GARGOYLES DEMONA #1 CVR A HETRICK (C: 1-0-0)

(W) Greg Weisman (A) Frank Paur (CA) Meghan Hetrick

A THOUSAND YEARS OF ADVENTURE BEGINS HERE!

After kicking off with a special prologue story in Dynamite Entertainment's Free Comic Book Day issue #0, the long-awaited tale of Goliath's former love and sworn enemy of the Manhattan Clan gets underway in earnest with a return to the Dark Ages and the aftermath of the destruction of Castle Wyvern!

The year is 1093, and the now-immortal Demona has become a lonely and hunted creature. Bereft of both clan and home after her betrayal of Scotland's king, she wanders south to Northumberland in search of a safe haven — only to find that her old nemesis, Canmore, is raiding the city.

Canmore's destruction is visited upon human and Gargoyle alike, and when she discovers the depths of his cruelty and the fate of her kind at his hands, Demona's fury sets in motion a cycle of vengeance that will last for centuries — and may yet consume the entire world!

Written by Gargoyles creator GREG WEISMAN and illustrated by acclaimed artist — and veteran of the original animated series — FRANK PAUR, this first chapter of the brand-new, centuries-spanning saga Gargoyles: Demona features cover art for the ages from PAUR, MEGHAN HETRICK, MARK SPEARS, and JAE LEE & JUNE CHUNG! (STL366844) (C: 1-0-0) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK & Ireland.

HAIL TO THE PAST, PRESENT, AND FUTURE KINGS, BABY!

The stakes are raised to apocalyptic levels in this second collection of the phantasmagorical new adventures of Ashley J. Williams! Trapped across three different timelines, the indefatigable Ash leads a rag-tag team of... well, himself (plus Sheila, the Wiseman, and something called the Necronomicon Baby) on a desperate, hail-Mary attempt to destroy the Deadites, defeat multiple Necronomicons, and maybe — just maybe — save the world!

Fulfilling the ancient prophecies foretold in its namesake film, *Army of Darkness Forever Vol. 2* collects issues #7-13 of the hair-raising series from writer TONY FLEECES and artist POP MHAN, and includes a complete cover gallery featuring unforgettable imagery from FLEECES, BJORN BARENDS, ARTHUR SUYDAM, and CHRIS BURNHAM! RED SONJA DEATH AND THE DEVIL TP VOL 01 (C: 0-1-2)

(W) Luke Lieberman (A) Alberto Locatelli (CA) Joseph Michael Linsner

NO GOOD DEED GOES UNPUNISHED!

After the She-Devil with a Sword killed the Sultan of Turan, his kingdom dissolved into a bloody chaos of serpent cults and would-be warlords. With Turan's collapse into anarchy weighing on her conscience, Sonja returns to save the Sultan's true heir and bring peace to the land — at least, that's the plan.

But she is not the only one hunting the boy. An undead assassin called Bloodless is stalking her every step, and he intends to force Red Sonja to face her inner demons — whether she likes it or not!

Written by veteran Sonja scribe LUKE LIEBERMAN and atmospherically illustrated by ALBERTO LOCATELLI, *Red Sonja: Death and the Devil* collects all four issues of the original series and includes a comprehensive cover gallery featuring a treasure trove of Hyborian Age art from JOSEPH MICHAEL LINSNER, CELINA, MORITAT, and more! SILVERHAWKS #5 CVR A SPEARS

(W) Ed Brisson (A) George Kambadais (CA) Mark Spears

A BAPTISM OF FIRE!

The first arc of the SilverHawks' all-new adventures closes out with a special flashback tale of the elite law enforcers' earliest days. Nearly 100 years ago, Mon*Star and his gangster crew held Bedlama in an iron grip of terror — until Commander Stargazer and his untested team went head-to-head to take them down. When the dust cleared, Stargazer had his man — but the price of victory was higher than he ever imagined!

Future historians ED BRISSON and GEORGE KAMBADAIS bring readers back to where it all began in SilverHawks #5 — supported by documentary evidence from MARK SPEARS, JAE LEE & JUNE CHUNG, JAMES STOKOE, GERALDO BORGES, DREW MOSS, LESLEY "LEIRIX" LI, MANIX, and DAVID COUSENS! SWEETIE CANDY VIGILANTE TP VOL 02 (MR) (C: 0-1-2)

(W) Suzanne Cafiero (A) Thiago Vale (CA) Ivan Tao

SWEETIE & HER CANDY VIGILANTES ARE BACK — TO SATISFY YOUR SWEET TOOTH WITH CANDY-COATED CARNAGE!

Riding in hot on the heels of Volume 1's cliffhanger ending, the eagerly anticipated return of Blood! Guts! and a Sugar Rush is here!

Sweetie and her Candy Vigilante squad are back with Volume 2 of their SWEET new series, opening with an epic, not-to-be-missed "Sugartown Showdown!" Together with her shape-shifting, licorice-loving lycanthrope Candy Wolf and newly "minted" ninjette warrior Pixie Stix, Sweetie faces off with a violently delicious fury against her "salty" arch-nemesis Bart Volgare and his gang of thugs in the icy, snowy streets of New York City, where blood is spilled and an army of fabled supernaturals and sugar-fueled allies hop into action to scramble "bad eggs!"

Sweetie's signature Jawbreaker gun resurfaces, and armed with delicious new ammo she unleashes an arsenal of surreal and sweetly sinister confections that wash away the naughty and leave a wicked smile on your face — literally!

Witness thugs iced by magic snowball flex and grisly fatalities caused by exploding Easter egg grenades, jellybean munitions, and gingerbread jawbreakers. Plus, the creation of Sweetie's frosted whipped cream confection called "SweetStuff" — for those pure of heart, it's one of the most delectable concoctions you'll ever taste. To the inherently bad, however, SweetStuff doesn't taste very SWEET at all — in fact, it melts away your... everything! It liquefies matter into a frosty, glittery goo right down to the bone!

The band is definitely back together, as squad members and enforcers Gummee Bear and Tinsel (a living Christmas Tree) return along with witch-hunting assassins Hansel and Gretel, and we're introduced to Peter Cottontail and Jack Rabbit riding in on their supercharged monster truck fueled by ice cream! We'll also meet The Great Pumpkin (who rises out of the pumpkin patch every All Hallows Eve), Sweetie's youthful beekeeper, Honey B, and receive a house call from ally Dr. Faerie Wilder, a.k.a. The Tooth Fairy herself, revealing her integral role in the science and magic of Sweetie's defense weapons development. Gaze in wonder at the halo of the Strawberry Ice Moon at the Candy Vigilante factory headquarters in Brooklyn!

With plans for the "Fortress of Sweetness" nearing completion, the NYPD learns that two mysterious, uninhabited islands, long considered abandoned and dangerous and within eyeshot of NYC's notorious jail on "Rikers Island," have recently been purchased from the city by a "private buyer." Soon, the entire world will know the name Sweetie Candy Vigilante!

All this awaits, among other surprises — including the breaking news that the waters surrounding the "Fortress of Sweetness" are now populated with Sweetie's latest creation... Sweetish Piranha Fish! Isn't that NICE?

PLUS... universes collide as Mystery Men creator and Eisner Award-winning indie comics icon BOB BURDEN's cult-classic antihero FLAMING CARROT makes a SPECIAL APPEARANCE in the first Flaming Carrot crossover since his team-up with the world-famous Teenage Mutant Ninja Turtles three decades ago.

Sweetie Candy Vigilante Vol. 2 collects all six issues of the second SCV series, and includes a comprehensive cover gallery featuring art by IVAN TAO, DEAN YEAGLE, JOE CHIODO, BOB BURDEN, JOHN ROYLE, CHRISSIE ZULLO, JEFF ZORNOW, JOSH HOWARD, and more — plus an interview with the creators and a FREE MP3 download of "THE LAND OF HATCHY MILATCHY," the single by OSAKA POPSTAR recorded specifically for this series! JRR TOLKIEN GENESIS COLLECTED SET (C: 0-1-2)

(W) Willy Duraffourg, Sami Makkonen (A/CA) Giancarlo Caracuzo, Sami Makkonen

Delve into the life and inspirations of the "Father of Epic Fantasy" with ABLAZE's J.R.R. Tolkien Genesis Collected Set, two great GN titles-Kalevala and Tolkien: Lighting Up the Darkness-that reveal the personal history and literary inspirations for Tolkien's most well-known works, all at a specially discounted price!

In Kalevala: The Graphic Novel artist Sami Makkonen presents a stunning comic adaptation of the Finnish national epic the Kalevala, which inspired J.R.R. Tolkien to write The Silmarillion and The Lord of the Rings. The story tells the adventures and fates of wizard Väinämöinen, warrior Lemminkäinen, black-smith Ilmarinen and other larger than-life-characters looking for love, riches and magic in the far-away lands of the ancient North. The world of Kalevala is lyrical, harsh and totally unique.

In Tolkien: Lighting Up the Darkness: JRR Tolkien was not always the old Oxford professor pipe in the mouth, refining his extraordinary work. In 1915, at age 23, he left for the front with his high school friends, whom he loved like brothers. The horror of war will brand his relationship to friendship, love, and creation. This graphic novel explores the youth of the author of The Lord of the Rings, and his traumatic experience of the battlefields of the First World War, which will forge the imagination of his literary work. BALBUZAR HC

(W) Gerard Moncombe (A/CA) Frederic Pillot

A fable about freedom, about resistance, about power. And an ode to nature.

In the Sarboucane sea, Balbuzar the pirate reigns supreme. He attacks, plunders, sinks, and ransoms everything that comes within his reach. Savage, cruel, formidable, certainly, Balbuzar is, but also with a certain bonhomie, and a great sense of justice. He is in harmony with the sea, the islands, the wind, the rocks. Around him, birds, always. Men, women, children...they all love him. For he is free as the air.

But now the Empress Pépita XIII is worried about her state of affairs, and Balbuzar's constant plundering. She sends against him her best officer, the Commodore, at the head of an armada. He represents force, order, law. Arrogant, domineering, relentless. And sure to be the one who will clean the Sarboucane sea.

Balbuzar and the Commodore clash. Two exceptional sailors, two sharp warriors. The fight begins, shattering, tumultuous.

The struggle, however, is unequal, for the Commodore has immense resources, an army behind him and the power of the empire. He's built a gigantic ship that will surely sweep away the pirates and their black-flag flotilla. Balbuzar's fate seems certain.

Will the outlaw be crushed by the enormity of the adversary? Cooked in the imperial pot? Or will the cunning pirate find the rift in the monster's breastplate? Will he defeat his monstrous foe, like David blasting Goliath?

A story that will delight young and old, and artwork that bears repeated viewing to take it all in. Will the cunning pirate Balbuzar be able to find the chink in the monstrous Commodore's armor? Geirard Moncombe's prose deftly balances action, humor, and poetry while Freideiric Pillot's stunning, gorgeously detailed illustrations help paint this rousing, unforgettable tale. One that you'll want to come back to again and again... Featuring 32 double page illustrations interspersed with text. If you're an art geek, this book is a MUST! Upon arriving, however, he discovers that Roderick and his sister, Madeline, have been afflicted with a mysterious malady: Roderick's senses have become painfully acute, while Madeline has become nearly catatonic. LIBRARY MULE OF CORDOBA HC

(W) Wilfrid Lupano (A/CA) Leonard Chemineau

Here's the story of what happens when saving the world's knowledge from destruction depends on the worst mule in history!

The Caliphate of Al-Andalus, Spain, 976. The Caliphate has been blessed with a period of peace, culture, and science for nearly sixty years. The Caliph Abd al-Rahman III and his son al-Hakam II made Cordoba the Western capital of learning. But al-Hakam II dies young, and his son is only ten years old.

One of his viziers, Amir, seizes the opportunity to take power. Radical clergymen, in exchange for their support of the illegitimate pretender, want to see the 400,000 books in Cordoba's library burn!

The night before the biggest bonfire ever, the head librarian, a chubby eunuch named Tarid, gathers up all the books he can and loads them onto the back of a passing mule. He takes off in the hopes of saving what he can of universal knowledge.

Joined by a young copyist and a former apprentice who went on to become a thief and vagabond, Tarid and his lazy, over-burdened "bibliomule" set out on a madcap adventure: crossing nearly all of Spain with Berber mercenaries in hot pursuit! (STL310730) (FEB240856)

(W) Jonathan Garnier (A/CA) Amelie Flechais

An EPIC FANTASY ADVENTURE For ALL AGES!

It's been 10 years since the men of the village left to fight in The Great War. Ten years since they left the women, children, and the older generation for a conflict far away from home and that they knew almost nothing about, except that it was about the security of their nation, their valley, their families. Ten years have passed since anyone has had any news of the war...

But the women quickly took charge of village matters. This is how the Order of Shepherdess Warriors was formed, a group of female fighters chosen among the most courageous and acrimonious, to protect not only their flocks, but also the village!

Molly is happy because as soon as she turns 10, she can finally start training, and if she's good enough, she can join the order and work out why there are more and more ferocious wolves in the valley. This quest will take her far beyond the boundaries of the land she knows, into the sorcerers' forest and on the trail of her missing parents.

Shepherdess Warriors is the odyssey of a young heroine living great adventures in a medieval-fantasy universe inspired by Celtic legends. An endearing story, suitable for most all ages, which gives pride of place to family and community ties, carried by warm, charming graphics and a scenario rich in humor with twists and turns.

KING OF SPIES LIBRARY ED HC (MR) (C: 0-1-2)

(W) Mark Millar (A) Matteo Scalera, Ozgur Yildirim

Regarded as Millar's comics masterpiece, *King of Spies* left jaws on the floor as he and artist Matteo Scalera took the classic tropes of the spy genre and subverted everything as Britain's greatest secret agent, now in his sixties, discovers he has six months to live. He has a choice between gentle decline or going after everyone he thinks deserves to die. His worldview has changed since he retired from the service and as he looks around at the mess the world's in, he has a long list of people he blames. Politicians, royalty, journalists and celebrities, Sir Roland King wants to root out as much of the corrupt status quo as he can before he goes, and a lifetime of experience makes him almost impossible to catch. Who is the one man who might be able to take him down? His estranged son, eager to destroy him after Roland abandoned both he and his mother many years ago. Collects #1-4. (STL365500) (C: 0-1-2)

AUDREY HEPBURN ILLUSTRATED BIOGRAPHY (C: 0-1-1)

(W) Eileen Hofer (A) Christopher Longe

Born into privilege, Audrey Hepburn lived an incredible riches-to-rags-to-riches life as her childhood was swiftly upended by World War II. During the course of her incredible career, she was a muse of Givenchy, only the third woman to win the EGOT (Emmy, Grammy, Oscar, and Tony Award), and an activist whose work for UNICEF earned her a Presidential Medal of Freedom in 1992. Her inimitable charisma, deep empathy, and dedication to her craft built a lasting legacy—one that stands out among her peers during Hollywood's golden era. Her name is synonymous with elegance and a certain kind of movie stardom given the impeccable image she so carefully curated during her lifetime—an image which hid incredible resilience and strength. Author Eileen Hofer and illustrator Christopher Longé peel back the myth of Audrey Hepburn in this graphic novel exploring the life behind her legacy. (STL362587) (C: 0-1-1)

HISTORY OF JERUSALEM ILLUSTRATED STORY OF 4000 YEARS HC (C:

(W) Vincent Lemire (A) Christophe Gaultier

Four thousand years ago, Jerusalem was a small, isolated village perched on a ridge line between the Mediterranean and the desert. Today it is a bustling metropolis with almost one million inhabitants, attracting visitors from all over the world. The story of Jerusalem is in many ways the story of the development of Western civilization—religions were born on its streets, conquerors laid siege to it, and great empires clashed over it. Considered the cradle of Judaism, Christianity, and Islam—the three major monotheistic religions—and a spiritual capital for more than half of humanity. Tracing its history gives us a unique perspective into the histories of these different religious identities. In this 256-page graphic novel, written by renowned historian Vincent Lemire and illustrated by cartoonist and animator Christophe Gaultier introduce us to the people, priests, craftsmen, architects, and residents who have built the history of Jerusalem over the last five millennia. RAMAS RING TP STORIES FROM DIFFERENT VERSIONS OF THE EPICS (

(W/A/CA) Amar Chitra Katha Studio

Over the centuries, the two greatest Indian epics, Ramayana and Mahabharata, have been written in different Indian languages to enable them to reach a wider audience. Poets like Tulsidas, Kamban and kritibas Ojha have all penned down their own versions of these stories in the common language of their regions. The tribal communities also had their own versions in the form of songs and plays that their people could connect to. These versions of Indian epics are a part of our rich Indian heritage which should to be preserved and promoted. In this special collection entitled Rama's ring, Amar Chitra Katha brings together nine lesser-known stories from alternate telling of the two great Indian epics. This is the first time we bring Ramayana stories and Mahabharata stories together in a book. While some tellings in this book are poetic masterpieces in their own right, others are simple folk versions passed down from one generation to the next. (STL366446) (C: 0-1-2)

Bhoodevi, the earth, was being ravaged by evil asuras. She turned to the gods for aid but even the powerful trinity of Brahma, Vishnu and Shiva, were helpless. Concerned by the events, their consorts, Saraswati, Lakshmi and Parvati combined their powers and created Vaishnavi, a woman of unsurpassed strength. Vaishnavi fought and destroyed the asuras but the goddesses asked her to stay on and not return to heaven. Though Vaishnavi did not realize it, her story was only just beginning. Amar Chitra Katha tells the story of Vaishnavi's transformation into the meditating goddess, Vaishno Devi, whose abode in the Himalayas is visited by millions of pilgrims every year. VISHWAMITRA TP THE KING WHO BECAME AN ASCETIC (C: 0-1-2)

(W/A/CA) Amar Chitra Katha Studio

Born a warrior, he relinquished his kingdom to do penance. When Indra, the Lord of heaven, refused entry to King Trishanku, the sage, known for his determination, created a parallel heaven for the king who had sought his help. He trained Sri Rama and his brother Lakshmana in warfare and taught them the use of celestial weapons to prepare them for the great war they were destined to fight later. An extraordinary sage, Vishwamitra was also a seer whose hymns are part of the sacred Rig Veda. (STL366448) (C: 0-1-2)

(W/A/CA) Amar Chitra Katha Studio

Was Tenali Raman a fool or the cleverest man at the court of Krishnadeva Raya? After all, he humbled great kings as well as learned scholars. Wiggling out of every predicament in unique and unexpected ways, this poet-jester reminds us of Birbal at the court of Akbar. Read his tales and laugh with joy even as his plain common sense leaves you gasping. (STL366449) (C: 0-1-2)

LOOK OUT (ONE SHOT) (MR)

(W) Dan Bailie (A/CA) Tim Bradstreet

When Oscar, recuperating from a divorce, takes a job as a fire lookout in a remote forest outpost, he unearths a mangled sheet of paper inscribed with a strange set of rules that promise to keep him safe during his watch. Oscar laughs it off as a prank - a bit of light hazing from the other fire lookouts in the area - but when night falls, he discovers that the rules, and the threat they protect against, are all too real. Written by Dan Baillie, this taut illustrated prose thriller features gorgeous full-color painted illustrations by acclaimed cover artist Tim Bradstreet (The Punisher, Hellblazer) and marks the debut of the "Future of Fear" collaboration between AWA and acclaimed producer Roy Lee's Vertigo Entertainment (Barbarian, It, Late Night with the Devil)." ALL I EVER NEEDED TO KNOW I LEARNED FROM MARVEL COMICS (C: 0

(W) Jenn Fujikawa

The Avengers are the ultimate team, showing that the hardest tasks can be accomplished with the help of others and that working together takes setting aside otherworldly egos for the good of the common goal (looking at you, Tony Stark). In life, difficult decisions come with a price, even if you're Spider-Man. Peter Parker shows that, whether your choice was right or wrong, it's how you take responsibility that's important. As She-Hulk, Jennifer Walters definitely knows what it takes to win a fight. As helpful as brute strength can be, it's rational thinking and determination that help you triumph in the end. Whether in laughter or grieving, birth, or rebirth, we can all learn a thing or two about how to live heroically from the beloved and beleaguered heroes of Marvel Comics—no Vibranium shield or Asgardian hammer necessary. TRANS HISTORY ANCIENT TIMES TO PRESENT DAY GN (C: 0-1-2)

(W/A) Alex L. Combs, Andrew Eakett

What does "trans" mean, and what does it mean to be trans? Diversity in human sex and gender is not a modern phenomenon, as readers will discover through illustrated stories and records that introduce historical figures ranging from the controversial Roman emperor Elagabalus to the swashbuckling seventeenth-century conquistador Antonio de Erauso to veterans of the Stonewall uprising Marsha P. Johnson and Sylvia Rivera. In addition to these individual profiles, the book

explores some of the societal roles played by trans people beginning in ancient times and shows how European ideas about gender were spread across the globe. It explains how the science of sexology and the growing acceptance of (and backlash to) gender nonconformity have helped to shape what it means to be trans today. Moving, funny, heartbreaking, and empowering, this remarkable compendium from trans creators Alex L. Combs and Andrew Eakett is packed with research on every dynamic page. (STL365039) (C: 0-1-2)

An essential introduction to trans history, from ancient times to the present day, in full-color graphic nonfiction format. Deeply researched, highly readable, and featuring a broad range of voices.

What does “trans” mean, and what does it mean to be trans? Diversity in human sex and gender is not a modern phenomenon, as readers will discover through illustrated stories and records that introduce historical figures ranging from the controversial Roman emperor Elagabalus to the swashbuckling seventeenth-century conquistador Antonio de Erauso to veterans of the Stonewall uprising Marsha P. It explains how the science of sexology and the growing acceptance of (and backlash to) gender nonconformity have helped to shape what it means to be trans today. Illustrated conversations with modern activists, scholars, and creatives highlight the breadth of current trans experiences and give readers a deeper sense of the diversity of trans people, a group numbering in the millions. Extensive source notes provide further resources. Moving, funny, heartbreaking, and empowering, this remarkable compendium from trans creators Alex L. O/A THORN COMP PROTO BONE COLLEGE STRIPS 1982-1986 OTHER DRAWING

(W/A) Jeff Smith

The secret origin of Jeff Smith's BONE Comes to Light! Cartoon Books presents THORN: The Complete Proto-BONE College Strips from 1982 to 1986, and Other Early Drawings, reprinting the entire run of his earliest rendering of Jeff Smith's world-famous BONE characters for the first time. These comic strips reveal an early version of BONE called THORN that was written for a college audience in the 1980s. THORN appeared in the pages of The Ohio State University's student newspaper The Lantern.

A few were reprinted in a self-published 1983 book called THORN: Tales from The Lantern. Another small selection was published in 2008's limited edition fundraiser for OSU's Billy Ireland Cartoon Library & Museum called Before BONE. There has never been an official, complete run published until now. This beautiful edition includes plenty of bonus material such as recently discovered early drawings of the BONE characters, essays and interviews. (STL316087)

83 DAYS IN MARIUPOL A WAR DIARY GN (C: 0-1-1)

(W/A) Don Brown

A city ruined. In once quiet residential streets, two armies battle, driving people into cellars and basements with little food or water. No lights or heat. Dwindling medical supplies. Shells and bullets deliver cruel, random death to the young and old, men, women, and children. This is Mariupol, a Ukrainian city and early target of Russia's invasion of Ukraine. Bordering Russian-occupied territory, the coastal city seemed doomed to a defeat that would come within days, if not hours. Could Mariupol, and Ukraine, survive? As Russian rockets threatened the city, Ukrainians resisted, and with a heroic combination of sacrifice and bravery, the besieged city endured... for months. But it all came at a steep cost. 83 Days in Mariupol is the story of senseless destruction, patriotism, and grit against long odds—a brutal battle whose consequences still reverberate across Ukraine and continue to reshape the global political landscape. (W/A/CA) D Boyd

A candid and personal exploration of junior high in the 1970s, with enough vulnerability to make readers squirm, laugh, and maybe even fall in love (but only for now). From awkward first kisses to changing bodies with an agenda all their own, puberty is not for the faint of heart. But hitting puberty in a small Canadian city where your father knows everyone and your on-again-off-again boyfriend quite literally lives on "the wrong side of the tracks"? That comes with an extra set of super-charged emotions and embarrassing moments—and Dawn is no stranger to any of it. For this

coming-of-age graphic memoir, Boyd mined her old diaries and brought her 1970s teen years back to life, rekindling the excitement, joy, and anguish of these formative life experiences. (STL364079) (C: 0-1-0)

University student Rara detests animals. And she absolutely hates cats. Until one fateful night when a fatal bike accident changes everything... A second chance at life beckons, but there's a catch: She has to get her body back. The bigger catch? She's now a cat. Armed with two tails and with a long-lost friend by her side, Rara ventures on a whimsical journey to show us the very human nature of animals, and the immense space that we carry in our hearts for reconciliation. (W) Ree Wayne, Chee Benjamin (A) Chee Benjamin

When a menacing multinational arrives on our shores, familiar creatures like pontianaks, manananggals, raksasis, and ba jiao guis are forced out of their jobs. Some give in and sign up for mundane corporate life—but others would rather fight than join the broken-spirited hordes of the (desk)bound. Benjamin Chee's comics and Wayne Rée's prose intertwine in this collection to bring you familiar Asian mythology in an even more familiar setting: the realm of dead-end work, glass ceilings, and truly hellish bosses. And because of his speech impediment, Eagle observes silently and often. Mom—a classic earthy, free spirit prone to discursive lectures on natural medicine and the efficacy of certain plants—is the only one who really cares. RAGING CLOUDS HC (C: 1-1-2)

(W/A) Yudori

In this period drama set in the 16th-century Netherlands, the unlikely pair of a proper Dutchwoman and her husband's slave mistress collaborate on a scientific discovery that could free them from the

bounds of patriarchal society. The print debut of Korean manga artist Yudori is a richly imagined, erotic, feminist graphic novel.

Amélie is a brilliant woman trapped in the restricting social mores of high Dutch society in the mid-16th century. Her marriage to Hans, a swashbuckling merchant, is a terrible match. While he charms the townsfolk, at home he is her intellectual inferior and treats her with cruelty and sexual violence. Expected to be a devoted housewife, Amélie can only be her true, free-spirited self when Hans travels away on business - when she can explore the town alone, lose herself in literature, and study winged animals to learn about the mechanics of flight. She looks to the skies and dreams of flying far away. Her life changes when Hans returns from his journey with Sahara, a slave mistress from a distant land. The two women are drawn to each other - each recognizing their confinement in a world dominated by men - and work together to seek their freedom.

Told as a fiercely feminist story and spectacularly illustrated, Raging Clouds is the dazzling graphic novel debut of Korean comic book artist Yudori. In her lush manga style, Yudori imagines the period in rich detail with careful attention to settings and costumes, while evoking the cultural and societal standards of the time. She creates complex women characters who grapple with indignity over their social position, engage in lustful fantasies, and ultimately relish in seizing agency in their lives. Raging Clouds is a powerful story about the role of women in society, the reality of existing within a non-consensual relationship, and the struggle to push back against the boundaries these women have been boxed into. NIGHT DRIVE HC (C: 0-1-2)

(W/A/CA) Richard Sala

This extremely rare, long out-of-print comic book of macabre and mysterious short stories launched the career of one of the medium's most distinctive stylists. Originally self-published in 1984 and never reprinted, this expanded hardcover represents the original Night Drive with rare art and other bonus material.

When Richard Sala passed away in 2020, he left behind a uniquely eldritch body of graphic novels and illustrations, fueled by macabre whimsy and a love of dark mysteries and vintage monsters. Like David Lynch, Sala was a painter who turned to a storytelling medium that allowed him to create inventive narratives inspired by such disparate influences as French crime fiction, the grim humor of Charles Addams, the surreal poetry of Jorge Luis Borges, and his own penchant for all things gleefully ghoulish and sinister.

Originally self-published in an edition of 500 copies in 1984, Night Drive collects several short stories inspired directly by pulp magazines, film noir, and Andre Breton - sinister and creepy pieces heavy on the atmosphere and signaling the creative emergence of a singular talent finding his footing with the surety of an artist equipped with the innate mastery of his craft and vision. Night Drive directly led to

Sala contributing to Art Spiegelman and Francoise Mouly's *Raw* and the adaptation of *Night Drive's* "Invisible Hands" for MTV's *Liquid Television*, sparking an almost 40-year career as one of comics' finest creators and idiosyncratic creators.

Edited by longtime Sala friend Dana Marie Andra (*Web of Horror*) and designed by Sala's friend and fellow cartoonist Daniel Clowes (*Monica*, *Ghost World*), who also contributes the Afterword, this graphic novella is rounded out with rare artwork, interviews with Sala about the book, and an essay by Andra. ARSENE SCHRAUWEN TP (C: 0-1-2)

(W/A/CA) Olivier Schrauwen

Utopia comes with a price in this new 10th anniversary paperback edition of the acclaimed comedic graphic novel inspired by the author's mid-century colonialist grandfather.

In 1947, the author's grandfather, Arsène Schrauwen, traveled across the ocean to a mysterious, dangerous jungle colony at the behest of his cousin. Together they would build something deemed impossible: a modern utopia in the wilderness - but not before Arsène falls in love with his cousin's wife, Marieke. Whether delirious from love or a fever-inducing jungle virus, Arsène's loosening grip on reality is mirrored by the graphic novel reader's uncertainty of what is imagined or real by Arsène. This first full-length graphic novel from the critically acclaimed Olivier Schrauwen is an engrossing, sometimes funny, slightly surreal and often beautiful narrative.

Originally released in 2014, Arsène Schrauwen heralded the then largely-unknown-to-English readers Olivier Schrauwen as a major voice in international comics - a reputation that has only gained momentum over the ensuing decade with releases like 2024's *Sunday*. (STL365896) (C: 0-1-2)

SUNDAY TP (C: 0-1-2)

(W/A/CA) Olivier Schrauwen

Internationally acclaimed graphic novelist Olivier Schrauwen returns with a masterfully funny and profound day in the life narrative.

Sunday follows, over the course of one day, the stream of consciousness of a fictionalized version of the author's cousin, Thibault. On the day of his girlfriend's return from an extended trip, Thibault

wakes up, does nothing, gets James Brown stuck in his head, drinks and smokes, grows paranoid about his relationship, struggles to compose text messages,

and watches The DaVinci Code, all the while avoiding anyone and everyone, descending deeper into his own thoughts and fears. Meanwhile, a former crush and another cousin of Thibault's plan a surprise birthday for him, sending the external and internal on a collision course.

Schrauwen's brilliant comic timing and formal mastery transcends the quotidian nature of the plot. Through use of color, flashback and the dissonance between text and image, the ways in which Schrauwen layers a depiction of human consciousness as lines on paper are infused heavily with slapstick and white-knuckle tension and make for an exhilarating read and breathtaking use of the comics medium. GO FIGURE FIGURATIVE SOCIAL SURREALIST PAINTINGS HC (C: 0-1-

(W/A/CA) Guy Cowell

An intricate monograph for a major retrospective of fine artist and cartoonist Guy Colwell's figurative paintings, each teeming with life, sparkling with color, rich in observational and sharp social commentary.

Go Figure collects 44 "social surrealist" figurative paintings, spanning 1987-2023. All are in eye-popping color: many depict a crowd in observational tableaux, each figure a character by virtue of dress, body language, and interactions with each other, animals, and their setting. Other paintings reflect Colwell's wide travels, and still others are surreal - such as "Junior and the Legs" (2023), which shows a young man strumming a guitar on stage, accompanied by disembodied women's limbs. Each image has a narrative and a moral purpose-often, one figure bravely moves forward, despite a hostile crowd. In Guy Colwell's world, no individual could ever be an island, just another part of a rich ecosystem.

Thematically, then, it is fitting that this book was made possible by a group of his collectors, who are sponsoring the show/Guy Colwell retrospective "Imaginary Reality," from which this book is created, in an independent space. Go Figure is in an 11" X 11" format, to best feature the high-quality reproductions of these numerous critically praised works. (STL365893) (C: 0-1-2)

DELIGHTS A STORY OF HIERONYMUS BOSCH HC (C: 0-1-2)

(W/A/CA) Guy Colwell

In this imaginatively conceived historical graphic novel, Guy Colwell explores the story behind Hieronymus Bosch and his most famous work.

In Guy Colwell's first full graphic novel in over 30 years, we see one painter, Colwell himself, consider another, Hieronymus Bosch, and the story behind the latter's most notable work told in sequential panels. The known details of Bosch's life, and the commissioning of his enormous triptych, "The Garden of Earthly Delights," are scant. Colwell takes the facts of Bosch's time and setting and constructs a tale of a man and artist torn equally among piety, creativity, and commerce. In Colwell's version of Jheronimus van Aken (Bosch's real name), he is an artist paid well by local dukes to paint a vision of the world before the fall, but will the religious leaders of his village see it as celebrating God's creation, or fatally corrupted by sensuality? And what of the increasing numbers of young models needed to depict pre-apple innocence?

This imaginatively conceived graphic biography is Colwell's crowning achievement in a cartooning career, begun in the underground comix movement of the 1970s, and marked by risk-taking and political engagement. His drawing, rendering, and storytelling has never been as self-assured as in Delights.

GUY COLWELL is a painter and comics artist best known for his bestselling underground comix series Inner City Romance (collected into a volume published by Fantagraphics in 2015). He worked extensively as an illustrator, cartoonist and color artist for underground newspapers and publishers from the 1970s into the 1990s, between sabbaticals for environmental research travel and social action. His other books include Street Scenes (2015), In Fox's Forest (2016), and Doll (2019). (STL304139) (MAR241593) (C: 0-1-2)

EVERGREEN REVIEW DISPATCHES FROM LITERARY UNDERGROUND (C: 0-

(W/A) Various

The magazine of the Beat Generation returns in this awe-inspiring compilation of the art, essays and photography of the avant-garde Evergreen Review.

From the late 1950s to the mid-70s, work by contributors like Allen Ginsberg, William Burroughs, Amiri Baraka, Eldridge Cleaver, Tim Leary, Dennis Hopper, Jean Genet, Jerry Rubin, Bernadette Devlin, and Germaine Greer regularly appeared in the countercultural magazine Evergreen Review. Their subversive work and radical politics defined outsider literature for an entire generation. Edited by Barney Rosset of Grove Press, Evergreen Review was a quarterly illustrated/photography driven reflection of that genre.

For the first time ever since their original print date, full color reproductions of all front covers of all 100 issues of the Evergreen Review from 1957 to 1973, plus hundreds of pages from many of the issues are reprinted exactly as they looked then - with all illustrations, photography, even the ads for other books, albums, letters to the editor, subscription offers, etc. - left intact!

Historian Pat Thomas interviewed original 1960s era Evergreen staffers to get the inside scoop on the day-to-day operation of the magazine, and those conversations join new essays looking back on this golden era by John Oakes, Loren Glass, Kasia Boddy, Dale Peck, Ethan Persoff, Ken Jordan and Stanley Gontarski. Will this new Evergreen Review change the world as it did in the 1960s? Of course it will! (STL365892) (C: 0-1-2)

Though the mermaid and her companions—Ren, the last known firebird, and Cosmos, her witch guard-turned-friend—narrowly escaped the Witch Queen, time is running short. Atana and Cosmos are determined to help their friend recover, but Ren's priorities are elsewhere. After discovering that the firebirds of old are responsible for destroying the flow of magic for all beings, she is determined to right her people's wrongs. When Atana resolves to join this quest,

(W) Alice Yang, Zelba (A) Zelba

When one of the greatest museums in the world gave the illustrator Zelba free rein to make a graphic novel about great art, she knew exactly what she would do: address a double standard. She'd seen the Louvre's halls filled with sexualized female bodies, ogled at by crowds and sometimes even groped, and wanted to turn the tables. What if, she dreamed, those naked bodies refused to be the objects of our gaze? What if the female nudes in the Louvre went on strike? (STL364074) (C: 0-1-1)

Hogan's Alley features an in-depth (but safe for work) examination of Tijuana bibles, one of comics' most notorious chapters. The issue also features an in-depth look at Hugo Hercules, the largely forgotten comics character who was the first superhero, setting the template for heroes who came later. We also surveyed a group of cartoonists about their favorite Peanuts moments, and the issue presents the results, complete with new artwork paying tribute to the classic strip. Speaking of Peanuts, the issue also has a look at how the strip received its name, which Charles Schulz pointedly disliked. Though Persephone and Hades become closer than ever after she opens up to him about all she has endured, their peace is shattered when another truth is revealed: Apollo is Zeus's son. The announcement shocks the pantheon, and the king of the gods realizes that the would-be usurper wants Persephone's power to take the throne. Zeus banishes Persephone to the Mortal Realm and cuts it off entirely from the rest of the gods. This decree succeeds in undercutting Apollo's plan, but also inadvertently begins a decade-long divine cold war when Hades strikes back by shuttering the Underworld. With the gods scattered and weakened, Kronos uses the ensuing bedlam to finally escape his imprisonment and begin staging his own coup. (W) Kim Weston, Carl Barks (A/CA) Carl Barks

This volume prints 13 complete large, four-tier Carl Barks stories in their original, full-size black-and-white format — one full page of art on each page of the book! These 13 stories of the combined Barney Bear & Benny Burro feature were originally published in Our Gang Comics #11-23, and another volume — containing the rest of the stories, from Our Gang Comics #24-36 — is planned for next year, yielding Barks' Complete MGM art in 3 volumes! This second volume measures 18" wide and 26" tall and weighs in at about 8 pounds! Looking at these pages as printed in this book is like looking at the pages fresh from the master's drawing board! The stories from are printed one art page to the book page, with a live image size of 16" x 23 1/4" — the size that Barks drew almost all his original art at, beginning in December 1943 until he retired in 1966, with only very rare exceptions. These pages are printed from proofs which are derived from the 7" x 10" photo negatives taken of the original art between December 1943 and December 1945. Looking at the stories in this book really is like looking at pages of Barks' original art because Barks didn't make many mistakes that needed correction in his art. His main use of white ink was not to correct errors, but to delineate details in black on black images or add pie cuts to the ducks' eyes. (STL324609)

Born in a laboratory in Silicon Valley, two androids named Carbon and Silicon will witness the evolution of humanity. From this dawn of true artificial intelligence, the pinnacle of human achievement, they will directly witness ecological, economic, and cultural crises that alter civilization as we know it. Through their eyes, we rediscover our planet as it reaches the point of no return.

The latest project by celebrated author Mathieu Bablet, this ambitious work addresses themes separating artificial intelligence from humanity. A fable about the ravages of capitalism and the illusion of transhumanism. A cautionary tale spanning 300 years of frighteningly plausible future scenarios. (STL319072) (C: 0-1-2)

BACK FROM THE FUTURE 40 YEARS OF FANDOM (C: 0-1-1)

(W) Brad Gilmore

There's a host of information out there on the Back to the Future trilogy, but never before has there been a book like this. The beauty of this book by Brad Gilmore is that it doesn't present the history of

the film as textbook information. He discusses these films from a place of passion and so effectively reveals how the history behind the movies is just as engaging as the films themselves. Unheard details and trivia. Gilmore, a radio and television host and host of Back to the Future: The Podcast, is an expert on all things Back to the Future. Pairing his knowledge with his passion for the films, Gilmore uses this book to discuss details and movie trivia that reveal just why the trilogy has stood the test of time. As a fan speaking to fellow fans, he dives into fan theories and provides answers to many questions readers have—because they are the very questions he himself has asked. (STL364119) (C: 0-1-1)

(W/A/CA) Alison Bechdel

Running a pygmy goat sanctuary in Vermont, cartoonist Alison Bechdel is existentially irked by a climate-challenged world and a citizenry on the brink of civil war. Can she pull humanity out of its

death spiral by writing a scathingly self-critical memoir about her own greed and privilege? Meanwhile, Alison's first graphic memoir about growing up with her father, a taxidermist who specialized in replicas of Victorian animal displays, has been adapted into a highly successful TV series. As the TV show *Death and Taxidermy* racks up Emmy after Emmy—and when Alison's Pauline Bunyanesque partner Holly posts an instructional wood-chopping video that goes viral—Alison's own envy spirals. Why couldn't she be the writer for a critically lauded and wildly popular reality TV show... like *Queer Eye*... showing people how to free themselves from consumer capitalism and live a more ethical life?! Her online comics on her experience make her quite the influencer, explaining crypto's intricacies in simple terms but with eyes wide open as to its dangers. Your phone reminds you all day long that you were interested in buying those shoes. Your device knows the places where you go, the books you like and your friends' faces. The world's most valuable resource is no longer oil, but data. The more they know about you, the better you can be targeted, and then, monetized. The British businessman Damian Bradfield, co-founder of WeTransfer, and the Spanish comics author David Sánchez build an ironic dystopic world, disturbingly similar to ours, to explore the addictive effects of social media, the stealthy invasion of privacy and the dangers of data misuse. With a wry acidic sense of humor, they blur the boundaries between the online and offline worlds and spin disturbingly recognizable tales about our overconnected society. (STL244070)

O/A INCREDIBLE STORY OF COOKING HC

(W) Benoist Simmat (A) Stephane Douay

This graphic novel tells the story of humanity through the evolution of cuisine. As soon as humans mastered fire, they invented cooking. Did you know that Sapiens invented steam cooking and freezing? That the Mesopotamians created soups, bread, beer, ovens? That gastronomy and tableware have been symbols of political power? These great discoveries changed the world, but also the way we eat. From America, the conquistadors brought spices, peppers, potatoes... Portuguese missionaries brought the frying technique to distant samurai who made the first tempuras. These are the beginnings of globalization. In the 19th century with the industrial revolution, "capitalist" cuisine emerged: it was the beginning of the food industry. In the 21st century, the organic and buy local movements are shown as a reaction against the harmful effects of this culinary and gastronomic standardization. To finish in style, find twenty-two recipes for dishes mentioned throughout our story that you can make at home! (STL328476)

PLUTOCRACY GN

(W/A) Abraham Martinez

2051. The world's largest company, The Company, has seized power on a planetary scale and runs the world as if it were a business. In a plutocracy, the richer one is, the more powerful one is. The elections have been replaced by general shareholders' meetings where the votes are linked to the number of shares owned by citizens. Government is made up of those who own the most shares and it is the laws of the market that govern everything, creating a strange political system. In this context, an anonymous citizen becomes compelled to uncover how the world came to this situation, without paying any attention to the official version. He seeks to discover the true history of The Company and to try to understand what are the various interests that are trying to influence his investigation. (STL166870) (SEP201343)

TERMINAL EXPOSURE HC (C: 0-1-2)

(W/A) Michael McMillan

Michael McMillan has said he's "not really a cartoonist," but the evidence suggests otherwise. Born and raised in California, he studied architecture and design before a visit in 1969 to an exhibition of Chicago's Hairy Who and encounters with the burgeoning San Francisco underground comix scene convinced McMillan to make his own comics. He plunged in, drawing for legendary publications like Weirdo, Young Lust, Lemme Out Here, Arcade, and eventually his own one-issue wonder, Terminal. Over the following decades, McMillan kept playing with the form of comics. He reimagined the kind of stories single-panel, two-panel, and many-panel strips could tell, blending favorite genres from his childhood (horror, swords and sandals, science fiction) with more mature themes (autobiography, dating, sex) into new and striking forms. McMillan's comics are collected here for the first time, alongside a selection of his electrifying sculptures, eye-popping paintings, and stunning pages from the journals he kept during his years rock climbing in California's Sierra Nevada. (W) Dave Hill (A/CA) Artyom Topilin

SOMETIMES YOU BREAK THE INTERNET—AND SOMETIMES THE INTERNET BREAKS YOU! AT LAST—THE TRUE STORY OF THE VIRAL HOAX SO INSANE IT COULD ONLY BE TOLD AS A COMIC BOOK!

From the honestly pretty impressive mind of multi-hyphenate writer-comedian-actor-musician Dave Hill (Tasteful Nudes) and breakout artist Artyom Topilin (I Hate This Place) comes the SHOCKINGLY TRUE, TERRIFYINGLY HILARIOUS, AND ONLY MODESTLY EXAGGERATED tale of how one stand-up comedian forged a secret online identity as America’s first true black metal icon . . . and accidentally started an international incident that almost wiped Gary, Indiana, off the map!

Two decades ago, Dave Hill and his first band set out to rock their high school auditorium in a fury of heavy metal hellfire. They failed miserably. Years later, Dave has made a new life for himself as a rising star in the New York comedy scene—a career where getting laughed at on stage is the entire point and not just a tragic consequence. But when Dave’s metal ambitions are reawakened by the über self-serious “satanic” genre of Norwegian black metal, Dave creates a ridiculously hyperbolic alter ego and a band to match that, together, reignite the spark of his forgotten rock ‘n’ roll fantasy. But when Dave’s internet-fueled rumors of Witch Taint—a metal band “so extreme that you must remove all sharp objects from the immediate area” when their music is played—spreads all the way to Europe, his story will spiral dangerously out of control as Norway’s most extreme black metal butchers come to reap their revenge . . . and put everything and everyone Dave holds dear in the crosshairs (of their axes, which, truth be told, don’t actually have crosshairs, but, hey, it’s a metaphor). DRACULAS BRUNCH CLUB GN (C: 0-1-2)

(W) Brian Gonsar (A/CA) Keenan Gaybba

Have you ever wondered how vampires got their taste for blood? In *Dracula's Brunch Club*, it all started with a crimson-red donut, dripping and oozing with spooky secrets—I mean, jelly. Dripping and oozing with non-spooky-tasting JELLY. Get ready to sink your fangs into the hilarious new graphic novel from debut authors Brian Gonsar and Keenan Gaybba!

Count Dracula is not your average vampire. Well, sure, he's undead, hates garlic, and will burn up in sunlight—but unlike other vampires, he has a knack for baking. And it's his brunch club's famous blood-orange-jelly donuts that give his fellow vampires the energy source they need to live forever. But when Transylvania experiences a mysterious jelly shortage, it allows his nemesis, Constantine, to swoop in and steal the brunch club—and the vampires' loyalty—from Dracula. But it's not just jelly donuts at stake. When townsfolk start to go missing, Dracula suspects Constantine has far more sinister motives lurking that could threaten everything vampires and humans have worked for. With the help of his chef and human friend, Elena, Dracula must find a new energy source before every vampire and human turns on him and he loses his coveted brunch club forever.

In this evocative, genre-defying graphic memoir, Tessa Hulls tells the story of three generations of women: her Chinese grandmother, Sun Yi; her mother, Rose; and herself. Sun Yi was a Shanghai journalist caught in the political crosshairs of the 1949 Communist victory. After fleeing to Hong Kong with her young daughter, Sun Yi wrote a bestselling memoir about her persecution and survival—then promptly had a breakdown that left her committed to a mental institution. Vowing to escape her mother's smothering fear, Tessa leaves home and travels to the farthest, most remote corners of the globe. GIANT ORSON WELLES ARTIST & THE SHADOW HC GN (C: 0-1-1)

By twenty-three, Welles had founded his own theater company and revolutionized radio with his infamous broadcast of *The War of the Worlds*. By twenty-five, he had secured his place in history with his debut film, *Citizen Kane*. Yet four films and less than a decade later, his career suffered a spectacular collapse. Welles, once the most promising director in America, was written off as a "would-be genius"—a bad bet in an increasingly money-conscious industry. It would be many years before his later works such as *Touch of Evil* and *The Other Side of the Wind* received widespread acclaim. In the early 1960s, veteran comic creators Stan Lee and Jack Kirby hit on the idea of doing a super-team. Kirby, who thought super heroes were due for a revival after 15 years of being pushed aside by romance, horror, and war comics, saw it as smart business. Lee just once wanted to "do the type of story I myself would enjoy reading." The Fantastic Four forever changed their careers, their lives, and the comic book industry. From the moment Star Wars burst onto the screen in 1977, audiences have been in equal parts fascinated and appalled by the half-man/half-machine hybrid Darth Vader. After driving the development of nascent digital technology, George Lucas perceived how he could create new creatures and new worlds on a grander scale than ever before. He created the first digital blockbuster, and met fierce resistance when he pushed for widespread digital cameras, sets, characters, and projection, all of which are now used throughout the industry. Made with Lucas' full cooperation, this volume covers the making of the prequel trilogy—Episode I The Phantom Menace, Episode II Attack of the Clones, and Episode III Revenge of the Sith—and features exclusive interviews with Lucas and his collaborators. BEST OF SIMON & KIRBY'S MAINLINE COMICS HC

(W) Joe Simon (A) Chris Kirby, Joe Simon (CA) Jack Kirby

In 1954, industry legends Joe Simon and Jack Kirby founded Mainline Publications to publish their own comics during that turbulent era in comics history. The four titles—Bullseye, Foxhole, Police Trap, and In Love—looked to build off their reputation as hit makers in the Western, War, Crime, and Romance genres, but the 1950s backlash against comics killed any chance at success, and Mainline closed its doors just two years later. TwoMorrows Publishing compiles the best of Simon & Kirby's Mainline comics work, including all of the stories with S&K art, as well as key tales with contributions by Mort Meskin and others. The Best of Simon & Kirby's Mainline Comics presents some of the final, and finest, work Joe and Jack ever produced! (STL256072) (APR231905)

AIRFIX GRUMMAN F4F-4 WILDCAT 1/72 MODEL KIT (C: 1-1-2)

From Airfix. The F4F Wildcat was the US Navy's primary carrier borne fighter aircraft at the start of the Second World War. Characterized by its stubby appearance the Wildcat had been developed as

part of a successful range of pre-war biplanes and had entered service with the US Navy a year prior to the Japanese attack on Pearl Harbor. By the time of the crucial battles for Midway and Guadalcanal the F4F-4 model had become the most numerous variant and new tactics enabled American naval and marine pilots to gain the upper hand on the previously all-conquering Mitsubishi Zero. AIRFIX HAWKER TEMPEST MK V 1/72 MODEL KIT (C: 1-1-2)

From Airfix. The Hawker Tempest V entered Royal Air Force service in early 1944, with the first two squadrons to receive the type having both previously operated the Typhoon. In advance of the D-Day landings, Tempests were being used in a similar ground attack role to the one being flown so effectively by Typhoon squadrons, however, should it be required to make the shift to air combat operations mid-mission, the Tempest was much more suited to this task. Possessing significantly greater range than the Typhoon, Tempests could loiter in the combat zone for longer periods, allowing offensive strikes deeper into occupied Europe, or allowing pilots to wait patiently for the Luftwaffe to come up and fight, where they could show them what their new fighter could really do. In addition to the multiple RAF orders, the Jet Provost, sometimes with light armament, was exported to many air forces worldwide. The T.3 and the T.4 were both operated by the Royal Air Force. AIRFIX JUNKERS JU87 B-1 STUKA 1/72 MODEL KIT (C: 1-1-2)

From Airfix. The Junkers Ju87 Stuka quickly became one of the most infamous and feared weapons of the Second World War. The two-man dive bomber first saw action in the skies over Spain during the Spanish Civil War. While outdated in appearance, the Stuka did contain some modern features such as automatic dive brakes but overall the design was outmoded. Over the skies of Poland, France and the Low Countries in 1940 the Stuka was able to operate in clear skies and did so effectively but over the South of England during the Battle of Britain, the Stuka came up against staunch RAF fighter

opposition, and suffered as a result. Later the Stuka was used in the Balkans and the Western Desert, and continued to serve Russia, as a tank destroyer, until the end of the Second World War. Now available in 1:72 scale and with 2 livery schemes and sprues and decals, the Stuka will look just as powerful in your model range as it did in the sky. AIRFIX MESSERSCHMITT BF110E E-2 TROP 1/72 MODEL KIT (C

One of the most distinctive aircraft of the Second World War, the Messerschmitt Bf 110 was a twin engined heavy fighter intended to be faster and more heavily armed than any other fighter aircraft in the sky at that time and during the early months of WWII, certainly proved to be devastatingly effective. Despite suffering at the hands of the RAF during the Battle of Britain, the Bf 110 would go on to prove its worth as a long range fighter bomber and ground support aircraft over the vast expanses of Russia and into the Mediterranean and North Africa, serving throughout the remainder of the Second World War. AIRFIX NORTH AMERICAN P-51D MUSTANG 1/72 MODEL KIT (C:

From Airfix. The North American P-51 Mustang is regarded by many as one of the most iconic American fighters of the Second World War. Designed to fulfil an RAF specification, the Mustang was transformed once the Rolls Royce Merlin engine was installed. The P-51D model's long range and excellent firepower made it a superb escort fighter, able to protect the bombers all the way to Berlin and back. The P-51 is recorded as being the top scoring Allied fighter of the war with 4,950 enemy aircraft destroyed. In 1948 the type designation for the Mustang changed to F-51D and it continued in USAF and RAAF service as a ground attack aircraft through the Korean War.
