"Superman Superstars" concludes with an unforgettable two-part story written by *Poison Ivy's* G. Willow Wilson and drawn by fan-favorite artist Gavin Guidry (*Superman '78*).

Knowing he needs a break from the expectations and pressures of Metropolis, Lois sends Clark to the arctic to investigate a new technology that promises to halt global warming. But when Clark arrives, he discovers that the scientific outpost has been plagued by a villain hoping to melt humanity's hopes for survival. Sounds like a job for Superman!

The moon has become a battleground in the war to end all wars. On one side: Wally West. And Wally West. And Wally West. Using his newfound powerset gained after the Justice League's battle with Darkseid, he's split himself hundreds of times, into an army of TEMPS, as Wally keeps going while spreading himself thinner and thinner. On the other side: Eclipto, reborn in a terrifying new form. After razing Skartaris, he's built a new army, and taken control of the Moon, in his quest to replace Darkseid as the ultimate expression of existential evil. But, Eclipto isn't the only one attempting the fill the void left by Darkseid's death, as the Temp Wally on the Watchtower with the Justice League is fast learning...

It's a rumble over all sides of the Moon, as the ALL IN era of the Fastest Man Alive enters its first event: Bad Moon Rising!

In the pages of DC's Absolute Power event, Fire and Ice had finally achieved what Fire always wanted. The dynamic duo made a glorious return to the ranks of the Justice League—and during a major world crisis, no less! But when the crisis was overcome, the smoke had cleared, and all the superpowers were restored, Ice found herself shooting off uncontrollable spurts of fire, and Fire had ice crystals forming at her fingertips. Oops.

With their powers switched and no solution in sight, Fire and Ice tuck tail and regroup in Smallville, where they realize their predicament makes them something worse than has-been heroes: menaces to the local community they've come to love. But Fire's always got a plan, no matter how shortsighted! And when she goes digging around in Zatanna's bag of tricks for a quick fix in the middle of karaoke night...what could possibly go wrong? Aside from, y'know, everything. Again.

Fire & Ice: Welcome to Smallville writer Joanne Starer teams up with fan-favorite artist Stephen Byrne, returning Fire and Ice to Kansas for another raucous romp full of heart and humor in the midst of their own personal hell!

A serial killer is stalking Gotham. But its victims are all juvenile delinquents, teens, and young adults with criminal records and time served. Are they even worth saving? For Batman, the answer is always yes. No matter who they are or what they've done, every life is worth preserving.

Not everyone agrees with this sentiment, as Bruce Wayne will discover when an old family friend invites him to test a new longevity drug, Sangraal, something only the very rich will ever have access to. What's Sangraal's connection to these strange murders, and what's the price of immortality? Find out in the critically acclaimed story "The Mercy of the Father" by dynamic duo Tom Taylor (*Nightwing*, *Superman: Son of Kal-El*) and Mikel Janín (*Batman and JSA*). 600 million people. That's how many fall victim when a mysterious techno-organic virus is unleashed on Earth. Now, only Superman, Batman, Wonder Woman, and the rest of the Justice League stand between Earth and utter annihilation...

Nothing they've ever faced has prepared them for an onslaught of this magnitude. Nothing they've ever seen can match the scale of the tragedy and terror that have been unleashed. As heroes and villains, gods and monsters are wiped out, only one question remains: what happens to the World's Greatest Heroes if the world ends?

DCEased is produced by *New York Times* bestselling writer Tom Taylor (*Injustice*) with artists Trevor Hairsine (*Red Hood and the Outlaws*) and Stefano Gaudiano (*The Walking Dead*) to unleash an all-new vision of the DC Universe's darkest hour in *DCEased*.

Bullied nerd Virgil Hawkins wasn't the kind of kid you'd normally find on the streets at a protest—but like everyone else in the city of Dakota, he was fed up. Unfortunately, the first time he stood up to raise his voice, the world turned upside down. The experimental tear gas released that day left some of his classmates maimed or dead...but it left Virgil and others with stunning new abilities. Virgil has power inside him now—but there's anger burning inside him, too. What is he supposed to do about all this? And—what is he supposed to do about his bullies, now that they've got superpowers, too?

Static: Season One partners comics' most dynamic new creative voices with Milestone Media veterans to open up a new chapter in the story of the most iconic Black teen superhero in comics history—and like every classic Milestone tale, it will take you places you could never even dream!

Determined to continue serving others after her military career was cut short by bigotry, Kate Kane has taken up the identity of Batwoman, leading a one-woman war on Gotham City's evil underbelly. And at the heart of her investigation is the Religion of Crime, a criminal cult led by a madwoman known only as Alice. Speaking in riddles and storybook rhymes, the Lewis Carroll-inspired Alice aims to transform Gotham into her own twisted wonderland. But is everything Alice says truly mad? Underneath her deranged theatrics, she may hold the key to understanding Batwoman's past...

Batwoman: Elegy is a visually stunning landmark tale created by bestselling writer Greg Rucka (*Wonder Woman*) and acclaimed artist J.H. Williams III (*The Sandman: Overture*), which reveals the shocking origin that set the foundation for one of the DC Universe's most prominent LGBTQIA+ characters.
