LAST BOY #1 (OF 5) CVR A PANOSIAN (MR)

(W) Dan Panosian (A) Alessio Avallone (CA) Dan Panosian

As their desires create a mirror of fantasy and reality, a disastrous encounter with the aging Captain Hook becomes the catalyst for Peter's realization that Neverland is growing up without him.

But will the two of them find each other once again to carry on their age-old adventures... or is this truly the final threshold of their adolescence in this modern take on a classic tale from legendary writer Dan Panosian (Alice Never After, Canary), and rising star artist Alessio Avallone! VAMPIRELLA ARMY OF DARKNESS TP

(W) Mark Rahner (A) Jethro Morales (CA) Tim Seeley

Horror icons from two universes collide as Ash Williams, the chainsaw-armed Chosen One of the small and big screen, crosses paths with the supernatural superheroine Vampirella in a story set during the events of the cult classic film, Army of Darkness!

When Ash misspoke the incantation to acquire the Necronomicon, an unholy book written in blood, the spell ripped Vampirella — a force for good, despite her blood-hungry fangs — from her own time and back to 1300 CE. Infected by Deadite magic, she stalks the halls of Lord Arthur's castle, unable to control her thirst. Even if that time-lost chucklehead Ash can free her of the demonic mutation, can

he convince his allies — primitive screwheads that they are — that she shouldn't be burned at the stake? (STK698134) (FEB161398)

O/A SPACE GHOST HC VOL 01 GHOSTS COMFORT US (C: 0-1-2)

(W) David Pepose (A) Jonathan Lau (CA) Francesco Mattina

Greed and corruption flourish in the darkness between stars. With the territories of the Galactic Federation spread far and wide across the vastness of space, pirates and hijackers ransack the distant colonies with cruel disregard for the innocent scientists living within them.

Yet there is a cosmic vigilante who metes out justice throughout the galaxy, bringing vengeance to those prey upon the defenseless.

Some say he is a policeman who has abandoned the strictures of the law. Others say he is a phantom, the sole survivor of a war-torn planet. And those who have survived his wrath claim he is more a force of nature, able to bend the very elements of Creation to decimate his enemies.

They call him the SPACE GHOST — and his adventures begin here! (STL334286) (C: 0-1-2)

(W) Daniel Kibblesmith (A) Ted Brandt, Ro Stein (CA) Nicoletta Baldari

After flipping the switch on Megavolt in last month's debut issue, Darkwing Duck transforms here into the Terror That Claps in the Night when his adopted daughter Gosalyn is cast in a school play!

True, it's only a small role (Gos and her friend Honker are portraying pieces of shrubbery), but it proves to be a pivotal part when the packed house comes under attack on opening night by the sappiest member of the Fearsome Five — BUSHROOT!

The green-thumbed creative team of writer DANIEL KIBBLESMITH (The Late Show with Stephen Colbert) and artists TED BRANDT & RO STEIN (The Mighty Captain Marvel) continue to unearth the Defender of St. Canard's early adventures in the second issue of their evergreen new series — crowned with covers from original animated show creator TAD STONES as well as BRANDT & STEIN, MARK BAGLEY, NICOLETTA BALDARI, and CIRO CANGIALOSI! Hades — the lord of darkness!

The most deceitful and scheming of the Greek gods!

The one god not invited to the weekly brunch at Mount Olympus!

Obviously, a slight like this calls for the total destruction of the gods of Olympus. To make that happen, the hot-tempered ruler of the underworld needs to acquire the magical Golden Fleece of Colchis. Unfortunately, the Fleece is guarded by a sleep-less dragon and soldiers made out of teeth, so Hades assembles a ragtag group of morally questionable adventurers to help him steal the Fleece before some dude named Jason and his Argonaut bros swoop in and ruin his perfectly logical plan.

It's absolute chaotic hilarity courtesy of writer ELLIOTT KALAN (Spider-Man & The X-Men) and artist ALESSANDRO RANALDI (Zorro)! (STL301909) (C: 0-1-2) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK & Ireland.

POWERPUFF GIRLS #9 CVR A GANUCHEAU (C: 1-0-0)

(W) Amanda Deibert (A) Silvia De Ventura (CA) Paulina Ganucheau

It's time for Townsville's Battle of the Bands, and everyone who's anyone is signing up to be a star for a day!

But what's a Powerpuff Girl to do when each member of your power pop trio wants to play a totally different style of music? Clearly, the girls need to find some more compatible bandmates. And if the enemy of your enemy is your friend, then your friend's enemy should obviously join your band—that's just logic!

Composed by AMANDA DEIBERT and arranged by SILVIA DE VENTURA, The Powerpuff Girls #9 is a toe-tapping (and knuckle-cracking) tour de force sweetened by heroically harmonized covers from PAULINA GANUCHEAU, ALESSANDRO RANALDI, CAT STAGGS, and PASQUALE QUALANO! (STL359994) (C: 1-0-0) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK, Ireland, and Europe.

TERMINATOR #6 CVR A SHALVEY

(W) Declan Shalvey (A) Lorenzo Re (CA) Declan Shalvey

As the first generation of human-mimicking Infiltrators deployed by Skynet against the Resistance, the T-600s displayed all of the problems that come from rushing a prototype into production. Covered in unconvincing rubber skin and lacking any organic components, they were easily detected and destroyed.

But if there's one thing that Skynet is good at, it's learning from its mistakes. And as the historic tales in this pivotal issue demonstrate, every T-600's mission — no matter the outcome — brought the lethal T-800s one step closer to activation!

Relentless story engineers DECLAN SHALVEY and LORENZO RE repeatedly test their titanium-framed titans to failure in The Terminator #6 — all encased in Coltan-alloy covers by SHALVEY, EDWIN GALMON, CAT STAGGS, and DAVID COUSENS! (STL359979)

LIFE IS STRANGE TP VOL 01

(W) Emma Vieceli (A) Claudia Leonardi (CA) Andrea Izzo, Claudia Leonardi

The outbreak of Covid-19 challenges us to think about the cause and effect of every action, from the mundane to the influential. What is within our power and what is out of our control? This is the conflict Max Caulfield now struggles to come to terms with.

The first volume in the Life is Strange series, based in the world of the BAFTA award-winning video game, follows the story of Max Caulfield, a senior majoring in photography who discovers that she

can rewind time when trying to save her best friend Chloe Price. The pair investigate the mysterious disappearance of fellow student Rachel Amber, uncovering a dark side to life in Arcadia Bay. Meanwhile, Max quickly learns that changing the past can sometimes lead to a devastating future.

Max chose to let Arcadia Bay be destroyed by a horrific storm and one year later, she and Chloe have made a new life together, but the aftershocks of that fateful choice still echo around them! Is there any future for the pair when time itself is their enemy?

Max must learn to live with her new present, whilst being fully aware that she exists, that she lives, in multiple dimensions. This comic collection is all about what happens when time is no longer a real construct. What can we rely on to be true? With Chloe by her side, Max will soon know the answer. What lies in store for Max, Chloe, and Rachel in the third arc of this time-twisting video game tie-in? Acclaimed writers Emma Vieceli and artists Claudia Leonardi and Andrea Izzo continue the highly anticipated third volume of the official comic, set in the world of the BAFTA award-winning game from Square Enix and DONTNOD!

Max remains in a world where she is separated from Chloe. She must feel so close and yet so very far from the world she and Chloe had built together, without Rachel. Like the majority of people right now during the Covid-19 pandemic, we are connected to our neighbours, facing the same situation together, and yet completely disconnected as we are forced to keep apart from friends and family. Today's circumstances give us a new perspective on the characters of Life is Strange. Are we living in a strange, crossed over reality of our own? Is it science fiction or our science future? Who knows. Have a read and see if you can find any other similarities between our reality and Max's. (STL233745) (MAR228041)

Enter a world ruled by the Magnificent Leader, where such a cult imposed their will on an entire world to create the ultimate theocracy. Join up and buy-in or be cast out to suffer in the toxic slums with the masses of humanity. The story of Napalm Lullaby begins 50 years after the cult's subjugation of Earth, when two of the messiah's bastard children—each with powers that are strange and difficult to control—set out to escape the slums of their birth. ONE WORLD UNDER DOOM #2 (OF 9)

(W) Ryan North (A) R. B. Silva (CA) Ben Harvey

Doctor Doom has taken over the world, and Earth's mightiest heroes have failed twice: first to stop him, and now to overthrow him. But the Fantastic Four know Doom better than anyone, which makes them ideally suited to take on Earth's new Emperor...except for the fact that he knows THEM just as well. As Reed Richards, Ben Grimm, and Sue and Johnny Storm prepare to face down Doom at the United Nations, Doom pays a secret visit to speak to the only person on Earth who holds both his favor, his respect...and his love. But can Valeria Richards change her uncle's mind? And if she fails, what will stop Doom from visiting a shocking fate on the Fantastic Four that not even he can undo?

And, as the Avengers reel from their losses, the course of the Marvel Universe will change—and Marvel's First Family won't be the same!

- What does Xavier want from the city? What is he willing to do to get what he wants? And - perhaps most alarmingly of all - who else is waiting in the wings to strike?!

(W) Stan Lee (A/CA) Jack Kirby

The Fantastic Four face the menace of the Miracle Man! In the third issue of Stan Lee and Jack Kirby's foundational, Marvel Universe-building FF run, the First Family adopt their iconic blue uniforms - and take to the skies in the Fantasti-car! But just how long is the ever-lovin' Thing going to hide his rocky skin beneath an all-over bodysuit and helmet? Not long, when a towering monster threatens Manhattan - courtesy of the master hypnotist known as the Miracle Man! Can Reed, Sue, Ben and Johnny defy his illusions and put an end to his campaign of terror? Or will the tempestuous team be torn apart? It's one of the all-time great Marvel comic books, boldly re-presented in its original form, ads and all! Reprinting FANTASTIC FOUR (1961) #3.

(W) Garth Ennis (A) Goran Sudzuka (CA) Andy Clarke

Garth Ennis' Complete Masterpiece of Terror in One Unrelenting Hardcover!

So these two FBI agents walk into a warehouse...

Special Agents Shaw and McGregor handle the routine cases nowadays, which is just the way Shaw likes it. She's pushing 40, a borderline burnout, the ghastly memories of her last investigation still clinging like shadows. McGregor is younger, more dedicated, hanging onto some measure of idealism whatever the world might throw at him.

When two fellow agents go missing inside a Long Beach warehouse, Shaw and McGregor are sent to investigate. But what they find waiting is far from routine, as the local police have already discovered to their cost. Before the night is out, our heroes will encounter terror beyond their most appalling nightmares - in a place where the night may never end at all.

A new kind of horror story for modern America, written by Garth Ennis (Preacher, The Boys, Crossed) and drawn by Goran Sudžuka (Y: The Last Man, Hellblazer)

Was Medusa a monster? Was Perseus a hero? André Breinbauer explores the famous mythological tale in his debut graphic novel, telling the story from two differing perspectives. Abused by a god and cursed by a goddess for her indiscretion, Medusa is subject to cruel circumstances. Perseus, still a child, is a plaything of the powerful. Featuring a unique storytelling device, Medusa + Perseus is read from both sides, offering parallel points-of-view before the characters' legendary clash when they meet in the middle. ALL THE PEOPLE I HAVE BEEN HC (MR) (C: 0-1-2)

(W/A/CA) Alfonso Casas

It's better to laugh in life. And, if possible, to laugh at yourself. In this new graphic novel, cartoonish Alfonso Casas reflects on the various phases of life, portrayed through beautiful illustrations created

to remind us of the power of our thoughts and the new worlds in which we constantly find ourselves. As in his previous title, *Monster Mind*, Casas focuses on the premise that all humans live their own lives, within their own minds, which deserve to be treated with grace as our homes among this crazy, big, diverse world. MONSTERMIND HC DEALING WITH ANXIETY & SELF-DOUBT

(W/A/CA) Alfonso Casas

Alfonso Casas's *MonsterMind* is a very personal account of the inner monsters that live inside his head.

But who doesn't have a monster inside them?

Who has never heard that voice inside their head undermining everything they do? You're not good enough...You just got really lucky...There are people far better and more qualified than you...

In a very honest exercise, Alfonso Casas identifies and introduces his own monsters to his readers: Mr. Past Traumas, Mr. Fear, Mr. Social Anxiety, Mr. Impostor Syndrome, Mr. Sadness, Mr. Doubt...the pessimistic, the insecure, the self-demanding, the monster that keeps you from sleeping while you think of what you could have said back in that conversation two years ago, or that keeps you looking over the punctuation of every text message to figure out the tone lurking beneath the surface. All those monsters make up the bestiary of contemporary society.

But the anxiety generation is expert in more things: in looking inside themselves and their lives, and--why not?--in laughing at their own neuroses as best they can. In the end, if the monsters won't leave us, we might as well get to know them and laugh at them!

Anxiety is another pandemic, but the monsters dwelling inside us are funny, too (especially as drawn by Alfonso Casas).

BONUS: Includes a discussion guide to help readers further discuss anxiety and find ways to deal with it. (STL189772) (JUL211191)

"My tale starts with a 'once upon a time.'" A long time ago, beings lived who could control the elements, immortality, and time. We called them gods and gave them our worship. They played with us like toys, took our lives and sabotaged our love. Now, the gods are myths. Stories in books-not to be confused with our modern world. I believed this until I found myself tumbling through a dream. This dream took me to another life. To a forgotten time in a bloody age. I dreamt of Hades's son and a lustful goddess. I dreamt of limitless power and revolving time. I dreamt a death and love that was mine... My name is Cara Wynter, and this is my story."

Cara Wynter is a literature student living with her twin sister, Lily, in Fairhaven, Washington. A daughter of witches, touch brings Cara only pain, and dark visions of pasts and futures she can rarely change. Already fighting to exist in her strange reality, she begins to crumble when the reoccurring dreams of her own death begin. In a desperate attempt to unlock the secrets in the violent images, she finds herself lost in a contest between love and the will of the ancient gods. With only forgotten memories and the pages of a book to guide her, she struggles to understand her past and break a deadly curse. Cara must face her worst fears, to save the soul of a god she has treasured for centuries, and a love she cannot live without.

JP ROTHS THEORY OF MAGIC TP

(W) J.P. Roth (A) Sabine Rich (CA) J. Scott Campbell

Fall into a world of fairytales that tests all the theories of magic...in JP Roth and Sabine Rich's Theory of Magic.

On the day the god Cronus was born, it is said, the earth quaked and screamed at its core. The cliffs bordering the sea crashed together, flames shot into the open sky. Each flame carried a Seelie fairy. In their blood flowed the magic of the old worlds and the fire of immortality. The Unseelie were formed in the ashes that fell to the ground, they carried no flame and could die. The ruling gods struck an accord with the Unseelie who protested their fate: Every hundred years, a Seelie fairy must be human for three days, in that time, the Unseelie could hunt their immortal flame, and gods would close their eyes,

A princess of firelight and next in line for the Seelie throne, Selyara is a girl who wants only freedom. Given no protection, she must face three days as a human, alone. Lavara sits on the Seelie throne as queen regent until Selyara has completed and survived her human trial. If Selyara dies, Lavara will take the throne.

JP Roth & Sabine Rich's Theory of Magic graphic novel holds seven chapters of full color story and art, drawn and colored by Sabine Rich, and includes a cover gallery as well as sketch and layout bonus pages, and a new cover by J Scott Campbell! (STL220959) (JUN221143)

KIDZ HC VOL 01 (MR)

(W) Aurelien Ducoudray (A/CA) Jocelyn Joret

These KIDZ are foul mouthed, raising hell and doing battle with the living dead!

It's been three months since a terrible epidemic turned the population into zombies hungry for fresh meat. Only after devouring almost all of humanity, the undead themselves begin to wither and fall from famine... Somewhere in a suburban town, Ben, 10 years old and still traumatized by the death of his parents, forms with his friends the last bastion of humanity. And between hunting zombie survivors, expeditions to amass food, toys and comics-all filmed by the aptly named Spielberg-life flows rather peacefully in their world.

Until something worse than a nuclear disaster or the 4 flashing red rings of death on an Xbox 360 hits their small community: two girls! Accustomed to chilling by the pool, eating chocolate bars and playing video games... how will the boys react to Polly's bizarre new customs and little sister Sue?

Aurélien Ducoudray and Jocelyn Joret bring you the zombie apocalypse from a kid's point-of-view in this pop culture mash up. KIDZ is Stranger Things meets Zombieland on a Gorillaz soundtrack!

An EPIC FANTASY ADVENTURE For ALL AGES!

It's been 10 years since the men of the village left to fight in The Great War. Ten years since they left the women, children, and the older generation for a conflict far away from home and that they knew almost nothing about, except that it was about the security of their nation, their valley, their families. Ten years have passed since anyone has had any news of the war...

But the women quickly took charge of village matters. This is how the Order of Shepherdess Warriors was formed, a group of female fighters chosen among the most courageous and acrimonious, to protect not only their flocks, but also the village!

Molly is happy because as soon as she turns 10, she can finally start training, and if she's good enough, she can join the order and work out why there are more and more ferocious wolves in the valley. This quest will take her far beyond the boundaries of the land she knows, into the sorcerers' forest and on the trail of her missing parents.

The Devil's Chair

There are many legends surrounding devil's chairs scattered across the United States, but none as chilling as the one that sits at the Cassadaga Cemetery in Florida. Whether it's stories of unopened

beers left overnight being drunk, still sealed. The whispers of the actual devil himself in the ears of all those who sit upon it. Or the most terrifying of all, one where a man who sat on the chair disappeared kicking and screaming as he was drug to hell.

But whatever tales you wish to believe to be true. One thing is for certain, the Devil's Chair in Cassadaga, Florida is not one to be taken lightly! (STL357542)

Big sister Kennedy and little sister Devon couldn't be more different. Their shared room has a clear divide down the middle. On one, musical theater-loving Kennedy keeps things tidy. On the other, heavy metal fan Devon looks like she lives in an exploded toy store. When baby sister Eve moves in, her contribution is crying. Constant. Ear-piercing. Crying. The added stress pushes the older girls to their breaking point, and they get into their biggest fight yet. In response, Mom and Dad crack down, seizing all beloved electronics until Kennedy and Devon can find a way to get along. Now stuck together with no distractions except Eve's screaming, the two land on a desperate solution: tell Eve a bedtime story so epic that it puts her to sleep and gets her big sisters out of trouble. Pizza aside, the only thing the girls have in common is their love of stories. But Kennedy's fairy tales make Devon want to barf, and Devon's nonsensical adventure stories make Kennedy want to tear her hair out. So they try to mash-up a story of true love, adventure, princesses, pirates, pirate-princesses, dragons, spiders, and... garbage trucks? Will their hilarious fairy tale remix solidify their sisterly bond or break it forever after? (STL355850) (C: 0-1-0)

Bheema was the strongman of the Pandavas in the Mahabharata. So was Hanuman the ape in the Ramayana. For both, the poets held that their powers were the gift of the wind-god, their parent. The two face each other in this story from the Mahabharata. During the Pandavas' exile in the forest, their wife Draupadi expresses her wish to have a particular flower. Bheema sets out for the mountain on which the flower blossoms. On the way he demonstrates his strength against an elephant. He is however unable to lift the tail of Hanuman who is lying on the way. An interesting encounter follows and in the end Bheema achieves his purpose. Both are known for their extraordinary strength and valour. Both are the sons of Vayu, the wind God. Hanuman lived in the Tretayug serving Sri Rama while Bheema, a contemporary of Krishna, lived in the Dwaparyug. The Mahabharata narrates the story of an encounter between the two mighty brothers. La Rosa Blanca is a myth. A mysterious hero of the people raising up in the old west to protect the innocent from the terrors of the night. Monsters, demons, the undead...even dragons. Whatever creature would prey upon the weak, she is there to protect the innocent. This is the story of the rise of a new La Rosa Blanca. A girl who because of terrifying

circumstances dons the mantle and becomes the next generation of heroes to wear the cape and wield the pistol. (STL358115)

(W) Marty Grosser, Matthew Plog (CA) Matthew Plog

Picking up roughly 100 years after Mary Shelley's legendary novel of science gone awry, the immortal monster created by Victor Frankenstein finds himself transported from the icy waters of the North to New York, circa 1888. Awakening in the hold of a steamship, the monster is attacked and loses his right arm at the elbow to a crewman's axe. The monster flees into the sprawling city, where chance—and dark magicks—will ultimately give the monster the upper hand: A magical arm that will fight him at every turn and drag him across America on a wild and weird journey filled with action, drama, humor, and horror! And 3,000 miles away, in the Golden State, the arm's masters call its owner home, unaware of the change in ownership that has occurred. ALAN MOORE LIGHT OF THY COUNTENANCE GN (MR)

(W) Alan Moore (A) Antony Johnston, Felipe Massafera (CA) Felipe Massafera

Alan Moore, master and magician of storytelling, tears back the veil of one of the most arcane of enchantments — The Magic of Television. Part grimoire, part grim invocation of things that are all too ordinary, this beautiful 48-page novella is stunningly painted by Felipe Massafera. Maureen Cooper is not real. She is an apparition summoned to screens, into homes, into the hearts and mind of the viewing audience by Carol Livesly. But Carol Livesly is not the god that creates the illusions that capture the mind and bind the soul. She is only a servant of a higher power. A higher, hungry power, as old as the world and eternally new. As, perhaps, are we all... LIGHT OF THY COUNTENANCE, an original and breathtaking story by Alan Moore, has been adapted to graphic novella format by Antony Johnston preserving every word, and each page has been painstakingly painted by Felipe Massafera to create this comics masterpiece. Available in a standard Softcover and a limited edition Hardcover, of just 2000 copies, both with covers by Massafera. (STK384494) (NOV083804)

WARREN ELLIS FRANKENSTEINS WOMB GN (MR)

(W) Warren Ellis (A) Marek Oleksicki (CA) Felipe Massafera

The newest addition to Warren Ellis' Apparat line of original graphic novels has arrived! 1816 was called "The Year Without A Summer." In the weird darkness of that July's volcanic winter, Mary Wollstonecraft Godwin began writing Frankenstein on the shore of Lake Geneva in Switzerland. But that is not where Frankenstein began. It began months earlier when, en route through Germany to Switzerland, Mary, her future husband Percy Shelley, and her stepsister Clair Clairmont approached a strange castle. Castle Frankenstein, some one hundred years earlier, had been home to Johann Conrad Dippel, whose experiments included the independent invention of nitroglycerin, a distillation of the elixir of life - and the transfer of a live soul into an awful accretion of human body parts. Mary never spoke of having entered the real Castle Frankenstein, stark on its hilltop south of Darmstadt. But she did. And she was never the same again - because something was haunting that tower, and Mary met it there! Fear, death and alchemy - the modern age is created here, in lost moments in a ruined castle on a day never recorded. Following up the huge successes of Crecy and Aetheric Mechanics, Ellis turns his spark of mad genius to bring us a fantastical tale in this all new original graphic novel illustrated in atmospheric perfection by newcomer Marek Oleksicki. Also available in a Direct Market exclusive Hardcover edition limited to just 1,000 copies. (STK381710) (APR090689)

DO ANYTHING VOL 01 (MR)

(W) Warren Ellis (A/CA) Jacen Burrows

From Warren Ellis, the award-winning author, comics creator and popular columnist (and who is currently writing the screenplay for the film adaptation of the comics series GRAVEL, also published by Avatar Press), comes a collection of the most mind-bending columns you've ever read: DO ANYTHING. DO ANYTHING VOLUME ONE: JACK KIRBY RIPPED MY FLESH collects the first 26 chapters of Ellis' text masterpiece and is a grand tour through comics & culture as seen through a burgled robot head. The robot head of Jack Kirby lives on Warren Ellis' desk. It knows everything and is connected to everything. You must obey the robot head of Jack Kirby. There are many ways to look at comics. In this book, we see the medium through the hazy android eyes of Jack Kirby (actually the stolen and repurposed head of the missing Philip K Dick robot, which Mr. Ellis confesses to swiping

off the back of a plane), taking a rattling ghost-train ride through the history of comics. David Bowie, the CIA, mad architects, Will Eisner, Frank Zappa, Tintin, the designer of Skylab, a train station in Paris, Arthur C. Clarke, the circus, the Black Panther Party and William S. Burroughs: all of these things are connected by Jack Kirby, all part of the secret history of comics, and all illustrating the special nature of the medium as the place where you can do anything. The continuing DO ANYTHING column, from which this book is derived, can be found every Tuesday at <http://www.bleedingcool.com>. (STK411986) (FEB100700)

PAVILS MASK HC (C: 0-1-1)

(W/A) Jeremy Perrodeau

When a mysterious aircraft crashes on the windswept archipelago of Lapyoza, its lone survivor—Pavil—utters only two words: "Crystal! Empire!" Is Pavil merely the scribe he claims to be, or something more sinister? Despite their suspicions, the people of Lapyoza cannot deny him hospitality. He will stay as their guest, but he must contribute to the community before he can return to the Empire. Thus, Pavil finds himself immersed in the life of Lapyoza, a remote village battered by relentless winds on an isolated archipelago. Far from the bustling imperial cities, Pavil observes the simple yet mysterious rituals of the villagers—changing the face of a massive totem, collecting peculiar artifacts, melting them down, and renewing them in a never-ending cycle. Pavil edges closer to the truth behind the sacred masks and the unseen entity, Hodä, revered by all but known to none. (STL353165) (C: 0-1-1)

JMB THE UNSEEN ART OF JOHN M BURNS HC (C: 0-1-2)

John M. Burns was one of Britain's, if not the world's, finest continuity artists. In a career spanning over 60 years, he produced vast amounts of work for numerous British weeklies including TV Express, The Hotspur, Boys' World, Diana, Wham!, Lady Penelope, TV Action, Look-in, 2000AD and Judge Dredd Magazine as well as working for publishers in Europe and the USA. Although always in demand, John found time between his numerous long term work commitments to help John Dakin in his quest to revive the British newspaper comic strip. Unfortunately this revitalisation never happened, but over a 15 year period, both Johns created characters, strips and full color pages that, until now have barely been seen by the public. Reproducing 40 color pages, including all 25 pages of their unfinished epic, A Surfeit of Assassins, numerous strips, sketches and roughs, this book truly reveals the unseen art of John M. Burns. Limited edition of 500 copies. (STL356884) (C: 0-1-2)

The saga continues in *Terry and the Pirates Volume 10*, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

Terry must solve the riddle, "Who? Who is Madame Shoo-Shoo?" It's an answer that places him in the clutches of Singh-Singh; his wife, Cheery Blaze; and the Nazi major with whom they do business! Meanwhile, Burma and teenaged orphan Willow Belinda connect with Terry just in time to meet the nosy war correspondent, Dunkan, and the noisy new flyboy, Hotshot Charlie! But the hearts that beat fastest belong to daredevil pilot "Snake" Tumblin and "Big" Jane Allen of the Women's Army Corps...

This tabloid-sized Volume 10 containing the 1944 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up. (STL356104) (C: 0-1-2)

(W/A/CA) Rachel Ang

A coworker-turned-prospective-lover confesses a hard-to-swallow fetish. A train ride fantastically goes off the rails as old habits get dragged across the tracks. Cousins revisit summer holiday bliss—or was it really horror? Exes fumble an attempt to reconnect over a dip in the pool on a squelching summer day. And an expectant mother slips into an unusual place as she embarks on a communion with her baby more pure than language can accommodate. *I Ate the Whole World to Find You* maps the topography of trauma, treasures, and loss imposed onto the body of Jenny, a twenty-something-going-on-thirty-something partial hot mess who's routing her way more firmly into adulthood. As she navigates friendship, family, and romantic relationships, will her inability to communicate destroy her, or ultimately be her rebirth? (STL356413) (C: 0-1-2)

MUYBRIDGE HC (MR) (C: 0-1-2)

(W/A/CA) Guy Delisle

Sacramento, California, 1870. Pioneer photographer Eadweard Muybridge becomes entangled in railroad robber baron Leland Stanford's delusions of grandeur. Tasked with proving Stanford's belief that a horse's hooves do not touch the ground while galloping at full speed, Muybridge gets to work with his camera. In doing so, he inadvertently creates one of the single most important technological advancements of our age—the invention of time-lapse photography and the mechanical ability to capture motion. Critically-acclaimed cartoonist Guy Delisle (Pyongyang) returns with another engrossing foray into nonfiction: a biography about Eadweard Muybridge, the man who made

pictures move. Translated from the French by Helge Dascher & Rob Aspinall, Muybridge turns a spotlight on what lives in the shadow of an individual's ambition for greatness, and proves that Eadweard Muybridge deserves to be far more than just another historical footnote. (STL356420) (C: 0-1-2)

(W/A/CA) Lawrence Lindell

After a rocky attempt at living in London with his partner, Lawrence finds himself single, broke, and back at home in Compton with his mom and great-aunt, moping from bed to kitchen table and back to bed again, with long layovers on the front porch to sit and watch the world pass him by. Everything had been so good—a degree, an animation internship, paid music gigs, the perfect girl. How the heck did Lawrence get knocked so far down, with such little semblance of his former life remaining to hold him together? Lawrence Lindell's heartbreaking—and heartwarming—*We All Got Something* recounts a tragic and random act of violence, the PTSD that follows, lost love, and coming to terms with the underlying mental health crises sabotaging it all. A testament to the healing power of art and the vital role community plays in the process, Lindell's graphic memoir is deeply personal and specific, but also relatable—because we all got something. O/A PROCESSING 100 COMICS THAT GOT ME THROUGH IT GN (MR)

(W/A/CA) Tara Booth

Part advice column and exhibit, exploration of psychic pollution and tranquility, *Processing* is—quite simply—intrepid: in its honesty; its unapologetic grossness; its unrivaled and frank portrayal of life with a body that bleeds. In the grand tradition of underground women cartoonists like Julie Doucet and Aline Kominsky-Crumb, Booth draws a horned up woman laying rose petals on the bed, to distract from the bedbugs before her hookup arrives. She bears witness to the reality of wearing a t-shirt with no bra—when you stretch, your boobs, sometimes, pop right out. This is all just life but we don't often see it on the page. With color that vibrates and fluids that impose, *Processing* lays Booth bare—literally and figuratively. (STL325574)

O/A SECOND HAND LOVE GN (MR) (C: 0-1-2)

(W/A/CA) Yamada Murasaki

Drawn soon after the critically-acclaimed *Talk to My Back*, the two stories in *Second Hand Love* mark the triumphant return of Yamada Murasaki, one of literary manga's most respected feminist voices. Through a cracked door, heartsick Emi hears a playful growl. Cautiously, she lets her lover in—a wolf of a man wielding a bouquet of roses. His shoulders must have been four inches wider than mine. As I stood behind him, I fantasized about the broadness of his chest and the thickness of his neck... and about becoming his mistress once again. (STL313719) (C: 0-1-2)

SUPERMUTANT MAGIC ACADEMY GN

(W/A/CA) Jillian Tamaki

Jillian Tamaki is best known for co-creating the award-winning young adult graphic novels *Skim* and *This One Summer*, moody and atmospheric bestsellers. *SuperMutant Magic Academy*, which Jillian has been serializing online for the past four years, deftly plays superhero and high school Hollywood tropes against what adolescence is really like: the *SuperMutant Magic Academy* is a prep-school for mutants and witches but their paranormal abilities take a back seat to everyday teen concerns. WOMAN WORLD GN (MR)

(W/A/CA) Aminder Dhaliwal

When a birth defect wipes out the planet's entire population of men, *Woman World* rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. *Woman World* is an uproarious and insightful graphic novel from a talented and funny new voice. SEARCH AND DESTROY TP VOL 02 (C: 0-1-2)

(W/A/CA) Atsushi Kaneko

The second volume in manga creator Atsushi Kaneko's cyberpunk retelling of the timeless, Eisner Award-winning Dororo by "God of Manga" Osamu Tezuka.

Hyaku has been betrayed. A fearsome killer, her body more machine than flesh, she has learned the truth: Her human body parts were bartered away when she was a baby, and what remained was left for dead. Filled with incandescent rage, Hyaku embarks on a vengeful rampage to dismantle the monsters who took her apart and violently reclaim what she has lost. But as she replaces her cybernetic implants with the flesh and blood she has been denied, a new emotion sets in: fear. Fear that her human body will be too weak to finish what she started - and fear of what she might learn next about her own past. Will her anger and ruthlessness be enough to propel her to the final showdown? Or will revelations about the depravity of her world consume her, along with everyone around her?

Originally serialized from 2019-2021 in the Japanese manga monthly TezuComi, Search and Destroy is a brilliantly-crafted thriller about an outsider looking for meaning and vengeance in the unjust world that took everything away from her. In a stunning, high-contrast setting that blends the post-Cold War former Soviet Bloc with a gritty futuristic Tokyo, Kaneko populates his story with an unforgettable cast of scrappy heroes and skin-crawling machine-monsters on a nonstop ride full of action and suspense. The result is not only one of the best sci-fi manga of recent years but also one of the most visually rich and distinctive works of graphic storytelling in any genre or language.

Please note: This book is a traditional work of manga and reads back to front and right to left.

SEARCH AND DESTROY TP VOL 01 (C: 0-1-2)

(W) Atsushi Kaneko, Osamu Tezuka

From the cinematic mind of Atsushi Kaneko (Bambi and Her Pink Gun) comes a contemporary reimagining of the timeless, Eisner Award-winning Dororo, by "God of Manga" Osamu Tezuka (Buddha, Astro Boy).

This is a tale of rage. Rage against hypocrisy, injustice, exploitation, and

the wrongs done to a child who grew into a righteous killer.... Complete in three volumes, Search and Destroy transplants the vengeful action of Dororo from feudal Japan into a dystopian future where mercenary robots known as "creatures" serve the human elite and victimize the city's scabbling, desperate masses. The violent death of one of these creatures connects an orphaned thief named Doro with a mysterious girl in a stinking animal hide that conceals deadly cybernetic implants. Who is this mysterious girl? How is she killing, one by one, the city's most twisted and powerful creatures? Originally serialized from 2019-2021 in the Japanese manga monthly TezuComi, Search and Destroy is a brilliantly-crafted thriller about an outsider looking for meaning and vengeance in the unjust world that took everything away from her. Kaneko populates a stunning, high-contrast setting that echoes postwar Cuba as much as Tokyo with an unforgettable cast of scrappy heroes and skin-crawling monsters on a nonstop ride full of action and suspense. This authorized retelling updates the rebellious '60s spirit of the original Dororo for the equally tumultuous 2020s, mixing Tezuka's signature dark yet playful storytelling sense with Kaneko's own wide range of influences, which include Western cartoonists like Daniel Clowes and Charles Burns as well as filmmakers like David Lynch. The result is not only one of the best sci-fi manga of recent years, but also one of the most visually rich and distinctive works of graphic storytelling in any genre or language. Atsushi Kaneko is a Japanese manga artist from Sakata, Yamagata Prefecture. His two books, Bambi and Her Pink Gun and Soil, have both been published in France. Bambi has also been published in English and Soil has been adapted into a television drama series. Osamu Tezuka (1928-1989) was a Japanese manga artist, cartoonist, and animator. His prolific output, pioneering techniques, and innovations in genre storytelling earned him such titles as "the Father of Manga," "the Godfather of Manga," and "the God of Manga." BABY BLUE TP (C: 0-1-2)

(W/A/CA) Bim Ericksson

This haunting dystopian thriller graphic novel explores themes of mental health, queer identity, and the dangers of unchecked fascism.

In the not-so-distant future, twenty-something Betty lives in a fascistic society that menacingly polices mental health. When she is caught crying in public, the Peacekeepers take her to an Orwellian health facility to control her emotions. There, she meets the defiant Berina, who opens her eyes to an alternative reality: the Resistance. If Betty can navigate a rollicking underworld, where all manner of queerness is celebrated, she just might have a chance to strike back against the regime.

Deliciously twisted, fiercely contemporary, and backed by a Swedish pop soundtrack, Baby Blue is the dynamic graphic novel debut of comics artist Bim Eriksson. A vital manifesto about the need to express your unique identity in a chillingly conformist world. (STL343264) (C: 0-1-2)

SEASON OF THE ROSES HC (C: 0-1-2)

(W/A) Chloe Wary

Dazzling to the eye, Season of the Roses is at once a deeply felt coming-of-age story and an inspirational rallying cry for young women living in a "man's world".

Barbara has big goals. As the fiery captain of her U19 soccer team, the Rosigny Roses, she's determined to win a championship before graduating high school and leaving the grungy Parisian suburbs in the dust. So when her club threatens to divert their funding to the men's team and forfeit their season, she's devastated. Banding together, the Roses come up with a longshot plan - battle the men's team in a winner-takes-all match. Do Barbara and the Roses have what it takes to save their season?

Inspired by the author's experiences, Season of the Roses is an authentic portrayal of a teenager at a crossroads. Her dazzling illustrations, drawn in colorful felt-tip pens, encompass the thrills of playing soccer as well as the angst of navigating life off the field. In Season of the Roses, soccer isn't just a game - it's all about self-discovery, making bold choices, and standing up to sexism and injustice. (STL343276) (C: 0-1-2)

TEDWARD HC (C: 0-1-2)

(W/A/CA) Josh Pettinger

Meet Tedward - a blockhead with a heart of gold, and a talent for making bad situations worse.

Tedward is, in many ways, the quintessential 'lovable loser' - an almost literal blockhead and mangenue in the grand tradition of Pee-Wee Herman, Candide, and Flakey Foont, affording his creator the perfect vehicle to indulge his brilliantly absurdist storytelling instincts. Tedward's susceptibility to temptation, exploitation (capitalistic or sexual), and misplaced trust continually lands him in ridiculous and hilarious situations, be they scatological, orgiastic, violent, or mundane. Through it all, his heart of gold never wavers.

Tedward is the debut collection from British-born Philadelphia cartoonist Josh Pettinger. Featuring sex trousers, coital hygienists, warm televisions, hot rocks, and clown meat, as well as romance, crime, conflict, and cosmic wonders! A spiritual cousin to the humor of Simon Hanselmann and Daniel Clowes, Pettinger's singularity of tone and style in these episodic comedies mark him as a master cartoonist just entering his prime. Justin Gradin's sophomore graphic novel (after 2023's *Mystic Debris*) combines keen verbal and visual wit with a host of memorable characters - Mandrake the Soda Jerk, private investigator Butterfly Latté, pop superstar Atilla the Hunny, and many more-to create an anarchic, absurdist comedy about lonely souls and the lonely soulless. Pure comics, Gradin's work has echoes of Gary Panter, Gary Leib, Marc Bell, and Mark Beyer (and even some other cartoonists who may or may not be named Gary or Mark) while remaining a singular, sui generis voice in contemporary comics.

SUPER VISIBLE STORY OF WOMEN OF MARVEL HC (C: 1-1-0)

(W) Margaret Stohl & Various

What does a hero's journey look like when the hero in question happens to be a girl? Marvel creator Margaret Stohl along with Judith Stephens, producer and cocreator of the Women of Marvel podcast, interviewed more than 120 women and nonbinary Marvel contributors in search of the answer to that question. With one shared goal—to make the historically invisible work of women visible—and with unprecedented access to Marvel creators, writers, actors, and more, Stohl and Stephens set out to tell the story of the women of the "House of Ideas" from 1939 through today, and along the way, to find the meaning of their own Marvel stories. In the not-too-distant future, most of humanity resides on its last-ditch effort at utopia: Meridian, a remote alien planet where you're more likely to be born superhuman than left-handed. None of that is important to Oberon Afolayan. Since his mildly public breakdown, his whole life seems to be spiraling out of control—from dropping out of university to breaking up with his boyfriend, it seems like only a karmic inevitability when he wakes up one day with the ability to conjure his dreams in the real world. Oberon's newfound powers come with a facsimile of his high school crush, Kon, who mysteriously dropped off the face of the planet almost three years ago, and who is a little more

infuriating (if not also infuriatingly hot) than Oberon remembers. Oberon might have more on his plate than he originally thought, but is giving up his dreams—even the one he might have accidentally fallen in love with—the only way to find happiness in reality? (STL355607) (C: 0-1-0)

ART OF GEORGE WILSON HC (C: 0-1-2)

(W) Anthony Taylor (A/CA) George Wilson

What made many of the great adventure comics of the 1960s so attractive were their fantastic painted covers by artist George Wilson. Wilson also turned in hundreds of painted covers for paperback books that range from *The Phantom* and *Flash Gordon* to romance, adventure and war titles, all illustrated in the extensive survey of his work. Unlike the majority of comic book covers of the era, Wilson's covers harkened back to the era of pulp magazines and were spectacularly eye-catching. He turned in efforts for literally hundreds of comics titles - this important monograph on the artist provides examples of every genre he worked in. Presented are cover paintings scanned from the original artwork from *Classics Illustrated*, *The Twilight Zone*, *Ripley's Believe It or Not*, *Doctor Solar*, *Magnus Robot Fighter*, *Turok*, *Son of Stone*, *Star Trek*, *Korak*, *Son of Tarzan*, *Mighty Samson*, *Brothers of the Spear*, *Boris Karloff Tales of Mystery*, *Space Family Robinson*, *Dark Shadows*, and *The Occult Files of Doctor Spektre* to name but a few.

This new art book focuses on over 200 examples of his cover art accompanied by an introduction by famed artist Joe Jusko, an exhaustive essay by Anthony Taylor and the only interview Wilson ever

gave. This is the ultimate, definitive art book about one of the most important cover artists of the Silver and Bronze ages. (STL281227) (C: 0-1-2)

BABES IN ARMS WOMEN IN COMICS DURING 2ND WORLD WAR

(W) Trina Robbins (A) Barbara Hall & Various

During the Golden Age of comics publishers offered titles supporting the war effort presenting fighting men and their feminine counterparts, babes in arms! Comic books during this period featured US service women fighting the Axis and gave noteworthy women artists of the era opportunities to create action-packed, adventure filled four color stories. O/A GLADYS PARKER LIFE IN COMICS PASSION FOR FASHION HC

(W) Trina Robbins (A) Gladys Parker

Cartoonist Gladys Parker was unique in comics. Parker mixed fashion and comics and created classic characters that mimicked her sense of fashion. In fact, Parker was an exact double for her ink-and-paper creation, Mopsy. Only Gladys Parker was a fashion designer with a successful line of clothing while at the same time drawing an equally successful comic strip. Parker's dresses bearing the Gladys Parker label were sold at her own New York shop and at high-end department stores across the country. Who better to chronicle the story of Gladys Parker than comics herstorian Trina Robbins, who in the 1960s designed clothes for hippies and rock stars out of her East Village boutique, while drawing underground comix? O/A BETRAYAL OF THE MIND THE SURREAL LIFE OF UNICA ZURN GN (MR)

ZÛRN, UNICA [zyrn ynika]. f. n. - b. 1916; in Berlin-Grunewald - 1. Born to a middleclass family, a young woman in Hitler's Germany. 2. Worked at Universum Film AG as a creator and screenwriter of commercial. - 3. Artist who belong to the Surrealist movement; was Hans Bellmer's partner. - 4. Schizophrenic. 5. Crazy woman. -Antonym. Body, organism.

A childhood devastated by rape, the absence of an idealized father, a strict moral mother, and a passion for art shaped Unica Zürn. One of the only prominent female figures of the Surrealist movement, Zürn was tormented by inner demons that she shared through her automatic drawings and anagram poems. She longed for and rejected intimacy at once, seeking her so-called Man of Jasmine, an idealized male figure, throughout her life while living as the partner of Hans Bellmer, noted artist and photographer. As her schizophrenia began to overtake her, she longed to make the woman she once was disappear into the nameless pronoun She. In they eyes of Unica Zürn, madness is the only way to be in the world. Mermaids, it turns out, eat people, but however terrifying Skylla may look, she's a little younger, a little smaller, and perhaps a little too soft for all that. RENEGADE GIRLS QUEER TALE ROMANCE & RABLE ROUSING GN (C: 0-1

(W) Nora Neus (A) Julie Robine

Seventeen-year-old Helena "Nell" Cusack came to New York this summer looking for a story, a real story. She dreams of one day writing hard-hitting articles for the New York Chronicle, but so far she's only managed to land a job as a lowly society reporter. That is, until Alice Austen strolls into her life, an audacious street photographer who encourages Nell to shake up polite society... and maybe also take a chance on love. When her best friend, Lucia, is injured while working in a garment factory,

Nell is determined to crack the story wide open. Posing as a seamstress, she reports on the conditions from the inside, making a name for herself as the Chronicle's first ever stunt girl. But as Nell's reporting gains momentum, so do the objections of those who oppose her. Will Nell continue to seek justice—even if it hurts her in the end? Based on real-life stunt girl Nell Nelson and photographer Alice Austen, this tenderly drawn narrative is about bringing buried stories to light and the bravery of first love. (STL355201) (C: 0-1-1)

Here is the can't-miss overview of the punk rock scene from its early inception in the seventies in New York and the UK. Includes chapters on The Ramones, The Sex Pistols, and more. Punk was also the flex point for women in rock like Siouxsie and the Banshees, Blondie, The Runaways, Patti Smith and The Slits that paved the way for the Riot Grrrl movement. Flashing the finger against the slick corporate rock of the '70s, punk was faster, messier, and louder than anything before it. LOVE ME PLEASE STORY OF JANIS JOPLIN HC

(W) Nicolas Finet (A) Christopher

How did a very young messed up woman, a drug addict filled with doubt, become in a few years a planetary icon of rock music? Janis Joplin went from the shadows to the blinding light of fame in only four records (the last one issued a month and a half after her tragic death). Thanks to a worldwide movement of emancipation which would consecrate for a long time the ideals and modes of

alternative lifestyles from counterculture to the flower power generation, Janis, the ugly duckling, gave free rein to her impulses. Joplin left for San Francisco, the epicenter of cultural innovation, where she lived a freedom of which she would hardly have dared to dream, abandoning herself to all impulses, overcoming without hesitation all the taboos of the time: bisexuality, alcohol, drugs, doing so not only with delight, but with the taste for excess which came naturally from her spontaneous character. NACELLEVERSE TP VOL 01 BIKER MICE FROM MARS & ROBOFORCE (C:

(W) Melissa Flores (A) Rahmat Handoka & Various (CA) Dustin Weaver

In partnership with the Nacelle Company, Oni Press is proud to present a comics milestone three decades in the making as a new universe of toy and animation icons rockets into action from blockbuster writer Melissa Flores (Power Rangers, The Dead Lucky) and artistic powerhouses Rahmat Handoko (Guardians of the Galaxy), Rhoald Marcellius (All-New Inhumans), Francis Portela (Green Lantern, Faith) and more!

The beginnings of comics' newest shared universe kicks off in this exciting volume that will redefine what it means to be a hero. Enter: the Nacelleverse! After the cataclysmic destruction of his homeworld, the diminutive alien Garloo must seek out a new planet to call home. With the help of the alien smuggler, Lepaa, Garloo's travels will bring him into contact with the mysterious Power Lords and the alien Sectaurs before his journey ultimately brings him to 22nd century Earth—home of RoboForce, an obsolete robotic wrecking crew who seek to forge a new destiny for themselves. But when an important cybernetic chip is stolen from RoboForce's inventor by futuristic tech-pirates, it's up to Maxx '89 and his teammates to retrieve the item. But will their mission end in triumph, tragedy . . . or both?

Meanwhile, a planet away, on Mars, best friends Throttle, Vinnie, and Modo aka the Biker Mice From Mars, find their way of life—and the safety of their loved ones—threatened when the alien, fishlike Plutarkians invade their beloved homeworld and begin stripmining it of its precious resources. Are our intrepid heroes ready to fight for their right to freedom? It's the age-old tale of buddies, bikes, brotherhood, and lots of stuff blowing up (with a bit of romance) when "Mars War" erupts!

(W/A/CA) Anabel Colazo

From Spanish cartoonist Anabel Colazo (*No Mires Atrás, Encuentros Cercanos*) comes *Espada*, a tale of a young princess and her quest to carve out her own destiny amid a lineage of power.

There was a time when everyone had access to magic, until a dispute for power attracted a demon from another world who destroyed everything . . . or so legend has it. However, there is another very different apocryphal version, according to which a hero, carrying a sword, came to the Kingdom to guide and protect its people. But who was that hero, and what became of him? Why is the queen now the only person capable of using magic? Attracted by all these enigmas of the past, Ania, princess of the Kingdom and heir to the throne by imposition, will try to find out the truth of these magical fables—now that she has just found a mysterious sword. TONGUES HC VOL 01 (C: 0-1-2)

(W) Anders Nilsen

Set in a version of modern Central Asia, Tongues is a retelling of the Greek myth of Prometheus. It follows the captive god's friendship with the eagle who carries out his daily sentence of torture and chronicles his pursuit of revenge on the god that has imprisoned him. Prometheus's story is entwined with that of an East African orphan on an errand of murder, and a young man with a teddy bear strapped to his back, wandering aimlessly into catastrophe (a character readers may recognize from Nilsen's Dogs and Water). The story is set against the backdrop of tensions between rival groups in an oil-rich wilderness. Tongues is both an adventure story and a meditation on human nature in our present fraught, historical moment. (STL356434) (C: 0-1-2)

O/A AMERICAN COMIC BOOK CHRONICLES HC 1945-1949

(W/A) Various

The American Comic Book Chronicles 1945-49 volume covers the comic book industry during the aftermath of World War II, when scores of writers and artists returned from foreign battlefields to resume their careers. It was a period when readers began turning away from the escapist entertainment offered by super-heroes in favor of other genres, like the grittier, more brutal crime comics. It was a time when Joe Simon and Jack Kirby created Young Romance, inaugurating a golden age of romance comics. And it was during this five-year period that Timely and National Comics capitalized on the popularity of Westerns, that Bill Gaines plotted a new course for EC Comics in the wake of his father's death, and that Jerry Siegel and Joe Shuster first sued for the rights to Superman. Experience the magic of Oz as you've never seen it before with this graphic novel adaptation of Gregory Maguire's masterpiece *Wicked*, the first in a two-part series featuring gorgeous full-color illustrations by Scott Hampton. Like Dorothy when she crash-landed all those years ago, prepare to be swept into a new and colorful world. Elphaba was born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. (STL355602) (C: 0-1-1)

Fiery hate, long thought dead, comes alive within him once more. Determined to see a fallen Eunsung with his own eyes, Soohyun reinvents himself as a reporter and begins dishing out one dirty article after another. DCC RPG ANNUAL HC (C: 0-1-2)

(W) Goodman Games Staff (A) Doug Kovacs

The DCC RPG Annual was originally conceived as an annual publication that would exist in some form to showcase the brilliance of the DCC RPG community. This would be the DCC RPG Annual, published each year to distribute these gaming creations. The best of things happened: the DCC RPG Annual was never needed. The DCC community burst forth a verdant jungle of inspiration, with ripe fruit on every limb. Blogs and personal posts; zines; community publications; the Gongfarmer's Almanac; officially licensed third-party works: there is a vast supply of inspiration from whence the DCC judge can draw and iterate. Still, we had a wealth of material that needed a home, so The DCC RPG Annual became a reality! (STL345026) (C: 0-1-2)

The best of things happened: the DCC RPG Annual was never needed. The DCC community burst forth a verdant jungle of inspiration, with ripe fruit on every limb. Here's what you'll find in this hardcover volume:

- * New Magic
- * New Quests and Journeys. Explore the lost continent of Mu!
- * New Judge's Rules
- * New Magic Items

* New Monsters

* And Moustaches. Yes, you read that right — there are rules for moustaches in this book. You know you need it.
