O/A GARFIELD FULL COURSE TP VOL 05 (C: 0-1-2)

(W) Scott Nickel (A) Andy Hirsch & Various (CA) N/A

In 1984, Jim Davis created a groundbreaking series of illustrated short stories called Garfield: His 9 Lives, setting the ever so hungry and lazy-yet-lovable Cat in various eras, which became an instant classic. Inspired by the original His 9 Lives stories and the 1988 animated special, here are all-new, unique interpretations of Garfield from the Stone Age to beyond the stars

Meanwhile, Garfield explores what life is like outside of the friendly confines of Jon's house. Feeling mistreated and unappreciated, Garfield embarks on a search for a new home. Along the way, he meets up with a clown who works in an old-timey traveling circus. Convinced that this is the place for him, Garfield becomes part of the act. Wait. What is that cannon for? Join Garfield as he travels to find the perfect home, and as he finds a lot of not-so-perfect homes along the way.

Collects Garfield #33-36, originally collected in Garfield vol. 9, Garfield: Homecoming #1-4. (STL331108) (C: 0-1-2)

—Ash

An all-new mini-series featuring everyone's favorite, Deadite-slaying, bumbling hero - Ashely J. Williams as he sends himself (once again) back in time, to the wrong time, only this time, THIS TIME he faces Red Sonja - She-Devil with a Sword! And lurking in the shadows? Kulan Gath himself and if the most dread Wizard of the Hyborian Age gets his hands on the Necronomicon? Well sh*t, that's ain't gonna be good!

"What I've like to do here is use the Army of Darkenss dark magic stuff and infuse it into Sonja's Hyborian age, so we can do a modernized take on those earliest Thomas/Jones/Throne/Buscema comics...gritty, dark sword and sorcery, full of weird monsters and grim morality talesthe difference being that Sonja is now weighed down by Ash who is, as always, kind of a moron who ruins thingsis totally enamored with Sonja."

DARKWING DUCK #3 CVR A STONES (C: 1-0-0)

(W) Daniel Kibblesmith (A) Ted Brandt, Ro Stein (CA) Tad Stones

CROUCHING GANDER, HIDDEN MALLARD!

As a costumed crimefighter with years of experience safeguarding the streets of St. Canard, Darkwing Duck is, of course, a seasoned master of wing-to-wing combat. But how, exactly, did this avian avatar of justice become so proficient in the ways of the fist and (webbed) feet? For years the full story has been shrouded in mystery — until now!

In this special Untold Tale of Darkwing Duck, readers will be transported back to DW's earliest days at the Training Temple of the Venerable One, where the Old Master imparted wisdom and takedowns in equal measure — and where a young Darkwing learned the value of patience, self-control, and standing up to bullies!

Wizened calligrapher DANIEL KIBBLESMITH and Zen brush masters TED BRANDT & RO STEIN achieve perfect harmony in Darkwing Duck #3 — sealed with singular covers by BRANDT & STEIN, MARK BAGLEY, NICOLETTA BALDARI, CIRO CANGIALOSI, and original animated show creator TAD STONES! HERCULES HC VOL 01 THE MONSTER HUNTER (C: 0-1-2)

(W) Elliott Kalan (A/CA) George Kambadais

GET READY FOR A WHOLE NEW HERO'S JOURNEY!

The Greek gods don't really get why Hercules chose a mortal life over the opportunity to join them on Mt. Olympus, but since he proved his mettle as a hero many times over, they're happy to enlist his help with missions that require interventions in the earthly realm. So when Aphrodite grants an artist's wish that his sculpture be brought to life, Herc gets the call to clean things up when the newly conscious artwork proves to be more bone-crushingly lively than expected!

But after discovering that the rogue statue is just misunderstood, and a little rambunctious (much like himself as a youth), Hercules returns to explain the situation to Aphrodite — only to find her temple empty and abandoned. Is the goddess of love just pouting, or is something more sinister afoot? If you know anything about classical mythology, you know it's going to be the latter!

The immortal team of Emmy Award-winning writer ELLIOTT KALAN and artist GEORGE KAMBADAIS bring these legends of antiquity to hilarious new life in Hercules Vol. 1: The Monster Hunter, collecting issues #1-6 of the epic series, and featuring a complete cover gallery of vase-worthy artwork from the finest artisans of the land! O/A DISNEY VILLAINS HADES HC (C: 0-1-2)

(W) Elliott Kalan (A) Alessandro Ranaldi (CA) Jae Lee, June Chung

Hades — the lord of darkness!

The most deceitful and scheming of the Greek gods!

The one god not invited to the weekly brunch at Mount Olympus!

Obviously, a slight like this calls for the total destruction of the gods of Olympus. To make that happen, the hot-tempered ruler of the underworld needs to acquire the magical Golden Fleece of Colchis. Unfortunately, the Fleece is guarded by a sleep- less dragon and soldiers made out of teeth, so Hades assembles a ragtag group of morally questionable adventurers to help him steal the Fleece before some dude named Jason and his Argonaut bros swoop in and ruin his perfectly logical plan.

It's absolute chaotic hilarity courtesy of writer ELLIOTT KALAN (Spider-Man & The X-Men) and artist ALESSANDRO RANALDI (Zorro)! (STL301909) (C: 0-1-2) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK & Ireland.

The widows of the clan pleaded with the Emperor, whose own court had become weakened by corruption and greed, to send reinforcements. But none came. Soon, the last remaining Yang soldiers were overwhelmed by a sea of bloodthirsty invaders. Distraught and incensed, the Yang widows - a few hundred strong and many of whom also seasoned warriors - took arms and set off to the western border. But even before reaching the enemy, the journey itself would be fraught with peril. FROM THE TWISTED IMAGINATION OF ROMAN DIRGE!

THE FIRST NON-CHILDREN'S BOOK FOR ADULTS

Presented as a child's primer book for maths, I CAN COUNT TO TEN is without doubt the single most completely useless teaching aid for anyone looking for a book to teach them how to count to ten. What starts as the cutest counting book in the history of education, soon descends spectacularly into

the single goriest, bloodiest, and funniest non-teaching aid EVER, that somehow manages to shoehorn in a sinister government conspiracy and an alien invasion into a gentle tale of a bunch of loveable numbers introducing themselves in order. (STL315420) (MAR240498) (C: 0-1-2)

ONE WORLD UNDER DOOM #3 (OF 9)

- The Avengers have faced Doom...and they LOST. But Earth still needs avenging - and it's not just the heroes who dislike having Doom in charge.
- And so heroes and villains unite against Doom, intent on taking him down once and for all!
- But that's not all: A simultaneous magic attack reveals the shocking truth of HOW Doom took over the world - with terrifying implications for how others might - or might not - take it from him.
- However, Doom's mind - vast and cool and unsympathetic - is not the only one regarding Earth with envious eyes...

This volume takes a deep dive into his first Marvel Age exploits, collecting all the rare appearances where the anarchic antihero wreaked havoc on the nascent Marvel Universe. Back then, Namor was just as likely to team up with Doctor Doom as he was to save the world, and that was a formula for excitement! When the brash monarch earned his own series in TALES TO ASTONISH, he set out on a quest for the Trident of Neptune that would prove his status as rightful heir to the throne of Atlantis. He'll also battle Warlord Krang, defend the Lady Dorma and go to war with the Secret Empire on the way to his own solo series! A MISCHIEF OF MAGPIES #1 CVR A BERGARA

(W) Simon Spurrier (A/CA) Matias Bergara

NEW DSTLRY SERIES DEBUT FROM SIMON SPURRIER AND MATÍAS BERGARA!A

Mar has a secret. Sometimes, without warning, he falls out of the world. This would be an inconvenience if his life wasn't already such a drag.

When he's gone, he finds himself in an extraordinary city. A city which is also a machine, endlessly crossing a shoreless ocean. A city of two halves: the bright, bustling spires above the waves, and the beast-haunted twilight halls below. And between, clowning along the rusting beach, a troupe of anarchic magpies with all the answers but none of the questions.

Recipients of the Angoulême Sélection Officielle, GLAAD Award, and multiple Eisner Award nominations, creators Simon Spurrier and Matías Bergara present a new fantasy masterpiece in the tradition of Coda and Step By Bloody Step, driving the comics medium into new, beautiful, baleful waters.

Every issue from DSTLRY is presented in our perfect bound Prestige format, featuring wraparound covers with spot gloss on robust cover stock, complemented by 48 pages of exquisite interior stock. It's the DSTLRY difference.

KNIFE #1 CVR A MULHOLLAND

(W) Miles Gunter (A/CA) Patrick Mulholland

DSTLRY presents a mind-bending and heart-rending slasher comic that cuts straight to the chase. With story by Miles Gunter (BPRD) and art by Patrick Mulholland (Power Rangers).

Paige Russell is nervous enough about her first day as a yoga teacher, but then something crashes her class that will put her positive worldview to the test: a twisted force locked within an ancient blade that seizes control of anyone who takes hold of it, turning them into an instrument of primal wrath.

A wrath now turned on Paige when she, unexplainably, resists its dark allure.

Now, with the help of Riva, a woman pursuing the KNIFE and vowing revenge, Paige will face the greatest trial of her life against an unstoppable force that can use anyone as a vessel, and will stop at nothing in its crusade of annihilation.

How do you stay Zen when every single person on Earth is the potential next wielder of the unstoppable KNIFE?

Every issue from DSTLRY is presented in our perfect bound Prestige format, featuring wraparound covers with spot gloss on robust cover stock, complemented by 48 pages of exquisite interior stock. It's the DSTLRY difference.

WARM FUSION HC (C: 0-1-2)

(W) Scott Hoffman (A) Alberto Ponticelli (CA) Tula Lotay

"Warm Fusion #1 is a phenomenal debut issue, and yet another fantastic story from DSTLRY publishing. Scott Hoffman's script is thematically rich and compelling, blending sci-fi noir and horror in expert fashion. Alberto Ponticelli's visuals bring this grimy dystopia to life in equally stellar form, with his pencils and hazy colors pulling readers into the pages with ease." - Monkeys Fighting Robots

"Pushes every boundary" - Newsarama

Writer Scott Hoffman (Nostalgia, Wag) of Scissor Sisters fame teams up with artist Alberto Ponticelli (Frankenstein: Agent of SHADE, Goodnight Paradise, Orcland) for a sci-fi/horror mystery that pushes the limits of the grotesque.

New York City, over two decades into the future, has been devastated by crime, ongoing storms, radiation from a terrorist incident in Times Square and the genetic mutations caused by a life-saving "cure." After a series of murders rip through the city's brothels, an escort named Vin Young, who cosplays as the Brothers Grimm's Snow White—and is one of the generation of deformed victims—pursues the killer, or killers, reluctantly joining forces with Jarrod Hannover, the lone cop assigned to

the case. The two eventually arrive at a biotech megacorp developing a cellular metal called Warm Fusion—a pioneering technology meant to replace prosthetics limbs—and soon confront the sociopathic scientist Nicholas Fleischer, his monstrous alter-ego, Mr. Barnaby, and the hideous monster that he’s been secretly developing.

WARM FUSION is a dark, sci-fi thriller, mixing the body horror of David Cronenberg with the bleak urban future of Blade Runner.

For fans of VIDEODROME, THE THING, and ROBOCOP.

FML #5 CVR A LOPEZ

(W) Kelly Sue DeConnick (A/CA) David Lopez

As Riley and his band become schoolyard pariahs, accused of murder, their daily life turns into a bizarre blend of fear and isolation. The school principal, ever so helpfully, suggests remote learning "to avoid disruption"—because nothing says normal like school over Zoom. Determined to clear their names, the gang finally joins forces with the Whine & Crime ladies, diving into the murky depths of the dark web and past misdeeds. Meanwhile, a dog walk with Dad takes a nosedive when Riley discovers another body, this time in a sinkhole. Cue the clandestine purchase of a burner phone—because reporting a body anonymously is just another Tuesday in Portland. Back at the house, a revelation from Mom about her imagined magical friends sends shockwaves through the group, only to be overshadowed by Amy's bombshell confession about her past with Kat. In the stunning silence that follows, the phone rings: Riley's been arrested and charged with murder. FML. (STL362931)

GIRL WHO DRAWS ON WHALES GN (C: 0-1-2)

(W) Ariela Kristantina

Reminiscent of stories like Moana, Princess Mononoke, The Never-Ending Story, Frozen, and Snow Angels, *The Girl Who Draws on Whales* is an epic YA graphic novel adventure about two siblings struggling for survival, who must use their art to save their world. Sister Wangi and younger brother Banyu live in a sea-village. Wangi has a special bond with the Great Whales that visit their sea-village and they allow Wangi to draw on their backs. Sometimes they return with new drawings on them. Wangi believes that there are other sea-villages or island settlements scattered around and that they are sending her messages but, none of the elders listen to her. One day, a new whale arrives in the village alone, wounded, and dying—this whale has a new drawing on her back that doesn't look like the previous drawings. Although forbidden by her parents and the village elders, Wangi—along with a stowaway, who happens to be her brother Banyu—embark on a wondrous journey to investigate where the drawings are coming from only to find much more than they were expecting. LOVE LANGUAGES TP

(W/A) James Albon

Sarah Huxley has moved from London to Paris, only to find a lonely life of corporate drudgery and disappointment—a far cry from her romantic expectations of the city. She collides with Ping Loh, a young woman working as an au pair to a wealthy family of Hong Kong expats, and the two bond over their shared struggle with the French tongue. In museums and markets, over text messages and translation apps, Ping and Sarah slowly begin to learn each other's languages, communicating in a rich and ever-shifting blend of English, French, and Cantonese. As their friendship blooms, so does their private dialect—a personal linguistic patchwork, a shared secret just for them. But when their feelings for each other start to deepen, they discover that the simplest words to translate can be the hardest words to say. Award-winning graphic novelist James Albon (*The Delicacy*) presents a dazzling love story about cross-cultural connection, the bewildering sensation of feeling one's brain rewrite itself, and the intoxicating rush of the foreign becoming familiar. They broke rules and created chaos. But not all the giants and demons in Indian mythology can be called evil. Ravana, the king of Lanka, was proud, lustful and ruthless. Yet, he was an intellectual, an accomplished dancer and one of Shiva's greatest devotees. Mahiravana, son of Ravana and king of the netherworld, was a magician who managed to dupe the ever vigilant Hanuman and kidnap Rama and Lakshmana. Kumbhakarna, the sleeping giant, rallied to his brother Ravana's support and sacrificed his life and Ghatotkacha, son of the demoness Hidimba, was an obedient and dutiful son to his father, Bheema, the Pandava prince. CURSE OF MONTE CRISTO REIMAGINING OF NOVEL GN (C: 0-1-1)

(W) David Dabel (A) Carlton Holder, Dave Lentz

Journey to the beginnings of the bloody days of the Haitian Revolution, with a classic tale of revenge and reclamation, reimagined with a horror twist, in *The Curse of Monte Cristo!* France, 1788. Edmond Dantès, a Haitian of African descent and Parisian citizen has been sentenced to a life of hell at Château d'If for treason against the Ancien Régime. Once a man of faith, Edmond believes he's been abandoned by God, and the only thing that keeps him going is his deep hatred of those who he believes have framed him. Faria, an older prisoner who becomes a mentor to Edmond, confesses, "I

am not flesh of this realm. Your lust for revenge drew me here." Together, they escape the prison and return to Saint Domingue, where the smell of rebellion is thick in the air. Edmond, once an enslaved man himself, thought he had escaped the colonized land and his past life for good, only to return as the wealthy and mysterious Count of Monte Cristo! In pursuit of his enemies — including Mercedes, once his fiancée — he finds his careful rage growing only more reckless and ravenous. As Edmond's enemies begin to catch on to the count's true identity, and the fight for liberation from the French colonists swells to a pop, Edmond must reckon with the deal he's made with Faria. Is it any more sinister — or any different — than the pact he's made with his own inner demons? (STL360272) (C: 0-1-1)

ALAN MOORE NEONOMICON TP NEW PTG (MR)

(W) Alan Moore (A/CA) Jacen Burrows

The path to Providence begins here! Collecting THE COURTYARD and NEONOMICON, the epic tome has all of the stories that lead into PROVIDENCE! Comic book legend Alan Moore and brilliant artist Jacen Burrows deliver a chilling tale of Lovecraftian horror! Brears and Lamper, two young and cocky FBI agents, investigate a fresh series of ritual murders somehow tied to the final undercover assignment of Aldo Sax -the once golden boy of the Bureau, now a convicted killer and inmate of a maximum security prison. From their interrogation of Sax (where he spoke exclusively in inhuman tongues) to a related drug raid on a seedy rock club rife with arcane symbols and otherworldly lyrics, they suspect that they are on the trail of something awful... but nothing can prepare them for the creeping insanity and unspeakable terrors they will face in the small harbor town of Innsmouth.

ALAN MOORE WRITING FOR COMICS GN (NEW PTG) (MR)

(W) Alan Moore (A/CA) Jacen Burrows

A new printing of the timeless master-class in sequential storytelling! The maestro of comic book writing shares his thoughts on how to deliver a top notch script! The main essay was originally written in 1985 and appeared in an obscure British fanzine, right as Moore was reshaping the landscape of modern comics, and had been tragically lost ever since. But it's all here, collected as one graphic novel, and heavily illustrated by Jacen Burrows. Alan Moore also provides a brand new essay on how his thoughts on writing have changed in the two decades since he first wrote it. For fans of Moore's work, new writers, or anyone who wants a peak behind the mental curtain of one of the greatest living writers, this is a can't miss book! (STK212258) (STAR18707)

CROSSED TP VOL 01 (MR)

(W) Garth Ennis (A/CA) Jacen Burrows

Garth Ennis has pulled out all the stops to write the most depraved and twisted book of his career, one that also may be his most poignant human drama! Crossed is Ennis' horrifically visceral exploration of the pure evil that humans are truly capable of indulging and collected here are all ten heart-stopping chapters. This gut-wrenching vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows. Imagine, for a moment, the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares... and then realize it could all be so much worse. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. The Crossed collected volume is available in three editions, all with new covers by series artist Jacen Burrows: A standard Trade Paperback, a Special Edition Hardcover that is limited to only 2,000 units, and a special Dual Signed Hardcover that is signed by both writer Garth Ennis and artist Burrows that is limited to only 1,000 copies! CROSSED TP VOL 02 FAMILY VALUES (MR)

(W) David Lapham (A) Javier Barreno (CA) Jacen Burrows

In one terrifying moment, civilization crumbled. An outbreak of insanity swept across the planet, turning millions of people into the homicidal maniacs known as "the Crossed." But from their isolated horse ranch, the Pratt family of North Carolina remain uninfected and defiant. Bonded together as generations of working, living, and learning together, they rely on Joe, the family patriarch, to see them through the apocalypse. But the Pratt family has a deep, dark secret - one that threatens to tear them apart, even under the constant threat of the murderous hordes. See, some men are turned to Crossed, but others... others are just born evil. Eighteen year-old daughter Adaline will soon discover which breed is worse. David Lapham, the critically acclaimed creator of the gritty STRAY BULLETS series, delivers a tale so twisted, so shocking, it more than earns its place next to the original runaway bestseller, by superstar writer Garth Ennis! BILL THE BOY WONDER SECRET CO-CREATOR OF BATMAN HC NEW PTG

(W) Marc Tyler Nobleman (A/CA) Ty Templeton

Discover the surprising origins of the legendary caped crusader in this entertaining picture book biography for young fans of Batman and superheroes. Batman's biggest secret is not Bruce Wayne... Every Batman story is marked with the words, "Batman created by Bob Kane." But that isn't the whole truth. A struggling writer named Bill Finger was involved from the beginning. Bill helped invent Batman, from concept to costume to character. He dreamed up Batman's haunting origins and his colorful nemeses. Despite his brilliance, Bill worked in obscurity. It was only after his death that fans went to bat for Bill, calling for acknowledgment that he was co-creator of Batman. Cartoonist and popular Batman artist Ty Templeton brings Marc Tyler Nobleman's exhaustive research to life. Perfect for reluctant readers and those bridging from easy readers to longer narratives, this classic underdog story will inspire all readers to take ownership of, and pride in, their work. BLAKE & MORTIMER COMPLETE COLLECTION HC VOL 03 (C: 0-1-2)

(W/A/CA) Edgar P. Jacobs

A renowned physicist and the head of MI5 battle threats to the Empire and solve extraordinary mysteries across the globe. The third volume of a long-awaited Complete Collection that will include a wealth of extra material with each one! The two stories contained in this third volume are firmly within the realm of science-fiction. And yet, "Atlantis Mystery", with its prehistoric monsters, futuristic machines and subterranean lost civilizations, stands in stark contrast with "S.O.S. Meteors", the action of which takes place entirely within Paris and the surrounding countryside. A falsely mundane environment that demonstrates Jacobs's ability to summon adventure anywhere! The 32

pages of extra material highlight, among other things, the author's creative process and sources of inspirations. (STL362840) (C: 0-1-2)

BLAKE & MORTIMER COMPLETE COLLECTION TP VOL 04 (C: 0-1-2)

(W/A/CA) Edgar P. Jacobs

The fourth volume of a long-awaited Complete Collection that will include a wealth of extra material with each one! With "The Time Trap", first of the two titles in this fourth volume, Jacobs tackles a quintessential science-fiction trope: time travel. Dinosaurs, medieval knights and an apocalyptic future make it a fabulous adventure, and who cares if, for the first time, Olrik isn't there? "The Affair of the Necklace", on the other hand, is a pure crime story done in ultrarealistic overtones that set it somewhat apart from the rest of the series. Finally, the extra material will shine a light on the dangers of censorship at the time - from which even Jacobs wasn't safe. (STL362841) (C: 0-1-2)

The legend of The Golem of Venice Beach that began 400 years ago in Europe comes to a fateful conclusion in present day sunny California. Writer Chanan Beizer and artist Vanessa Cardinali (Slumber) deliver an action-packed 184-page sequel with a legendary cast of artists joining them:

A wrap-around cover by superstar Frank Quitely (All-Star Superman).

Eisner winner Jae Lee (Stephen King's The Dark Tower) returns to complete the story of the Golem's resurrection during World War Two.

David Mack (Echo) creates a unique six-page vision quest sequence of existential exploration.

Famed Spanish painter Das Pastoras (Ax-Wielder Jon) crafts a striking homage to an iconic Sal Buscema pin up from 1973's groundbreaking Avengers/Defenders War.

And a nine-page bonus story inspired by the classic What If...? comic book series with art by Dean Haspiel (Covid Cop), Juan José Ryp (Wolverine), Nick Dragotta (Absolute Batman), and Hall-of-Famers Howard Chaykin (American Flagg!) & Stan Sakai (Usagi Yojimbo). (STL362949) (C: 0-1-2)

O/A COMPLETE DICK TRACY HC VOL 02 1933-1935

(W/A) Chester Gould

It's all about family in the Complete Dick Tracy Volume 2, as Clover Press and The Library of American Comics bring this early entry into the series' standardized format. That means larger pages in a book that looks great on the shelf with its companions. Between the covers, the spotlight's on Junior Tracy as he and his biological father cross paths with the notorious "Stooge" Viller and his sister, Maxine. Then "Big Boy" leaves Junior hospitalized before "Confidence" Dolan locks the boy in the can. Dick Tracy's subsequent encounter with secret operative J. Scotland Bumpsted puts the evil Larceny Lu on the run to California. There she meets Junior's long-lost mother, who gives Junior a Scotty pup named Oscar and Tracy a way to bring villainous Boris Arson to justice. Chester Gould's high-octane stories set pulses raising and hearts beating faster in the reformatted, super-sized, all-action The Complete Dick Tracy Volume 2! (STL274971)

O/A COMPLETE DICK TRACY HC VOL 03 1935-1936

(W/A) Chester Gould

Lawless days like the mid-1930s needed the toughest policemen to dispense justice-men like Dick Tracy! In Volume 3 of his long-running series, the bold detective tangles with Zora Arson, her escaped-con brother, Boris, and the evil "Cutie"-who gets cute by springing a death trap involving two famished bobcats! Clover Press and The Library of American Comics are re-presenting Chester Gould's earliest Dick Tracy stories in the larger format used throughout most books in the series, so Tracy's battles against gangsters look bigger and better than ever. The action hits closer to home when the Tracy family's acquaintance, Toby Townley, learns that justice is blind after the small grift she runs makes her realize that prison stripes are the new black. Then Dick Tracy tries an experiment in reform, transforming hardened criminal "Lips" Manlis into straight-arrow Bob Honor - but is it true there's no Honor among thieves? This new edition of Dick Tracy Volume 3 puts Chester Gould's great stories into a great package! (STL283317)

O/A COMPLETE DICK TRACY HC VOL 04 1936-1937

(W/A) Chester Gould

Faceless foes bookend the stories in Dick Tracy Volume 4, the latest entry in the Clover Press/Library of American Comics reissue of the original six Dick Tracy volumes in the larger format that became the series standard. The intrepid detective and his friends tackle invisible enemies when they square off against the notorious Purple Cross Gang and their masked leader. Later, Tracy and Pat Patton come to grips - and blows! - with The Blank, whose look predates The Question, whose name predates The Shining, and whose unmasked face harkens back to Lon Chaney as Quasimodo! Sandwiched between those two tales, Tracy is caught in a web of intrigue along with three amoral young girls, millionaire wastrel Johnny Mintworth and his mother, plus the powerful mobs fronted by "Collie" Vinso and Danny Supeena. Chester Gould puts menace in every shadow and death around every corner in Dick Tracy Volume 4! (STL283598)

O/A COMPLETE DICK TRACY HC VOL 05 1937-1938

(W/A) Chester Gould

Dick Tracy Volume 5 kicks off with a human trafficking story that could be torn from today's headlines, as the dauntless detective encounters a captive woman who bears a striking resemblance to real life sex symbol Dorothy Lamour! That woman, Noana, is just one of the lively characters Chester Gould introduces as Clover Press and The Library of American Comics continue to re-release the original six Dick Tracy volumes in the larger size that will allow the entire series to exist in one uniform format. In these exciting tales, Tracy goes undercover to bring down the elusive mobster Ramm; joins forces with Junior and bumbling newcomer Brighton Spotts to foil the plans of wanted man Jojo Nidle; and pays a heavy price as he teams with G-Man Jim Trailer to thwart the schemes of an international criminal named Karpse and his icy sweetheart, Marro-but what does it take to stop the criminal rampage of that deformed gungsel, Scardol? Savor the larger-size, non-stop action in Dick Tracy Volume 5 to find out! (STL295524)

O/A COMPLETE DICK TRACY HC VOL 06 1938-1939

(W/A) Chester Gould

The 1930s give way to the '40s and Chester Gould makes things personal in this sixth volume of the Dick Tracy series. First comes a story of broken hearts and wilted flowers, as Tess Trueheart jilts her detective boyfriend for an ex-ballplayer who schemes to inherit millions, and he'll kill anyone who gets in his way - including Tess! An encounter with small-time dognapper puts Tracy on the trail of a gang of fur thieves, and then hardened criminal Stooze Viller softens up, thanks to his young daughter, but not before he drops Dick Tracy into a dastardly death trap! The detective, meanwhile, crosses paths with an abandoned infant and an amnesiac chanteuse and sees that crime is for couples when the diminutive Jerome and his hulking bride, Mamma, sew death and destruction from city streets to the western plains, while the suave mastermind Krome decides to part ways with his

traitorous girlfriend by permanently parting her hair! This book paves the way for the debut of The Mole and the Great Grotesque Villains who follow and completes the Clover Press and Library of American Comics transformation of the first six volumes of the Dick Tracy series into the larger-sized, standard format of the series. R CRUMB EXISTENTIAL COMICS SELECTED STORIES 1979 2004 (MR) (

(W/A/CA) R. Crumb

This volume brings together twenty-five of R. Crumb's most ambitious, acclaimed, and profound comics, all produced at the height of the underground comix movement and which are out of print. One of the most influential and iconic cartoonists of our time, R. Crumb is celebrated for pushing the boundaries of representation, mass consumerism, and polite society. Exemplifying the peak of Crumb's creative output, the comics in this volume blend meticulous research with insights gained from the artist's experimentation in the 1960s and 1970s. The comics collected here depict characters searching for an understanding of the world around and within themselves. Through adaptation, autobiography, biography, and short fiction, Crumb — much like his subjects — demands we pay attention to our darkest desires, compulsions, fears, and obsessions. ORGY PLUS MASSACRE SC VOL 01 1950-56 SEXY SCARY SENSATIONAL

When Cinema Went Wild! The Orgy Plus Massacre series presents a visually-led sampler of sexy, scary and sensational cinema from the years 1950 to 1979, three of the most consequential decades in film history. It was during these years that global cinema came of age, not only in the technological sense but especially by way of pushing back pre-war restrictions of censorship, so much so that by the end of the 1960s, explicit sex and graphic violence had both become accepted in the mainstream. This new liberalism peaked in the mid-70s, when pretty much anything could be legally seen on commercially available film in one form or another, from picture houses to backstreet projection booths. Orgy Plus Massacre will focus on these decades when film-makers were increasingly free to express their most expansive, excessive and extreme visions on celluloid. Volume 1 includes over 100 rare and unusual photographs, with accompanying informative texts, from the years 1950 to 1956. This period saw global cinema in full recovery from the recent world war, and the transition of pulp narratives towards a darker realm informed by fears born of the new atomic age and the horrors of the concentration camps. The book is divided into five sections: Horror, Science Fiction, Mayhem (delinquency, crime, murder, atrocity), Myth (fantasies of other worlds and time periods), and last but not least, Sex (nudity, sexploitation, adult). Jerry Siegel and Joe Shuster, two high school misfits in Depression-era Cleveland, were more like Clark Kent — meek, mild, and myopic — than his secret identity, Superman. In 1934, they created a superhero who was everything they were not. It was four more years before they convinced a publisher to take a chance on their Man of Steel in a new format — the comic book. The author includes a provocative afterword about the long struggle Jerry and Joe had with DC Comics when the boys realized they had made a mistake in selling all rights to Superman for a mere \$130. DUCKS TWO YEARS IN THE OIL SANDS GN (MR) (C: 0-1-2)

(W/A/CA) Kate Beaton

Kate Beaton's *Ducks* stunned the world with its unflinching honesty and candid vulnerability, cementing its place in the graphic novel canon alongside *Maus*, *Persepolis*, and *Fun Home*. With the singular goal of paying off her student loans, young Katie heads out west to take advantage of Alberta's oil rush — in the tradition of East Coasters seeking gainful employment when they can't find it in the homeland they love so dear. *Ducks: Two Years in the Oil Sands* puts Beaton's natural cartooning prowess on display. Colossal machinery and mammoth vehicles are set against a sublime Albertan backdrop of wildlife, Northern Lights, and Rocky Mountains. But as one of the few women among thousands of men working for the world's largest oil companies, the culture shock is palpable. It does not hit home until she moves to a spartan, isolated worksite for higher pay. Katie encounters the harsh reality of life in the oil sands where trauma is an everyday occurrence yet never discussed. For young Katie, her wounds may never heal. (STL360984) (C: 0-1-2)

As a professional adult-picture-book drawer and regular contributor to the New Yorker, Le Monde and the Illinois Cook County Assessor's office, Mr. Ware's work in these pages secures his reputation as an reliably unreliable self-narrator, willing to say or write anything to win petty disputes and imagined squabbles. (W) Neal Adams & Various

The never-collected horror anthology series featuring stories by Jim Steranko, Neal Adams, Barry Windsor-Smith, Stan Lee, John Buscema, and other Silver Age masters.

In 1969, with its revolutionary superhero line well established, Marvel took a chance on the kind of supernatural, EC-style anthology series that had been banned since the formation of the Comics Code in the 1950s. Tower of Shadows featured a staggering array of artists and writers, including Neal Adams, Jim Steranko, Barry Windsor-Smith, John Buscema, Gene Colan, Wally Wood, Stan Lee, Roy Thomas, John Romita, Johnny Craig, Marie Severin, Gerry Conway, and Bernie Wrightson, to name a few. Freed from the conventions of the superhero adventure, these creators brought their storytelling skills to a more quietly sinister genre, producing atmospheric gems of twisted suspense and sardonic horror.

Not only do these nine issues feature Marvel's best creators working at their peak, but Tower of Shadows is one of the lost, never-collected Marvels. In the first of a new series of Lost Marvels, Fantagraphics and Marvel join forces to introduce these pages to a new generation of readers and restore this series to its rightful place in comics history. This gorgeous volume brings every Tower of Shadows story and cover to life in vivid color and features background and analysis by comics journalist Michael Dean. (STL343271) (C: 0-1-2)

SPAWN OF VENUS AND OTHER STORIES HC (C: 0-1-2)

(W) Wallace Woods & Various

The ultimate collection of Wallace Wood's finest science fiction stories. Includes Wood's "My World," adaptations of three classics by Ray Bradbury, a "lost" 3-D story - and a story rejected by the Comics Code, restored and published here for the first time.

This mouth-watering collection features the finest (and rarest!) science fiction stories Wallace Wood ever drew - more than two dozen! Wood's meticulously detailed, genre-defining brushwork introduces you to breathtaking planetary vistas, terrifying aliens, and sleek rocket ships surging with the power to conquer the stars.

Our title story is a rarity that never appeared in any EC comic. Written and drawn for a 3-D comic that was canceled before it could be printed, we present it here in easy-on-the-eyes 2-D. Then, Wood's most iconic story, "My World" is a stunning showcase of the preternatural talent and technique he brought to all his stories. Also included are his trilogy of Ray Bradbury adaptations - "Home to Stay," "There Will Come Soft Rains..." and "Mars Is Heaven!" - plus "He Walked Among Us," a "what if...?" variation on Bradbury's "The Man" from The Illustrated Man.

But that's not all! An incredible science fiction bonus: Al Feldstein wrote many stories of people reaching from the beyond to right a wrong, but with this volume, in a twist worthy of the best of EC, he does the same himself! In 1955, the Comics Code rejected the second page of "You, Rocket" and forced EC to completely rewrite and redraw it. When the original art for that rejected page was rediscovered, one panel was missing. But Feldstein, in a middle-finger gesture to the Code and its heavy-handed censorship, wrote a new panel, restoring "You, Rocket" to what it was always meant to be. Sadly, he passed away before his final EC writing assignment was published. But here it is now, for the first time anywhere. Justice from beyond the grave.

26 stories in all, most scripted by EC legend Al Feldstein, plus in-depth commentary by EC experts Tommy Burns, Grant Geissman, and Jon Gothold. The Spawn Of Venus And Other Stories is the ultimate EC Wallace Wood science fiction collection. (STL343283) (C: 0-1-2)

O/A EC JACK DAVIS FOUL PLAY & OTHER STORIES HC

(W) Jack Davis (A) Al Feldstein

The ultimate collection of Jack Davis EC stories! When Jack Davis took up his pen for EC Comics, he imbued his stories with a playful sense of (gallows) humor that made his innocent victims more eye-poppingly terrified, his ax-murders more gleefully gruesome, and his revenge-seeking corpses more morbidly motivated than any other EC artist. These horror and suspense tales - from the pages of Vault of Horror, Haunt of Fear, Crime SuspenStories, and Shock SuspenStories - include frightful fare

such as "Hyde and Go Shriek!", "Tombs-Day!", "Witch Witch's Witch!", "Head-Room!", "Chop Talk!", "Coffin Spell!", and more, all leavened with the cackling, pun-laced wit of scripter Al Feldstein and illuminated as only the virtuoso brushwork of Jack Davis can present them. But the standout story is "Foul Play," the most infamous of all EC horror stories, in which a baseball team takes revenge on a murderous rival player by, um (spoiler alert), "repurposing" various parts of his anatomy for one final blood-spattered, organ-scattered inning. You'll never see a baseball game the same way again. And as gruesome

as it sounds (and is!), Davis deftly pulls it off with aplomb and a mordant sense of absurd humor that will have you cringing and laughing at the same time. Plus, not one, not two, but three Davis-driven adaptations of haunting short stories by Ray Bradbury: "The Coffin!", "Let's Play Poison!", and "The Black Ferris!". We round out this volume with all three of Davis's EC science-fiction adventures, and all five of his aerial war stories from the legendary EC title, Aces High. 40 stories in all, most scripted by EC legend Al Feldstein, plus in-depth commentary by EC experts Thommy Burns and Grant Geissman. EC JACK KAMEN KALAMITY & OTHER STORIES HC

(W) Al Feldstein & Various (A) Jack Kamen

Twenty-seven horror stories by master comics artist

Jack Kamen - including all 13 of his classic "Grim

Fairy Tales."

Jack Kamen's stories for The Vault of Horror, Tales From the Crypt, and The Haunt of Fear favored unnerving creepiness over gruesome shock. With his penchant for deft delineations of scheming women, jealous husbands, murderous love triangles, and not-so-innocent children, Kamen's pen laid down a precise, sure line that brought each story's shock ending into sharp relief.

This volume features 27 Kamen favorites, drawn at the peak of his powers, including: "Kamen's Kalamity," featuring the "true" origin story of the artist himself! "How Green Was My Alley," the cautionary tale of a traveling salesman who spends every other week at home with his wife. And every other other week at his other home with his other wife!

Then, Kamen switches from horror to horror-humor for all 13 of his classic "Grim Fairy Tales," revealing the gruesome underpinnings of the Grim classics. You'll

never look at Sleeping Beauty, Snow White, Hansel and Gretel, or Little Red Riding Hood and their friends quite the same way again!

Plus: seven bonus crime and horror stories by EC short-termers John Alton, Frank Bolle, Leonard Starr, Bill Fraccio, Rudy Palais, and Ed Smalle. Introduction by Thommy Burns. Like every book in the Fantagraphics EC Artists' Library, Kamen's Kalamity And Other Stories also features essays and notes by EC experts on these superbly crafted, classic masterpieces. PRECIOUS RUBBISH HC (C: 0-1-2)

(W/A/CA) Kayla E.

A landmark graphic novel debut and groundbreaking work of trauma recollection told in the style of post-war children's comics.

"If an exorcism can ever be slow and quiet, then every panel I've finished has felt something like an exorcism. The gutters give me space to make sense of things: to connect dots and close gaps. To remember." Kayla E.'s Precious Rubbish is an experimental graphic memoir drawn in a style that references the aesthetics of mid-century children's comics and tells the story of a childhood shaped by maternal emotional dysregulation, rural poverty, and incest. The author's childhood is portrayed as a collection of short-form comics and gag panels punctuated by interactive elements like paper dolls, satirical advertisements, games, and puzzles.

While the work is concerned with violence and a particularly Texan brand of Pentecostal fanaticism, it is presented in a playful visual language with a deadpan humor that elevates the material beyond mere graphic memoir. Precious Rubbish is a landmark work of comics storytelling and graphic medicine.

The debut graphic novel from artist Kayla E., Precious Rubbish asks the reader to do the extratextual work of filling out narrative gaps, which mirrors the challenge of trauma recollection. The reader is invited to co-labor in the meaning-making process, an exercise that facilitates an intimacy (between the author, the subject, and the reader) that is at once horrifying and hilarious. CABBIE HC (C: 0-1-2)

(W/A/CA) Marti Riera Ferrer

The countercultural cult Spanish graphic novel *The Cabbie*, inspired by the social critique of Martin Scorsese's *Taxi Driver* and the style of Chester Gould's *Dick Tracy*, is complete in English for the first time!

Coupling the grand guignol morality of Paul Schrader and Martin Scorsese's *Taxi Driver* with the squashed black-and-white perspectives and grotesque human physiognomy (and humanity) that defines Chester Gould's *Dick Tracy*, Marti's *The Cabbie* (starring the eponymous "hero" known only as the Cabbie) was first published in installments in 1980s Spain, a product of a life lived under, and coming out of, Franco's fascist dictatorship.

In Volume One (initially published in 2011), the Cabbie's father's coffin is stolen in an act of vengeance for the Cabbie's vigilantism - right after his mother tells him his inheritance is inside! Cabbie takes to the mean streets in a quest to find it. In Volumes Two and Three (both never available in English), Cabbie runs the gauntlet of mad science, dog races where the dogs chase humans, evil millionaires, presidents, and popes in addition to every nightmare scenario imaginable. Ultra-violent, ultra profane, and ultra vicious, *The Cabbie* is filled with scummy noir characters exaggerated to the absolute limit - and the worst of them all might be the titular Cabbie, precisely because, not unlike Travis Bickle, he sees himself as a force for good.

There have been various incomplete English editions over the last four decades, but this is the definitive Cabbie saga published in English for the first time, complete with "extras," including a cover gallery! (STL343281) (C: 0-1-2)

HONORIA HC (C: 0-1-2)

(W/A/CA) Janice Shapiro

Honoria, the daughter of Sara and Gerald Murphy, who invented the literary "summer on the Riviera" in the 1920s, is used to her parents' endless parties with such luminaries as Scott and Zelda Fitzgerald, at their splendid house at Cap d'Antibes. When sheltered and unsophisticated Ida visits for a summer, Honoria becomes both her mentor and tormentor, as well as her role model and, finally, her friend.

When Ida is sent away for the summer to stay with the Murphys - friends of her father, but also of Zelda and Scott Fitzgerald - she travels from New York to France and, unknowingly, into the artistic epicenter of 1929. There, she meets their haughty, sullen, and precocious daughter, Honoria, and wonders if she can be friends with the prettiest girl in the whole world. In the "perfect inverted

world" of adults, one of constant play and leisure - and inebriation, of course - it's the children who most acutely perceive the pervasive unhappiness bubbling beneath the surface gaiety.

Achingly sad and effortlessly funny, full of the kind of youthful sincerity unclouded by pretenses of age, short story writer and cartoonist Janice Shapiro's debut graphic novel, *Honoraria*, is the complex story of the education of two young girls who have started moving slowly into womanhood. SQUEAK CHATTER BARK TP (C: 0-1-2)

(W/A/CA) Ali Fitzgerald

In this charming middle-grade graphic novel, 11-year-old Hazel McCrimlisk's scientist parents are kidnapped inside the ecosphere they live and work in. Can Hazel and her friends find them in time?

Hazel and her parents live an idyllic life in a treehouse in the PAW (Perfect Animal Worlds) Biosphere among a series of ecologically controlled environments populated by genetically created and enhanced animals and flora. As scientists working for PAW, together with founder Dr. Henry Nimick, the McCrimlisk's mission is to create a world that will usher in an era of "good evolution", populated with animals and plants that can transform pollution and other environmental hazards to make the region clean and habitable. But one foggy night, Hazel's parents are suddenly kidnapped. With the help of her animal friends Chimi (a multilingual toucan), Nina (a pet-sized elephant who exhibits super-strength), and her human friend (comics lover and mythology expert) Alex, Hazel tracks clues throughout the various biodomes and climates uncovering what happened to her parents and leading her to... a monster?!?

Author Ali Fitzgerald charmingly wrote, drew, lettered, and colored this book featuring an imaginative setting rich with detail and an expressive brush-pen style with a good sense of personality and motion. Her colorful, anthropomorphic characters are bright and funny sleuths alongside Hazel as they follow the clues together. Filled with puns and hijinks, readers will delight in this mystery with an ecological message. (STL343278) (C: 0-1-2)

SKIN HC (C: 0-1-2)

(W) Sabien Clement, Mieke Versyp

This lyrical graphic novel paints a captivating portrait of two women in search of themselves.

Feeling adrift after her daughter leaves the nest, Rita makes the audacious move to model nude for a live drawing class. There, she meets Esther, an artist who sees beyond the superficial and captures people's true essences in her drawings. The two connect as kindred spirits, and their unexpected, yet endearing relationship teaches them to accept their eccentricities and feel comfortable in their own skin.

Skin is the striking debut graphic novel by writer Mieke Versyp and illustrator Sabien Clement. In this seamless collaboration, poetic turns of phrase pair with impressionistic watercolors, creating a

tangible intimacy between words and imagery. Keen observation and dynamic artistry combine to tell a tender story of the human condition, as playful and devastating as life itself. (STL343277) (C: 0-1-2)

FANAGRAPHICS UNDERGROUND SINCEREST FORM OF PARODY (NEW PTG)

(W) Various (A) VARIOUS

A collection of the best of Mad comics in a single, outrageously funny volume - now in a new and improved printing with an oversized format!

When Mad became a surprise hit as a comic book in 1953 (after the early issues lost money) other comics publishers were quick to jump onto the bandwagon, eventually bringing out a dozen imitations with titles like FLIP, WHACK, NUTS, CRAZY, WILD, RIOT, EH, UNSANE, BUGHOUSE, and GET LOST. The Sincerest Form of Parody collects the best and the funniest material from these comics, including parodies of movies (20,000 Leagues Under the Sea, From Here To Eternity), TV shows (What's My Line, The Late Show), comic strips (Little Orphan Annie, Rex Morgan), novels (I, the Jury), plays (Come Back, Little Sheba), advertisements (Rheingold Beer, Charles Atlas), classic literature ("The Lady or the Tiger"), and history (Pancho Villa). Some didn't even try for parody, but instead published odd, goofy, off-the-wall stories.

These earnest copiers of Mad realized that Will Elder's cluttered "chicken fat" art was a good part of Mad's success, and these pages are densely packed with all sorts of outlandish and bizarre gags that make for hours of amusing reading. The "parody comics" are uniquely "'50s," catching the popular culture zeitgeist through a dual lens: not only reflecting fifties culture through parody but also being themselves typical examples of that culture (in a way that Harvey Kurtzman's Mad was not).

This unprecedented volume collects over 30 of the best of these crazy, undisciplined stories, all reprinted from the original comics in full color. Editor John Benson (who wrote the annotations for the first complete Mad reprints and interviewed Mad editor Harvey Kurtzman in depth several times over the years) also provides expert, profusely illustrated commentary and background, including comparisons of how different companies parodied the same subject. Artists represented include Jack Davis, Will Elder, Norman Maurer, Carl Hubbell, William Overgard, Jack Kirby, Dick Ayers, Bill Everett, Al Hartley, Ross Andru and Mike Esposito, Hy Fleischman, Jay Disbrow, Howard Nostrand, and Bob Powell.

Casual comics readers are probably familiar with the later satirical magazines that continued to be published in the '60s and '70s, such as Cracked and Sick, but the comics collected in this volume were imitations of the Mad comic book, not the magazine, and virtually unknown among all but the most die-hard collectors. FANAGRAPHICS UNDERGROUND BEES THE WOMEN WHO ROCKED LITHUANIA

(W/A/CA) Akvile Magicduste

In 1965, inspired by The Beatles, Lithuanian musician J?rat? Dineikait? founded a rock band called The Bees. This spirited ensemble of six women toured throughout the Soviet Union during the '60s and '70s - turning heads with their blue jeans, mop-tops, and modern rock sound. For these women, taking the stage was at once an electrifying expression of their artistry and an audacious political act.

Based on interviews with J?rat? herself, this graphic novel vividly captures episodes of the group's lived experiences - from thrilling performances to chilling encounters with the KGB. An authentic portrayal of a fascinating true history little known outside of Lithuania, The Bees is adapted with vibrant colors and a charmingly handcrafted style by cartoonist Akvil? Magicdust??. The critically-acclaimed biography chronicling the tumultuous personal and professional life of horror icon Bela Lugosi.

"Poignant.... Shadmi smoothly blends characterization with chiaroscuro to perfectly spotlight Lugosi's uncanny magnetism. On the screen-and in this fine portrait-his legacy lasts." -PUBLISHERS WEEKLY (Starred Review)

"Haunting... Shadmi's deeply absorbing and moving biography will appeal to Dracula aficionados of all ages." -NEW YORK JOURNAL OF BOOKS

LUGOSI, the tragic life story of one of horror's most iconic film stars, tells of a young Hungarian activist forced to flee his homeland after the failed Communist revolution in 1919. Reinventing himself in the U.S., first on stage and then in movies, he landed the unforgettable role of Count Dracula in what would become a series of classic feature films. From that point forward, Lugosi's stardom would be assured...but with international fame came setbacks and addictions that gradually whittled his reputation from icon to has-been. (W/A/CA) Joseph Schmalke

From acclaimed comics creator Joseph Schmalke (We Don't Kill Spiders, Phantom Starkiller, The Electric Black, and Cherry Blackbird) comes a dark sweeping fantasy epic. Welcome to Year Two at the Academy of Black Magic. The 59 surviving Apprentices advance into their second year as Mages. As they continue their studies, the body count rises. Year Two follows a magically gifted student who finds herself the target of a parasitic entity, a familiar intent on helping its master graduate, and Death itself makes its way to the school to collect a debt. JOHN MUIR TO THE HEART OF SOLITUDE HC (C: 0-1-1)

(W/A) Lomig

1867: A sawmill is running at full speed with a terrible noise when suddenly workers run to rescue a man on the ground. He has seriously injured his eyes. John Muir is twenty-nine years old and has to be confined in a dark room: it is likely that he may remain blind. But miraculously, after months of an almost mystical convalescence, he regains his sight. This episode convinces him he's going to leave everything behind and embrace his lifelong dream: head south to meet the wilderness. Armed with only his courage, his youth, a magnifying glass and a botanical book, he treks hundreds of miles on foot from Indiana to Florida. This biography also covers his other life-changing pioneering trek along the Sierra Nevada Trail which now bears his name. Here, in breathtaking vistas, is the inspiration he got to found the Sierra Club, create the first national parks, and become one of America's first and foremost environmentalist champions. EQUINOXES HC

(W/A/CA) Cyril Pedrosa

In an equinox, day is as long as night, as if the world found perfect equilibrium between shadow and light, a fleeting equilibrium, similar to the stakes of our human destinies. Segmented into four tableaux for four seasons, unrelated people of all social backgrounds seeking equilibrium cross paths with other solitudes, weaving in and out of one and other's lives, all captivated and tormented by the enigmatic meaning of life. Every season has its visual identity and its individual voice, culminating in summer and, possibly, an answer. (STL012510) (JUN161646)

PORTUGAL HC (MR)

(W/A/CA) Cyril Pedrosa

Comics artist Simon Muchat is stuck. Suffering writer's block, uninspired, vegetating as a school art teacher, he is losing direction and his taste for life, until one day he is invited to appear at a comics convention in Portugal, the country his family came from and which he hadn't seen since his childhood. The experience proves cathartic. Even though he is not Portuguese himself and is a foreigner there, so many elements are familiar to him. Meeting its lively citizens, full of the zest for life, his distant yet welcoming family bringing back fond early memories, all prove reinvigorating, the breath of fresh air he so badly needed. O/A THOREAU A SUBLIME LIFE HC

(W) Maximilien Le Roy (A) Dan A.

"To be a philosopher is not merely to have subtle thoughts, nor even to found a school, but so to love wisdom as to live according to its dictates, a life of simplicity, independence, magnanimity and trust." This graphic novel biography relates the forward looking inspirational life of the great author, philosopher and pioneering ecologist. Henry David Thoreau was also the father of the concept, still fresh today (see all the recent protests), of "civil disobedience" which he used against slavery and the encroachment of government. MISERY OF LOVE GN (MR) (C: 0-1-2)

(W/A) Yvan Alagbe

Colonial history haunts this stunning, spectral-looking graphic novel, a spiritual sequel to the author's *Yellow Negroes and Other Imaginary Creatures*. Yvan Alagbé continues his interrogation of race and family in modern France. The book focuses on the dream-like memories of a woman named Clare, who is spending time with her family for her grandfather's funeral. Alagbé shifts between narratives of the family, all haunted by the legacy of France's colonial subjugation of Africa. Alagbé works in stormy grayscale washes, using comics, as he puts it, as "a sacred dimension which celebrates, questions and perpetuates life.... I believe that life is not damnation but grace." PLAGUE HOUSE #1 (OF 4) CVR A DAVE CHISHOLM

(W) Michael W. Conrad (A/CA) Dave Chisholm

"HOUSES AREN'T THE ONLY THING THAT ARE HAUNTED. . . . This spring, architect of terror Michael W. Conrad (Wonder Woman, In Bloom) and 2024 Ringo Award–winner Dave Chisholm (Miles Davis and the Search for the Sound) begin a deep and disturbing excursion into 21st century–horror with a new kind of tale that will rebuild the four walls of the American ghost story from the foundation up . . .

Thirteen years ago, Orin McCabe was a family man living a privileged life in the suburbs. Today, he's condemned to death row for murdering his entire family in an unexpected fit of hammer-wielding brutality. In the aftermath of his heinous crime, it's fallen to a trio of eclectic, but dedicated, ghost hunters—Jacob, the holy man; Holland, the skeptic; and their leader, Del, a true believer in the occult and worlds beyond—to surveil the abandoned McCabe home in search of proof for the existence of the undead . . . and whatever supernatural source may have possibly fueled McCabe's inhuman massacre. But this ill-matched and uneasy squad of investigators is about to discover something much more terrifying than any ordinary spirit. . . . Something much more pernicious, much more contagious, that if not contained, could take full advantage of America's unquenchable appetite for violence and deliver a plague of blood unto us all . . ." LITTLE VISITOR & OTHER ABDUCTIONS HC (C: 0-1-2)

(W/A/CA) Adam Szym

"The cast and crew of an obscure film recount a tragedy that occurred during its doomed production. A young girl searches for her father in the darkness of the desert and stumbles upon an otherworldly cocktail party. Two strangers nurture violent thoughts in a bitter, lonely child as his village's harvest festival nears. Connecting these three stories is one horrific theme . . .

From cartoonist and illustrator Adam Szym comes a triptych of otherworldly science fiction horror stories about alien abduction and the negligence and malice that allows it to happen. Including the Ignatz Award–nominated *A Cordial Invitation*, *Little Visitor*, and a brand-new tale—*Frolicker*—this uncanny trilogy of graphic novellas is perfect for fans of *The Twilight Zone*, *The X-Files*, and all things beyond our understanding." "From rising star Jordan Thomas (*The Man from Maybe*, *Mugshots*) and viscerally talented artist Daniel Gete (*Über*) comes a hyper-violent sci-fi/action spectacle that will force you to trust no one . . . not even yourself . . .

In the year 2142, fertility levels around the globe plummeted, and a black market for illegal clone babies emerged. Millions of parents used their own genetic material to welcome these new children, only realizing the horrific consequences far too late. At some point in their life cycle, three in four of these genetic duplicates transform into psychologically unstable killing machines known as "Dupes." Fortunately, the United Nations of Europe has decided to take an active role in containing the growing threat. Their specialized task force has taken up the unenviable task of hunting Dupes before their violence can spread. To the government, they're the Duplicate Identification and Capture Division. To everyone else, they're the ""Skin Police.""

MEAT EATERS GN (C: 0-1-2)

(W/A/CA) Meredith McClaren

"From cartoonist Meredith McClaren (co-creator of the acclaimed series Black Cloak) comes a punishing and poignant original graphic novel about the monsters that lurk both in the darkness beyond—and within—us all . . .

Let it be said that dying is hard. Nineteen-year-old Ashley Moore found this out firsthand.

All Ashley wanted was to keep her head down and work hard until she could escape the small town where she felt she was stagnating. But after waking up one night covered in blood—and irrevocably dead—Ashley finds her foolproof plan for getting out has gone up in smoke, and that something within her has changed.

Without a heartbeat and with a disturbing craving for fresh meat, Ashley finds herself in a world that exists just beneath our own: a world of ghouls and monsters and things that go bump in the night. Drawn into the realm of the unusual, getting advice from ancient vampires, dodging angry pack leaders, and becoming the reluctant big sister to some wayward werewolves, Ashley finds it increasingly difficult to put away the parts of her past—and herself—that she wants to ignore.

The truth, it turns out, can't stay buried forever.

In this visceral story about the effects of trauma and anxiety, dying is indeed hard. But getting on with it? That can be worse." (STL362992) (C: 0-1-2)

CRUMB A CARTOONISTS LIFE HC (MR) (C: 0-1-2)

(W) Dan Nadel (A/CA) R. Crumb

Robert Crumb is often credited with single-handedly transforming the comics medium into a place for adult expression, in the process pioneering the underground comic book industry, and transforming the vernacular language of 20th-century America into an instantly recognizable and popular aesthetic, as iconic as Walt Disney or Charles Schulz. Dan Nadel shares how this complicated artist survived childhood abuse, fame in his twenties, more fame, and came out the other side intact. Crumb is the story of a richly complex life at the forefront of both the underground and popular cultures of post-war America. Including forty-five stunning black-and-white images throughout and a sixteen-page color insert featuring images both iconic and obscure, Crumb spans the pressures of 1950s suburban America and Crumb's highly dysfunctional early family life; the history of comics and

graphic satire; 20th century popular music; the world of the counterculture; the birth of underground comic books in 1960s San Francisco with Crumb's Zap Comix; the economic challenges and dissolution of the hippie dream; and the path Robert Crumb blazed through it all. (STL360275) (C: 0-1-2)

ROBERT CRUMB SKETCHBOOK HC VOL 01 (OF 6) 1964-1968 NEW PTG (

(A/CA) Robert Crumb

Taschen surveys Robert Crumb's career in the 6-volume Robert Crumb Sketchbook series. Each 440-page volume, the first four combining two volumes each of the limited edition set, produced directly from the original artworks now belonging to an ardent French collector, spotlights a different era of Crumb's work, providing a chronological overview of the artist, his life and interests, and his artistic development. Volume 1 (June 1964 to Sept. 1968) includes cover roughs for the legendary Zap and Head comics, the original Keep On Truckin' sketches, the first appearance of Mr. Natural, Fritz The Cat, and more. Volume 2 (Sept. 1968 to Jan. 1975) features the introduction of Aline, the first female Yetis, San Francisco drug culture and more. Volume 3 (1975-1982) includes Crumb's move to rural California, his marriage to Aline Kominsky, and the birth of daughter Sophie. Volume 4 (1982-1989), when the artist was comfortably ensconced in rural California, fills its pages with Crumb's signature perversions (in country settings), and scathing social commentary. Volume 5 (1989-1998) finds Crumb at age 46, solidly into the midlife crises years, and the family's move to Sauve, France, in 1991 heralds a switch from portraits of apple-cheeked American girls to portraits of girls in French cafes and pastorals of rampant French countryside. Finally, Volume 6 (1998-2011) finds Crumb still illustrating sex fantasies and ranting against the human condition, but increasingly working from photos and historical themes such as the atrocity of Abu Ghraib and historic tableaux such as Piers the Ploughman of 14th century England. Crumb produced a consistent body of work over the last 40, if not 50, years, yet each page is also jarringly different from the one before. So much is packed in you can spend an hour and find you're only a quarter of the way through, with Crumb bemoaning his mortality, while continuing to prosper, every few pages. A fine stand-alone volume, and must-have completion for the sketchbook set. (STL362403) NOTE: Not available in UK. (May purchase from UK vendor.)

ROBERT CRUMB SKETCHBOOK HC VOL 04 (OF 6) 1982-1989 NEW PTG (

(A/CA) Robert Crumb

Combining volumes 7 and 8 from the first boxed set (confusing, we know), it spans the years 1982 to 1989, a period when the artist was comfortably ensconced in rural California, raising his young daughter Sophie, who appears throughout this volume. But Crumb was still Crumb, declaring in one drawing, above a lovingly rendered tree, "As I get older I get more twisted, convoluted, depraved, cynical, embittered, self-centered, jaded, debauched, ruthless, greedy, conceited, set-in-my-ways, long-winded, absent-minded, prejudiced, closed-minded, misanthropic, nervous..."

To prove this self-flagellating analysis he fills the pages with his signature perversions (in country settings), scathing social commentary, cruel self-portraits, experimental cubism... and some lovely sylvan landscape. His mastery of the Rapidograph pen is at its zenith here in his 40s; (STL362420) NOTE: Not available in UK. (May purchase from UK vendor.)

ROBERT CRUMB SKETCHBOOK HC VOL 05 (OF 6) 1989-1998 NEW PTG (

(A/CA) Robert Crumb

As this volume opens we find our hero at age 46, solidly into the midlife crises years. Crumb has lived his entire life in anxious, introspective, self-flagellating crises, however, so the middle years bring only a refinement of his lifelong turmoil and further honing of artistic talent. More words accompany the drawings, demonstrating Crumb's brilliant powers of observation, as in a long paragraph devoted to an encounter with one of brother Maxon's vegan turds, and a poetic paean to the heartbreak of life and aging. The family's move to Sauve, France, in 1991 is heralded by a switch from portraits of apple-cheeked American girls sketched while waiting for food in California cafes to portraits of girls in French cafes, by pastorals of rampant French countryside, and by haunting tableau of homeless beggars in the Metro.

The most notable new character in this sketchbook is a turbaned holy man named, by young Sophie Crumb, Roman Dodo, who seems loosely inspired by Robert's brother Maxon. Patricia Pig, a cheerful human/porcine hybrid also debuts, alongside portraits of girlfriends present and past. (STL362421) NOTE: Not available in UK. (May purchase from UK vendor.)

ROBERT CRUMB SKETCHBOOK HC VOL 06 (OF 6) 1998-2011 NEW PTG (

(A/CA) Robert Crumb

The last volume of this six-book series has our hero settled in his French home, still illustrating sex fantasies and ranting against the human condition, but increasingly working from photos and historical themes. Images of torture at Abu Ghraib and family portraits are mashed together. Old age hasn't brought contentment.

"Silly Fool Comics" fills the final page in this final volume, with a devilish creature telling the anguished Crumb, "YOU Will Soon Be DEAD!" He was a mere 67, but in his self-absorbed Crumbish way was obsessing about death, when not making intimate and loving portraits of his wife Aline and all the other women who'd tormented his libido since boyhood. Most impressive in this book are his historic tableau, some single page, others multi-page strips, including Piers the Ploughman of 14th century England, My Secret Life by "Walter," Rough Women of the Dark Ages and The Apache Dance, from a 1930s Parisian postcard. His Rapidographed cross hatching is superb as ever and we are treated to long screeds displaying his undimmed brilliance at analyzing the human condition, in a morbid but nonetheless amusing way.

One could say there are no surprises in content, as Crumb has produced a consistent body of work over the last 40, if not 50, years, yet each page is also jarringly different from the one before, due to his personal juxtaposition of images. So much is packed in you can spend an hour and find you're only a quarter of the way through, with Crumb bemoaning his mortality, while continuing to prosper, every few pages. A fine stand-alone volume, and must-have completion for the sketchbook set. (STL362422) NOTE: Not available in UK. (May purchase from UK vendor.)

FANTASTIC WORLD OF FRANK FRAZETTA HC 40TH ANNIV

(A/CA) Frank Frazetta

Frank Frazetta has reigned as the undisputed king of fantasy art for 50 years, his fame only growing in the years since his death and long overdue for this ultimate monograph. Born to a Sicilian immigrant family in Brooklyn, 1928, Frazetta was a minor league athlete, petty criminal and serial seducer with movie star looks and phenomenal talent. He claimed to only make art when there was nothing better to do—he preferred playing baseball—yet began his professional career in comics at age 16. Strip work led him to the infamous EC Comics, then to oils for Tarzan and Conan pulp covers. Both characters were interpreted by many before him, but as he explained in the 1970s, "I'm very physical minded. In Brooklyn, I knew Conan, I knew guys just like him," and he used this first-hand knowledge of muscle and macho to redefine fantasy heroes as more massive, more menacing, more testosterone-fueled than anything seen before. Add in the action, the creatures, the twilight worlds of haunting shadow and Frazetta's art is addictive as potato chips. (STL338273) (SEP242086)

REMEMBER US TO LIFE GRAPHIC MEMOIR HC (C: 0-1-2)

(W/A) Joanna Rubin Dranger

Available for the first time in English: a moving and masterful graphic memoir exploring one woman's search for identity as she slowly uncovers the truth of how her Jewish relatives "disappeared" during World War II. Told through a genre-defying blend of illustrations, photography, and found objects, Remember Us to Life chronicles Joanna Rubin Dranger's investigation into her Jewish family's history, spanning time, space, and three continents in search of her lost relatives. As discolored photos are retrieved from half-forgotten moth-eaten boxes, Joanna discovers the startling modernity and vibrancy of the lives her family never spoke about—and the devastating violence that led to their senseless murders. Joanna's unflinchingly brave and intimate portrayal of one of history's greatest tragedies will capture and break readers' hearts. Nominated for three 2010 Will Eisner Comic Industry Awards: From Creation to the death of Joseph, here are all 50 chapters of the Book of Genesis, revealingly illustrated as never before. Envisioning the first book of the bible like no one before him, R. Crumb, the legendary illustrator, reveals here the story of Genesis in a profoundly honest and deeply moving way. Originally thinking that we would do a take off of Adam and Eve, Crumb became so fascinated by the Bible's language, "a text so great and so strange that it lends itself readily to graphic depictions," that he decided instead to do a literal interpretation using the text word for word in a version primarily assembled from the translations of Robert Alter and the King James bible. REVOLTECH AMAZING YAMAGUCHI BATMAN BEYOND AF (C: 1-1-2)

From Kaiyodo. Set in the futuristic city of Gotham City 40 years after Batman: The Animated Series, 16-year-old high school student Terry McGinnis takes over the name of Batman from the retired, elderly Bruce Wayne. Dressed in a suit packed with futuristic technology, Batman Beyond is now available from Amazing Yamaguchi! The next generation hero born in the animated series Batman Beyond has been made into a three-dimensional figure by Amazing Yamaguchi with a dense design based on the comic version. The high-tech suit with power amplification function fits the slim body of an ordinary teenager, creating a unique proportion. The red lines running all over the body also create a new image of the future Batman. (STL354837) Scheduled to ship in September 2025. (4673/NR066) (C: 1-1-2)

REVOLTECH AMAZING YAMAGUCHI ATTACK ON TITAN FEMALE TITAN AF

From Kaiyodo. From the popular anime Attack on Titan, the "Female Titan" who appeared in front of the Survey Corps appears as a new addition to the Amazing Yamaguchi figure line! The muscle fibers exposed throughout the body are modeled in a sharp body line reminiscent of a trained woman. Movable gimmicks that go beyond the movement of the human body, such as the division of both sides of the chest and the additional joints of the shins, make it possible to have deformed action poses that resemble the style of the painting in the play. By adding joints that are not in the human body, the shin movement expresses "flexion" like a comic depiction. The face is also equipped with a gimmick that moves the eyes, and it is possible to change the line of sight according to the fighting pose. It also comes with replacement parts for fluttering bangs that can create a sense of speed for sharp action. (STL354845) Scheduled to ship in September 2025. (4673/NR068) (C: 1-1-2) NOTE: Available only in US, Canada, and US territories.

FEB252502

REVOLTECH AMAZING YAMAGUCHI ATTACK ON TITAN ARMORED TITAN AF

From Kaiyodo. From the blockbuster TV anime Attack on Titan, a third titan appears in Amazing Yamaguchi! During the fall of Wall Maria, which was the beginning of the story, he was the "Armored Titan" who broke through the inner gate of Shiganshina Ward and brought despair to the people inside the walls! It is called because of the appearance of the whole body wrapped in ultra-hard skin that cannot be damaged by the blades of three-dimensional mobile devices and cannon shells. In Amazing Yamaguchi, the metallic texture of the high-quality skin and the muscle fibers of the whole body peeking out through the gaps are expressed in dense detail. In addition, the sturdy and strong proportions such as the thick torso and round thighs are also three-dimensionalized while keeping the image in the play as it is. Movement of both shoulders back and forth by dividing with the shoulder blades in mind. A torso that can be bent down deeply and slouched wide. The hip joint, which has a wide range of motion but does not have gaps, and the shin joint, which expresses "bending" like in anime, make the most of the simple body with unique movements! In addition to the default face with a closed mouth, a face part comes with an open mouth face as a replacement part. (STL354849) Scheduled to ship in September 2025. (4673/NR069) (C: 1-1-2) NOTE: Available only in US, Canada, and US territories.

proportions of her futuristic ninja suit that fits her body line are sculpted in a size that takes into consideration the difference in physique when placed next to Ryu Hayabusa. (STL354842) Scheduled to ship in November 2025. (4673/NR067) (C: 1-1-2)

NINJA GAIDEN RYU HAYABUSA 1/7 SCALE FIGURE (C: 1-1-2)

From Kaiyodo. From Koei Tecmo Games' high-speed ninja action game Ninja Gaiden series, Ryu Hayabusa, the dragon ninja who has played the main role since 1988's original game, is now available as a detailed 1/7-scale figure! Based on the visuals of Ninja Gaiden: Master Collection, a package of three works in the series, this figure is sculpted in a determined pose as he unsheathes his dragon sword from the sheath on his back and marches forward into the battle that awaits him! His serious appearance, with a sharp gaze from under his steel helmet, and the bulging muscles of his exposed arms are sculpted with a realistic touch. Although the futuristic ninja suit is the same jet black, the texture of the different materials for each part is expressed in detail with paint. The peeling paint on the armor parts is also reminiscent of the fierce battles he has gone through. The base at his feet is decorated with moss-covered cobblestones and leaves to express a Japanese-style worldview. (STL354852) Scheduled to ship in October 2025. (4673/KD100) (C: 1-1-2)
