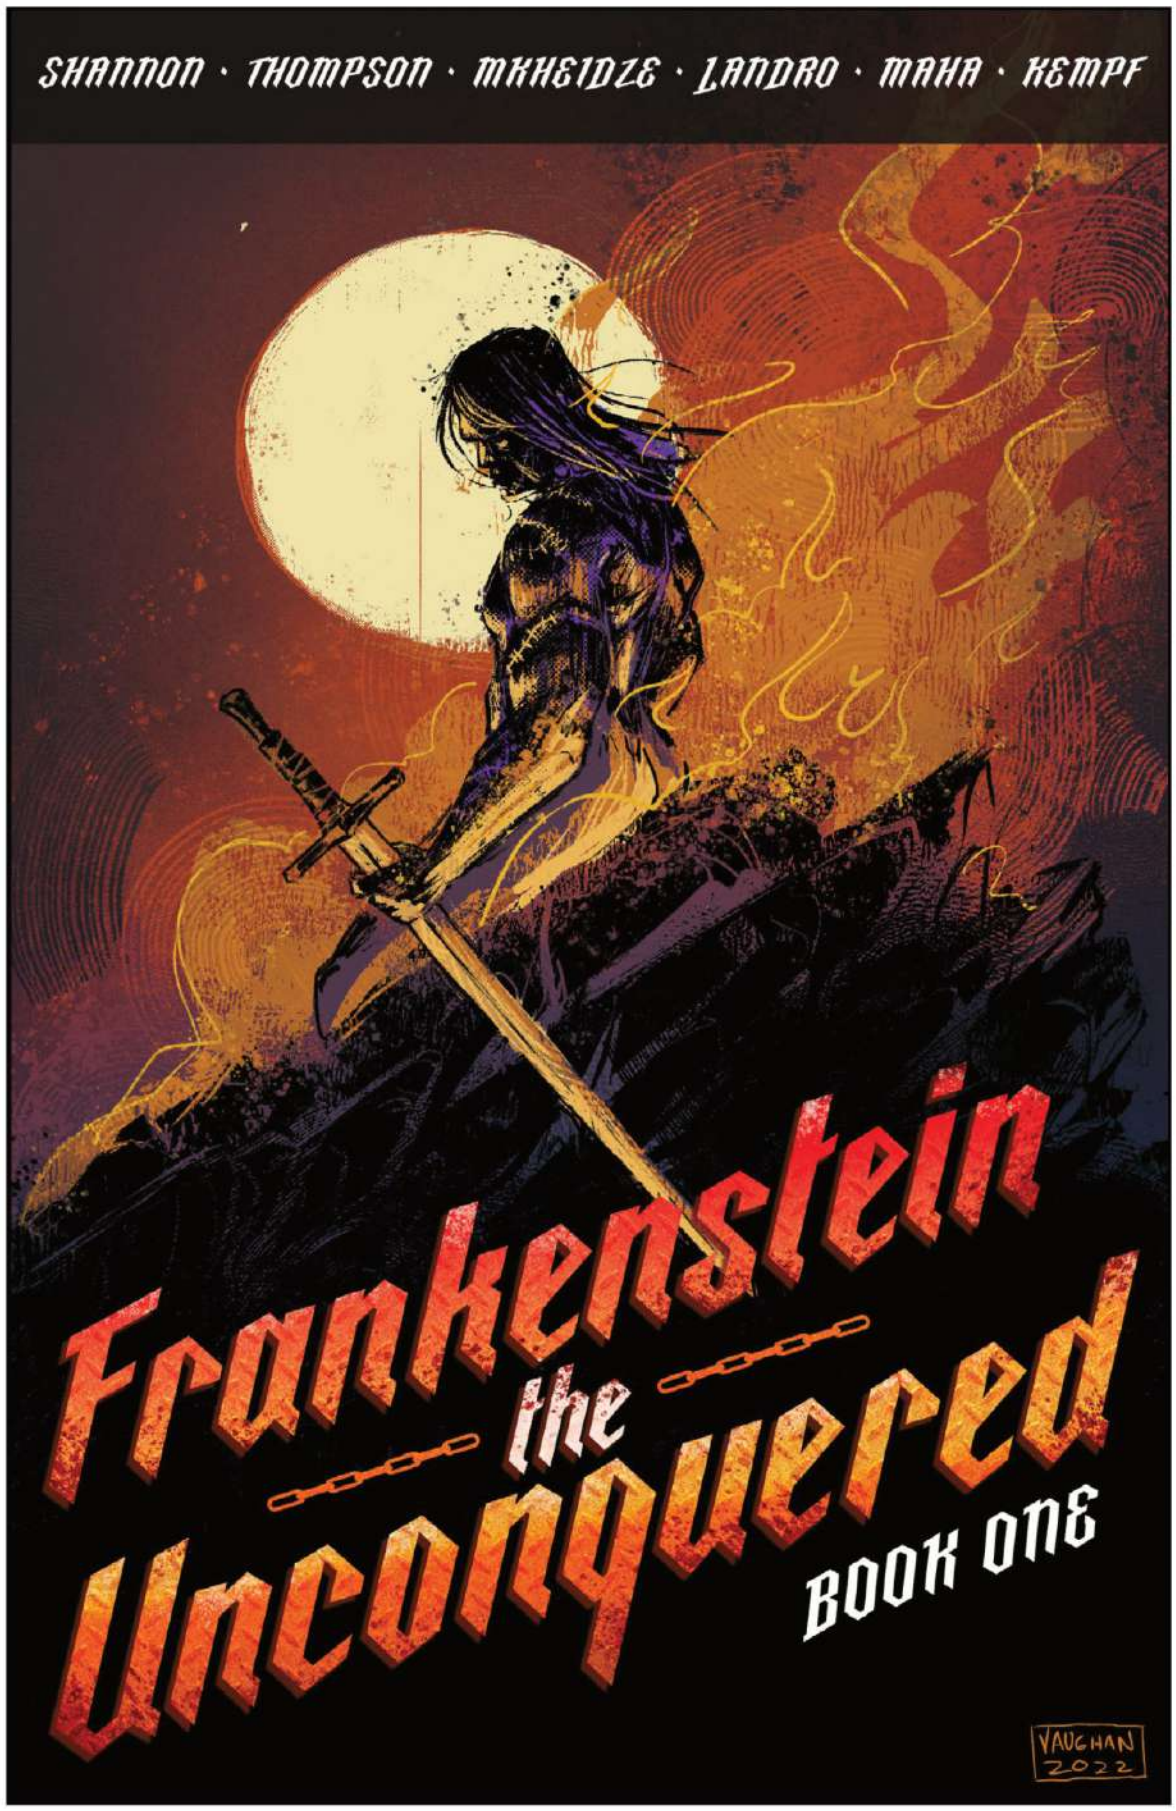
LETTERED BY: NATHAN KEMPF
COVER ART BY: HEATHER VAUGHAN



500 years after the end of Mary Shelley's novel, the arctic thaws and the Beast awakens to a bombed-out post-apocalypse as hideous and hostile as he is. Seeing an opportunity to reinvent himself and live the peaceful life he always wanted, the Beast attempts to live simply with villagers who are unafraid of his ghastly appearance. But when soldiers come to collect their due, violence is his only answer, and his dream of a simple life is ripped away in a nightmare of his own design.

Having followed his war path to its bloody conclusion, the Beast was exiled to the stars, his legacy tarnished, his family flayed before his eyes. For thirty years, the world has known an uneasy peace. But the Beast never stopped fighting for control and now, on the dawn of the 200th year, the sky explodes and the Beast, bathed in the cosmic blood of stars and comets and bearing his creator's damnable name, has returned.

God help anyone who stands in his way. That undead behemoth, that living abomination, that son of man -- Frankenstein.

SNEAK PEEK!

On the dawn of the 200th year, the sky exploded.

The fire bathed the world in a piercing light, blinding thousands across the desolate desert dunes.

GOOD LORD!

For many, the burst was an omen, ill-portents splashed across the heavens for a world to fear.

For millions more, however, this warning was simply a shining curiosity.

DID THE SUN JUST EXPLODE, CAPTAIN?

HRN...IF IT DID, CORPORAL, WE BETTER WRAP THIS UP QUICKLY.

But curiosities can quietly be forgotten.

This omen must deafen.

NOW, WHERE WERE WE?

PLEASE, WE DON'T HAVE ANYTHIN' YER GONNA WANT!

WHY DON'T YOU LET US BE THE JUDGE OF THAT, GOOD SIR?

As sight slowly returned, the stars began to fall to the dirt below.

Millions of cosmic pebbles crashing their way through what was left of the atmosphere.

NNF!

Many claimed to see the death of the stars themselves.

JAHN!

That something above had killed them all, coating their blood of many colors across the skies.

NOW, NOW, LET'S ALL JUST STAY *CALM.*

TRAVELING NEAR THE *KARLOFF TERRITORIES* CARRIES WITH IT A HEFTY *TAX.*

STOP!

Fantastic tales, to be sure.

WE'LL STOP WHEN YOUR DUES ARE *PAID IN FULL.*

NOW, ARE WE GOING TO MAKE THIS GRATUITOUSLY DIFFICULT OR WOULD YOU LIKE TO PARLAY?

The truth, however, was far more terrifying.

The stars did not die from a threat above.
FATHOOM
GAH!
AAAAHHHH!!
No, what rode in their blood was a dead thing.
A man that is not a man. A soul that has long since left its mortal shell.
For you cannot kill a thing that has never lived.
An earthly demon that does not die.
CHAPTER ONE
THE BEAST

For ten years, the beast battled the heavens above. Exiled and imprisoned upon the dead rocks for sins that were not his.

And, though his hatred has festered in a decade of rooted rage, thirty years have passed upon this planet.

FUHNT

Though he cannot know this, the beast marches toward a world far different from the pit he left.

It would matter little if he did.

For though dynasties fall and continents crack, what was true then remains.

Men are small. And they will do anything to prove otherwise.

HEY! WHO GOES THERE??

WHAT IS THE ***MEANING*** OF THIS BRAZEN--?!

His rage killed the stars. With his bare hands he bled their light and assured they could never return.

This world and the little men within cannot stop him. Nothing in this galaxy could.

Wherever this beast walks, only death can follow.

OY! THE CAPTAIN'S TALKING TO YOU, MONGREL!

Even to those who do not seek it.

"Seven stories that will tug at your heartstrings... and then tear them right out of your chest!" Three star-crossed lovers are trapped on an alien-infested spaceship with one final two-person escape pod left. A guardian angel begins overzealously protecting a teenage girl who may be powerless to stop him. A man discovers the love of his life is an immortal cryptid. Vikings versus vampires. A professional wrestler is charged with killing his aging mentor in the ring to save his son. A dejected pirate sees a ravenous mermaid as his last hope for a better life. A rural zombie apocolypse forces a ragtag group of survivors to make desperate and destrictive choices. This graphic novel, which was also featured on the hit TV series CHICAGO FIRE, will make ever horror-lover shout, cheer... and then cry. These are LOVE STORIES ABOUT DEATH.

In 2150 a catastrophic war led to 70% of Britain's population being wiped out. Strontium 90 fallout led to an increase of children being born with strange mutations. Hated by average humans, the mutants faced terrible oppression when politician, Nelson Kreelman, introduced a series of anti-mutant laws enforced by a brutal police force.

In 2167 the mutants decided to fight back. Amongst their ranks was a young boy with named Johnny Alpha with white blank eyes and a mutant power that grants him a series of powers, including the ability to see through many surfaces. Driven by tragedy, Johnny has a very personal reason wanting to topple the regime and bring Kreeler down.

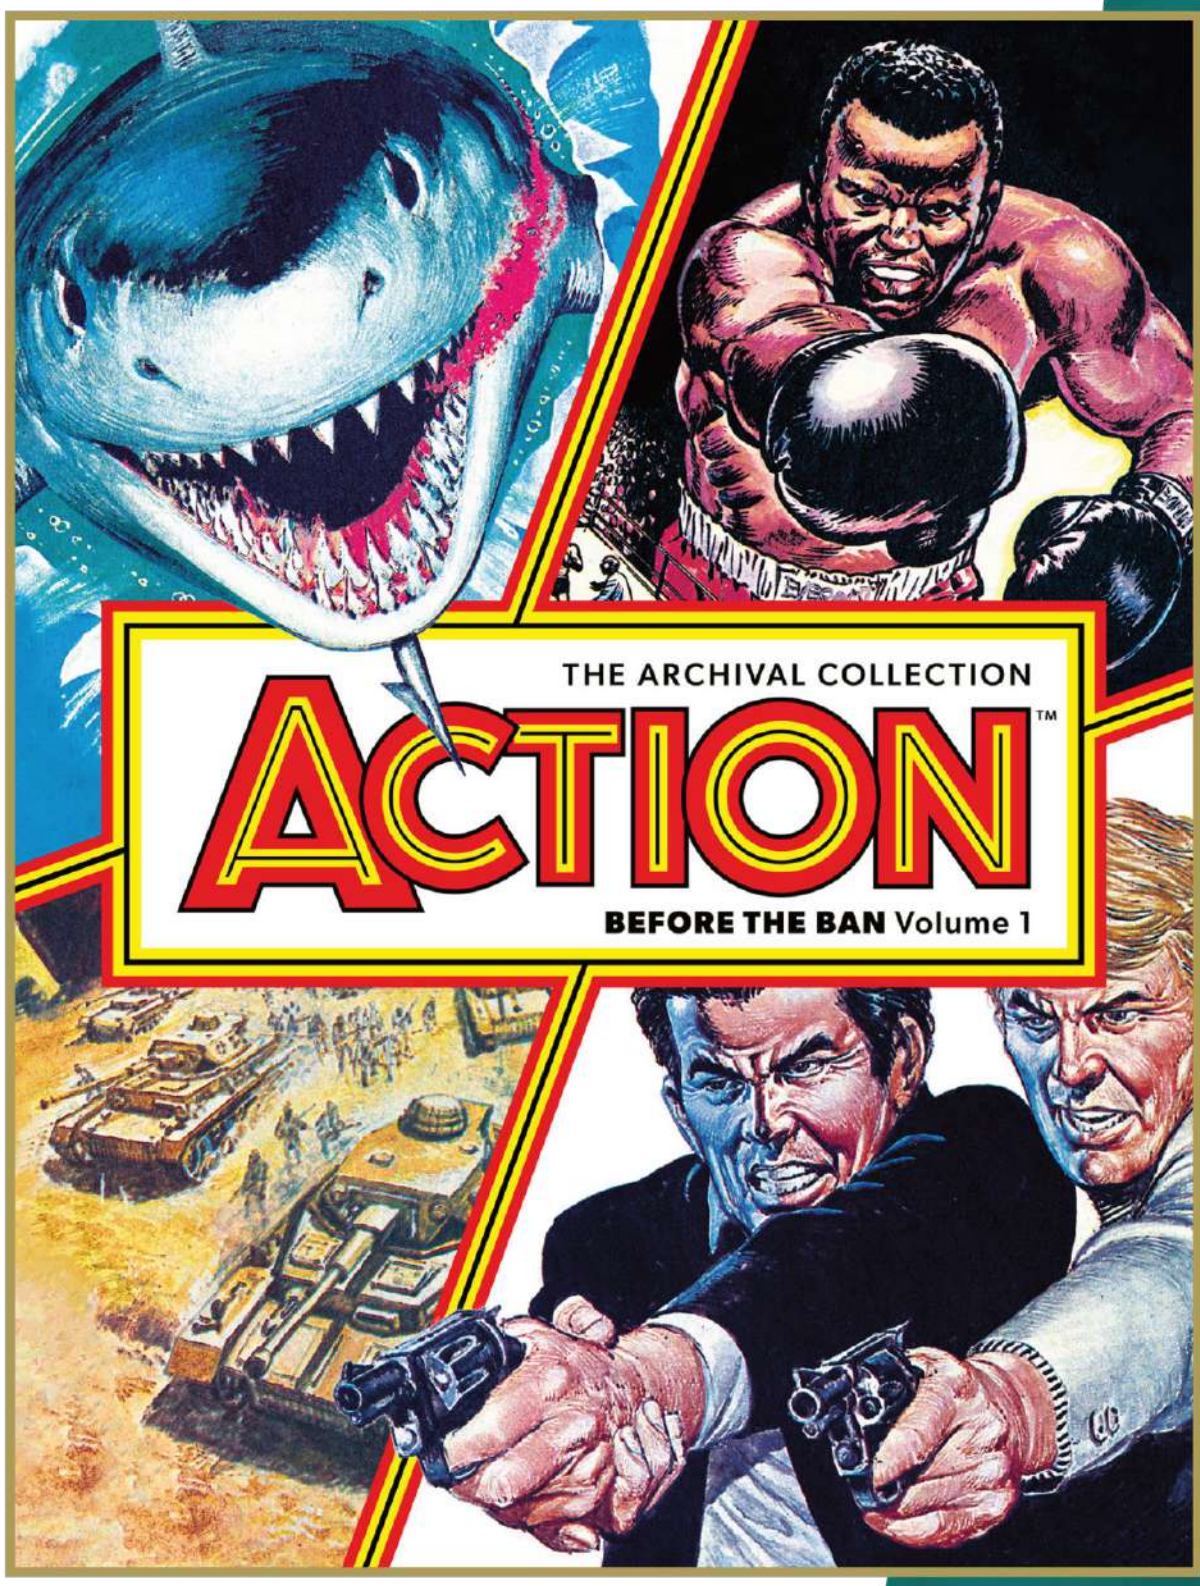
TREASURY OF BRITISH COMICS™

ACTION - BEFORE THE BAN
VOLUME ONE: THE ARCHIVAL COLLECTION



50th Anniversary collection of the first 12 issues of Britain's most controversial comic, Action!

WRITTEN BY
Pat Mills, John Wagner, Gerry Finley-Day, Steve McManus

ILLUSTRATED BY
Barry Mitchell, Mike Dorey, Ramon Sola, Kelvin Gosnell, Tom Tully, Horatio Lalia, Massimo Belardinelli, Don Lawrence

COVER ART BY
Geoff Campion, Various

Violent, gritty and unrelenting, Action comic was the brainchild of Pat Mills and Geoff Kemp. Tasked with creating a new anthology comic for the IPC's boys adventure division, the pair rapidly developed a winning formula: reimagining existing story ideas from fresh perspectives and infusing them with a healthy dose of modern realism. With strips such as Hookjaw, Dredger, Look Out For Lefty and Blackjack, success was instantaneous but so was the criticism. Many of the British press were quick to denounce the comic, while Mary Whitehouse and the pressure group, Delegates Opposing Violent Education, piled pressure on the IPC board to do something about it.

In less than a year, Action was pulled from circulation, then returned months later, a sanitised, pale shadow of its former self. But the spark had already been lit. Collected here are the first twelve issues of Action, containing all that created so much infamy in the 1970s and became the catalyst for the evolution of the British comics scene, pathing the way for 2000 AD and the British invasion of UK talent into America.

SNOWLANDS TP VOL 01 A BLOOD MOON

In the heart of the Snowlands, prey and predator alike mysteriously disappear as three outcasts join forces for the adventure of a lifetime in the first book of the heart-stopping Snowlands series -- perfect for fans of Wings of Fire and Warriors! Feba, an orphaned wolf cub, is believed to be cursed. Her rare white fur is said to be a bad omen. When a mysterious creature starts killing members of Feba's pack one by one, all eyes fall on her. She has no choice but to run away, forced to roam the perilous Snowlands all on her own ... Until she meets Usha, a fiercely independent leopard, and Batu, a bumbling wildcat, each with their own secrets and reasons for wandering the Snowlands. Together, they form an unlikely trio, bound by fate. As these uneasy allies cross the frosty wilderness, they'll uncover a widespread danger in the mountains that threatens to destroy everything. Get ready for the adventure of a lifetime in A Blood Moon, the epic first book in the Snowlands series!

MUST-HAVE ITEMS THIS MONTH

Bryce Walker
Direct Market Coordinator

It's my first Next Phase catalog and it's an absolutely blistering one: we're launching our First Saturday In May titles. *Conan* and *Gun Honey* will be our offerings for the best day of 2026!

And they are in good company with the rest of our December Catalog offerings. Long-running epic video game *Diablo* gets its own comic in *Diablo: Dawn of Hatred*. This month sees the return of the living undead girl, *Lenore* in the *Curse of the Beebee Yaga*.

Manga also gets a stacked lineup with the launch of the darkly hilarious *Unemployed Killers Support Group* and a brand new Mech Manga in *Gizmo Riser*. Lastly, in the Graphic Novel world we *Return to Skull Island* with an Inhyuk Lee Direct Market Edition and the amazingly zany *Craniacs* bursting into life across the pages of their first graphic novel collection.

Have a great month and I hope the Holiday season treats everyone well. Don't forget Titan are always keen to work on exclusive store covers, so please get in touch if you are interested. I can be contacted at: bryce.walker@titanemail.com

Akarat, the ancient legend whose teachings spawned the Zakarum faith, has risen from death. He claims he has returned to spread peace, love, and the Light. His powers healed the leader of the Fox Tribe, and now the barbarians are amongst his most loyal followers.

All but Derris. Though his people have sworn themselves to Akarat and the Light, Derris knows that the cycle of violence consumes Sanctuary sooner or later—an opinion shared by the mysterious Vrexia, another skeptic swept up in Akarat's caravan. But when assassins come to slaughter Akakrat, Derris must either save the holy man...or watch his tribe be cut down.

In the Craniacs universe of **skull-headed folks**, two planets collide and force two very different societies – **Stone-Aged Retrovia** and **ultra-futuristic Futerra** – to figure out how they're going to make this new planet-sharing world order work! Innovative high-octane action, wacky physical comedy and outrageous competitions will be at the heart of every issue, alongside the importance of **friendship, fraternity and family**.

CRANIACS TV Series in active development from animation studio Titmouse (Spider-Man: Across The Spider-Verse)

From the collective, creative Craniums of Ira Friedman (Ex-Topps) and Joe Simko (*Garbage Pail Kids*) comes Craniacs, a refreshingly new and totally original comedy/action/adventure that has blasted its way across collectible trading cards and now into comics!

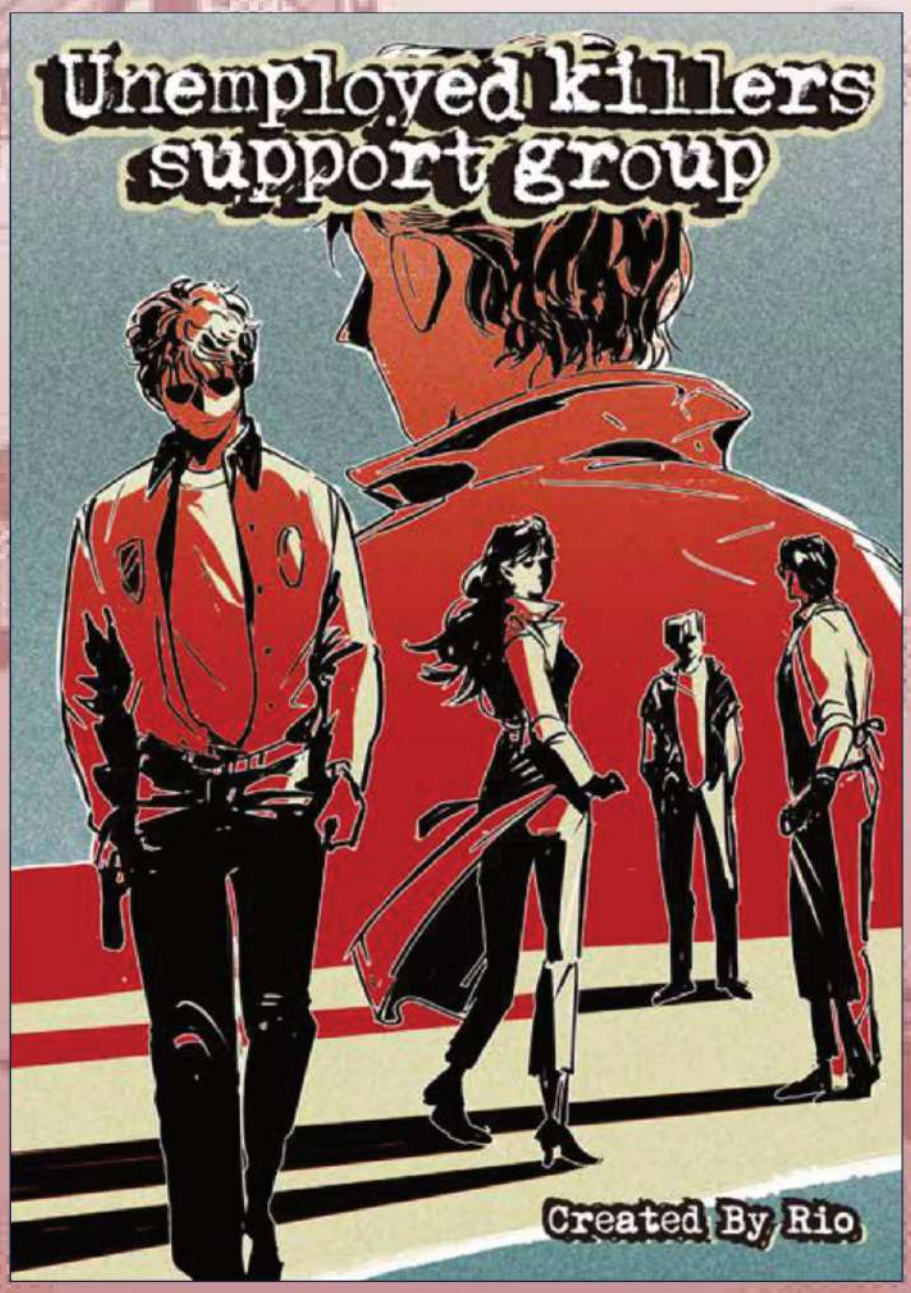
UNEMPLOYED KILLERS SUPPORT GROUP



(W/A) Rio
B&W • SC • 256pp • $12.99
On Sale February 4, 2026

TITAN MANGA

A bold, bloody, and brilliantly offbeat ride through the lives of society's most dangerous burnouts. Welcome to the group—check your conscience at the door.

Locker Loyed, **once a deadly sniper**, lost his vision—and his job—on a mission gone wrong. Now, he's joined an unlikely circle of former **contract killers**, each grappling with their own personal collapse.

Among them: Gloria Maze, a **meticulous assassin** whose career imploded after catching her husband cheating and killing the mistress in a jealous rage; Jerry Cole, a **justice-obsessed lawyer turned bloodthirsty executioner**; and Jordi Joe, a delusional con man who's never actually killed anyone.

A RAZOR-SHARP, DARKLY HILARIOUS NOIR-ESQUE MANGA, SHORTLISTED AT THE 2023 ANGOULÊME INTERNATIONAL COMICS FESTIVAL.

There's been a lot of buzz in the Titan Comics office about Unemployed Killers Support Group, so Titan's Bryce Walker spoke with creator Rio to talk Support Groups, Taiwanese Manhwa and more!

BW: It's a very intense manga that balances humor throughout - did you always intend to write with this style in mind or did it come naturally through the creation process?

RIO: Half and half, really! When I first started developing this story, I wanted to present a tragicomedy. But at the same time, my work has always fallen under the dark comedy label—I suppose I'm the type of person whose creative output reflects their everyday tastes. I'm a big fan of films by the Coen Brothers, Martin McDonagh, and Quentin Tarantino, so I've been influenced by them and naturally gravitated in that direction.

BW: Locker's such a great protagonist - despite life's troubles he's got a slick self-aware personality that really stands out. AND what were inspirations for Locker?

RIO: Though he's completely different—the inspiration actually came from Arthur Morgan in Red Dead Redemption. I was just so devastated about losing our Arthur that I ended up creating another gunslinger caught up in circumstances beyond his control. There's also a bit of Doc Holliday in there. Every version of Doc gives off this sense of having half-given up on life, and I wanted Locker to exist in that state—left with nothing but meaningless self-mockery whilst waiting for something to happen around him.

BW: There are so many strong characters throughout - Jordi and Maze were my favorites even though their stories were so opposite. Do you have a character that you felt stuck with you the most?

RIO: I'm fond of Jordi too. Originally, I had absolutely no idea what story to give him, but in the end, his arc became the one I was most satisfied with after finishing it. Wherever he goes, he's just an ordinary person—perhaps that's what makes him feel so genuine and endearing...?

BW: What sequences were the most fun for you to create?

RIO: I loved... the bit where Cole gets so annoyed at Ford for touching him without washing his hands that he turns into American Psycho... I also quite enjoyed the phone sex hotline part.

BW: What do you hope readers take away from Unemployed Killers Support Group?

RIO: This story might leave readers feeling a bit disappointed—all the conflicts don't seem to be resolved by the ending, and the problems that should be there are still there. But that's what real life is like, isn't it? Often, we can only try to dilute the pain a little bit with each round of hardship we face.

BW: In recent years, we've seen the sudden increase in popularity of Manhwa - Taiwan has a rich yet often underrepresented manga scene. How do you see the state of Taiwanese comics today, AND what challenges or opportunities exist for creators like yourself?

RIO: Wow, that's a complex question that could be turned into a thesis.

Taiwan's comics creation environment is quite peculiar. If you want to create manga, you can aim for publishers that emulate the Japanese and Korean comics industries, or you can choose to self-publish or release at doujinshi conventions/events (which is how I started). But I feel the current state of Taiwanese comics is that creators, readers, and the industry aren't quite sure what they want from the domestic market, which has resulted in it being somewhat non-mainstream, seemingly unprofitable, or dependent on government subsidies to survive. However, the advantage of this anarchic phase is the freedom it provides—hopefully Taiwan can produce many influential works during this period that will shape the future. For Taiwanese comic artists, I'd recommend: Walkaround and Pen Point.

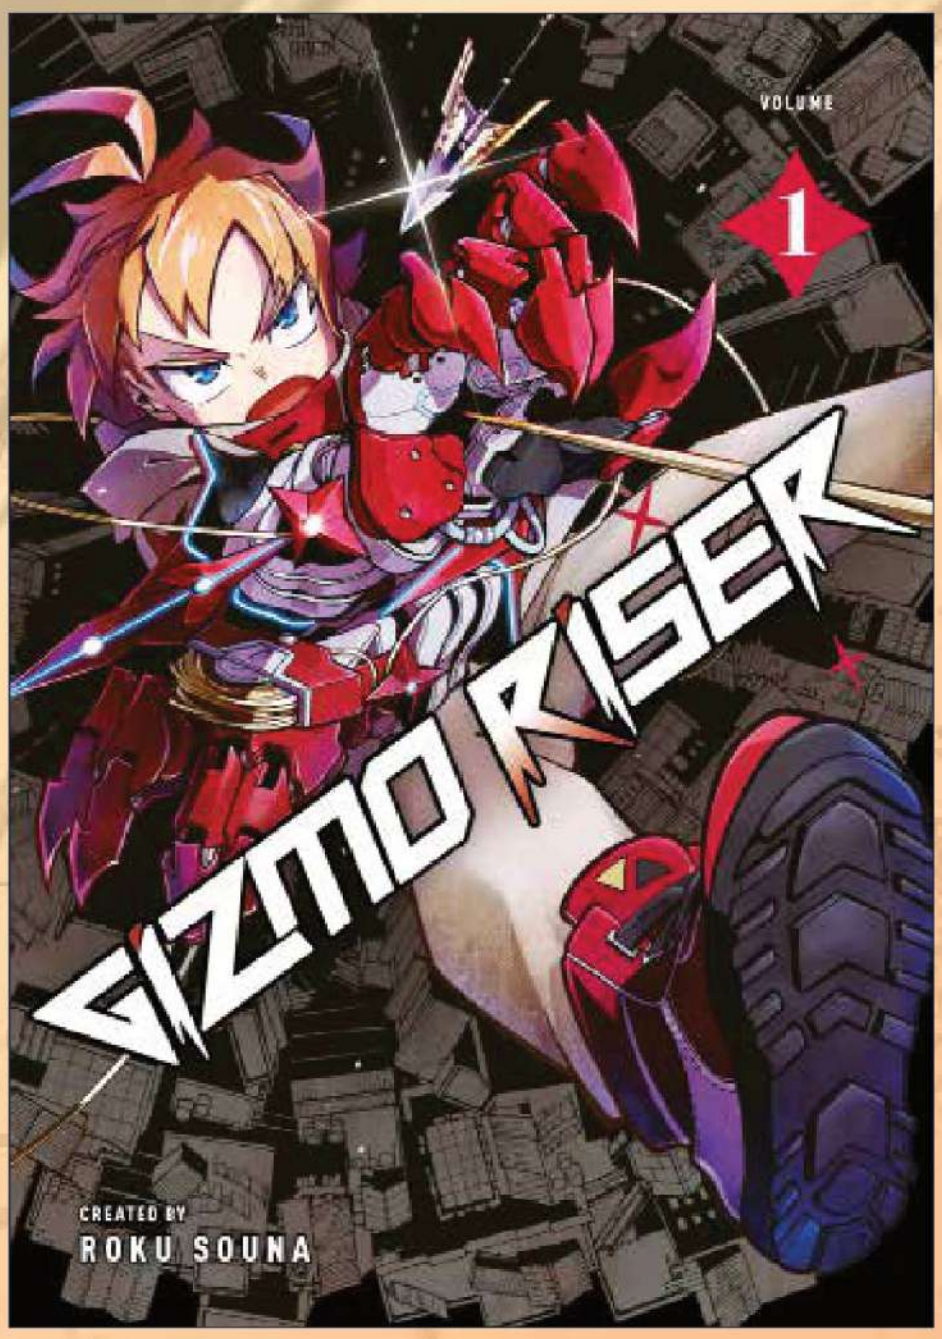
ONE BOY DARES TO RISE AGAINST A WORLD BUILT TO KEEP HIM DOWN

GIZMO RISER VOL 1



(W/A) Roku Souna
B&W • SC • 192pp • $12.99
On Sale February 18, 2026

TITAN MANGA

In the towering kingdom of Urunaria, society is literally built on inequality. The wealthiest reside at the top, while the poor are confined to the dark, crumbling depths below.

For Kuro, a young slave raised by his uncle in the lowest levels, life offers no future - only labor, loss, and silence. But when his uncle is executed by the state, Kuro inherits a mysterious device: Gizmo - a pair of mechanical gloves with the power to grip, scale, and defy the very system built to crush him.

Armed with nothing but this outlawed tool and his burning desire for freedom, Kuro begins his ascent, both up the tower and against a society that deems him worthless.

Tripwire's latest issue celebrates two major film and genre figures under one cover. 2026 is the 80th birthday of veteran moviemaker Steven Spielberg, director of such classics as Jaws, ET and Raiders Of The Lost Ark while we lost movie poster legend Drew Struzan (Star Wars, Harry Potter) in 2025. So Tripwire will take a look back at both of these men's amazing careers. In the rest of the issue, we look at 40 years of Frank Miller's Dark Knight and Moore and Gibbons' Watchmen, take a deep dive into the history of one of the most established art book retailers Bud Plant Art Books, still in business after fifty five years and there's the return of our On The Shelf column, taking a look at the latest art books, graphic novels and collections out there. Our well-respected stripwire section also returns to round off the 100 page full colour A4 high production value magazine.

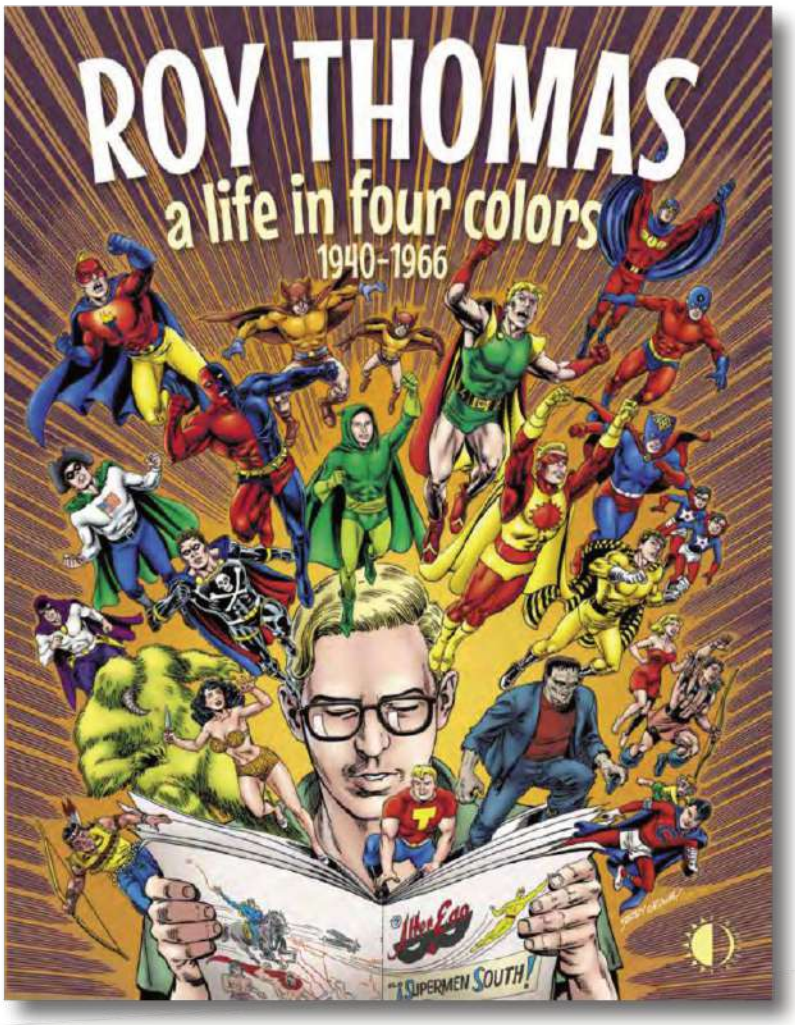
How Roy the Boy became Stan's righthand man!



ROY THOMAS: A LIFE IN FOUR COLORS (1940–1966)

The man **STAN LEE** dubbed "Rascally Roy" and "Roy the Boy" tells the full, uncensored story of his emergence as one of the brightest stars in the Marvel Comics firmament! It's all here, starting with his Midwestern beginnings devouring the late, great Golden Age of Comics, to the glorious flowering of comics fandom during the first half of the 1960s (including the 1961 founding of **ALTER EGO** and all that that first super-hero fanzine spawned). Roy details his brief and turbulent time as editorial assistant of DC's "Superman" titles under **MORT WEISINGER**, and the pivotal first year-plus of his career at Marvel, working with **STAN LEE, JACK KIRBY, STEVE DITKO, JOHN ROMITA, BILL EVERETT**, and some of the greatest talents of the Marvel Age of Comics! Plus: you'll have a ringside seat at some of the earliest comics conventions, and at the fateful 1965 *New York Herald Tribune* interview that caused a seismic rift between **LEE** and **KIRBY**.

FUTURISTIC

Rockets, Robots & Rayguns of Space Age Pop Culture

by MARK VOGER

HARDCOVER	$49.95	192 PAGES	FC	STD.
Lunar Code 625TM695		Previously solicited		

Blast off to the **SPACE AGE**, when the future was always bright! **FUTURISTIC** is a full-color hardcover about a time of limitless possibilities... and anxieties. It covers all aspects of **1950s AND '60s POP CULTURE** from the "duck and cover" era of the **COLD WAR**, the **SPACE RACE**, the **UFO CRAZE**, and the **1969 MOON LANDING**. Read about the movies (**THE DAY THE EARTH STOOD STILL, INVASION OF THE BODY SNATCHERS**), TV shows (**TOM CORBETT: SPACE CADET, THE JETSONS**), and collectibles (**ROBOTS, ROCKETS, COMIC BOOKS, TV TIE-INS**) that had us looking to the stars. Also featured are interviews with such comic book creators as **WILLIAM GAINES, JOE ORLANDO, JULIUS SCHWARTZ, ROBERT KANIGHER, ROSS ANDRU, MIKE ESPOSITO**, and **LARRY LIEBER** about their sci-fi work, plus recollections from sci-fi movie stars (**KEVIN McCARTHY, PETER GRAVES, LINDA HARRISON**), TV cast members (from shows including **LOST IN SPACE, STAR TREK**, and **THE INVADERS**), and others. A graphically immersive experience written and designed by **MARK VOGER** (**MONSTER MASH, ZOWIE!**), **FUTURISTIC** is a time trip to a future that never exactly came to pass, but lives on vividly in our imaginations!

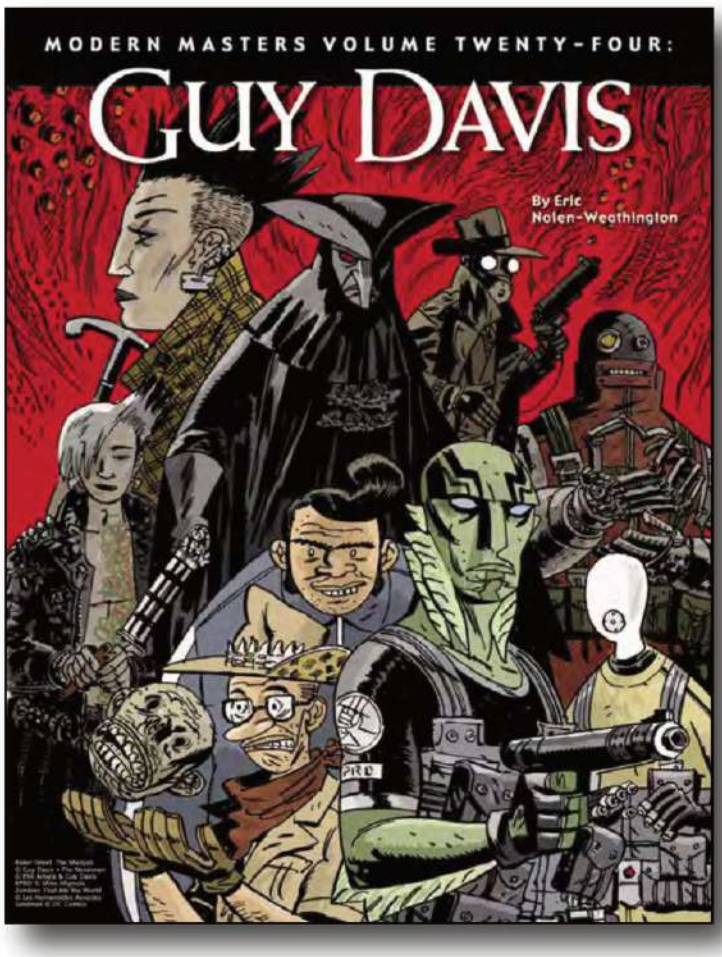
MODERN MASTERS

Book series edited by ERIC NOLEN-WEATHINGTON



VOL. 24: GUY DAVIS

by ERIC NOLEN-WEATHINGTON

SOFTCOVER	$15.95	120 PAGES	PC	STD.
0325TM904		Previously solicited		

GUY DAVIS is a master of the macabre, the mysterious... the just plain creepy. But underlying the eerie quality of his artwork is a remarkable sense of storytelling. Emotion drips off his brush, filling his work with life and energy. From his breakthrough hit, **BAKER STREET,** to the pulp noir **SANDMAN MYSTERY THEATER**, to his work on the Hellboy spin-off series, **B.P.R.D.**, Davis has shown time and again that he is one of the best in the business. Join us as we lift the veil on the career of another Modern Master—Guy Davis! This book features a career-spanning interview with the artist, a discussion of his creative process, and reams of rare and unseen art, including a large gallery of commissioned pieces, and 8 pages of full color work.

AMERICAN COMIC BOOK CHRONICLES: 1940-44 (New Printing)

The **AMERICAN COMIC BOOK CHRONICLES** series of FULL-COLOR HARDCOVERS documents every decade of comic book history from the 1940s to today! This volume spotlights the "Golden Age" of the comic book industry, covering the earliest adventures of Batman, Captain Marvel, Superman, and Wonder Woman; and America's entry into World War II was presaged by the arrival of **WILL EISNER**'s Uncle Sam, **HARRY SHORTEN** and **IRV NOVICK**'s The Shield, and **JOE SIMON** and **JACK KIRBY**'s Captain America. It also saw the debut of a fumbling red-haired high school student named Archie Andrews, but most of all, 1940-44 was the age of the "packagers" when studios headed by men like **HARRY A CHESLER, WILL EISNER,** and **JERRY IGER** churned out material for new comic book companies that published genres from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Taken together, the **AMERICAN COMIC BOOK CHRONICLES** series forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

ALONE. SURROUNDED BY MONSTERS. ARMED ONLY WITH HIS FISTS... TIME TO FIGHT.

JACK RUST WAS A DISILLUSIONED BIOLOGIST WITH A PHD—ALMOST. WHEN AN EXTRATERRESTRIAL AI CALLING ITSELF THE SYSTEM INVADED EARTH AND THRUST IT INTO A WORLD OF ALIENS, MAGIC, AND VIOLENCE, JACK HOPED TO AT LEAST GET SOME MAGIC HIMSELF.

NOPE.

EVEN WORSE, THE SYSTEM SPAWNED A FOREST DUNGEON AROUND HIM AND A GOBLIN IN HIS FACE...ARMED WITH NOTHING BUT HIS FISTS, JACK MUST GROW STRONG ENOUGH TO SURVIVE HORDES OF MONSTERS. HE NEEDS TO RETURN TO CIVILIZATION AND FIND OUT WHAT THE HECK IS GOING ON. HE MIGHT EVEN GET MAGIC—OR NOT. SURPRISING HIMSELF, JACK DISCOVERS THAT VIOLENCE IS FUN.

SUMMARY

Mayhem Manor sees the Demented Duo of Jamie Madrox and Monoxide hoping to survive the night in a haunted amusement park to claim a mysterious inheritance.

When Monoxide discovers he's an heir to a distant uncle's fortune, he and Madrox quickly discover a catch; to claim the millions, they must survive the night in Mayhem Manor, an old, broken-down Halloween haunt attraction that, according to local legend, is riddled with real ghosts. MAYHEM MANOR - A Haunted High On Adventure is a tale in the tradition of classic suspense films, as well as every excellent stoner comedy.

ELVIS PRESLEY: THE GRAPHIC NOVEL
SOFTCOVER EDITION // $19.99

SUMMARY

Legends have to start somewhere... Witness the King of Rock 'n' Roll's humble beginnings in Memphis as a young artist struggling to define his voice and break into the music industry. From the history-making Sun Studio to television sets across the nation, the trials and tribulations of Elvis Presley are explored in graphic detail by authors Chris Miskiewicz (Grateful Dead: Origins) and Marvel Comics artist Michael Shelfer. This official Graphic Novel produced in partnership with the Elvis Presley estate chronicles how a young man became The KING of ROCK'N ROLL..

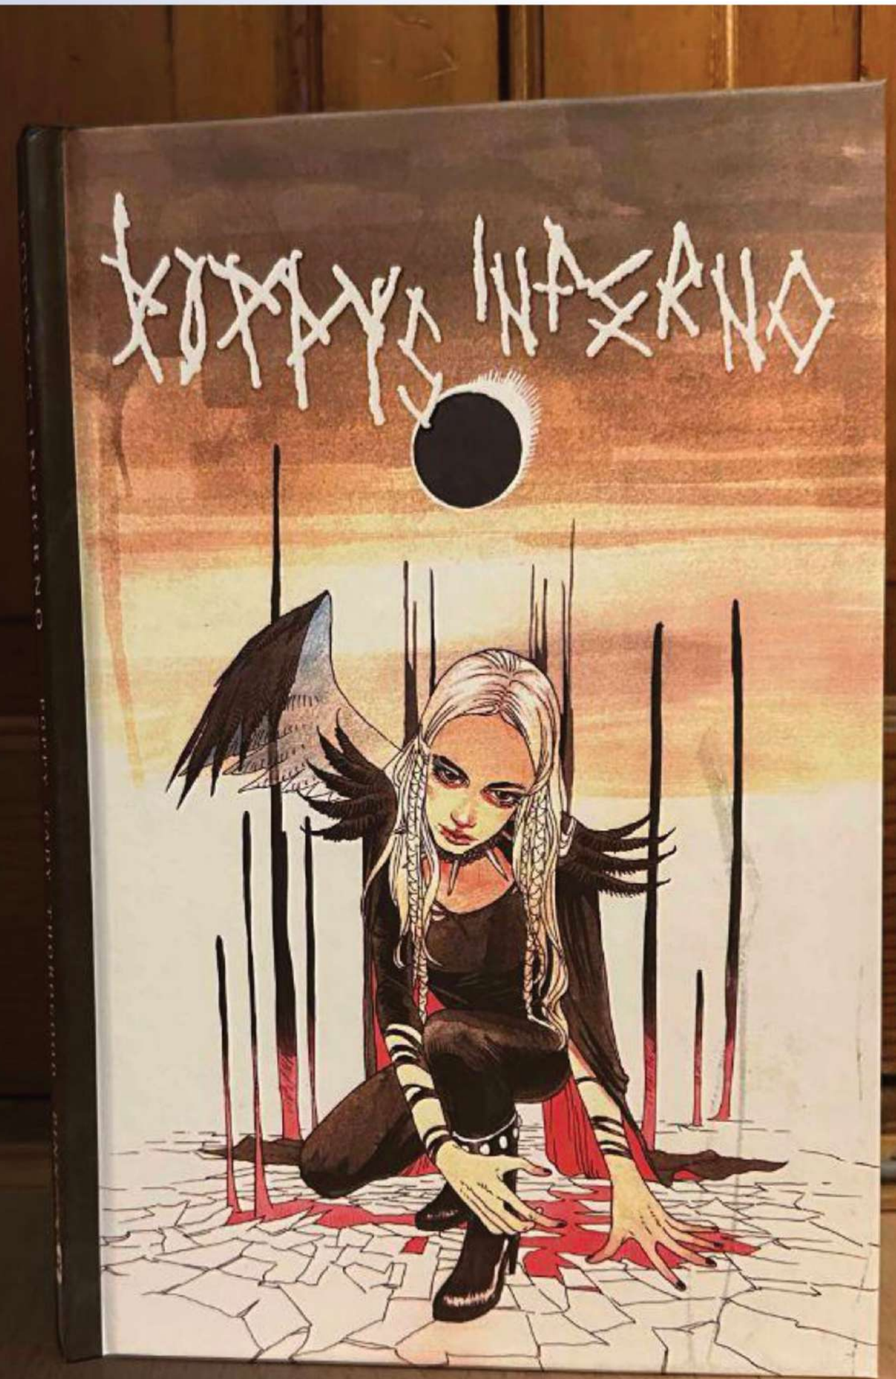
POPPY'S INFERNO
HARDCOVER EDITION // $30.00



SUMMARY

You might think you know Poppy, but what if you were only just scratching the surface? What if you could learn more about Poppy at the same time that she learns about herself? In between two worlds, both of which work to traumatize the unsuspecting into traumatizing others, Poppy finds herself in both literal and figurative Hellscapes. She must walk the thin line between doing what she must to gain her freedom and staying true to her own identity and beliefs.

In *'Poppy's Inferno,'* our hero must fight against all that try to change her, not allowing anyone to determine how she thinks, feels or hurts, all the while trying to outwit the demons that surround her every step of the way.
