Their journey will take them from Dominaria, to Zendikar, Eldraine, Innistrad, and New Capenna before they at last find a way into Ravnica. Once there, they'll have to liberate the plane from the megalomaniacal metal mage, Tezzeret, who seeks to bend powerful sites of magic across the Multiverse, and the powers of a Planeswalker making her first appearance in MAGIC comics--Isona Maive--to his goal: the power to cast the Elderspell and make himself a god.

(W) Jed MacKay (A) Ig Guara, French Carlomagno (CA) Miguel Mercado

Across the vast Multiverse, those gifted with a "spark" can tap into the raw power of Magic and travel across realms. They are Planeswalkers, and in Ravnica, they are hunted. Three Planeswalkers from rival guilds--Ral Zarek, Vraska, and Kaya--together investigate a series of assassination attempts that left Jace Beleren, the famous mind mage, in peril.

They soon learn that the assassins came from a cult with members from all of Ravnica's guilds. A cult that worships the ancient, incomprehensibly powerful being Marit Lage, whose physical manifestation is hurtling toward the city in a frozen comet. The influence of Marit Lage upon her followers tends in one direction: toward obsessive worship, and endless death as tribute. The Planeswalkers' investigation becomes a battle: to rid Ravnica of the influence of the Cult of Marit Lage, and to save their world and every other world in the Multiverse from her maddening power. It will take more than three Planeswalkers working together, and one Planeswalker's ultimate sacrifice.

Collected for the first time in a value-priced softcover edition are the first two groundbreaking story arcs by bestselling acclaimed writer Jed MacKay (Moon Knight, Avengers), and artist Ig Guara (Silk), as well an issue by guest artist French Carlomagno (The Dead Lucky, Mighty Morphin Power Rangers).

SWEETIE CANDY VIGILANTE VOL 2 #3 CVR A TAO (MR)

(W) Suzanne Cafiero (A) Thiago Vale (CA) Ivan Tao

THIS IS FINE... AND DANDY AS CANDY!

Is Pixie questioning a life of candy carnage? Are things all GOOD with Sweetie's resident ninjette? Is she acting BAD in the name of GOOD? What's really on her mind as she gazes into the halo of the Strawberry Ice Moon deep in thought? Moonlight on that and more will be shed....

Sweetie calls a company SWEET MEET to update Candy Wolf, Pixie, Hansel and Gretel, Peter Cottontail, Jack Rabbit, and Honey B. (with Gumme Bear and Tinsel joining on video conference), about the GOOD news that business is growing faster than imagined, and plans for the "Fortress of Sweetness" are nearing completion. That's just Hatchy Milatchy! Soon, the entire world will know the name Sweetie Candy Vigilante!

Also on the agenda, and topping Sweetie's NAUGHTY LIST, is salty nemesis Bart Volgare. Still reeling from the "Sugartown Showdown," he confides to his girlfriend that Sweetie's "fairy tale wash-ups" (as he calls them) wiped out his entire A-Team, leaving him and his now disfigured henchman SUV as the sole survivors. SUV is literally speechless and scarred with a twisted grin on his face, unable to mutter a single word. He's seen some s**t!

Turns out Bart's main squeeze is a high-profile member of the news media, and he's got a scheme to expose Sweetie on live TV for being more than what she may appear to be on her sugary surface. Tales of bullet-eating ice-crystal skulls made from magical snow, exploding jellybeans and grenade easter eggs leave his sanity, or at least his sobriety, in question.

The NYPD learns two mysterious uninhabited islands, long since considered abandoned and dangerous, and within eyeshot of NYC's notorious jail on Rikers Island, have recently been purchased from the city by a "private buyer." Well, well- isn't that NICE!?

THIS ISSUE IS DANDY AS CANDY... DON'T MISS IT! (STL319486)

SWEETIE CANDY VIGILANTE VOL 2 #3 CVR D VALE (MR)

(W) Suzanne Cafiero (A/CA) Thiago Vale

THIS IS FINE... AND DANDY AS CANDY!

Is Pixie questioning a life of candy carnage? Are things all GOOD with Sweetie's resident ninjetta? Is she acting BAD in the name of GOOD? What's really on her mind as she gazes into the halo of the Strawberry Ice Moon deep in thought? Moonlight on that and more will be shed....

Sweetie calls a company SWEET MEET to update Candy Wolf, Pixie, Hansel and Gretel, Peter Cottontail, Jack Rabbit, and Honey B. (with Gumme Bear and Tinsel joining on video conference), about the GOOD news that business is growing faster than imagined, and plans for the "Fortress of Sweetness" are nearing completion. That's just Hatchy Milatchy! Soon, the entire world will know the name Sweetie Candy Vigilante!

Also on the agenda, and topping Sweetie's NAUGHTY LIST, is salty nemesis Bart Volgare. Still reeling from the "Sugartown Showdown," he confides to his girlfriend that Sweetie's "fairy tale wash-ups" (as he calls them) wiped out his entire A-Team, leaving him and his now disfigured henchman SUV as the sole survivors. SUV is literally speechless and scarred with a twisted grin on his face, unable to mutter a single word. He's seen some s**t!

Turns out Bart's main squeeze is a high-profile member of the news media, and he's got a scheme to expose Sweetie on live TV for being more than what she may appear to be on her sugary surface. Tales of bullet-eating ice-crystal skulls made from magical snow, exploding jellybeans and grenade easter eggs leave his sanity, or at least his sobriety, in question.

The NYPD learns two mysterious uninhabited islands, long since considered abandoned and dangerous, and within eyeshot of NYC's notorious jail on Rikers Island, have recently been purchased from the city by a "private buyer." Well, well- isn't that NICE!?

Marv Wolfman's complex, long-form plotting on TOMB OF DRACULA was years ahead of its time. On the art side, Gene Colan and Tom Palmer's visuals were arguably the final word on Dracula. So what do they have in store for us? An absolute Marvel Masterworks! Quincy Harker and his vampire hunters thought they had put an end to the Lord of Vampires — but no! Dracula's evil has survived...and has split our heroes apart. All the threads come together as Dracula enacts his revenge, but Dr. Sun may have different plans. It is the near future, and student violence in schools is out of control. In a questionnaire survey for teachers, 98.6% say it is far more challenging to teach students than in the past, and 85.8% say it is not only more challenging but now dangerous.

Eventually, due to out of control youth violence, a teacher is murdered, and the news goes everywhere. As a result, public opinion calling for rapid changes to juvenile law boils over in all parts of the country.

The Ministry of Education and the National Assembly, feeling the seriousness of the collapse of the teaching authority, take the news very seriously and revise the Teaching Rights Protection Act to create a single supervisory body. The name of the supervisory body is the Office of the Protection of Educational Rights.

Hwajin Na becomes a supervisor of the Educational Rights Protection Bureau and is sent to a school where the collapse of authority is severe. His teaching techniques are violent for someone who works in the Ministry of Education. That being said, when punishments don't seem to work on even the worst of school bullies, there is no better man for the job. Sometimes you can't get a good education until those bullies are taught a lesson...

MARKETING DESCRIPTION: ABLAZE presents two graphic novels featuring Eisner and Ringo Award-winning artist Werther Dell'Edra, collected together for the first time as a special price.

In *He Who Fights with Monsters*, it's World War 2 and the struggle between good and evil is in full force. In Prague, the great Bohemian city is being oppressed by the Nazi occupation and the population lives in terror, while the resistance forces try to organize themselves in the shadows. It is an almost impossible task. With the ruthless SS tightening their grip on every street and neighborhood with overwhelming might, only one hope feeds the struggle. A crazy hope, which rests on the fragile foundations of an ancient, monstrous legend...

In *The Voices of Water*, under a persistent rain, which seems destined to never subside, Stavros lives and moves through the streets of a dark and gloomy nameless city. He has a job and a fiancée; his life is normal. Yet several, different voices talk to him - sometimes whispering, sometimes whining or yelling - whenever he hears the water running. One day, as Stavros wanders the city under a heavy rain, the voices become insistent, revealing his deepest, unspeakable secrets, as well as his dreams and memories. He is tormented by these mysterious voices, perhaps a sign of his madness. Or perhaps of a wider, collective madness, which infects everyone around him, to the point of being transmitted to the entire universe. (STL318252) (C: 0-1-2)

O/A CRUELER THAN DEAD COLLECTED SET 1 & 2 (MR)

(W) Tsukasa Saimura (A/CA) Kozo Takahashi

Discover the BEST of GORE from JAPAN! Crueler Than Dead features fast paced and extremely graphic violence, concealing none of the absolute horror...and requiring a strong heart and stomach! A two-volume deal for lovers of horror!

No one knows where it started...but when the world finally realized what was going on, it was already too late. When Maki Akagi wakes up in a lab full of corpses, she learns from a dying soldier that she is the result of a last-ditch experiment to cure humans of a virus turning them into zombies. Accompanied by a young boy who also miraculously escaped, she will have to try to get to the very center of a devastated Tokyo filled with bloodthirsty monsters. The dome located there contains the last survivors of mankind. Humanity's very survival depends solely on a few drops of a miraculous vaccine...

In Vol. 2: Maki and Shota finally make it to Tokyo Dome, the largest refugee camp in the entire Kanto region and one of the last places to survive the zombie outbreak that has overwhelmed the whole world.

Maki, who brings with her the remaining doses of the vaccine developed at the Gunma pharmaceutical center where she woke up in the first volume, is taken care of by the structure in power in the Dome, where a handful of privileged people, under the leadership of Colonel Shimamoto, live in luxury, while the majority of the rest of the survivors are reduced to survive in appalling conditions.

Shota and Miura are thrust into the difficult daily lives of survivors who do not have the chance to be privileged. Miura is assigned to a work team while Shota befriends the leader of a gang of children who say they can help locate her father...

Inspired by Katsuhiro Otomo (Akira), The Walking Dead, Romero classics, and new zombie films like 28 Day Later, Crueler Than Dead delights in the meticulous detail of decomposed flesh, with a wicked and hungry eye...evoking a modern vision of a zombie world that is terrifying and tension filled.

ASTROBOTS #1 (OF 5) MASSIVE EXCL TRUNNEC

(W) Simon Furman (A/CA) Hector Trunnec

Hector Trunnec, Astrobots series artist, created this cover as an exclusive for Massive Publishing in his elegant watercolor style. Massive is making its remaining stock of this freewheeling cover design available to retail for the first time

Simon Furman, writer of the original Transformers comic series and creator of Marvel's Death's Head, has teamed up with Heavy Metal artist Hector Trunnec to create an all-new Mecha-Masterwork based on the toylines designed by Aaron Thomas.

Pathfinders, Pioneers...breaking new ground in the furthest reaches of the galaxy...they are - ASTROBOTS.

The clock is ticking for planet Earth and the race is on to find a new world capable of sustaining human life. New, sophisticated machine lifeforms called Astrobots are dispatched to scout far-flung worlds in the hope of crafting a new home. With food and raw materials running out and climate disasters escalating, the evacuation of the entire human population is the only slender hope remaining.

On Colony World 1, a catastrophic power struggle forges a new - all-Astrobot - society, and presiding over this nascent civilization is Atlas, an evolved mech with a futureproof plan. A plan that does not include humankind.

"Furman's writing is top-notch, creating a fantastic introduction to the world of Astrobots that would satisfy any Transformers fan. Trunnec's artwork is stunning, with a beautiful watercolor-like aesthetic that brings these robots to life."

-Nolan P. Smith, Pastrami Nation

"Transformers is nearly 40 years old now... but Astrobots is entry-level, a proper starting-from-scratch epic in the making. There's so much more already in the pipeline I can't talk about yet, but trust me - it's got all the breadth and potential to be a proper rival to the robots in disguise in the fullness of time."

On Colony World 1, a catastrophic power struggle forges a new - all-Astrobot - society, and presiding over this nascent civilization is Atlas, an evolved mech with a futureproof plan. A plan that does not include humankind.

"Furman's writing is top-notch, creating a fantastic introduction to the world of Astrobots that would satisfy any Transformers fan. Trunnec's artwork is stunning, with a beautiful watercolor-like aesthetic that brings these robots to life."

-Nolan P. Smith, Pastrami Nation

"Transformers is nearly 40 years old now... but Astrobots is entry-level, a proper starting-from-scratch epic in the making. There's so much more already in the pipeline I can't talk about yet, but trust me - it's got all the breadth and potential to be a proper rival to the robots in disguise in the fullness of time."

With food and raw materials running out and climate disasters escalating, the evacuation of the entire human population is the only slender hope remaining.

On a long family road trip, she pulls out her new video camera to search for legendary creatures at every stop. One night, Deja sneaks out of the RV and meets the Texas chupacabra face-to-face! In her excitement to meet an actual cryptid, she charms the beast out of eating her. It turns out that mythological animals are not only real... they can talk. And maybe it's time for their stories to be heard! Deja and her furry new friend hatch a plan to interview the rest of the cryptid community. Unfortunately, they're not the only ones on the trail... and some other monster-hunters don't have intentions as pure as Deja's. Has she led her beloved beasts into a trap? (STL317805) (C: 0-1-1)

UMBRELLA ACADEMY HC NOVEL YOUNG BLOOD (C: 0-1-0)

The official prequel novel to the hit Umbrella Academy series on Netflix, starring a teenaged Umbrella Academy in an original, darkly comic adventure! The Umbrella Academy has always been extraordinary—ready to leap to superpowered action at a moment's notice. But the only thing Luther, Diego, Allison, Klaus, Ben, and Viktor want is to be normal... which is much easier said than done, when you're raised by someone like Hargreeves. Klaus suggests that they all need a change of

scenery—just one night of partying like a bunch of average teens. In fact, Klaus knows just the place; there's a frat house in a neighboring college town that throws weekend blowouts. What could go wrong? They soon realize sneaking out of Hargreeves's house—er, fortress—is the least of their concerns. When the six teens pledge not to use their powers under any circumstances, they fail to factor in the sheer force of teen drama. Faced with weird earthquakes, weirder partygoers, and a possible new foe, the Umbrella Academy must choose between the night they always dreamed of and an unexpected mission that may save the world! HATCHET MIDNIGHT MURDERS #1 CVR D CALZADA

(W) G.O. Parsons, James Kuhoric (A/CA) Puis Calzada

Victor Crowley returns in 'Hatchet: Midnight Murders,' a new three-part series from American Mythology. It's 1985 and the Mardi Gras scene is at the height of its annual debauchery. But amidst the booze and hedonism, people are disappearing at an alarming rate. Is there a serial killer in the Bayou to blame for the wanton bloodletting or something even more sinister? Sharpen your axes and prepare for a blood-soaked battle in the heart of the swamp in a series written by Willy's Wonderland creator G.O. Parsons and Freddy Vs Jason Vs Ash scribe James Kuhoric! With senior year finally behind them, Cassie and her three best friends are on their way to what's next. Like their parents, the crew has always been inseparable: there's Marcy, the artist, for whom style is self-expression and sarcasm is a love language; Aaron, the future lawyer, whose good humor balances out his competitive streak; Nico, the musician, whose flirtatiousness, obliviousness, and recent interest in a rising senior are becoming increasingly unbearable to Cassie; and of course, Cassie herself, the only one who doesn't have her future all figured out. This summer is their last chance to make memories together in New York City before everyone but Cassie scatters across the globe for college—and she's determined to make the most of it. Her plan? They'll spend August playing the game of dares and risks they invented as kids! From adventurous to outrageous, these dares will definitely make for an unforgettable summer. BOLDLY GO REFLECTIONS ON LIFE AWE & WONDER SC (C: 0-1-0)

(W) William Shatner

Long before Gene Roddenberry put him on a starship to explore the galaxy, long before he actually did venture to space, William Shatner was gripped by his own quest for knowledge and meaning. Though his eventful life has been nothing short of extraordinary, Shatner is still never so thrilled as when he experiences something that inspires him to simply say, "Wow." Within these affecting, entertaining, and informative essays, he demonstrates that astonishing possibilities and true wonder are all around us. Shatner reflects on what he has learned along the way to his ninth decade and how important it is to apply the joy of exploration to our own lives. Insightful, irreverent, and with his signature wit and dramatic flair, Boldly Go is an unputdownable celebration of all that our miraculous universe holds for us. (STL315556) (C: 0-1-0)

ALAN MOORE WRITING FOR COMICS GN (NEW PTG) (MR)

(W) Alan Moore (A/CA) Jacen Burrows

A new printing of the timeless master-class in sequential storytelling! The maestro of comic book writing shares his thoughts on how to deliver a top notch script! The main essay was originally written in 1985 and appeared in an obscure British fanzine, right as Moore was reshaping the landscape of modern comics, and had been tragically lost ever since. But it's all here, collected as one graphic novel, and heavily illustrated by Jacen Burrows. Alan Moore also provides a brand new essay on how his thoughts on writing have changed in the two decades since he first wrote it. For fans of Moore's work, new writers, or anyone who wants a peek behind the mental curtain of one of the greatest living writers, this is a can't miss book! (STK212258) (STAR18707)

VICTORY POINT SC GN (C: 0-1-0)

(W/A) Owen D. Pomery

On a summer's day, Ellen returns to the coastal town she grew up in: Victory Point. Revisiting old haunts and people from her past, she feels increasingly disconnected from her previous life, and exhausted by her constant struggle to forge a path ahead. Exploring the town, Ellen searches for some comfort in her own history that could give her the strength to move forward in her own life. Victory Point explores the concept of how we live and choose to be remembered, asking whether we should strive for a higher calling, or if a simple, domestic legacy is the most honest and admirable achievement we can hope for. Set in a town that is itself an architectural experiment, this graphic novel is a poignant and heartfelt search for meaning in life. (STL316022) (C: 0-1-0)

WALKING DISTANCE GN (C: 0-1-0)

(W/A) Lizzy Stewart

Merging the personal and the political, observation and contemplation, the author examines what her life is and wonders what it should be; what is expected of a thirty year old woman by society, by family and friends and by herself. She walks the streets of her London, creating it and herself—gaining agency by being in control of her own direction, speed and momentum. Walking is both an internal and external experience. It's a time for self-reflection, for observing others and for imagining how we appear to them. What is expected of a person of our age, sex, and race, and how should that influence what we do and how we feel about ourselves? (STL316020) (C: 0-1-0)

It's summer in the countryside. The wildlife, down to the tiniest creature, is thriving. It's the New York City of the insect world; a melting pot of bugs, birds, and beasts of all kinds. Millie the pillbug feels like a bug apart. Unlike her friends, Millie needs to stay moist all the time, she doesn't pee, and she's the only vegetarian. How will she ever fit in and find meaning in her short life? The bug world is harsh. One minute you're snacking on a scrumptious aphid, the next you're being eaten alive by your spouse! Plus you've got social drama and your family questioning your 'alternative' lifestyle to deal with. Ugh. With humor, delight, and a touch of terror, NYC-based author Allison Conway brings us a collection of slice-of-life comics about being a young, female isopod in a modern, ever-changing world. THORN COMP PROTO BONE COLLEGE STRIPS 1982-1986 OTHER DRAWING

(W/A) Jeff Smith

The secret origin of Jeff Smith's BONE Comes to Light! Cartoon Books presents THORN: The Complete Proto- BONE College Strips from 1982 to 1986, and Other Early Drawings, reprinting the entire run of his earliest rendering of Jeff Smith's world-famous BONE characters for the first time. These comic strips reveal an early version of BONE called THORN that was written for a college audience in the 1980s. THORN appeared in the pages of The Ohio State University's student newspaper The Lantern. A few were reprinted in a self-published 1983 book called THORN: Tales from The Lantern. Another small selection was published in 2008's limited edition fundraiser for OSU's Billy Ireland Cartoon Library & Museum called Before BONE. Both books are long out of print and sell at collector's prices. There has never been an official, complete run published until now. This beautiful edition includes plenty of bonus material such as recently discovered early drawings of the BONE characters, essays and interviews. (STL316087) (C: 0-1-0)

(W/A/CA) Shigeru Mizuki

Kokopo, 1943. A platoon of soldiers is ordered into battle. The objective is death. The alternative is certain execution as a consequence of survival. Inspired by Eisner Award-winning author Shigeru

Mizuki's own mandatory tour of duty as an active combatant in the Imperial Japanese Army, *Onward Towards Our Noble Deaths* portrays a flailing infantry unit on its last legs near the end of the Second World War. (STL234802) (JUN221484)

SHOWA HISTORY OF JAPAN GN VOL 01 1926 -1939 SHIGERU MIZUKI (

(W/A/CA) Shigeru Mizuki

Showa 1926-1939: A History of Japan lays the groundwork for Eisner award-winning author Shigeru Mizuki's historical and autobiographical series about Japanese life in the twentieth century. Depicted against his trademark photorealistic backdrops, Mizuki effortlessly portrays a nation forced into a period of upheaval and brings history into the realm of the personal. Indeed, as a child coming of age in the Showa era, the author's earliest memories coincide with key events of the time. (STL234794) (JUN221477)

Showa 1939-1944: A History of Japan continues Eisner award-winning author Shigeru Mizuki's historical and autobiographical account of Japanese life in the twentieth century. This volume covers the devastation of the Sino-Japanese War and the first few years of the Pacific War—a chilling reminder of just how harsh life in Japan was during this hostile era. Pivotal events like the attack on Pearl Harbor are reframed as part of a larger context detailing the country's brutal military expansion into Southeast Asia and elsewhere. (STL234796) (JUN221478)

Showa 1944-1953: A History of Japan continues Eisner award-winning author Shigeru Mizuki's historical and autobiographical account of Japanese life in the twentieth century. In this volume, the tail-end of the Pacific War and its devastating consequences upon the author and his compatriots

loom large. Two rival navies engage in a deadly game of feint and thrust, waging a series of ruthless military campaigns across the Pacific islands. When the United States unleashes the atomic bomb it is the ultimate, definitive blow. The catastrophic fallout from both explosions surpasses the limits of popular imagination. (W/A/CA) Shigeru Mizuki

Showa 1953-1989: A History of Japan concludes award-winning author Shigeru Mizuki's stunning historical and autobiographical series about Japanese life in the twentieth century. The final volume picks up in the wake of utter defeat in World War II, covering the United States' shift from enemy to ally. Jobs, money, and opportunity are funneled along in a bid to establish the country as a bulwark against Communist expansion. Japan thus reinvents itself, emerging as an economic powerhouse. This period of peace and plenty conceals a populace still struggling to come to terms with the devastation of their all-too-recent past. (STL234798) (JUN221480)

ERB AUTH LIB TARZAN HC VOL 21 TARZAN THE MAGNIFICENT (C: 0-1

(W) Edgar Rice Burroughs (A/CA) Joe Jusko

The half-dead American raved of an unknown city... of women warriors ruled by a malignant wizard...of a great diamond, the Gonfal, with strange hypnotic power... of a long-lost English nobleman... of the savage queen who had betrayed her duty and helped him to escape. Tarzan puts little faith into Stanley Wood's story—until he sees the power of the Gonfal draw the American in spite of himself back into the clutches of the Amazons of Kaji. Then it is that the ape-man becomes once more the implacable hunter—for though he cares nothing for diamonds or lost civilizations, no one may be allowed to harm a man the Lord of the Jungle has taken under his protection.

But for Colonel John Clayton, Lord Greystoke, the hazards of wild beasts and a remorseless enemy are a familiar and joyously accepted challenge—a chance to return to his true identity of Tarzan of the Apes. Gathering a motley crew of allies of many nations, Tarzan works a terrible vengeance on the occupying Japanese and leads an epic trek to the coast—to a final ocean rendezvous with enemies human and inhuman. HATE REVISITED #1 (OF 4) (MR)

(W/A/CA) Peter Bagge

Peter Bagge returns to the series that defined a generation with this all-new, four-issue monthly miniseries! Buddy and Lisa, now middle aged with a free spirited young adult of their own, confront their own poor decisions as young people in the grungy 1990s. Expertly shifting between the present day (in full color) and their Gen X heyday (in glorious, crosshatched B&W), we learn for the first time the story of how Buddy met Lisa, Stinky, George, and Val. Meanwhile, Buddy is forced to come to terms with the tragic -- and covered-up -- circumstances of Stinky's untimely death (way back in Hate #27). Hate Revisited expertly showcases Bagge's inimitable humor and knack for character, and the generational shift lends an unexpected gravitas to their lives. This is the must-have comic of the summer! COMPLETE HATE HC PETER BAGGE (MR)

(W/A/CA) Peter Bagge

An archival collection of one of the bestselling alternative comic book series — arguably, the Great American Grunge novel — complete for the first time.

The Complete Hate is a three-volume set that includes the original 1990-1998 30-issue run, the nine subsequent Hate Annuals, and tons of other Hate-related comics, illustrations, and ephemera created for books, magazines, comics, toys, and other merchandise. Bagge combined his cartoony drawing style with uncomfortably real Gen X characters, and the comic books resonated with readers. Book One (Hate 1-15), focuses on young Buddy Bradley's travails in early 1990s Seattle. Book Two focuses on Buddy and his girlfriend Lisa Leavenworth's move back to Buddy's native New Jersey (and a switch from black-and-white to full color). Book Three features the final arc of Bagge's magnum opus, as Buddy and Lisa become parents (and buy a garbage dump). Each volume, along with the slipcase, contains new covers, endpapers, title pages, and other surprises by Bagge. (STL164729) (SEP201223)

O/A OTHER LIVES TP

(W) Peter Bagge

Other Lives follows three former college classmates: a self-loathing journalist whose family secret is the least of his problems; his girlfriend, whose obsession with getting married borders on Bridezilla status; a conspiracy theorist who may or may not work for the Homeland Security but definitely lives with his mother; and a divorced, unemployed gaming addict who lives in his car. While it's their past that unites them, it's their fabricated online identities - some more dangerous than others - that lead to their "real" lives colliding years later.

Originally published in 2010 by DC Comics' Vertigo imprint, Other Lives is Bagge's first post-Hate original graphic novel and has been out of print for several years. Fantagraphics is proud to publish this new edition, at a time when Bagge's oeuvre is enjoying renewed interest following the release of The Complete Hate in late 2020. (STL196630)

O/A HOGBOOK & LAZER EYES HC (C: 0-1-2)

(W) Maria Bamford (A/CA) Scott Marvel Cassidy

Hogbook and Lazer Eyes is the perfect graphic novel accompaniment to Maria Bamford's acclaimed Netflix series Lady Dynamite, depicting her unlikely romance with painter Scott Cassidy. In a twist, the whole charming story is told through the eyes of their adopted rescue dogs. Cassidy's fine art training translates with ease into graphic storytelling, with a naturalistic illustrative style that is a pitch-perfect match for Bamford's comic timing. (STL263125) (C: 0-1-2)

SHTICK FIGURES HC (C: 0-1-2)

(W) Drew Friedman (A/CA) Drew Freidman

A new collection of portraits of cultural legends from the only cartoonist to have graced the covers of both New Yorker and Mad magazine, and seemingly everything in between.

For years, acclaimed artist Drew Friedman has chronicled an oddball, alternate history of American pop culture, where forgotten character actors, old Jewish comedians, comic book artists, and liver-spotted elevator operators are afforded the spotlight over Hollywood starlets and heartthrobs. This latest collection showcases a wide range of recent color and black-and-white portraits of comedians (Gilbert Gottfried, Groucho Marx, Selma Diamond, Moms Mabley, Brother Theodore), writers (Kurt Vonnegut, Alan Zweibel, Bruce Jay Friedman, Arnie Kogan), musicians (B.B. King, Bob Dylan, Al Kooper, Sammy Davis, Jr., Weird Al), directors (Buster Keaton, Elaine May, Terry Zwigoff), comic book legends (Max Gaines, Bill Gaines, Kelly Freas, Ron Turner), actors (Boris Karloff, Lon Chaney, Jr, Rondo Hatton, Peter Falk) and other famous, infamous, and not-so-famous human beings that Friedman has drawn inspiration from over his lifetime.

In addition to over 100 full-page images, this collection features a foreword by historian of comedy Kliph Nesteroff, a glossary of brief biographical information on each subject by the author, as well as the never-before-collected eight-page comic strip, "R. Crumb and Me," detailing Friedman's intense relationship to the work of the cartoonist he cites as his greatest inspiration of all. Shtick Figures is a must have for fans of Friedman's inimitable talent and sharp curatorial eye for preserving lesser known but worthy tributaries of all aspects of American culture, high and low. MAVERIX & LUNATIX ICONS OF UNDERGROUND COMIX HC (MR) (C: 0-1

(W) Drew Friedman

Perverted, Insane, Degenerate, Brilliant. Artist Drew Friedman pays tribute to the great underground comix creators from Z (Zap) to A (Arcade). With the publication of R. Crumb's debut issue of Zap in 1968, the Underground Comix revolution exploded, creating a major paradigm shift and blowing the lid off the traditional comic book. Maverix & Lunatix features 101 full page portraits (and more) by a cartooning icon in his own right, Drew Friedman, spotlighting the essential artists, writers, and editors who defined one of the great art and countercultural movements of the 20th century. Featuring R. Crumb, Gilbert Shelton, S. Clay

Wilson, Melinda Gebbie, Art Spiegelman, Vaughn Bode, Trina Robbins, Bill Griffith, Jay Lynch, Sharon Rudahl, Larry Gonick, Rick Veitch, Joyce Farmer, Justin Green, "Grass" Green, George DiCaprio, Diane Noomin, Harvey Pekar, Robert Williams, Howard Cruse, Dan O'Neill, Spain Rodriguez, Shary Flenniken, Richard Corben, and so many others... all of whom helped to reinvent an entire artistic medium and became icons of underground comix.

Featuring a foreword by Marc Maron (WTF with Marc Maron) and an afterword by historian Patrick Rosenkranz (Rebel Visions: The Underground Comix Revolution 1963-1975), each portrait in Maverix & Lunatix is also accompanied by a short biography of its subject by Friedman, making the book both a gorgeous art book and a valuable historical resource.

Drew Friedman lives with his wife and collaborator, K. Bidus, in eastern PA. He is an award-winning illustrator/cartoonist whose clients have included The New York Times, MAD, The New Yorker, Howard Stern, and countless others. Marc Maron is an American stand-up comedian, podcaster (WTF with Marc Maron), writer, actor, and musician. Patrick Rosenkranz is widely acknowledged as one of the premiere scholars of the underground comix movement. (STL237054) (JUL221492) (C: 0-1-2)

TOO SOON CELEBRITY PORTRAITS HC

(W/A/CA) Drew Friedman

With TOO SOON? Friedman finally (none "too soon," in fact) gets his due with this fat, beautiful collection that showcases his wide-ranging skills as a portraitist and caricaturist. TOO SOON? is evenly split between political celebrities and show-business ones, ranging from Friedman's instantly iconic "Barack Obama as George Washington" New Yorker cover to brutal depictions of Britney Spears and her tabloid-filling ilk. Subjects (or targets, depending on how you look at it) for Friedman's pen on the political side include Bill and Hillary Clinton, John Kerry, John McCain, and George W. Bush (with an iconic "W. as Strangelove" image) and his gang. Entertainers include Tiny Tim, Barney Fife, Bob Dylan, Woody Allen, Oprah Winfrey, Barbra Streisand, Jerry Lewis, the Three Stooges, Ellen DeGeneres, and Conan O'Brien. And falling somewhere in the gray area between entertainers and political players (you make the call!) Rush Limbaugh (who blasted Friedman's George W. Bush image as being of "low artistic quality"), Sarah Palin, and Michael Moore. The book will also include a running commentary by Friedman on the stories behind the drawings, including reactions from magazine editors, celebrities, and their fans. The cover is a stunning depiction of Michael Jackson. Too soon? Nah! (STK415730) (APR100965)

NEVER AGAIN WILL I VISIT AUSCHWITZ HC (C: 0-1-2)

(W/A/CA) Richter Ari

In this debut graphic memoir, New York-based artist Ari Richter weaves together two haunting stories - his grand- and great-grandfathers' imprisonment in Dachau and Auschwitz, and his own awakening to the contemporary rise of authoritarianism and the continuing crisis of anti-Semitism - with delicacy, immediacy, and an attention to surreal detail.

Never Again Will I Visit Auschwitz is an act of self-discovery and the resuscitation of historical memory. At its heart is the intersection of a genocidal political moment in 20th century history and the author's own family history. Told from the perspectives of four generations of the author's family, spanning pre-war Germany to post-Trump America, it is both a celebration of Jewish cultural resilience and a warning of democracy's fragility in the face of the seductive forces of authoritarianism. Part travelogue, part memoir, part historic retelling, author Ari Richter recreates his family's journey leading up to and extending beyond the Holocaust.

Relying on extensive genealogical research and his family's archiving, Richter illustrates the lives of his grandparents while reflecting on the burden of a storyteller to carry on these legacies. It is a rare glimpse into the firsthand stories of both Holocaust survivors and their descendants, told as an intertwined tapestry of faith, grief, and ultimately, survival.

Never Again Will I Visit Auschwitz is an intimate reflection on coming to grips with the past. Harrowing and humorous in equal measure, this evocatively drawn graphic novel will be discussed for generations to come. (STL304142) (C: 0-1-2)

BRABA TP (C: 0-1-2)

(A) VARIOUS

A showcase of innovative Brazilian comics, curated by acclaimed artist Rafael Grampá and comics editor Janaina de Luna.

American audiences have grown familiar with international comix through an influx of European bande dessinée and Japanese manga that has been translated into English over the past two decades. But there are vivacious creative scenes happening worldwide, notably in Brazil, the largest country in South America and fifth-largest country in the world. Braba aims to rectify this cultural blind spot with a single-volume showcase of innovative Brazilian comics, expertly curated by acclaimed cartoonist Rafael Grampá (Batman: Gargoyle of Gotham) and respected Brazilian comics editor Janaina de Luna. Produced by Fantagraphics in collaboration with Brazilian publisher MINO, this extraordinary collection of 13 short stories created by 16 pioneering Brazilian cartoonists encapsulates a thriving and thrilling comics scene.

Braba unites a diverse array of voices and styles under a unifying theme: deeply personal stories from experimental cartoonists. Each artist's unique vision with their stylized short stories contribute to the rich cultural tapestry of Brazilian comics. The contributors to Braba include Amanda Miranda, Bruno Seelig, Diego Sanchez, Gabriel Goes, Jefferson Costa, Jéssica Groke, Sirlene Barbosa, João Pinheiro, Cris Eiko, Paulo Crumbim, Pedro Cobiaco, Pedro Franz, Rafael Coutinho, Shiko, and Wagner Willian.

The term "braba," a Brazilian slang derived from "brava" meaning angry, has been embraced as a symbol of something impressive and groundbreaking. Originating from Brazil's edgy youth culture, the term is a compliment for individuals who exhibit unique and daring attitudes - an attitude exemplified by the bold and vibrant comics in this anthology. (W/A) Various (CA) Kayla E

The multiple Eisner and Ignatz Award nominated comics anthology returns: with every issue publishing only self-contained short stories from around the globe, NOW is the perfect primer of the very best of contemporary art and literary comics.

In our latest issue, NOW #13, cartoonist Kayla E. (USA) returns with an all-new "Precious Rubbish" strip exploring childhood trauma through her darkly humorous lens; she also contributes this issue's cover. Nathan Gelgud (USA) makes his NOW debut with two strips adapting dialogue from interviews with filmmaker Paul Schrader, while indie humor phenom Josh Pettinger (UK) also appears for the first time. Anchoring the issue is Caitlin Skaalrud's (USA) inspiring and beautiful "How to Make Comics," a 40-page poetic howl about the need to make art and the sacrifices that come with that need ("LEARN THE COPPER TASTE OF HUNGER"). And NOW regulars Noah Van Sciver (USA), Roman Muradov (Armenia), Josh Simmons (USA), Cynthia Alfonso (Spain), Steven Weissman (USA), Emil Friis Ernst (Denmark), and Stacy Gougoulis (Australia) are back with all new stories.

Kate Carew was America's first great woman cartoonist, drawing for newspapers in the first two decades of the 20th century. She drew Sunday color comics alongside George Herriman, but it was in the idiom of freestanding caricature that she made her mark. She interviewed and sketched many of the famous celebrities of her time including the Wright brothers, who built and flew the world's first successful airplane; Marconi, who invented wireless radio; Picasso, the most famous painter of the 20th century; the world champion African American heavyweight boxer Jack Johnson; and the leading figures of the suffragette movement in the years before women won the right to vote in the UK (1918) and the US (1920). Her most endearing achievement was her cartoon alter ego "Aunt Kate," whom she sketched into the proceedings, turning graphic reportage into her personal adventure from San Francisco and New York to London and Paris. AND MANKIND CREATED THE GODS GN (C: 0-1-1)

(W/A) Joseph Behe

Why does religion exist? Why do people believe? Do all religions start with the same basic idea? These are some of the most fundamental and enduring questions we have about the mysteries of religion, and they may well hold the key to humankind's future on this earth. In this adaptation of Pascal Boyer's classic work exploring these concepts, Religion Explained, artist Joseph B  h   harnesses the power of comics to provide clear answers to the basic questions about why religion exists and why people believe. His erudite book is rich with insight into the endless jumble of ideas that inform religious beliefs and practices across cultures. With detailed, illustrative drawings and carefully adapted prose, B  h  's graphic novel brings a new perspective to Boyer's work. (STL298203) (C: 0-1-1)

EVERYTHING EVENTUALLY CONNECTS GN (C: 0-1-1)

(W/A) Sarah Firth

This is a collection of eight autobiographical visual essays that explore the joys and pains of living in a hypercomplex and uncertain world. In her sprawling and colorful style, Sarah Firth pursues some of life's deepest philosophical questions about happiness, hope, love, sex, death, truth, reality, and the definition of "self." She weaves together a mix of great ideas and silly ones deriving not only from her own lived experience, but also from her daydreams, pop culture memes, and the teachings of science, philosophy, and history. Her musings ultimately lead her to consider how to live more joyously in a troubling world, and how to be more compassionate towards oneself, others, and the planet. (STL298204) (C: 0-1-1)

O/A GLADYS PARKER LIFE IN COMICS PASSION FOR FASHION HC

(W) Trina Robbins (A) Gladys Parker

Cartoonist Gladys Parker was unique in comics. As with Frida Kahlo, it was impossible to tell where her art left off and its creator began. Parker mixed fashion and comics and created classic characters that mimicked her sense of fashion. In fact, Parker was an exact double for her ink-and-paper creation, Mopsy. Only Gladys Parker was a fashion designer with a successful line of clothing while at the same time drawing an equally successful comic strip. Parker's dresses bearing the Gladys Parker

label were sold at her own New York shop and at high-end department stores across the country. Who better to chronicle the story of Gladys Parker than comics herstorian Trina Robbins, who in the 1960s designed clothes for hippies and rock stars out of her East Village boutique, while drawing underground comix? While the wife stays alive by eating plants she gathers daily, the husband does the unthinkable, resorting to murder and cannibalism. Horrified, and terrified for her life, the wife eventually finds herself alone in camp with her husband, knowing what will happen to her if she does not find a way to escape. Hatching a plan, the exhausted wife embarks on the journey with her murderous husband in pursuit. After safely arriving at a nearby camp, she shares the story of what has become of her camp, and her own children. Soon the husband arrives, and the camp must decide how to deal with the cannibal. Both horrific and poignant, this cautionary traditional story provides a window into the at times harsh realities of traditional life. (STL316067) (C: 0-1-1)

Two androids crisscross the planet for centuries in search of themselves and each other while civilization crumbles around them.

Born in a laboratory in Silicon Valley, two androids named Carbon and Silicon will witness the evolution of humanity. From this dawn of true artificial intelligence, the pinnacle of human achievement, they will directly witness ecological, economic, and cultural crises that alter civilization as we know it. Through their eyes, we rediscover our planet as it reaches the point of no return.

The latest project by celebrated author Mathieu Bablet, this ambitious work addresses themes separating artificial intelligence from humanity. A fable about the ravages of capitalism and the illusion of transhumanism. A cautionary tale spanning 300 years of frighteningly plausible future scenarios. (STL319072) (C: 0-1-2)

For decades, this legendary pulp magazine was believed to be a myth.

But it was not. Not exactly. Nor was it real. Back in the 1970s, prolific pulp writer Will Murray—who was not yet prolific—undertook the daunting task of writing the entire first issue of this nebulous non-entity of a magazine. Within these pages you will discover the exciting contents of Spicy Zeppelin Stories, Volume 1, Number 1, October, 1936, just as they would have appeared, if only this magazine ever existed.... Seven slightly salacious stories set during the 1930s, one for each of the dominant pulp genres. Yes, here are thrilling adventure, air-war, mystery, G-Man, Weird Menace, space opera, and even a wild Western yarn. Every one written around an airship of some type. Each penned under spurious pseudonyms. All guaranteed to evoke the grand and glorious era of the Bloody Pulps. (STL316698) (C: 0-1-0)

CULT OF THE LAMB #1 CVR A DALMAU (C: 0-1-0)

(W) Alex Paknadel (A) Troy Little (CA) Carles Dalmau

In partnership with Devolver Digital and Massive Monster, acclaimed writer Alex Paknadel (All Against All, Red Goblin) and Eisner Award–nominated artist Troy Little (Rick and Morty vs. Dungeons & Dragons, Fear & Loathing in Las Vegas) comes a deviously delightful, heretic-smashing excursion

into the sprawling cosmology of the worldwide, BAFTA–nominated video game phenomenon that IGN calls "adorably demonic"!

In a land pervaded by cruelty and evil, the most innocent among us—young Lamb, the last of their kind—was selected to become a final dark sacrifice. Their death would forever seal the darkest of the Old Gods from our realm and usher in a new age ruled by the four eldritch Bishops of the Old Faith. So Lamb died . . . then forged a deal of their own.

At the crossroads of eternity, Lamb was met by the imprisoned deity known as the One Who Waits, who revealed the lies and distortions of the false prophets who rule the world above. And so, Lamb was bequeathed the power and responsibilities of the Red Crown and returned to the land of living with unholy powers to exact vengeance and deliver a new cult unto the earth. (W) Alex Paknadel (A) Troy Little (CA) Tony Fleecs

In partnership with Devolver Digital and Massive Monster, acclaimed writer Alex Paknadel (*All Against All*, *Red Goblin*) and Eisner Award–nominated artist Troy Little (*Rick and Morty vs. Dungeons & Dragons*, *Fear & Loathing in Las Vegas*) comes a deviously delightful, heretic-smashing excursion into the sprawling cosmology of the worldwide, BAFTA–nominated video game phenomenon that IGN calls "adorably demonic"!

In a land pervaded by cruelty and evil, the most innocent among us—young Lamb, the last of their kind—was selected to become a final dark sacrifice. Their death would forever seal the darkest of the Old Gods from our realm and usher in a new age ruled by the four eldritch Bishops of the Old Faith. So Lamb died . . . then forged a deal of their own.

At the crossroads of eternity, Lamb was met by the imprisoned deity known as the One Who Waits, who revealed the lies and distortions of the false prophets who rule the world above. And so, Lamb was bequeathed the power and responsibilities of the Red Crown and returned to the land of living with unholy powers to exact vengeance and deliver a new cult unto the earth. (W/A) Various

On April 1, 2020, the Instagram account of Desert Island, Brooklyn's celebrated alternative comics shop, put out a call. By then Desert Island had been shuttered indefinitely, and cities all over the world had been locked down as the first wave of the COVID-19 pandemic took hold. "We all need something positive to think about, and a lot of us have time on our hands," the post read. "Who

wants to make something?" What happened next was nothing short of remarkable, as hundreds of short comics from more than fifty countries poured into Desert Island's inbox. Some came from notable cartoonists. Most, astonishingly, came from amateur artists just looking for an outlet to create in the midst of tragedy—for a chance to join the rescue party that leads us out of isolation. Collected in this book are more than 140 notable entries from the Rescue Party project, capturing the loneliness and the surprising comforts of early lockdown; the mania of its middle days as the mind begins to fray; and the many paths forward toward humanity's future, as we re-enter a world wracked with injustice. Introducing a hilarious and heartfelt graphic novel in which an unlikely pair of cryptids meet up and find friendship, creativity, and just the right amount of attention.

Meet Bigfoot and Nessie! Yes, that Bigfoot and Nessie. Only... Well, things are a little complicated right now. Bigfoot is having trouble fitting in with his family. He can never quite manage to get himself into the picture, much to the disappointment of his mom, dad, and sister, who always want to be in the spotlight. When he meets Nessie, who's equally desperate to get away from the cameras, he begins to ask himself the ultimate question: What's the price of fame after all? Big-hearted and clever, *The Art of Getting Noticed* invites us to explore our most tender selves through friendship and creativity—and have quite a bit of fun in between! (STL316815) (C: 0-1-2)

His assistant, Claire Farrow, made his costume; Roger asked her to make it after he saw Claire buy a Ghost Rider mask for her nephew. The Avenger had no powers, but he had his own inventions to fall back on, most notably his VTOL aircraft known as the Starjet and Dissolver pistol. The Avenger also possessed a utility belt containing items for almost any occasion. He mainly focused on thwarting the schemes of Soviet forces, both in his native Empire City and around the world. He occasionally battled less conventional villains, such as the Robot Robber and the Player. Previously released as a hardcover and now available for the first time in our popular SOFTEE format. Collects The Avenger #1-4 (Feb/Mar-Aug/Sep 1955) and The Killers #1 (1947). (STL315934) (C: 0-1-1)

COMPLETELY KAFKA GN (C: 0-1-2)

(W/A) Nicolas Mahler

Franz Kafka not only wrote prose, he was also passionate about drawing: at one time, he even said it satisfied him more than anything else. In this graphic biography, acclaimed artist Nicolas Mahler echoes Kafka's own minimalist drawing style in a unique and surprising approach to the great writer's life and work. This bold and sharply funny new look at Kafka is told through Nicolas Mahler's distinctive graphic novel style and minimalist illustrations. Drawing extensively on Kafka's fiction, letters, and diaries, *Completely Kafka* illustrates the major and minor details that formed his life, from struggles with self-doubt and writer's block to a failed plan for a series of cheap travel guides. Full of fascinating details and witty, absurdist illustrations, it's a delightful tribute to one of the world's great writers. (STL316802) (C: 0-1-2)

Set sail for the stars in this official Dungeons & Dragons novel set in the worlds of Spelljammer: Adventures in Space! In the colossal void of Shatterspace, besieged by bloodthirsty marauders and brimming with monstrous aberrations, the only constant is power: The deft will escape the slow. Axia wishes she could be grateful to have spent her life—or what little she remembers of it—on an asteroid so far from anything of interest that even the greediest spacers see fit to pass it by. So why does something inside her long for the stars every time she sees a spacefaring spelljammer vessel? When Axia survives a sudden assassination attempt, she is cornered by Kori and Nia, a pair of pirates who offer her a place among their crew. But Axia quickly realizes that her new friends haven't been entirely honest about their motivations. It turns out, Axia is the spitting image of Blacktongue, the long-disappeared captain of one of the deadliest pirate crews in Shatterspace. (W) Veronica Agarwal, Lee Durfey-Lavoie

Eisner Award winner Liniers brings his exuberant cartooning style and irrepressible sense of humor to the spooky folktales of his childhood, telling three from across Latin America: the Iara, a mermaid (or a pink dolphin?) who lures young men to her underwater domain in the Amazon basin; La Lechuza, an enormous owl with the face of a woman, who terrorizes people who venture out after dark (a legend found in Mexico, Chile, and Uruguay); and La Luz Mala, a spooky, evanescent light that menaces gauchos and other travelers on the Argentine pampas. Liniers animates these thrilling tales with lighthearted twists. Combined with informative backmatter on their ecological, cultural, and historical background and a bibliography, these old stories will come alive for all young readers.

CARTOONS & ANTISEMITISM VISUAL POLITICS INTERWAR POLAND (C:

(W) Ewa Stanczyk

Antisemitic caricatures had existed in Polish society since at least the mid-19th-century. But never had the devastating impacts of this imagery been fully realized or so blatantly apparent than on the eve of the Second World War. In *Cartoons and Antisemitism: Visual Politics of Interwar Poland*, scholar Ewa Stanczyk explores how illustrators conceived of Jewish people in satirical drawing and reflected on the burning political questions of the day. Incorporating hundreds of cartoons, satirical texts, and newspaper articles from the 1930s, Stanczyk investigates how a visual culture that was essentially hostile to Jews penetrated deep and wide into Polish print media. In her sensitive analysis of these sources, the author examines how major satirical magazines intervened in the ongoing events and contributed to the racialized political climate of the time. FROM GUM WRAPPERS TO RICHIE RICH MATERIALITY CHEAP COMICS (C

(W) Neale Barnholden

Between the 1930s and the invention of the internet, American comics reached readers in a few distinct physical forms: the familiar monthly stapled pamphlet, the newspaper comics section, bubblegum wrappers, and bound books. From Gum Wrappers to Richie Rich: The Materiality of Cheap Comics places the history of four representative comics—Watchmen, Uncle Scrooge, Richie Rich, and Fler Funnies featuring Pud—in the larger contexts of book history, children’s culture, and consumerism to understand the roles that comics have played as very specific kinds of books. Examining the bibliographical histories of each title, Barnholden demonstrates how the materiality of consumer culture suggests meanings to comics texts beyond the narratives. (STL314337) (C: 0-1-1)

HEAVYWEIGHT FAMILY STORY OF HOLOCAUST EMPIRE MEMORY (C: 0-1-

(W/A) Solomon J Brager

Solomon Brager grew up with accounts of their great-grandparents' escape from Nazi Germany, told over and over until their understanding of self was bound up with the heroic details of their ancestors' exploits. Their great-grandmother related how her husband, a boxing champion, thrashed Joseph Goebbels and cleared beer halls of Nazis with his fists, how she broke him out of an internment camp and carried their children over the Pyrenees mountains. But that story was never the whole picture; zooming out, everything becomes more complicated. Heavyweight asks us to consider how the patterns of history emerge and reverberate, not as a simple chain of events but in haunting layers. Confronting the specters of violence as both historian and descendent, this book is an exploration of family mythology, intergenerational memory, and the mark the past makes on the present. CENTAURS GN VOL 01

(W/A/CA) Ryo Sumiyoshi

An epic fantasy adventure set in an alternate medieval Japan, where humans co-exist with the mythic half man/half horse beasts known as centaurs, or "jinba". The centaur race were long revered as deities in ancient times; however, with the advent of the sengoku (warring states) period, humans started to enslave and use them for military purposes due to their speed, stamina, and ability to communicate in human language. Centaurs living in the plains were rapidly subjugated; in contrast, large numbers of centaurs living deep in the mountains were still free due to their relative isolation.

A wild and proud warrior jinba from the mountains named Matsukaze, known as the redheaded rock tiger, is caught while protecting his son. He is traded to a feudal lord, and taken to his land. There he meets another centaur, named Kohibari, whose village was burned down as a child. He is a tame centaur, who had his arms amputated when he was captured, and has given up hope of escaping his

human captors. If they can get over their differences and work together, they just might be able to return to the wilds as free centaurs. (STL259505) Available Now! (MAR231070)
