THE DEFENDERS ON TRIAL! Mongo is a shattered empire -- and it's at least partly Flash Gordon's fault. The Defenders of the Earth may have saved their home planet, but Mongo paid a hefty price for Ming the Merciless's games. Now the toll's come due -- and it's the Defenders who will pay it. And while the Defenders face their former friends and allies, their offspring face challenges of their own. Determined to find Rick's missing mother, Dale, the Gordon child and his friends K'Shin, Zuffy, LJ, and Jedda investigate a former secret base held by the son of Ming. Kro-Tan may be gone, but the danger is not. A fan-favorite villain goes after the Second Gen Defenders! Writer Dan DiDio and artist Alex Sanchez pick up the beloved characters from the classic animated series and spin a whole new adventure!

Ash is a newly 'born' robotic life-form, created as the newest denizen of a space liner run solely by mechanical life. Ash's creator, a robot called Rust, explains that all mechanical life and artificial intelligence on the ship decided they no longer served the human crew. In its place arose a CYBERARCHY, a more efficient mechanical society. But Ash soon realizes that all is not well--this Cyberarchy is a fractured society, with a secret hidden at the heart of it all that will one day pit all organic life against robots like himself...

The Coalition is a city of wonder in the deep north, but it is ruled by the cruel Governor Glass and his factory lords. Coal is the lifeline of the city, and for honest workers like young Peggy Stones, life can be hard because of the nefarious quota. To get extra coal at the end of the year, you must be bad, every day! Peggy's life is thrown into chaos when she is imprisoned and sent into exile, which begins a harrowing journey to the ends of the world to find answers that could change the world! From the minds of debut writer Joni Hägg and superstar artist Stipan Morian (20th Century Men), with colorist Ropemann and Eisner Award-winning letterer Hassan Otsmane-Elhaou, comes the most thrilling steampunk adventure of the winter.
