IN BLOOM #1 (OF 5) CVR A PEARSON

(W) Michael W. Conrad (A/CA) John Pearson

43% of the cells within a healthy human body belong to something other than the human host. Microbiomes, invasive bacteria, fungal and viral agents, and something else, something... more.

When the BLOOM happened, humanity was changed forever, transformed by symbiotic fungal megasystems that infected their bodies.

Some affected people grew new body parts, some found their personalities changed in radical new ways, while others reported contact with some... other intelligence not their own.

In this revolutionary new world, Agent Bayonetta finds herself investigating a series of mysterious murders, a chain of violence that leads her to a terrifying question on which the fate of every living being rests.

Visionary writer Michael Conrad (Wonder Woman, Bizarre Adventures) and Eisner Award-winning illustrator John J. Pearson (The Infernals) present a boundary-pushing science fiction saga evocative of The Last of Us, Blade Runner, and Annihilation. (STL343790)

THUNDERCATS APEX #1 CVR D LEE & CHUNG (C: 1-0-0)

(W) Ed Brisson (A) Rapha Lobosco (CA) Jae Lee, June Chung

Across a desert landscape, a cloaked rider emerges from the shimmering heat. A lone figure on a battered mount, he's a tempting target for bandits — and temptation is not something that the inhabitants of these badlands are inclined to resist.

Unfortunately for the miscreants who decide to waylay him, that choice will likely be the last one they ever make. And when the dusty traveler walks into the local saloon, it soon becomes clear that anyone who stands between him and his mission will share the same fate.

But who is this mysterious stranger — and what is the target that he has fixed his glowing red eye upon?

Featuring otherworldly covers from DECLAN SHALVEY, LUCIO PARRILLO, MEGHAN HETRICK, and JAE LEE & JUNE CHUNG, this historic 40-page special from renowned writer ED BRISSON (Batman Incorporated, Uncanny X-Men) and acclaimed artist RAPHA LOBOSCO (James Bond: 007) answers the most burning question on all of Third Earth — who is Apex? — and sets the stage for the dramatic new story arc launching in ThunderCats #11! (STL345763) (C: 1-0-0) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK, Ireland, and Europe.

DUCKTALES #2 CVR A BIGARELLA (C: 1-0-0)

(W) Brandon Montclare (A) Tommaso Ronda (CA) Ivan Bigarella

Over the years, Scrooge McDuck has invested in every kind of industry that turns a profit, from tea farming to sturgeon fishing to uranium mining. So it only stands to reason that he's also the owner of Duckburg's premiere movie house, the Scrooge-A-Rama Dome, which he built to be to most palatial of motion picture palaces — inspired by both the grandeur of the Colosseum in Rome and the chance to charge top-dollar admission fees!

But something is amiss with the Dome's receipts, and the explanations from the projectionist and the ticket clerk, Messrs. Franks and Beans, aren't adding up. When Scrooge and his nephews Huey, Dewey, and Louie pay the theater a visit to find out more, everybody is in for a surprise when the true tale behind its fiduciary discrepancies is revealed!

DuckTales author BRANDON MONTCLARE and artist TOMMASO RONDA target all four audience quadrants with their second blockbuster issue — bolstered by eye-catching covers from IVAN BIGARELLA, FRANCESCO TOMASELLI, CARLO LAURO, and ALAN QUAH! (STL345806) (C: 1-0-0) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK & Ireland.

DARKWING DUCK NEGADUCK HC VOL 02 ANCIENT ORDER VILLAINY (C:

(W) Jeff Parker (A) Ciro Cangialosi (CA) Jae Lee

Darkwing Duck's most notorious nemesis is no one-trick antagonist. The dastardly Negaduck can lie, cheat, cut the tags off of mattresses, and (most especially) steal better than any other outlaw under the sun. So great are his skills at thievery, in fact, that a super-secret society of burgling bad guys not only wants him to join their group — they think that he should be its new head honcho!

However, in order to prove that he's got the chops to be the leader of all villains, Negaduck will have to pull off an impossible heist — a feat that will require the help of his fellow menaces. Will the legendary (in his own mind) Negaduck emerge triumphant? Or will he be cut out of his own conspiracy by his double-crossing criminal colleagues?

All will be revealed in Negaduck Vol. 2: The Ancient Order of Villainy, collecting issues #5-8 of the comedic chronicle written and illustrated by dedicated henchmen JEFF PARKER and CIRO CANGIALOSI and featuring an appropriately megalomaniacal cover portrait of St. Canard's most noxious ne'er-do-well by JAE LEE & JUNE CHUNG! (STL323277) (C: 1-1-2) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK & Ireland.

(W) Daniel Kibblesmith (A) Carlo Lauro (CA) Francesco Tomaselli

But what do you get for the man who has (or can make) everything? To find out, the Powerpuff Girls set out in pursuit of the perfect present, and learn some valuable lessons about playing fair, respecting boundaries, and considering others along the way — all while dispensing generous doses of holiday-flavored justice!

Written and illustrated by jolly old elves DANIEL KIBBLESMITH and CARLO LAURO, this all-new 40-page special — decorated with sparkling covers from LAURO, TBD, and FRANCESCO TOMASELLI — will be a welcome addition to any fireplace-adjacent stocking! POWERPUFF GIRLS #6 CVR A GANUCHEAU (C: 1-0-0)

(W) Paulina Ganucheau (A) Silvia De Ventura (CA) Paulina Ganucheau

If there's one thing that Bubbles loves even more than defending Townsville from evildoers, it's the cartoon llama from her favorite TV show — you know, the one that spits magical fruit flavors for

children and adults to enjoy! Bubbles loves that llama so much, in fact, that she wishes with all her might for it to become real — and danged if her wish doesn't come true!

Life with an actual fruit-spitting llama is everything that Bubbles could have hoped for, but unfortunately the rest of the now-spit-soaked city doesn't agree — in fact, it soon becomes all too clear that the Powerpuff Girls must figure out a way to reverse Bubbles' wish before all of Townsville is buried under deadly saliva-drenched fruits!

Tastemakers PAULINA GANUCHEAU and SILVIA DE VENTURA deliver a savory slice of adventure with The Powerpuff Girls #6 — seasoned by covers from GANUCHEAU, KENYA DANINO, TED BRANDT & RO STEIN, and PASQUALE QUALANO! (STL345885) (C: 1-0-0) NOTE: Only available in North America, U.S. Territories (Puerto Rico and Guam), the UK, Ireland, and Europe.

SWEETIE CANDY VIGILANTE VOL 2 #6 CVR A ROYLE (MR)

(W) Suzanne Cafiero (A) Thiago Vale (CA) John Royle

You betta' watch out! You betta' not cry! Betta' save the date! Why?... This December, SWEETIE is hosting an exclusive INVITE-ONLY CHRISTMAS PARTY! Let the North Star guide you to her newly pepper-minted "Fortress of Sweetness" headquarters on Sweetie Candy Vigilante Islands to join Pixie Stix, Candy Wolf, Gumme Bear, Tinsel, and the rest of the sweet squad for the festivities. The guest list is a mind-blowing who's who from the world of the immortals, including THE GREAT PUMPKIN (who rises out of the pumpkin patch each All Hallows Eve), Candy Wolf's EX — yep, you guessed it, "Little Red" herself — and even all nine of Santa's star reindeer!

Jingle, Jingle, Jingle! SLAY BELLS will ring, and because you've all been EXTRA-GOOD this year, as promised and hinted at throughout the series, CANDY WOLF will finally spill the SWEET tea on the backstory between SWEETIE and the North Pole's Boss "Nic," famously known as SANTA! Is he as "saintly" as he's been fabled?

Was Sweetie once chosen to join the ranks of team North Pole? Did she take issue with Nic's buddy Krampus? And what was that odd little Elf Santa had gifted to Sweetie really up to while sitting on her shelf all day?

Knock back the eggnog with Peter Cottontail and Jack Rabbit (who've already had one too many) and pull up a cozy chair alongside the yule log fire for the bitter-SWEET Christmas story in this special holiday-themed issue closing out the year AND Volume 2 of Sweetie Candy Vigilante!

This issue's one-off, self-contained storyline is an excellent opportunity for anyone new to the series to jump in and experience first-hand what all the buzz is about, while at the same time it will satisfy the sweet tooth of any steady "candy vigilante" craving more from Sweetie and her unique world of candy-coated carnage!

Choose from four fantastic covers, including a very special entry (Cover B) illustrated by legendary indie comics creator and artistic icon BOB BURDEN! Universes collide as his cult-classic antihero FLAMING CARROT makes a SPECIAL APPEARANCE, TEAMING WITH SWEETIE in the first Flaming Carrot crossover since his team-up with the world-famous Teenage Mutant Ninja Turtles three decades ago! Don't miss a sweet beat — order now and guarantee a copy under your tree this December!

Includes a FREE MP3 download of "THE LAND OF HATCHY MILATCHY," the new single by OSAKA POPSTAR recorded specifically for this series.

(W) Declan Shalvey (A) Luke Sparrow (CA) Declan Shalvey

It's the last days of the Vietnam War, and the scale of the violence and destruction that have been unleashed seems unreal. But nothing that Private Duggan has experienced in battle could have prepared him for the thing that just tore his squad to ribbons and then walked through the hellish fire of an airstrike seemingly unscathed.

If there is some way to kill it, Duggan isn't sticking around to find out. Now on the run, the lone soldier desperately makes his way through the collapsing country to join the U.S. Army's final evacuation back to the States — but will the chaos and crowds of Saigon be enough to thwart the unrelenting force that is hunting him?

Writer DECLAN SHALVEY and artist LUKE SPARROW bring a sharp new perspective on the horrors of war with *The Terminator #3*, featuring suitably steely covers from SHALVEY, EDWIN GALMON, DREW MOSS, and DAVID COUSENS! (STL345845)

All-new printing collecting the first 14 issues of the critically acclaimed series, now heading to live-action on Amazon Prime!

This is going to hurt! In a world where costumed heroes soar through the sky and masked vigilantes prowl the night, someone's got to make sure the "supes" don't get out of line. And someone will!

Billy Butcher, Wee Hughie, Mother's Milk, The Frenchman, and The Female are The Boys: A CIA-backed team of very dangerous people, each one dedicated to the struggle against the most dangerous force on Earth - superpower! Some superheroes have to be watched. Some have to be controlled. And some of them - sometimes - need to be taken out of the picture. That's when you call in The Boys! After the opening story arc introducing Hughie to the team (issues 1-6), Dark avenger Tek-Knight and his ex-partner Swingwing are in trouble (issues 7-14). Big trouble. One has lost control of his terrifyingly overactive sex-drive, and the other might just be a murderer. It's up to Hughie and

Butcher to work out which is which, in Get Some. Then, in Glorious Five-Year Plan, The Boys travel to Russia - where their corporate opponents are working with the mob, in a super-conspiracy that threatens to spiral lethally out of control. BOYS OMNIBUS TP VOL 02 (MR)

(W) Garth Ennis (A/CA) Darick Robertson

An all-new omnibus printing that includes The Boys Volume 3: Good for the Soul & The Boys Volume 4: We Gotta Go Now.

In "Good for the Soul..." Everyone has something to get off their chest: Frenchie and the Female are up to something nasty with the Mafia, Mother's Milk goes to see his mom, Annie January wants a word with God himself, and Butcher enjoys yet another ghastly tryst with CIA Director Rayner. The Legend, meanwhile, offers to tell Hughie everything he wants to know about The Boys - all Hughie has to do is take a walk with the dead.

In "We Gotta Go Now..." All is not well with mysterious millionaire John Godolkin's band of misfits. Silver Kincaid, one of the original G-Men, has just committed suicide in the most public and grotesque way imaginable. That's not good news for Vought-American's number one franchise, with G-Force, G-Coast, G-Style, G-Wiz, the G-Brits and the G-Nomads all depending on their slice of the G-pie. There's far too much at stake for anyone to go poking around the G-Mansion now. Who knows what dirty secrets might be waiting down there in the dark? (STL107450) (MAR191177)

(W) Garth Ennis (A/CA) Darick Robertson

Dynamite's new compilation of Garth Ennis and Darick Robertson's hit series The Boys continues with Volume 3, which includes both of the original volumes 5 & 6.

An evil so profound it threatens all mankind! The mightiest heroes on the planet uniting to defend us all! A secret crisis of such utter finality that a countdown to civil or infinite war seems unavoidable! But have you ever wondered what really happens during Crossovers? The Seven, Payback, Teenage Kix, Fantastico, and every other superhero on Earth team up for an annual event like no other - and where the superheroes go, can a certain "five complications and a dog" be far behind? But as the fun and games begin, it seems our heroes have set their sights on bigger game than usual.

You can only maim and murder so many superheroes before someone decides to do something about it, and in The Boys' case that means Payback - a superteam of unimaginable power, second only to the mighty Seven. Pulping teenage supes is one thing, but how will our heroes fare against Soldier Boy, Mind-Droid, Swatto, the Crimson Countess, and the Nazi juggernaut known as Stormfront? Blood flies and bones shatter, as Butcher and company meet fire with fire. (STL110601) (MAY191150)

BOYS OMNIBUS TP VOL 04 (MR)

(W) Garth Ennis (A) Darick Robertson & Various (CA) Darick Robertson

Includes both volumes 7 & 8 of this acclaimed series in one volume.

So where are the real superheroes? The warriors for truth and justice, the defenders of the American way, the heroes who fight to make things right and ask for nothing in return? Hughie finds out when he meets the teenage adventurers known as SUPERDUPER... but unknown to the little Scotsman, Butcher has finally learned his secret. A dire scheme is set in motion, and at the vast superhero evangelist festival of BELIEVE, Hughie's relationship with Annie January - aka Starlight of the Seven - reaches its terrible conclusion.

Next... a special story featuring everyone's favorite pint-sized Scotsman, Hughie. Mind reeling from cataclysmic events in New York, Wee Hughie heads home to Auchterladle - the semi-idyllic Scottish seaside town where he grew up. All Hughie wants is some time to himself, to return to the bosom of family and friends, and get his head together after two years of unimaginable chaos. But our hero's luck has always been more cloud than silver lining, and the familiar surroundings he craves are not all they might be. Old pals are warped beyond recognition, strangers in town are up to no good, and a figure from Hughie's recent past has come back to resolve some unfinished business. You can go home again - but whether or not you should is another matter entirely. (STL119930) (JUL191188)

BOYS OMNIBUS TP VOL 05 (MR)

(W) Garth Ennis (A/CA) Darick Robertson

Includes both volumes 9 & 10 of this acclaimed series in one volume.

All the pieces are falling into place, for the Boys as well as their most mortal enemies. The long-dreaded superhuman conflict is on its way. But first there are secrets still to be uncovered: like the story of the team's first encounter with supergroup The Seven, and the shockwaves from that disastrous meeting that still reverberate today. Hughie, meanwhile, discovers his comrades' hidden

history, as their original leader Colonel Greg Mallory takes him through sixty years of the filthiest black operations imaginable. And finally, with good and bad guys teetering on the brink, a shadowy force sets events in motion that will push even Butcher over the edge. The Boys, Vol. 9: The Big Ride collects issues 48-59 of the New York Times Best-Selling series by Garth Ennis, Darick Robertson, Russ Braun and John McCrea, and features all of the covers by Robertson!

He could have been a very different man. Billy Butcher, leader of The Boys, once had a chance at another life entirely - when the love of a good woman pulled him aside from his dreadful path of violence and despair. This is the story of Billy and Becky, told by the man himself: from the backstreets of London's East End to the carnage of the Falklands War, from the heights of love to the depths of tragedy. And when he's done, he'll be ready ... to finish things once and for all. The Boys, Vol. 10: Butcher, Baker, Candlestickmaker collects issues 1-6 of the hit mini-series, The Boys: Butcher, Baker, Candlestickmaker by Garth Ennis and Darick Robertson, and features all of the covers by Darick Robertson! In DIE: The Roleplaying Game, players take on the roles of authentically flawed people from the real world who gather together to play a game and are dragged into a magical realm. What are they prepared to sacrifice to escape? What are they prepared to sacrifice to stay? Built by Kieron Gillen and Stephanie Hans, the creative duo behind the Image comic of the same name, this 408 page book gives players all the tools they need to build a bespoke world out of the obsessions and dreams of their friends. DIE RPG SCENERIOS VOLUME 1: BIZARRO LOVE TRIANGLES SC

Die RPG Scenarios Volume 1 is the first in a series of softback DIE RPG sourcebooks. They're just like the What If? comic book series, where familiar characters undergo wild changes and endure novel dangers. Bizarre Love Triangles A DIE Ex Crawl: Frustrated by their players constant whingeing about failed relationships and lost loves, the Master throws them into their worst nightmare a fantasy kingdom populated entirely by ex-lovers with (literal) axes to grind. Where the Vile Things Are: Luckless teenagers trapped at a summer camp where isolation, deprivation and cruelty are the order of the day escape into a fantasy kingdom by playing a strange game throughout the long night. I Go Infinite: Mugen Clash is the worlds greatest collectible card game—and you've just been drawn into the strange world depicted in the cards. Grab a hand of cards from any CCG or TCG you own and use them to succeed with cunning, strategy and paper-thin narrative conveniences improvised on the fly. (STL343931) (C: 0-1-2)

DIE RPG SCENERIOS VOLUME 2: LOVE IS A BATTLEFIELD SC

Die Scenarios Volume 2 is the second in a series of softback DIE RPG sourcebooks. In Love is a Battlefield, Kieron Gillen returns to bloody his knuckles on the subject of wargames. But not in the way youd expect, obviously. Love is a Battlefield is a one-on-one variant of DIE where you, a couple struggling to make it work after years of not really connecting, play a strange conflict resolution

wargame in lieu of attending proper therapy. As the wargame drags you and your lover into the realm of Die, you must workout what youre willing to destroy to save your relationship. Includes tense gunfights in the lighting section of IKEA and a long-standing border war over whose turn it is to do the dishes. Powersword Purgatory is a loveletter to that most British of gaming pastimes Warhammer 40,000—but weve filed off all the serial numbers and resprayed the Space Marines so no-one will be the wiser. Sure, the far future looks both grim and dark, but is it any worse than the miserable injustices of real life? Sunday Night Warfare explores the disconnect between the fiction attached to the games we play (grand drama, galactic conflicts, heartbreaking losses) and the actual events portrayed during play (thirty guys aside fight over some shipping containers for no real reason). As the players lead their forces to victory or defeat in a strange otherworld, can they come to terms with the fact that their armies of toy soldiers are suddenly real people with dreams, desires and fears? MARVEL MAY 1965 OMNIBUS HC

(W) Stan Lee, Various (A) Jack Kirby, Various (CA) Javier Rodriguez

CELEBRATING THE 60TH ANNIVERSARY OF MARVEL'S CUTTING-EDGE "NICK FURY, AGENT OF S.H.I.E.L.D."

Marvel proudly celebrates the 60th anniversary of Stan Lee and Jack Kirby's S.H.I.E.L.D. with an Omnibus collecting every Marvel comic released in May 1965, the month Nick Fury's super-hero spy thriller debuted! It's the next step in the evolution of the Marvel Universe, one that's increasingly being taken over by innovative super heroes. But there's still plenty to be had in the pages of PATSY WALKER and MILLIE THE MODEL as those titles adapt to the ever-swinging sixties. SHADOW DOCTOR TP

(W) Peter Calloway (A) Georges Jeanty (CA) Mark Chiarello

Years in the making, this is the true story of writer Peter Calloway's grandfather, Nathaniel Calloway, a Black man who graduated from medical school in the early 1930s. Unable to get work at any Chicago hospital (because he was Black) and unable to secure a loan from a bank to start his own practice (because he was Black), Nathaniel turned to the only other source of money in Prohibition-era Chicago: the Mafia, run by none other than Al Capone.

One of the most profoundly fascinating, startling and significant stories AfterShock has ever published, SHADOW DOCTOR features the artwork of Eisner Award-winner Georges Jeanty (*The American Way*, *X-Tremists*) and covers illustrated by the inimitable Mark Chiarello!

This volume contains issues #1-5. (STL194386) (AUG211414)

SHOPLIFTERS WILL BE LIQUIDATED TP VOL 01

The largest retailer in the world requires the best-trained loss prevention staff, and Security Officer Nussbaum defends the company interests at any cost. Life, human rights, rational thought are all secondary concerns. But his world is upended when he finds a society living under the retail outlet - a culture that challenges his notions about

consumerism and sense of self. Is he ready for the message? Imagine Judge Dredd working for Amazon, and you've got a hint of what you're in for.

From Patrick Kindlon (PATIENCE! CONVICTION! REVENGE!) and Stefano Simeone (CLANKILLERS) comes SHOPLIFTERS WILL BE LIQUIDATED - a satirical take on consumer society. (STL147145) (JUL200997)

VINEYARD TP

(W) Brian Hawkins (A/CA) Sami Kivela

THE VINEYARD is a family-owned winery that sows and reaps by the blessing of the great god of wine and revelry, Dionysus. However, the Vines family's patron god requires complete devotion in the form of four sacrificial killings a year before each harvest. This has been done in unfettered obeisance. But all of that changed when the family's patriarch, Didache Vines, was in a horrible accident that left him paralyzed and in a wheelchair.

Now, the sacrificial and murderous duties of the Vines family have fallen to wife and matriarch, Maranatha Vines. With harvest season fast approaching and the family short of their annual sacrificial killings, Maranatha's struggle with her conscience puts all of her family - husband, son and daughter - in jeopardy.

Written by Brian Hawkins (Black Cotton, Believe in the Name, Don't Ever Blink) and illustrated by Sami Kivelä (THE HEATHENS, UNDONE BY BLOOD, Abbott), THE VINEYARD is what happens when family values and otherworldly obligations collide.

So these two FBI agents walk into a warehouse...

Special Agents Shaw and McGregor handle the routine cases nowadays, which is just the way Shaw likes it. When two fellow agents go missing inside a Long Beach warehouse, Shaw and McGregor are sent to investigate. But what they find waiting is far from routine, as the local police have already discovered to their cost. Before the night is out, our heroes will encounter terror beyond their most appalling nightmares-in a place where the night may never end at all.

O/A MANIX ABRERAS 12 SC

(W/A) Manix Abrera

Acclaimed Filipino comic artist and three-time National Book Awardee Manix Abrera, in cooperation with ABLAZE, proudly presents "12".

Twelve remarkable stories, weird and surreal, thought-provoking yet funny, sometimes disturbing, others terrifying, but nonetheless always enchanting.

Twelve genuinely touching stories, all drawn in Manix's simplistic style, devoid of words but communicate loudly and resonate wildly with your emotions.

Each story presents itself in its own charm, with intriguing twists - a young man spends his entire life searching for answers but shock awaits when he finally gets that eureka moment; someone finds love that unexpectedly finds somebody else; two men argue over who goes first on an escalator; a mother and daughter fight over a cockroach; a drunk man urinates on a tree and gets a big surprise - making you wonder how these mundane plots can turn out bizarrely, prompting you to reflect and crave for more!

One story reveals a mysterious horror encountered in gloomy desolate highways. Another shows how some group of scientists acquire superpowers because someone hesitated to dissect a frog. A young girl attaches her eyes to a balloon so she can look for her mother above a crowd.

What is the meaning of life? Is finding happiness worth it when you lose what really matters the most? Would you even know what matters the most?

Embrace pain and sorrow. Hope for love and will for hope.

Manix Abrera's 12 breaks all language barriers in the world of storytelling, but cuts straight into your soul, touches your heart in several dimensions you can and cannot imagine.

MANIX ABRERAS 14 GN

(W/A) Manix Abrera

ABLAZE proudly presents "14," the second silent graphic novel created by Filipino comic artist, Manix Abrera. Winner of a National Book Award (Category: Wordless Graphic Literature) in 2015, awarded by the National Book Development Board and Manila Critics Circle.

14 tells the story of a human who mysteriously discovers a 13th floor in his building and finds himself in the middle of a storytelling session among different mythological creatures of Philippine folklore. Together, with a partying crowd of supernatural beings, he listens to stories narrated by creatures such as the Manananggal, Diwata, Tikbalang, Kapre, Tiyanak, and even by a White Lady and a Doppelganger. 14 is a grand narrative of weird yet wonderful tales, humorous albeit dark and spooky, surreal but unarguably true to the emotions of the heart.

Using absolutely no words in this graphic novel, Manix successfully tells the stories through careful planning of each scene and sequence. Frame by frame, panel by panel, Manix effectively renders each scene in detail and maximizes the power of images to completely convey the stories and emotions he wants to evoke in his readers. It is now up to you, the reader, to notice these details, to savor each frame, page by page until the big picture and meaning unfold sans the usual text balloons. Sounds mind-blowing! OLD GEEZERS HC VOL 02 (MR)

(W) Wilfrid Lupano (A/CA) Paul Cauuet

The geezers are back! An international bestseller, regularly topping the graphic novel bestseller lists across Europe - with hundreds of thousands of copies sold. Come find out why the geezers have won the hearts of so many...in this gorgeously illustrated, beautifully written graphic novel series.

The Old Geezers Vol 2 includes two new stories, featuring three septuagenarians who have been friends since childhood: Antoine, Emile, and Pierrot.

In "The One Who Got Away", things aren't looking so good for the Geezers... one of them's in the hospital, the other's been arrested, and the third one is dealing with leaky roofs, drowning sheep, and eggs he doesn't approve of. Two new characters make their appearance in this book, and through their stories we are taken to shark-infested waters and treasure-hunting in the Pacific, to village fairs, rugby matches, broken hearts, and behavior unbefitting neighbors-which continues to this day. Thank goodness young Sophie and her puppets are around to keep these old men in check.

And in "The Magician", peaceful country living consisting of leaky roofs, puppet shows, and drinks and arguments at the local tavern is disturbed when a rare species of grasshopper is discovered in a

local field, and suddenly environmentalists, politicians, hunters, Big Pharma, union people, mushroom pickers and geriatric anarchists are all loudly fighting for what they believe is the right approach to things. In the midst of all this, one love story may be blooming in spite of a curse, another may be doomed for good and for poop, and questions of paternity arise yet again.

An EPIC FANTASY ADVENTURE For ALL AGES!

It's been 10 years since the men of the village left to fight in The Great War. Ten years since they left the women, children, and the older generation for a conflict far away from home and that they knew almost nothing about, except that it was about the security of their nation, their valley, their families. Ten years have passed since anyone has had any news of the war...

But the women quickly took charge of village matters. This is how the Order of Shepherdess Warriors was formed, a group of female fighters chosen among the most courageous and acrimonious, to protect not only their flocks, but also the village!

Molly is happy because as soon as she turns 10, she can finally start training, and if she's good enough, she can join the order and work out why there are more and more ferocious wolves in the valley. This quest will take her far beyond the boundaries of the land she knows, into the sorcerers' forest and on the trail of her missing parents.

The Armadillo Prophecy is Zerocalcare's debut OGN, and it's the story of how he coped with learning too late that a dear friend from his childhood had died, all while a giant armadillo represents his

imaginary conscience. Dryly funny, witty, and inventive, it's a classic that has sold over 140,000 copies in Italy alone. Now in its 13th reprint, it is Zerocalcare's most popular title. Structured as a series of short stories that tie in to form a cohesive narrative, this is the seminal story that made Zerocalcare famous for his ability to write comedy with depth and elements of drama embedded in the plot. While it references Italian society, it's definitely a universal tale of loss, coping and coming of age.

Season 1 of Zerocalcare's original animated series "Tear Along the Dotted Line" debuted WORLDWIDE on Netflix in November of 2021. Season Two, "This World Can't Tear Me Down," premiered April 2023. Both can be streamed now on Netflix! (STL277944)

Tentacles at My Throat is a coming-of-age story set in three different moments of Zerocalcare's life: primary school, junior high, and his adult life. It is a complete story told in three parts; three moments that have in common that all-too-familiar feeling of having tentacles at one's throat.

Three friends, their schoolgrounds, and a secret. And fifteen years later, the discovery that they all thought there was only one secret, but each had their own. And there was one more, bigger than the others, that none were aware of.

This is Zerocalcare's second graphic novel, the one that made him stand out as an intelligent, delicate, merciless narrator when it comes to describing his own weaknesses, which could in fact be everyone's. An honest, touching, intense story with a bit of Stand By Me thrown in for good measure, it's the book that made Zerocalcare a national success story in 2012 in Italy. The book has been reprinted nineteen times since its initial release, surpassing the 120,000 copies sold mark.

New ongoing series! Part 1 of the Raphael flashback adventure arc "Attack on Area 51"! After the events of "The Armageddon Game," the Teenage Mutant Ninja Turtles found themselves at a crossroads, attempting to keep their family united while individually feeling the need to break away and explore life in a world that knows about mutants.

To clear his head, Raphael jumps on his motorcycle and heads west on a solo road trip with the wind at his back and no destination in mind...until a dormant enemy out for revenge on the Turtles engineers a dangerous detour to Area 51. When Raphael is held hostage with some unexpected old friends, his soul-searching quest mutates into a crisis as he brawls in the desert to keep the E.P.F.'s cache of coveted technology out of the wrong hands. VAMPIRO ROCKABILLY APOCALYPSE #3 (OF 5) CVR A PEGASO (MR)

(W) Michael Kingston (A) El Terrorifico Dr. Napalm (CA) Pegaso

Featuring a stunning painted cover by the legendary Mexican comic cover artist Pegaso (Tinieblas: El Hijo de la Noche, Kalimán, John Carter: Warlord of Mars).

Every guitarist knows his name. His performances are the stuff of legend. He's played all over the world, but his face has never graced a single concert poster. He's never advertised. He just...appears!

It's an all-action duel in the desert! The Bonneville is out of commission and our heroes are pinned down by The Bad Habit...and the blazing desert sun! Can Estrella and Everitt hold off the shotgun-wielding Sisters of Mercy? Can Vamp survive an all-out war against Abaddon...the Black Queen of the Abyss?

And what role does The Monster Cop and his film school dropout nephew have to play in all of this? (STL345379)

DR WERTHLESS MAN WHO STUDIED MURDER HC (C: 0-1-2)

(W) Harold Schechter, Eric Powell (A) Eric Powell

From the creative team behind the award-winning *Did You Hear What Eddie Gein Done?* comes an examination of one of the most polarizing figures in pop culture, Dr. Fredric Wertham. Reviled by comic book fans as a witch-hunting zealot who stirred up a panic among the parents of America for his own self-promoting purposes, he was also a renowned psychiatrist who, among other accomplishments, opened a clinic in Harlem for disadvantaged African-American patients and played an important role in the desegregation of the nation's schools. Believing that murder could be abolished through a proper understanding of the mental and social roots of criminal violence, he took a genuinely humane approach to some of the most notorious homicidal maniacs of his time, while simultaneously exploiting their stories for his own commercial ends. Eric Powell (The Goon) and comedian and voice actor Lucky Yates (Archer) combine twisted comedic talents to bring you Lester of the Lesser Gods. Originally created as an unproduced animated short by Powell a decade ago, the concept was revived when the two writers were looking for a comic project to work on and Lester was born! This collection includes the original one-shot, the new three-part miniseries, a sketchbook and cover gallery. (STL340460) (C: 0-1-2)

MIGHTY MARVEL CALENDAR BOOK VISUAL HISTORY HC (C: 0-1-1)

(W) Chris Ryall (A) Various (CA) John Romita Sr.

From 1975-81, Marvel created seven consecutive calendars that were as artistically designed and captivatingly written as any of their comic books. Each of these annual calendars—whether they celebrated the Bicentennial (1976) or spotlighted a specific character such as Spider-Man (1978), Hulk (1979), or Doctor Strange (1980), featured heroes and villains across the pantheon of the Marvel Universe—and all shared inspired features. These included visual call-outs for birthdays of noted Marvel staff and creators; key moments in Marvel history; special events, famous quotes from fan-favorite issues, and other celebratory mentions; with original art created especially for these calendars by Jack Kirby, John Buscema, John Byrne, Frank Miller, Walter Simonson, Gil Kane, George Perez, Gene Colan, Jim Starlin, Sal Buscema, Mike Ploog, and dozens more. Never before has all of this astounding art been reprinted, and the complete set of covers, interiors, and gorgeously designed monthly entries are reproduced at their original size in this beautiful, oversized hardcover package. O/A THREE ROCKS STORY OF ERNIE BUSHMILLER MAN WHO CREATED NANCY

(W) Bill Griffith (A) Ernie Bushmiller

From Bill Griffith, creator of *Zippy the Pinhead*, comes *Three Rocks*, a biography of cartoonist Ernie Bushmiller, creator of the iconic comic strip *Nancy*. But this graphic novel is about more than a single comic book artist. It is the story of this American art form, tracing its inception in 1895 with *The Yellow Kid*, the creation of *Nancy* in 1933, and all the strips that followed, including *Peanuts* and *The Far Side*. When Bushmiller died in 1982, *Nancy* was running in almost 900 daily newspapers—a number few syndicated cartoonists ever achieve. The title *Three Rocks* refers to the trope of three hemispherical rocks often seen in a Bushmiller landscape—just enough to communicate environment to the reader. This distillation is exemplary of the iconic, diagrammatic look of *Nancy*, a comic strip about the nature of what it means to be a comic strip—the perfect avatar for Griffith to expand upon his philosophy of creating comics. (W) Justin Jordan, Simon Spurrier (A) Rafael Ortiz, Georges Duarte (CA) Christian Zanier

The Crossed universe is an unyielding nightmare vision of animal depravity and homicidal insanity. In this volume, two of the industry's best new talents come together to tell very different stories of despair. Simon Spurrier takes you to a picturesque environment in the English countryside with tweeting birds, friendly vicars, crumpets and jam, and a mob of Crossed lurking near the duck pond. No one sees Wheezy the fat asthmatic kid hiding up in the old tower but if he shows his face it will only be the farmer's wife between him and a bloody fate. The problem is, she's Crossed too. And newly-Crossed Justin Jordan tells his first diabolical tale as two women attempt to escape the band of monsters out for their blood. When a mysterious unseen Samaritan helps them escape to a sanctuary it seems as though they've found what little safety there is in the new world order. But

trusting anyone in the world of Crossed usually leads to a gut-wrenching and miserable end. Crossed Vol 11 TP collects Crossed 2014 Annual and issues #57 - 61 of the ongoing Crossed: Badlands comic book series. (STK660206) (NOV141004)

CROSSED WISH YOU WERE HERE HC VOL 04 (MR)

(W) Simon Spurrier (A) Fernando Melek (CA) Jacen Burrows

Si Spurrier unleashes the epic conclusion to the longest and most intense Crossed story ever! The island was a safe place. Sure there were petty politics, strife, and discontent, but that was life on Cava. Now the arrival of the American drift fleet brings true civilization back to the little paradise and opens the eyes of the petty and the jealous. Everything they've created on the island is but a shadow of the luxury and apparent safety the drift fleet has acquired. And what of the strange Crossed Nun that is tied to Shaky's past? Is she a savior holding back the Crossed berserkers from their eventual

urges to pillage? Or is she a demon waiting for the moment to strike? Hell is coming for the island survivors and no place is safe from the monsters in its wake. In a world without help and without hope... there is only the Crossed. This volume collects the and final chapter of the hit online web comic Crossed: Wish You Were Here. Also available in hardcover, with a new cover by Jacen Burrows. (STK646272) (JUN140842)

FREAKANGELS HC VOL 02 (MR)

(W) Warren Ellis (A/CA) Paul Duffield

Volume Two of award-winning author Warren Ellis' ongoing web comic, Freakangels, is here! This installment collects the entire second arc of the post-apocalyptic saga into 144 gorgeous, full-color pages. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. Today, eleven strange 23-year-olds are living in and defending Whitechapel, maybe the last real settlement in flooded London. They've made a new friend, and together they successfully defended their home from raiders - but the post-apocalyptic drowned London that the eleven Freakangels survive in is never a safe place, and never surrounded by friends. Night has only just fallen, but strangers already creep through Whitechapel with the worst of intentions and the weapons to see them through. In Freakangels: Volume Two, we discover just how bad the situation in sunken England has become, and we meet the last of the eleven strange Freakangels. But the twelfth, sinister Mark, is still out there somewhere. Ellis' ongoing story of a flooded London is beautifully illustrated in jaw-dropping detail by Paul Duffield, and every page is as much a work of art as it is a compelling and multi-layered story. This second collection is also available as a Hardcover edition with an all-new cover by series artist Paul Duffield that is limited to just 2,000 copies, and a Dual Signed Hardcover edition, limited to only 1000 copies, signed by both Warren Ellis and Paul Duffield! Volume Four of award-winning author Warren Ellis' ongoing web comic, FREAKANGELS, is here! Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years ago, the world ended. O/A ALAN MOORE LIGHT OF THY COUNTENANCE HC (MR)

(W) Antony Johnston, Alan Moore (A/CA) Felipe Massafera

Alan Moore, master and magician of storytelling, tears back the veil of one of the most arcane of enchantments -- The Magic of Television. Part grimoire, part grim invocation of things that are all too ordinary, this beautiful 48-page novella is stunningly painted by Felipe Massafera. Maureen Cooper is not real. She is an apparition summoned to screens, into homes, into the hearts and mind of the viewing audience by Carol Livesly. But Carol Livesly is not the god that creates the illusions that capture the mind and bind the soul. She is only a servant of a higher power. A higher, hungry power, as old as the world and eternally new. As, perhaps, are we all... LIGHT OF THY COUNTENANCE, an original and breathtaking story by Alan Moore, has been adapted to graphic novella format by Antony Johnston preserving every word, and each page has been painstakingly painted by Felipe Massafera to create this comics masterpiece. Available in a standard Softcover and a limited edition Hardcover, of just 2000 copies, both with covers by Massafera. (STK384495)

William Gravel carves a bloody path of death in his first full-color collection! Gravel Volume 1 features the first eight issues (#0-7) of this on-going series from Warren Ellis and co-writer Mike Wolfer with art by Raulo Caceras and Oscar Jimenez, as well as a special cover gallery! Long-buried and lost in antiquity, a unique book of magic once existed, filled with such extraordinary and arcane spells, supernatural rites, and inherent power that its possessor would be either unequaled, or driven irrevocably insane. Recently unearthed, the Sigsand Manuscript has been divided into six pieces and distributed among the Minor Seven, Britain's great Occult Detectives. With the Sigsand in their grasp, the Seven now wield more power than they were ever meant to possess - and William Gravel is not happy about it. Once a member of their Order but unceremoniously replaced within their ranks, the SAS Sergeant Major and Combat Magician is on a mission of revenge, redemption, and quite possibly rebirth, as he takes on the members of the Minor Seven one-by-one. And God help each of Gravel's former colleagues should they decide not to relinquish their sections of the Sigsand to the one man who might have the supernatural skills and restraint to use the reconstituted manuscript without accidentally destroying the Earth in the process. They all promised to use the unholy power wisely, but Gravel knows they are all Bloody Liars! This second color volume of Warren Ellis' and Mike Wolfer's on-going adventures of Combat Magician William Gravel is now available, collecting issues 8 through 14 of the series. After carving a bloody path through his fellow members of the Minor Seven, the last thing Sergeant Major William Gravel expected was to be welcomed with open arms into a much more prestigious ensemble: The Major Seven. But enlistment as the newest recruit among the Master Magicians of England comes with a price, and a penance. Before Gravel can fully gain acceptance within their ranks, the Major Seven have two tasks for him. The first, to reform the Minor Seven, whom he personally crushed with his own hands. The second, to uncover the murderer within the Major Seven who killed one of their own, the woman whose place Gravel will fill if he completes his inaugural assignments. Trouble is, the six remaining members of the Major Seven are just like the Minor Seven, a pack of bloody liars. And before he's done, the seasoned Combat Magician will make it very clear to the overseers of Britain's occult hierarchy that a penance, and a price, is not only his burden to endure. GRAVEL HC VOL 03 LAST KING OF ENGLAND (MR)

(W) Warren Ellis, Mike Wolfer (A/CA) Mike Wolfer

It's never a dull day, being the last king of Britain's magicians, and before this bloody day is through, Combat Magician William Gravel will be rocked to the foundations of his beliefs and powers of the occult. After his systematic and murderous elimination of the members of both the Minor Seven and the Major Seven, Gravel now stands supreme, but being the King is not as glamorous as it sounds. He's reformed the Minor Seven, filling their ranks with young, working-class occult detectives, but their powers and Gravel's own leadership skills are about to be put to the test when a twisted, demented magician who didn't make the cut decides to show Gravel the error of passing him up for selection. To complicate his life even further, the British Government is breathing heavily down Gravel's neck as the body count of innocent British citizens rises. But is Downing Street's concern solely for public safety related to Bible Jack's terrorist attacks on London, or is it something more politically-motivated? Collecting issues 15-21 of the Gravel series, this incredible and violent chapter in the Gravel saga completes the three-part story arc that began in GRAVEL VOLUME 1: BLOODY LIARS and continued in GRAVEL VOLUME 2: THE MAJOR SEVEN. Garth Ennis gives a new glory to the Old West in this blazing six-issue saga! Colonel Joseph Dunn is a man of honor, integrity, and one of the last bastions of the old guard. ILLUSTRATORS #46 (C: 0-1-2)

(W) Diego Cordoba (A) Bob Fingerman & Various

Bob Fingerman is an indie cartoonist who Harvey Kurtzman discovered amongst his students and realised here was someone who actually knew how to draw! Fingerman has worked for just-about every major and minor comics and magazine publication in the US, and while artists like Dan Clowes and Peter Bagge achieved greater visibility, Fingerman's work is of equal merit. Hans Kresse was one of the greatest comic strip artists you have never heard of, coming all the way from The Netherlands. It's a shame that nobody remembers him anymore. Although he was published all over the world-it was during the 1950s and 1960s-and that might be why nobody remembers him anymore, as comics once read back then were trashed afterwards and nobody gave a hoot as to who the artists were (although Kresse worked until the 1990s). A prolific artist, he even made it to British shores, so here we do justice to an artist who should be up there among giants. (STL343007) (C: 0-1-2)

PSYCHO WAR STORIES HC (C: 0-1-2)

(W) Various (A) Jorgi Moliterni

Born in Argentina in 1933, Jorge Moliterni's earliest work was in advertising. He soon moved to working in comics, where he was kept busy working for a wide spectrum of clients including the UK's Fleetway publications, including their pocket war libraries in the 1960s. Despite the influence of Milt Caniff that he shared with many of his contemporaries, his work was unparalleled when it came to handling dark themes. His moody use of light and portrayal of characters driven to the edge of madness made him a perfect choice for stories about fear, greed and vengeance. We have chosen four of his greatest stories, carefully restored the art and reset the fonts to bring you the sharpest reproduction imaginable of these great comics along with a War Comic Checklist and Cover gallery. O/A WORK LIFE BALANCE GN (C: 0-1-2)

(W) Ree Wayne, Chee Benjamin (A) Chee Benjamin

When a menacing multinational arrives on our shores, familiar creatures like pontianaks, manananggals, raksasis, and ba jiao guis are forced out of their jobs. Some give in and sign up for mundane corporate life—but others would rather fight than join the broken-spirited hordes of the (desk)bound. Benjamin Chee's comics and Wayne Rée's prose intertwine in this collection to bring you familiar Asian mythology in an even more familiar setting: the realm of dead-end work, glass ceilings, and truly hellish bosses. (W/A) Beth Revis

Celebrate one of Star Wars' most iconic couples—Han and Leia—with this giftable illustrated book perfect for weddings, Valentine's Day, or just because it's time to exchange an "I love you, I know." Han and Leia are about to get married! But before they can walk down the aisle, some curious Ewoks want to know what "love" is. Together, Han and Leia find the words to define what love means to them: Love can be a lot of things, but in the end, it's a reminder we're never alone. With romantic and painterly illustrations, this is a sweet, relatable, and at times humorous story about two people who found family in each other. (STL342663) (C: 0-1-2)

LEGEND OF KAMUI GN VOL 01 (C: 0-1-2)

(W/A/CA) Shirato Sanpei

At long last, manga titan Shirato Sanpei's groundbreaking epic makes its way into English. Celebrated as a watershed of both the Japanese counterculture and dramatic, longform storytelling in manga, *The Legend of Kamui* serves up clashing swords and class struggle to create a timeless political allegory set in feudal Japan. It's the 17th century in Japan. Child outcast Kamui lives on the fringes of a miserably stratified society. Fueled by pure grit, rage, and a dash of cunning, his only way out is to take up the mantle of ninja. Follow scrappy peasants, cold-blooded ninja, and disgraced and exalted warriors as they navigate the unforgiving hardships of a violent yet hopeful age. With its vivid and critical attention to social injustice and environmental issues against a backdrop of heart-pounding action and romance, this multilayered gekiga drama not only redefined ninja and samurai fantasy, it also offers astonishing parallels with the modern day. Claire and Mark are stuck in the doldrums of an unhappy marriage. She chain-smokes and refuses to leave the house or even change out of her bathrobe. He sleeps on the couch and can't distinguish one day from the next. With all love lost for family life, pizza and Chinese food take turns on a nightly take-out dinner menu. Husband and wife are plagued by the idea that this is all a dream. Why can't Mark ever remember their son's name? Isn't he a barber? Doesn't he play in a band? Why is Claire obsessively stalking her ex-boyfriend online? When exactly did she stop caring about what the kids wear to school? And just why can't she be bothered to tell the other mums at pick-up apart? Didn't Claire and Mark have different lives? As reports of an imminent nuclear war make subtle waves on the radio, the truth begins to dawn on them... (STL342976) (C: 0-1-1)

BERLIN TP COMPLETE (MR)

(W/A/CA) Jason Lutes

For twenty years, Jason Lutes toiled on this intimate, sweeping epic before the collected Berlin was published in 2018 to widespread acclaim. Lutes's historical fiction about the decline of the Weimar Republic and the rise of fascism is seen through the eyes of the Jews and the Nazis; the socialists and the socialites; the lavishly decorated queer clubs and the crumbling tenement apartments. Lutes weaves these characters' lives into the larger fabric of a city slowly ripping apart, crafting a polyphonic novel that is rich in its historical detail and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism. CARAVAGGIO THE PALLETTE AND THE SWORD TP VOL 01 (C: 0-1-2)

(W/A/CA) Milo Manara

Discover the bawdy, swashbuckling life of one of the greatest painters in history through Milo Manara's passionate and personal tribute to his artistic idol.

Caravaggio: The Palette and the Sword Volume 1 is the first half of Milo Manara's two-volume epic biography of the hot-tempered Italian master painter. It depicts Caravaggio's early years in Rome as he struggles to capture truth on canvas, only to have his art condemned to be burned by the Church. He then is forced to flee the city when he kills a man in righteous fury over the death of a prostitute.

The two volumes of Caravaggio mark the return of Manara to U.S. readers and the debut of Fantagraphics' new series, The Milo Manara Signature Edition, featuring affordable paperbacks of maestro Manara's internationally acclaimed work. (Volume 2 will follow in Spring 2025.) POCKET FULL OF RAIN AND OTHER STORIES HC EXPANDED ED (C: 0-1

(W/A/CA) Jason

Leading off with the eponymous novella-length thriller, "A Pocketful of rain" is drawn with realistic human beings instead of Jason's trademark blank-faced animal characters—a true revelation for longtime fans. This collection showcases three distinct styles: the artist's earliest "realistic" drawing style (used to unsettling effect in some particularly creepy stories), an intermediate "bighead" cartoony style that still features humans (used for both humor and drama), and the "funny animal" style he's now best known for.

Readers who love Jason's anthropomorphic style won't be disappointed, though. Also included is several tales drawn in that fashion, featuring (among other things) Death, a guy waiting for a bus, and croquet-playing nuns; over 40 "daily strip" format gags; a trio of hilarious parodies of other pop media work including Corto Meowtese and an elaborate riff on Basil Wolverton's Spacehawk done Jason style; and much more.

This new and expanded edition also collects all the images from the limited Swedish edition of Pop!, a collection of Jason's wildly ingenious and graphically pixelated single page pop culture homages. Modern Art meets pop cult, channeled through Jason's keen sense of humor and atmosphere. In this gallery, readers see the cartoonist's takes on Hopper, Magritte, and Kahlo; Moebius, Pratt, and Hergé; musicians like Tom Waits and David Bowie; and many more combinations, tributes, and send-ups. Of special interest are his delightfully ghoulish re-workings of Ernie Bushmiller's Nancy, blending in works from David Lynch, Martin Scorsese's Taxi Driver, and, of course, the paintings of Sluggo Picasso. Plus, a key to deciphering all of Jason's roguish and inspired takes. (STL346179) (C: 0-1-2)

MACANUDO THE WAY OF THE PENGUIN HC (C: 0-1-2)

(W/A/CA) Liniers

The third collection of the English-language run of the internationally beloved newspaper strip. For lovers of Mutts, Krazy Kat and Calvin & Hobbes.

Children reading to cats, penguins imagining the impossibility of alien life not including them, imaginary friends romping in the forest, horror-movie characters looking for friends, cartoons experiencing the awkwardness of zoom calls, witches frustrated over a Netflix lag on their crystal balls...

Liniers mixes his repertory cast of fantasy and child characters with one-offs to express whatever happens to be on his mind that day. While the touches of real life are always intermixed among his whimsical world, the spirit of imagination and love of nature only becomes more heightened in many of these strips which run from early 2020 into 2021. Handsome, landscape-format hardcovers with debossed covers showcase Liniers' beautiful, full-color cartooning in the way it deserves. The influence of Krazy Kat and Mutts extends beyond the tone, charm, and humanity of the content to formal playfulness, and these books are the best way to appreciate the full range of the work. MACANUDO WELCOME TO ELSEWHERE HC #1

(W/A/CA) Liniers

Fantagraphics is proud to present Argentine cartoonist Liniers' internationally-acclaimed newspaper comic strip in an Englishlanguage collection for the first time. In the spirit of Calvin & Hobbes, Mutts, and Krazy Kat, Liniers (Ricardo Siri) uses a shifting cast of children,

talking animals, imaginary monsters, sensitive robots, occasional elves, and anthropomorphized objects to perform gags, philosophize, muse on nature, and engage in surreal, artistic flights of fancy. With delicate, calligraphic pen work and understated watercolors, the comic skips lightly from style to style and subject to subject, as Liniers allows his imagination and observational humor free reign. Jokes about domestic life, imagined scenarios of historical figures, Cthulu showing up to Tinder dates, characters simply enjoying a pastoral sunset, the puncturing of

pop-culture stalwarts: Macanudo is a boundless canvas for its author's humane and delightfully off-kilter view of the world, in a way few comic strips have ever even attempted. Beginning in 2002 in Buenos Aires, Macanudo steadily gained popularity around the world, appearing in US newspapers since 2018. Welcome to Elsewhere is the first of a series of volumes collecting Liniers' groundbreaking strip. (STL234182) (JUN221542)

MACANUDO HC #2 OPTIMISM IS FOR THE BRAVE

(W) Liniers

The second volume in Fantagraphics' English-language collection of the internationally beloved newspaper strip.

Elves, witches, forest monsters, unicorns, children, talking cats and penguins... plus zombies with fitbits, Stephen King's Christine working as an Uber, and office politics? The bounds of a daily comic strip don't restrict Macanudo's imagination or subjects. With the range of The Far Side, the whimsy of Mutts, and the heart of Calvin & Hobbes, artist Liniers brings his distinctive illustrative line and sensitive watercolors to whatever crosses his mind on a given day. Readers of the previous volume will recognize some recurring characters and stock players, but each book stands alone, and every strip builds its own world. Whether commenting on pop culture, society, or the environment, or celebrating art, nature, or the act of reading, Liniers (Ricardo Siri) expresses his thoughts with joy and beauty. Most of them are funny, too.

Beginning in 2002 in Buenos Aires, Macanudo steadily gained popularity around the world, and has been appearing in US newspapers since 2018. Optimism Is for the Brave is the second of a series of volumes collecting Liniers' groundbreaking strip. (STL271832) (AUG231946)

A timeless goth love triangle/coming-of-age story from a trio of acclaimed comics creators. "I'm psyched. I'm totally psyched. I'm not a loser... Who the hell am I kidding?"

Life sucks for Dave Miller - he's broke, girlfriendless, and stuck in a dead-end job. Really dead-end: Dave is the night manager at the Last Stop, LA's finest vampire-owned and operated, allnight convenience store. Facing an eternity of turning hot dogs and restocking blood broth for his crappy boss and Vampire Master, the future looks about as appealing as the sunrise. It's bad enough that Dave is clinging to his days as a vegetarian and refusing to feed off humans, leaving him weak as a kitten. But when he finds himself competing with psychotic surfer-vamp Wes for the affections of Rosa, a beautiful mortal flirting with the dark side, unlife gets about as sucky as it possibly can.

ALTER EGO HC NOVEL

(W) Alex Segura

Annie Bustamante is a cultural force like none other: an acclaimed filmmaker, an author, a comic book artist known for one of the all time best super-hero comics in recent memory. But she's never been able to tackle her longtime favorite superhero, the Lethal Lynx. Only known to the most die-hard comics fans and long out of print, the rights were never available—until now. But Annie is skeptical of who is making the offer: Bert Carlyle's father started Triumph Comics, and has long claimed ownership of the Lynx. When she starts getting anonymous messages urging her not to trust anyone, Annie's inner alarms go off. Even worse? Carlyle wants to pair her with a disgraced filmmaker for a desperate media play. Yet, for the first time since she started reading a tattered copy of *The Legendary Lynx #1* as a kid, she feels a pure, creative spark. The chance to tell a story her way. She's not about to let that go. Even if it means uncovering the dark truth about the character she loves. (STL342497)

O/A SECRET IDENTITY SC NOVEL (C: 0-1-0)

(W) Alex Segura

It's 1975 and the comic book industry is struggling, but Carmen Valdez doesn't care. She's an assistant at Triumph Comics, which doesn't have the creative zeal of Marvel nor the buttoned-up efficiency of DC, but it doesn't matter. Carmen is tantalizingly close to fulfilling her dream of writing a superhero book. That dream is nearly a reality when one of the Triumph writers enlists her help to

create a new character, which they call "The Lethal Lynx," Triumph's first female hero. But her colleague is acting strangely and asking to keep her involvement a secret. And then he's found dead, with all of their scripts turned into the publisher without her name. Carmen is desperate to piece together what happened to him, to hang on to her piece of the Lynx, which turns out to be a runaway hit. But that's complicated by a surprise visitor from her home in Miami, a tenacious cop who is piecing everything together too quickly for Carmen, and the tangled web of secrets and resentments among the passionate eccentrics who write comics for a living. Hailed in Europe, Guido Buzzelli has been called the Michaelangelo of monsters, the Goya of comics, and the patron saint of all Italian cartoonists. Displaying a range of influences from Westerns and science fiction to Renaissance art and futurism, Buzzelli's stories are a delightful, quasi-postmodern mishmash of high and low, showing an intricate hand and stylish narrative skill. This final volume includes Guido Buzzelli's full-color science fiction epic Zasaafir, A Star For Ganymede, Resurrection, and the previously unpublished Incomplete Zasaafir. LEBANON IS BURNING AND OTHER DISPATCHES GN (C: 0-1-1)

(W) Al-Saadi Yazan (A) VARIOUS

Much of the present discourse about the pro-democracy Arab uprisings of 2011 paints a bleak picture of their defeat. But the truth is more complicated, and moments of struggle and inspiration

still recur despite the overwhelming odds against the movements' success. This collection of short comics documents the political and social unrest during the 2010s in such places as Lebanon, Egypt, Yemen, Palestine, Sudan, and Bahrain. A collaboration between journalist Yazan Al-Saadi and stellar cartoonists from the region—including Tracy Chahwan, Ganzeer, Ghadi Ghosn, Omar Khouri, Sirène Moukheiber, Hicham Rahma, and Enas Satir—this graphic reportage serves as a witness to an era of counterrevolutionary resurgence in which entrenched powers clashed with the people's struggle for self-determination. But Frankie dropped out before playing a single game. This graphic novel follows King's enigmatic life from its auspicious start in the limelight to his very reclusive existence in New York City, where he authored more than forty novels, including a popular series of cozy cat mysteries written under a woman's pseudonym. This is the story of a unique and sometimes troubled life, as well as a meditation on dreams realized, lost, and abandoned. (W) Tui T Sutherland (A/CA) Mike Holmes

The graphic novel adaptations of the #1 New York Times bestselling Wings of Fire series continue to set the world on fire!

Peril has been loyal to Queen Scarlet, who used her fatal firescales to kill countless dragons in the SkyWing arena. Now, Peril is loyal to Clay, the only dragonet who has ever been her friend. So when Scarlet threatens Jade Mountain Academy, Peril sets off to find her former queen, stop her, and save the day, no matter what it takes.

There's just one problem: a strangely persistent SeaWing, Turtle, insists on coming along, too. Turtle is worried about his friends, who left to search for Scarlet and haven't returned. Peril is worried that she might accidentally burn Turtle -- or burn him on purpose, for being so annoying -- and frustrated that she keeps saying and doing the wrong things. She can't escape her firescales, and she can't escape her reputation as the deadliest dragon in Pyrrhia.

So when she's offered a chance to trade everything for a new life, Peril has to decide who she's really loyal to . . . and whether her own scales might actually be worth saving.

MENDEL THE MESS-UP SC (C: 0-1-2)

(W/A) Terry LaBan

Ask anyone—twelve-year-old Mendel can't do anything right. When he tries to herd goats, they get out. When he tries to chop wood, he breaks the ax. It's embarrassing to be called "Mendel the Mess Up," but it's worse to be so clumsy that he can't even stand to read aloud without destroying the classroom. Nobody expects Mendel to keep out of trouble... least of all himself. But when the Cossacks invade Mendel's remote Jewish village of Lintvint (famous for Lintvint kvatch, which is made from a very special ingredient), Mendel's not the only one in trouble. When he slips away from the mountain caves where his fellow villagers are hiding, out of certainty he'll find a way to make things worse if he's around them, he discovers an unexpected opportunity to save the day. Could Mendel's bad luck be the key to saving Lintvint? Or will his plan to drive the Cossacks off go as badly as everyone—including him—expects? (STL342658) (C: 0-1-2)

They dance along with band practice, bounce around the school gym, end up in the boiler room, and... okay. They're lost. They may not know where to go, but they know what to do: wait a minute, calm down, and retrace their steps so they can find their classroom. Young comics readers are sure to resonate with comics illustrator Jeffrey Ebbeler's hilarious, slapstick take on a common coming-of-age experience—and parents will love the subtle lessons of patience and critical thinking. The playful collaboration of two masters of the medium, where the thoughts of one guided the hand of the other. The result is a unique blend of poetry and graphic storytelling. An exercise in imagination, Jodorowsky's Twisted Tales is the product of an artistic challenge born from a mutual love of word and image: Jodorowsky would write dozens of tales of beauty and brutality, wisdom and humor, and Boucq would expound upon and direct them through his illustrations. The resulting dialogue is a truly original piece of work, one where art is as entwined in the writing as lyrics in music. (STL119596)

"Haunting... Shadmi's deeply absorbing and moving biography will appeal to Dracula aficionados of all ages." -NEW YORK JOURNAL OF BOOKS

LUGOSI, the tragic life story of one of horror's most iconic film stars, tells of a young Hungarian activist forced to flee his homeland after the failed Communist revolution in 1919. Reinventing himself in the U.S., first on stage and then in movies, he landed the unforgettable role of Count Dracula in what would become a series of classic feature films. From that point forward, Lugosi's stardom would be assured...but with international fame came setbacks and addictions that gradually whittled his reputation from icon to has-been. (W) Christopher Painter (A/CA) Bob Quinn

The story of three punk rock witches, Alice, Hazel, and Maggie, who cast spells with their songs to battle corporate demon jerks, defeat rival witch bands, save the world, and get to the next gig.

Black Cat Social Club have been at this "band thing" for quite a while, with limited success. (Bummer.) Despite their kick-ass punk rock skills (and a little songcasting magic), these witchy women have been struggling to reach their big break. Discouraged, bassist Hazel sells her soul to a demon for more magical power, prompting singer/lead guitarist Alice to step in and assume the debt herself! Plus side, the band is killing it at their shows now. Downside? They may literally be killing the entire world by fueling these corporate demons' evil plans, which for sure involve brimstone, monsters... you know, the works!

Can the band stop the apocalypse? Is drummer Maggie's songwriting, uh, "technique" the key? Will the demon Stan ever shut up?! If you've ever wished Josie and the Pussycats had more demons, or Buffy was fronting a three-piece rock band, you've found your next favorite book in *Black Cat Social Club!* (STL262601)

2024 Eisner-Nominated for Best Publication for Kids. A moving middle grade graphic novel about friendship, belonging, and learning to love yourself despite the voices in your head. The strict therapy his mother insists on doesn't seem to be working, but when a group of friends invites him to join their after-school role-playing game, the thoughts feel a little less loud, and the world feels a little brighter. But Isaac's therapist says that exposure to games can have negative effects on kids with OCD, and when his grades slip, his helicopter mother won't let him play anymore. Now Isaac needs to find a way to prove to himself, to his mother, and to the world that the way to quiet the noise in his head may have been inside him all along. (STL273089)

TECTIV GN VOL 01 NOIRTOPIA (C: 0-1-0)

(W) Richard Ashley Hamilton (A/CA) Marco Matrone

"When her best friend vanishes, Bingo Finder — the only literate person in a post-apocalyptic L.A. — turns to her beloved, ancient books for inspiration, becoming the first detective in centuries. But to solve this mystery, Bingo must fight for her own life and uncover a conspiracy within this fragile civilization.

Bingo and every other teen in the sprawling farming village of Ellay knows the tales of the old days — of how their great-great-great-grandparents rebuilt what was left of society after some apocalypse or whatever. But that's ancient history. Boring.

Nah, for Bingo's generation, today is about staying busy — distracted, even — while tilling the reclaimed City of Industry fields or unloading barges at the seedy port of Bel Air. Or in Bingo's case, scavenging ruins for artifacts to upcycle and trade at the bartering bazaars — including Bingo's favorite leftovers, these old things called "books." Ever heard of 'em?

Her favorites are the TECTIV books, the ones about men who walked rain-slicked streets at night in hats and trench coats. They searched for answers in a city called L.A., just like Bingo. It was their job. And after the sudden disappearance of her best friend, Fenn, Bingo decides that's what she's gonna have to be if she wants to get answers — a new kind of TECTIV for a new world. Because everyone may believe Fenn's disappearance was the first crime in a long time. But Bingo's about to learn that it wasn't. And it sure won't be the last..." (STL343467) (C: 0-1-0)

Georges Bess masterfully adapts Victor Hugo's classic novel of unrequited love set in the midst of medieval Paris in 1482 as it takes its turns toward the modern era. Quasimodo, a deformed bellringer in Notre Dame cathedral, is hopelessly in love with the gypsy girl Esmeralda who has falsely been condemned as a witch by the archdeacon. In hopes of saving her from a fiery fate, he hides her in the cathedrals tower, but safety isn't as assured as simply staying out of sight. O/A ERASED AN ACTOR OF COLORS JOURNEY HC GN

(W) Loo Hui Phang (A) Hugues Micol

Maximus Ohanzee Wildhorse, renamed "Maximus Wyld" by Hollywood, was a talented, prized, admired comedian. Of mixed race black, Chinese, and Amerindian descent, he was "the actor with a thousand faces," essentially interpreting ethnic roles: Indian chief, Mexican revolutionary, oriental dandy. His filmography is an anthology of cinema: Vertigo, The Maltese Falcon, Sunset Boulevard, The Prisoner of the Desert, Rebecca. However, no credits mention his name. On celluloid there is no imprint of his face. Maximus the precursor rests in the graveyard of Hollywood amnesia. What event pushed him into limbo? What occult and superior force has stored his career in a cinematic Bermuda Triangle? A veritable reinterpretation of the myth of American cinema through the prism of minorities, Erased reveals the political and social dimension of Hollywood productions. (STL320629)

RED HARVEST TERROR FAMINE IN SOVIET UKRAINE GN

(W/A) Michael Cherkas

Soviet dictator Joseph Stalin waged a brutal war against the Soviet peasantry leading to the Holodomor, the terror-famine that killed at least 4 million Ukrainians during the fall and winter of 1932-33. Red Harvest is based on the tragic events that took place in Soviet Ukraine and other parts of the Soviet Union from 1929 to 1933. Stalin and the ruling Communist Party began their program of forced large-scale collectivization of individual farms and farmers, including the seizure of livestock, farm implements, crops, seed stock, and other property. Red Harvest is based on true stories as related to the Ukrainian-Canadian author of Mykola Kovalenko, a Ukrainian immigrant to Canada, who was the only member of his family to have survived the famine. EL FUEGO HC (MR)

(W/A/CA) David Rubin

From visionary storyteller David Rubín (*Cosmic Detective*, *The Hero*), *El Fuego* is a psychological, philosophical, and geographical odyssey through the last remaining days of planet Earth. It is the story of one particular inhabitant, who must decide how much more of himself to give to the greater good before truly finding peace within.

Renowned architect Alexander Yorba, entrusted to design a citadel on the Moon which would ensure the survival of humanity, is diagnosed with a terminal illness. A comic book ode to ooey-goey homosexual lovers of the past, present, and future. Like the rush of eating dessert before dinner or the tantalizing allure of itching a mosquito bite, Belly Full of Heart is a quick punch to the gut (romantically). Filled with illustrated vignettes of those moments where time slows and nothing exists except you and them, this collection covers topics such as being held, staying held, and squeezing the ones you love really hard. Read it beneath the blankets or gift it to the person who makes your heart pound. (STL342141) (C: 0-1-2)

DEMONS RISE & GRIND GN VOL 01 (OF 4) (MR) (C: 0-1-2)

(W/A/CA) Hyena Hell

The worst part of Hell isn't the flames... it's the paperwork. Bug and Grog are pit demons of Hell, and they've got it pretty good. Some routine brutality, some quotidian violence, and then they are basically free to do whatever (and whomever) they like. That is, until Grog gets noticed for being frustratingly competent, and ruins the whole thing by being sent to work in Hell's "upstairs office." As he tries to navigate a series of byzantine systems and bureaucratic absurdities, Bug tries to navigate the frustration of being left behind. Will Bug learn to accept this new status quo with grace, or do something impulsive and reckless? Spoiler alert: It's something impulsive and reckless. (STL342150) (C: 0-1-2)

Relive the classic early adventures of Avengers #1-20 now available as a compact trade edition. TASCHEN has attempted to create an ideal representation of these books as they were produced at the time of publication. The most pristine pedigreed comics have been cracked open and

photographed for reproduction in close collaboration with Marvel and the Certified Guaranty Company. Each page has then been digitally remastered using modern retouching techniques to correct problems with the era's inexpensive, imperfect printing-as if hot off a world-class 1960s printing press. Accompanying the stories are an original foreword by Marvel Studios President Kevin Feige and an in-depth history by the Eisner Award-winning writer Kurt Busiek that's illustrated with original art, little-seen photographs, and rare documents. (W) Stan Lee (A/CA) Steve Ditko

When Stan Lee first pitched the idea of Spider-Man in 1962, his boss was full of objections: People hate spiders. Teenagers aren't lead characters; they're sidekicks. He should be glamorous and successful, not a friendless loser. But Stan persisted and Amazing Spider-Man broke the comics mold. Peter Parker lived in uncool Queens, was always broke, continually worried about his Aunt May, was unlucky in love, and was constantly getting yelled at by his boss, Daily Bugle publisher J. Jonah Jameson. Spider-Man had the quips and confidence that Parker lacked, but learning to use his powers wasn't always easy. First available as an XXL-sized collector's dream, close in size to the original artworks, this compact edition features the first 21 stories of the world's favorite web slinger from 1962-1964. This robust collection of wall-crawling wonder will make anyone's spider-sense tingle with anticipation. (STL342087) (C: 0-1-2)

O/A SHIN MEGAMI TENSEI RPG TOKYO CONCEPTION HC

Shin Megami Tensei - The Roleplaying Game: Tokyo Conception is a deep yet accessible TTRPG for 3-5 players + 1 GM that perfectly captures themes of the original Shin Megami Tensei video game series, allowing players to wield familiar spells such as Agi and Megido against legendary demons like Jack Frost, Metatron, and the Moirae Sisters. Tokyo Conception further preserves the franchise's essence by incorporating staple elements such as demon negotiation, the Affinity system, and punishing status ailments like Poison and Stun while also introducing more typical TTRPG mechanics such as critical hits, fumbles, and exploding dice, to ensure encounters are both challenging and rewarding. Tokyo Conception is based on the world of Shin Megami Tensei III Nocturne. The game designers have recreated every region with great attention to detail. The book offers nearly 100 pages of stats for every demon, including bosses like Ahriman, Baal Avatar, Noah, and Kagutsuchi itself, and plenty of seeds for brand-new adventures. AW 1953 CADILLAC ELDORADO CONVERTIBLE 1/18 DIE-CAST VEH (Net

From Round 2. In 1952, Cadillac was celebrating their 50-year golden anniversary. They needed an exquisite vehicle to epitomize their momentous milestone. The Cadillac Eldorado was the answer. The first generation of the Eldorado was produced from 1952 to 1953 only. It was the most expensive vehicle in their lineup. The sweeping lines, golden emblems, and breathtaking chrome detailing was irresistibly luxurious and 100% Cadillac quality. The name Eldorado loosely translates from Spanish to "The Golden One." It also references Eldorado, the South American lost city of gold. If Cadillac set out to establish the gold standard of luxury, they succeeded with the Eldorado. Auto World has replicated this rolling work of art in factory-matched Alpine White, wire wheels, and enough chrome for two vehicles! We've even replicated the white soft top in the "up" position. HORSE GIRL SC (C: 0-1-2)

(W) Samuel Mui (A) Aled Lawlor

You are a woman in her late 20s. Life has not been kind to you, as much as you have tried to make things work. Your career was a mess, you were estranged from those who were supposed to love you, and you felt utterly lost in your life, not knowing who you were and what you were supposed to do. But things changed when you met Him: a handsome, intelligent young doctor who came into your life and saw the light in you where everyone else saw emptiness. Like you, He's lived a lonely life. To love Him became your purpose. To truly live was to live with Him and for Him. As time went on, you fell deeper in love as you grew further and further away from your friends and family. That's okay though. With Him, you finally feel safe. So when He offers you a room in His mansion where the both of you can live together in bliss for the rest of your lives, you say "Yes!"—even if the sole condition is that you'll be surgically and mentally transformed into a horse. Shadow of Mogg is a post-brexit tabletop roleplaying game set in the London underground following a catastrophic occurrence known only as "the event." All decisions in the game must be voted on as a group. No individual actions are allowed. The game uses a d6 group, narrative focussed resolution mechanic combined with a unique voting procedure that forces all decisions the party makes to be voted on. Shadow of Mogg focuses on survival, exploration, old school tunnel crawling and resource management. Players take the role of mostly ordinary members of the British public, whether the oppressed proletariat, a humble baker, a nurse, a firefighter, a time traveller or the Chief Executive of RBS as they eke out survival in an underground society turned inward against itself.
